

2006-07 Boys and Girls Golf Series Terms and Conditions

In accordance with Section 1.450 of the Constitution, the Board of Directors has approved the Terms and Conditions governing the 2006-07 IHSA Boys and Girls Golf Tournament Series.

I. SCHOOL CLASSIFICATION

Competition in the IHSA Boys and Girls Golf Tournament Series will be determined on an enrollment basis.

A. The classification of a school shall be determined on the basis of its total student enrollment figure reported to the Illinois State Board of Education in its Fall Housing Report on September 30 of the preceding school year. Non-boundaried schools will have their total student enrollment multiplied by 1.65.

B. For classification purposes, the total student enrollments for one-year high schools, two-year high schools, three-year high schools and high schools which enroll boys only or girls only shall be calculated as follows:

1. For one-year high schools, the total student enrollment figure reported shall be quadrupled.

2. For two-year high schools, the total student enrollment figure reported shall be doubled.

3. For three-year high schools, one third of the total student enrollment figure shall be added to the total student enrollment figure reported.

4. For schools which enroll boys only or girls only, the total student enrollment figure reported shall be doubled.

C. A multiplier of 1.65 will be added to all non-boundaried schools.

D. Schools participating in sports and activities operating under the two-class system shall be classified as follows:

1. Schools with adjusted enrollments of 730 and below will be Class A.

2. Schools with adjusted enrollments above 730.1 and above will be Class AA.

3. During the 2006-07 school term, the following sports and activities shall operate under this system: boys baseball, boys basketball, boys cross country, boys golf, boys soccer, boys track and field, boys wrestling, girls basketball, girls cross country, girls golf, girls soccer, girls softball, girls track and field, girls volleyball, and Scholastic Bowl.

III. ON-LINE ENTRIES, WITHDRAWAL PROCEDURES, ELIGIBILITY, AFFIRMATIVE ACTION AND ON-LINE LIST OF PARTICIPANTS

The policy for Original Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities included in the 2006-2007 Entry Booklet.

A. On-line Entries: All member schools must enter their school into the state series competition through the IHSA School Center on the IHSA Website at www.ihsa.org. The deadline for entry is **September 1, 2006**. In April of 2006, all member schools should have received in the mail, a 2006-2007 Entry Policies and Procedures that outlines the on-line entry procedures for all IHSA sponsored tournaments.

The IHSA Board of Directors eliminated the entry fees for all sports and activities starting with the 2005-2006 school year.

B. Late Entries: Any attempt to enter a sport or activity on-line after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school.

C. Breach of Contract By-law 6.041 (Withdrawal Procedure)

To withdraw without penalty, the Principal must notify the IHSA Office, in writing, of the school's withdrawal from the respective sport prior to the seeding meeting date and/or the date the *List of Participants* is due for that sport.

If a school withdraws after the seeding meeting date/*List of Participants* due date and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

D. Eligibility: All member schools in good standing may enter an individual(s) or a team under the provisions of IHSA By-law 3.054.

E. Affirmative Action: Only boys shall be permitted to participate in the boys' state series except as provided in the IHSA Affirmative Action Policy. Only girls shall be permitted to participate in the girls' state series except as provided in the IHSA Affirmative Action Policy.

F. List of Participants/Substitutions: Each school must enter the names of their 6 eligible starting players on the *List of Participants* form found in the school center on the IHSA web site. No more than six (6) participants from a school may play in the regional, sectional or state final. No alternate names are required. Team substitutions are allowed with any eligible golfer up to the start of each regional, sectional or state final tournament. In addition, team substitutions may be made on Saturday's final round of the state tournament. Substitutions are not allowed for individuals who are not a part of a team and who advance in the state series. Coaches with teams or individuals must complete this information prior to September 18, 2006. The regional manager will be able to

view the rosters of the teams competing in their tournament on-line after the 18th to set up tee times for the regional tournament. Sectional managers will be able to view their respective qualifiers through the online winner reports.

