Skokie (Niles North)	93.300
Addison (A. Trail)	88.750
Glen Ellyn (Glenbard South)	49.925

***Seeding Policy**

1. Scores used for the team seeding shall be from gymnastics meets where the team score was determined by adding three scores on all events. List all meets that meet this criteria.
2. The IHSA will determine averages by taking one half of the team's total meets that have the 3 score criteria. If there is an odd number of meets, the IHSA will average one meet above one-half. (For a team that competes in five meets, we will average three; a team that competes in four, we will average two and for a team competes in two meets, we will take the top score).
