

2007-08 Chess Team State Tournament Terms and Conditions

In accordance with Section 1.450 of the IHSA Constitution, the Board of Directors has approved the Terms and Conditions governing the 2007-08 IHSA Chess Team State Tournament.

I. SCHOOL CLASSIFICATION

Competition in the IHSA Chess Team State Tournament will be held for all member schools without classification.

II. DATES AND SITES

The IHSA Chess Team State Tournament will be held on February 8-9, 2008, at the Peoria Civic Center, Peoria, Illinois.

III. ON-LINE ENTRIES, WITHDRAWAL PROCEDURES, ELIGIBILITY, AND ONLINE LIST OF PARTICIPANTS

The policy for Original Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sports and activities included in the 2007-08 Entry Policies and Procedures.

A. Online Entries

All member schools must enter their school into the state series competition through the IHSA School Center on the IHSA Website at www.ihsa.org. The deadline for entry is December 1, 2007. All member schools should have received, in the mail in April 2007, the 2007-08 Entry Policies and Procedures that outline the online entry procedures for all IHSA-sponsored tournaments.

The IHSA Board of Directors eliminated the entry fees for all sports and activities starting with the 2005-06 school year.

B. Late Entries

Any attempt to enter a sport or activity online after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal or Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00.

C. Withdrawal Procedure

To withdraw without penalty, the Principal must notify the IHSA Office, in writing, of the school's withdrawal from the respective sport or activity prior to the date the List of Participants is due for that sport or activity.

If a school withdraws after the seeding meeting date but before the start of state final competition, the school will be charged a \$100 penalty.

If a school does not officially withdraw prior to the start of state final competition and does not appear for competition, the school will be charged a \$100 penalty.

D. Eligibility

All member schools in good standing may enter one team under the provisions of IHSA By-law 4.071.

E. Six-Contest Requirement

A school may enter and participate in the IHSA Chess Team State Tournament if the school's chess team participates in at least six (6) chess meets/tournaments prior to the IHSA Chess Team State Tournament, counted as follows:

1. A school may count only varsity interscholastic chess contests in which the school's varsity chess team participates.

2. A school may count no more than two (2) contests on any one date or for any one tournament.

3. A school may count an "open" tournament when there is no team winner, if five (5) or more varsity players participate in the tournament.

4. If school A plays school B one varsity match on a single date, it is counted as one (1) contest.

5. If school A plays school B two varsity matches on a single date, it is counted as two (2) contests.

6. If school A plays school B three varsity matches on a single date, it is counted as two (2) contests. (See 2 above.)

7. If a school participates in a four-team varsity quadrangular meet where there is round robin competition for all four schools, it is counted as two (2) contests for each school. (For example: A vs. B; A vs. C; A vs. D; C vs. D; B vs. D; and, B vs. C.) (See 2 above.)

8) If a school participates in a multi-school varsity team tournament where each team plays two or more rounds of competition (two or more matches), it is counted as two (2) contests. (See 2 above.)

F. Team Tournament Requirement

In order to participate in the IHSA Chess Team State Tournament, a team must have participated in at least one "team tournament." A "team tournament" involves at least 4 teams of at least 5 players each, playing at least 3 rounds with 30 minutes per player, and must be team-paired.

Effective with the 2008-09 school year, the rule will become:

In order to participate in the IHSA Chess Team State Tournament, a team must have participated in at least one "team tournament." A "team tournament" involves at least 6 teams of at least 5 players each, playing at least 3 rounds with 30 minutes per player, and must be team-paired and not prescheduled (as would occur in a round robin).

G. Complete Participation Requirement

In accordance with IHSA By-law 6.041, a school shall not enter a team in the Chess Team State Tournament unless the team will compete in all rounds of competition.

H. Online List of Participants

Each school must complete the online List of Participants by Wednesday, January 23, 2008.