G. List of Participants Penalty: If a school does not submit the On-Line *List of Participants* by the deadline, coaches and/or participants from the school are subject to sanctions which could include, but not be limited to being ruled ineligible to coach or compete in the State Series.

H. Average Score: The *List of Participants* will ask for the player's average 18 hole score. That score is based on the following criteria.

1. The scores for each player will be from all varsity interscholastic golf tournaments played during the current school year.

2. If a player does not have any varsity interscholastic scores for the current year, then a coach can submit the player's scores from non-school golf tournaments.

3. If a player uses the non-school scores, then the Principal must certify those scores.

4. The scores will be based on 18 holes. If an 18-hole average is not available, then the 9-hole score for a player shall be doubled to reflect an 18-hole score.

5. "No Score" entries will not be accepted.

IV. HOST FINANCIAL ARRANGEMENTS

A. Greens Fees: Participating schools shall be responsible to pay for their own greens fees for the regional and sectional tournaments in addition to any practice round(s) they schedule including the State Final practice round. V. TOURNAMENT ASSIGNMENTS

A. Team and Individual Honors: In order for a school to compete for team honors, a school must have no less than 4 players, and the school must have participated in six (6) varsity contests prior to the state series. Individuals competing for individual honors only are not required to have competed in six contests. A school can enter no more than six (6) individuals for team or individual honors.

B. Class A Boys: All schools entered will be assigned by the IHSA to one of the twenty (20) Regional and one of the five (5) Sectional tournaments. Assignments are made geographically.

C. Class A/AA Girls & Class AA Boys: All schools entered will be assigned by the IHSA to one of the fifteen (15) Regional and one of the five (5) Sectional tournaments. Assignments are made geographically.

VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

A. Tournament Play: All Regional and Sectional tournaments shall consist of one 18-hole round played on a regulation 18-hole golf course. The state tournament shall consist of two 18-hole rounds played on a regulation 18-hole golf course.

B. Tournament Format: Traditional tee times will be used for the state series. It is preferred that the regional and/or sectional tournament manager start competitors from the first and the tenth hole. However, if it is necessary, play may begin on the 1st hole only. All tee times should be nine (9) minutes apart. In extreme weather conditions or in the case of an oversized field, the regional, sectional or state final tournament director has the authority to use a shotgun start.

C. Pairing Procedures:

1) **Traditional Tee Times from the 1st Hole:** Whenever possible, foursomes should be assigned. Threesomes can be assigned when necessary. No group shall have two or more players from the same school. Golfers will be paired with golfers of comparable scores.

a) In regionals, the manager will determine the pairings based on the scores reported on the *List of Participants* form.

b) In regionals, players with the best scores shall tee off first.

c) In sectionals, players with the best scores shall tee off last.

2) **Traditional Tee Times from the 1st and 10th Hole:** Whenever possible, foursomes should be assigned. Threesomes can be assigned when necessary. No group shall have two or more players from the same school. Golfers will be paired with golfers of comparable scores. Withdrawals and disqualifications will be considered the highest scores and those

players should be paired in the group with the highest scores.

a) In regionals, golfers will tee off on the 1st hole beginning with the lowest scores and ending with the midrange scores. Golfers will tee off from the 10th hole beginning with the highest scores and ending with the remaining midrange scores.

b) In sectionals, the manager will determine the pairings based on the scores from the regionals.

c) In sectionals, the midrange scores shall tee off first on the 1st hole and finish with the lowest scores teeing off on hole 1 last. The remaining midrange scores will tee off on the 10th hole and finish with the highest scores teeing off from the 10th hole last.

d) On Friday of the state finals, the lowest scores will tee off on the 1st hole with the midrange scores teeing off last on the 1st hole. On the 10th hole the remaining midrange scores will tee off first and the high scores will tee off last.

e) The tee times for Saturday's state final round shall be assigned based on Friday's score. For tied scores, the first of the tied scores in on Friday shall have the latest tee time on Saturday. On Saturday of the state finals, the midrange scores will tee off on the 1st hole, and the best scores will finish teeing off on the 1st hole. Teeing off first on the 10th hole will be the highest scores with the remaining midrange scores teeing off last.

3. Shotgun start: The recommended placement of groups for a shotgun start is:

a) The two (2) best groups will tee off of hole number 1 tee.

b) The next two (2) best groups will tee off of hole number 10.

c) The remainder of the groups will be placed on tees based on the luck of the draw.

d) For speed of play, par 3's should have the fewest groups on a tee.

e) For speed of play, par 5's should have the most groups on a tee.

D. Conditions of Competition: The IHSA requires that every effort be made to complete the tournaments on the designated schedule. Bad weather is not, by itself, a good reason for discontinuing play. If the rules committee determines that the course is not in a playable condition or that there are circumstances that render the proper playing of the game impossible, it may recommend to the tournament director to discontinue play and temporarily suspends play or cancel play. In the event that unplayable conditions become playable, the rules committee shall recommend to the tournament director to begin play.

E. Provisions to Discontinue Play: When the cup is filled with water and there is no relief on the putting green around the cup, conditions become unplayable.

F. Provisions to Suspend Play: Play can be suspended when it does not impact the equity of the tournament. Darkness and lightning that cause all the holes not to be completed in the round are reasons to suspend play. Play can resume from the point at which it was suspended on either the day of the competition or the next possible day.

G. Provisions to Cancel Play: Play can be cancelled when conditions impact the equity of the tournament. When play cannot begin or when play graduates into bad weather with conditions that worsen throughout the day and reach the point of unplayable, play can be cancelled. When play is cancelled, no scores for the day will count and a new 18-hole round will be played on the next playable day (excluding Sunday). All penalties (except disqualification due to misconduct) incurred in that round are cancelled.

H. Start Play: In the event that unplayable conditions become playable, the rules committee shall recommend to the tournament director to begin play.

I. Coaches' State Final Meeting: A state final coaches' meeting will be conducted prior to the first round of the competition. A coach (or a school representative) from each school qualifying a team or individual(s) for the state final must attend that meeting. The assistant coach, athletic director and/or principal may attend in place of the head coach as the official school representative. The purpose of the meeting is to review policies, procedures and local rules governing the conduct of the state final. Coaches will be responsible for the information reviewed at that meeting regardless of their attendance or non-attendance at the meeting.

1) **Class A Boys coaches' meeting** will be held at the Prairie Vista Golf Course beginning at 2:00 p.m., Thursday, October 12, 2006.

2) **Class AA Boys coaches' meeting** will be held at The Den at Fox Creek Golf Course at 3:00 p.m., Thursday, October 12, 2006.

3) **Class A Girls coaches' meeting** will be held at Hickory Ridge Golf Course in the Clubhouse beginning at 10:00 a.m., Thursday, October 12, 2006.

4) **Class AA Girls coaches' meeting** will be held at Stone Creek in the clubhouse beginning at 2:00 p.m., Thursday, October 12, 2006.

J. State Final Time Schedule: The tournament manager has the authority to alter the time schedule and tournament format based on local conditions. The planned time schedule for the Boys and Girls State Final Tournament shall be as follows:

1) **First Round** -- Friday, 8:30 a.m. traditional tee times -- First Round (18 holes) of State Final Tournament begins.

2) **Second Round** -- Saturday, 8:30 a.m. traditional tee times -- Final Round (18) holes of State Final Tournament begins.

All players who participate in the Regional competition shall be eligible for individual honors. All players who compete in the Sectional tournament shall be eligible for individual honors. All players who advance to the state final shall be eligible for individual honors in the State Final tournament.