The List of Participants form is located in the Schools Center of the IHSA Web site. It may include any number of eligible students but must include a minimum of six (6) players who are eligible in accordance with the Non-Athletic Activity By-laws of the Illinois High School Association. The List of Participants Form must also include the name(s) of the school's coach(es) (or school representatives).

Failure to fill out the List of Participants Form by the deadline constitutes withdrawal from the tournament.

IV. HOST FINANCIAL ARRANGEMENTS

This section does not apply to the Chess Team Tournament.

V. TOURNAMENT ASSIGNMENTS AND SEEDING MEETINGS

A. Pairing Meeting

The Pairing Committee shall meet on Sunday, January 27, 2008, to pair the teams entered in the state tournament. Each conference shall be invited to send one representative to the Pairing Meeting.

B. Pairing Procedure

The Pairing Committee shall rank teams prior to Round 1, based upon the data supplied with the school's Team Data Form and other related data. Tournament pairings will be completed prior to the State Tournament. In the event of forfeit(s) for Round 1, there may be re-pairing of teams without opponents.

1. Swiss style pairings shall be used.

2. The Pairing Committee shall use the following criteria and procedures to determine groupings and pairing numbers for Round 1:

a. Divide the top 56 ranked teams into 8 groups of 7, rank-order the first group of 7, and draw by lot for a pairing number within the remaining groups;

b. Pair the top 56 teams so that 1 plays 29, 2 plays 30, etc.;

c. Divide the remaining teams entered into four groups and draw by lot within each group for a pairing number and pair the teams so the teams in the first two of these groups play the teams in the last two of these four groups in Round 1. (For example, if 90 teams are entered, 49 plays 75, 50 plays 76, etc.)

3. Schools from the same conference will not be paired with each other in the first four rounds, unless it cannot be avoided.

Chess Team Terms and Conditions—Page 2

4. The Harkness variation may be used to pair score groups with an odd number of teams.

5. In the event that more than 128 teams are to be paired, the Sixths Acceleration Method may be used and the numbers in Sections 1-5 above will be altered accordingly.

VI. TOURNAMENT STRUCTURE AND PLAYING SCHEDULES

A. Team Rosters

A team may consist of up to twelve players (played eight at a time), but not fewer than six players. In the event a school enters less than eight team members it will forfeit all matches on boards eight or seven as needed. In such cases, the results of the players on the numbers one through six boards will be considered in determining tournament results. The team assigned white shall be white on boards 1, 3, 6 and 8.

Note 1: A minimum of six (6) players must compete at all times in each round of competition.

Note 2: A team is expected to compete on the same number of boards in all rounds as the number of boards on which the team competes in Round 1. Only the IHSA Administrator may approve exceptions.

B. Complete Participation Requirement

All teams must compete in all seven rounds of competition.

C. Stacking

In accordance with the provisions of IHSA By-law 2.041, for Round 1, players shall be assigned to boards in order of their individual playing strengths with the best players assigned to Board 1, the next best to Board 2, etc.

Note: "Stacking" is not an acceptable or appropriate strategy in the IHSA Chess Team State Tournament.

1. "Stacking" is the practice of arranging a line-up that results in an advantage over opponents by placing a person of low playing strength on a high-value board to enable the remaining team members to play against opponents of a lower playing strength than they would have otherwise.

2. Stacking is unsportsmanlike conduct whose punishment is team disqualification. All team and individual wins and draws are scored as forfeits. All team and individual losses stand as recorded.

3. Special circumstances of switching players from their respective boards shall be brought to the Tournament Director prior to the beginning of the tournament during check-in.

4. A charge of stacking will not be considered after round 4 has been concluded for 30 minutes.

VIII. TOURNAMENT RULES

A. Playing Rules

The official playing rules for the IHSA Chess Team and State Tournament are those included in the 2007-08 IHSA Chess Rules Book, these Terms and Conditions and any printed instructions distributed from the IHSA Office. Enforcement of these rules will be the responsibility of the Tournament Manager, the Tournament Director, the Head Steward, and their assistants. The Tournament Director is responsible to assemble a Tournament Committee that consists of three people, including the Head Steward, at least one member of the IHSA Chess Advisory Committee, and at least one person who has experience pairing chess tournaments.