A. Team Scoring: Any school, which enters four, five or six players in the Regional tournament and has competed in six (6) varsity contests, will be considered for team honors and team advancement to the regional, sectional or state final tournament. Note: The boy's tournaments will use this qualifying format for the State Finals in 2007-08 when the boy's tournament expands to 3 classes.

F. Regional and Sectional Team Tie Breakers:

1) In the case of a team tie for the last qualifying spot, the 5th best scoring competitor's score shall be used to break the tie.

2) If a tie exists after the 5th best competitor's scores are used, then the 6th competitor's score shall be used to break the tie.

3) A team which has not entered a 5th competitor shall lose to a team which has entered a 5th competitor.

4) A team which has not entered a 6th competitor shall lose to a team which has entered a 6th competitor.

5) If a tie still exists after using the scores of the 5th best and 6th best competitors, the tied teams shall advance.

G. Regional and Sectional Individual Ties:

1) The sudden death playoff for the medalist position shall be started on a hole determined by the host school manager which may include the first available hole.

2) For awards purposes, ties for first (1st) place shall be broken by a sudden death playoff. All players tied for 1st place will compete in the sudden death until all but one player is eliminated.

3) Players in the sudden death who do not win will be awarded second place medals.

4) Following a playoff, medals will be awarded to the next actual place. Therefore, following a 4 player playoff for 1st place, medals would be awarded for 1st, 2nd, 2nd, 2nd, and then 5th place.

5) Ties shall not be broken for any other individual places.

VIII. TOURNAMENT RULES

A. USGA Rules: The state series will be conducted under the United States Golf Association's Rules of Golf, state series adoptions as noted in the Terms and Conditions and the IHSA school manual.

B. Coaching: For the entire state series, head coaches will be allowed to coach their players during the state series. The head coach will be allowed to coach between the green and tee. Coaches must however, wait until the last player on the green putts out before the communication takes place. Coaches may not delay teeing off on the next hole. No advice can be given to players between 9's unless it is from the coaching staff. Verbal or nonverbal communication at any other time of the round is prohibited.

C. Competitor and Coaches Dress Code: For the entire state tournament series, slacks, shorts designed for golf, sport shirts with collar, mock turtle necks designed for golf, and shoes appropriate for golf and socks define the dress

code. Tank tops, short shorts, denim blue jeans, cutoffs or T-shirts will not be allowed for players or coaches. Any coach who does not conform with the dress code should be reported to the IHSA through a Special Report. Any player who does not meet the requirements of the dress code will not be allowed to participate in the tournament. However, player's dress code violation must be caught prior to teeing off. Any player who begins the tournament in compliance with the dress code and then goes out of compliance, must get back into compliance in order to continue to play.

D. Playing Conditions:

1) During all state series tournaments, players shall play the ball as it lies unless otherwise provided in the USGA's Rules of Golf.

2) **Preferred Lies:** In case of bad weather or unsatisfactory playing conditions, the local rules committee shall have the authority to determine if their tournament shall be played under the "preferred lie" rule.

E. Protests: When two or more players become involved in a controversy during play on any hole, the hole may be played under protest. At the completion of the nine holes of play during which the controversy arose, the players shall report the matter to the rules committee. The rules committee shall announce its decision, and the scores shall be posted. No further protest shall be allowed after the scores have been posted. Scores posted after nine holes are not official.

F. Observers:

1) At the State Final tournament, the IHSA Office will appoint an "observer" to accompany each playing group to assist the rules committee in deciding questions of fact and to report to the rules committee any breach of a playing rule. Observers shall not observe a group that includes a competitor from their own school. (See Instructions to Observers)

2) Schools are required to provide an observer at regional, sectional and state final tournaments. Preference shall be given to assigning observers from among the representatives from schools with individual competitors for the Regional and Sectional tournaments. If a sufficient number of golf coaches are not available to serve as observers, the local manager may appoint adults as observers provided the observers are not assigned to groups that include competitors from their local community.