B. Official Representative

1. In accordance with IHSA By-law 2.020, all schools are required to have a coach or school representative, previously designated on the school's Entry Form, present at the state tournament site at all times during tournament play to assist the tournament manager, if needed. If a school does not have a designated coach or school representative present at the tournament site at all times during tournament play, that school's competitors will not be permitted to participate.

Note: If a school's competitors are not permitted to participate due to the designated coach or school representative not being present, those competitors will not be permitted to return to

competition in the tournament and the team will be disqualified from the tournament.

2. A coach or designated school representative shall be present in the competition area at the beginning of each round to insure that everything is in order prior to the start of the match.

C. Team Roster, Participation, and Substitution

1. Prior to the beginning of Round 1, the coach or official representative of a competing team shall submit to the Tournament Director a Team Roster to include a maximum of twelve (12) eligible players. A school shall be limited to the use of the not more than twelve (12) players listed on the Team Roster.

2. A team is expected to compete on the same number of boards in all rounds as the number of boards on which the team competes in Round 1.

3. If a team does not compete in a round (excluding Round 1), the team will be disqualified from further participation in the tournament.

a. If a team arrives at a match after 30 minutes after the beginning of the round but before the flag falls after one hour after the beginning of a round, the team shall forfeit that match to its opponent.

b. If a team arrives after one hour after the beginning of the round (excluding Round 1), the team shall be disqualified from further participation in the tournament.

Note: A team that receives a bye is considered to have competed in a round.

3. A player who competes in Round 1 shall compete in all rounds of the competition unless an alternate is legally substituted for that player in a subsequent round(s).

Note: If a player does not compete in a round and no alternate is substituted for that player, that player will be disqualified from further participation in the tournament unless it is due to a disabling illness, injury or other emergency verified by the IHSA administrator in charge of Chess prior to the beginning of the round in which the player does not compete.

4. A team is required to substitute an alternate who is listed on the Team Roster when a Round 1 player does not compete in a subsequent round(s).

If a player cannot continue to compete due to a disabling illness, injury or other emergency verified by the IHSA administrator in charge of Chess, and the only alternate available to substitute is one who has played on a different board in a prior round, an "abnormal substitution" will be permitted.

5. If a player does not compete in a round and no alternate is legally substituted for that player, the player shall be disqualified from further participation in the tournament.

a. If a player arrives at a match after 30 minutes after the beginning of a round but before the flag falls after one hour after the beginning of the round, that player shall forfeit the match to his/her opponent.

b. If a player arrives after one hour after the beginning of a round (excluding Round 1), the player shall be disqualified from further participation in the tournament.

c. If a player arrives at a match but is disqualified because of time expiring, the scores for that player (board) in prior rounds shall stand.

D. Scoring System

1. The following weighted scoring system will be used in all matches: (Loss=0)

	Win	Draw
Board No. 1	12.0	6.0
Board No. 2	11.0	5.5
Board No. 3	10.0	5.0
Board No. 4	9.0	4.5
Board No. 5	8.0	4.0
Board No. 6	7.0	3.5
Board No. 7	6.0	3.0
Board No. 8	5.0	2.5

2. In the case of teams tying with perfect match win scores, the tie shall stand.

3. If one team has beaten all other teams they are tied with for an award, that team is awarded 1st in that score group.

4. For purposes of tie breaks, byes and forfeits are considered as 48 to 20 wins.

E. Team Tie-Break System

1. If two or more teams are tied on tournament points, the following tie-break is to be used to determine final place standings:

For each match played, multiply a team's match points plus ten (10), by the square of the opponent's tournament points plus one (1), divided by one hundred (100); then add these points for each round played in the tournament. Example:

Rnd.	Opp.	Team's Match Points	Tournament Points of Opponent	Team's Tie-Breaks
1	A	(60+10) x	(3+1) ² / 100=	11.20
2	B	(35+10) x	(3+1) ² / 100=	7.20
3	C	(10+10) x	(6+1) ² / 100=	9.80
4	D	(50+10) x	(4+1) ² / 100=	15.00
5	E	(68+10) x	(3+1) ² / 100=	12.48
6	F	(33+10) x	(5+1) ² / 100=	15.48
7	G	(24+10) x	(6+1) ² / 100=	16.66
		Team's Total Tie Breaks		87.82

For tie-break calculations, each team's score is adjusted for unplayed matches (scored as draws for tie-break purposes).

F. Tie-Break Penalties

Violations of the rules may be penalized by the loss of tie-break points as follows:

- Major violation – 100 tie-break points
- Minor violation – 10 tie-break points

G. Official Scoresheet

Once the "Official Scoresheet" is signed, the individual match scores are official. It is the responsibility of each coach to ensure that the results are reported quickly and correctly. If a team does not follow the specified procedure for submitting scoresheets, it may be penalized by losing tie-break points.

H. Communication Cards

1. A Communication Card may be obtained on request from any steward.

2. A player may initiate communication with a coach or authorized representative by handing a Communication Card to a steward.

3. A coach or authorized representative may initiate communication with a player by handing a Communication Card to a steward, but only under the following circumstances:

- a. to inform the player of a meal or an emergency, or
- b. to inform the player of the match score and the player's ability to help win or draw the match, but only when no more than two games remain on the table and the player's clock is under five minutes.

4. Improper communication is considered kibitzing.

I. Equipment

1. Each school must provide four (4) chess boards, four (4) Staunton chess sets, and four (4) chess clocks which comply with the rules published by the IHSA. *Failure to provide the required equipment may result in the forfeiture of Boards which are without proper equipment.*

2. Each team must provide a stand and team placard, in good taste and of an appropriate size, to be placed on the table to identify the teams playing in each match.

3. A cell phone that goes off in the playing area will result in the loss of team tie-break points. A cell phone that appears to be in use may result in forfeiture of the game.

4. No headphones of any type may be worn in the playing area.

J. Food and Drink

Food or drink will not be permitted in the playing area at any time during the tournament, except for bottled water, which may be consumed, but not placed on the playing table.

IX. TOURNAMENT POLICIES

A. Spectators

Spectators are permitted at the tournament; however, they are required to observe silence during all tournament play. A player who is not competing or who has completed his or her match may reenter the playing room only during the first 60 minutes of each round or if accompanied by a coach. Failure to observe proper decorum during tournament play will be considered unsportsmanlike conduct.

B. Damage to Property or Equipment

If contestants or people from any school entered in a state series are found guilty of carelessness or maliciously breaking, damaging or destroying property or equipment belonging to the host school, such school shall be held responsible for costs incurred in replacing or repairing such property or equipment.

C. Tobacco Products

No coach, player or any other person connected with a team shall be permitted to use tobacco products in the competition area, either during practice or while a contest is in progress.

D. Use of Inhalers

A student with asthma may possess and use his/her medication during an IHSA competition, while under the supervision of school personnel, provided the school meets the outlined procedures of self administration in the Illinois school code.

E. Alcoholic Beverages and IHSA State Series

The possession, distribution, sale and/or consumption of alcoholic beverages are prohibited at the site and on any affiliated property of any IHSA state series contest. State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, alcohol free zones on the date or dates of any IHSA event being held at the site. Violation of this policy by an event host will subject the host to a penalty for violation of IHSA By-law 2.020. Such penalty may include but not necessarily be limited to prohibition against subsequent event hosting assignments. Violation of this policy by a non-hosting member school will subject the school to penalty for violation of IHSA By-law 2.020. Patrons of any IHSA state series contest determined to be in violation of this policy will be removed from the premise, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.