3) Head coaches who elect to coach on the golf course must provide a school approved substitute observer. The name of the school approved substitute observer should be listed on the *List of Participants*. School approved means a school certified employee.

G. Substitutions: Not more than six (6) competitors per school may participate on each day of the tournament series. Substitutions may be made under the following circumstances:

1) All substitutions must be made no later than one hour prior to the scheduled start of competition for that day.

2) Team substitutions shall be made on a player for player basis, and no adjustments in pairings shall be made to accommodate such team substitutions.

3) If an individual tournament competitor is replaced for team competition, the individual competitor shall be withdrawn from the Individual Tournament.

4) Substitutions may only be made after completion of an 18 hole round.

H. Spectator Code of Conduct: All spectators are expected to adhere to the *Spectator Code of Conduct*. (See *Spectator Code of Conduct* posted in the Forms section of the IHSA Boys and/or Girls Golf web site.)

I. Player Code of Conduct: All players are expected to adhere to the *Player Code of Conduct*. (See *Player Code of Conduct* posted in the Forms section of the IHSA Boys and/or Girls Golf web site.)

J. Reporting a Code Violation: It is the responsibility of all coaches of participating schools and IHSA administrative officials to monitor player conduct. Any coach who personally observes a Code of Conduct violation may invoke a Code of Conduct penalty. The coach will give notice to the offending player, assess the Code of Conduct penalty and follow up with a written report of the incident to the games committee. The games committee will notify the player's coach of the penalty.

K. Code of Conduct Appeals: Players and coaches will not have the right to appeal to the games committee for the first penalty levied. Players and coaches will be allowed to appeal the second offense by submitting in writing an inquiry concerning the penalty. The inquiry must be submitted by the end of the same day of the incident. The coach and player appealing the second penalty will provide an explanation of the incident to the games committee. The decision of the committee is final.

L. Galleries: Galleries will be encouraged and permitted. However, all spectators must remain a reasonable distance from the competitors. Spectators and competitors must also understand that competitors may be penalized when spectators violate USGA or IHSA rules. The *Spectator Code of Conduct* defines those expectations.

M. Pace of Play/Out of Position: Any group will be considered out of position if it reaches any place on the course more than one starting time interval behind the preceding group, e.g. an open par 3 or par 4, or when the preceding group is on the putting green of a par 5 hole when the group in question is on the teeing ground.

N. Pace of Play/Monitoring: The group will receive an official warning. Following an official warning to the group, any player in the group who is out of position and who takes more than 40-seconds to play a stroke on two occasions will be advised of that fact and notified that if he/she exceeds 40-seconds on one more occasion (a total of three timings exceeding 40-seconds), he/she will automatically incur a one stroke penalty. For the second offense of another 40-second timing violation, the player will incur a two-stroke penalty. For a subsequent 40-second timing offense, the player will be disqualified.

O. Artificial Devices: Players are prohibited from playing music with/without headphones, cell phones, artificial devices, or any unusual equipment that might assist a player in making a stroke or in gauging or measuring distance.

IX. TOURNAMENT POLICIES

A. Player Withdrawals: Regardless of first-day scores or weather conditions, all competitors in the state final tournament should consider it their obligation to complete play on all 36 holes, except in case of illness, injury, or other emergency. Failure to complete assigned rounds is a violation of IHSA By-law 6.040, and the school will be penalized for this breach of contract.

B. State Final Completion: If State Final play begins on Friday, but the opening round cannot be completed that day, scores made on Friday will not be counted and Saturday's round will be the first and final round for the state tournament. If, on the other hand, the opening round is completed on Friday and play cannot be resumed on Saturday, the State Championship will be determined on the basis of the scores posted on Friday.

C. School Representative/Coach: In accordance with IHSA By-laws 2.020 and 2.070, if a school does not have a qualified coach or faculty representative present at the tournament site at all times during tournament play, that school's competitor(s) shall not be permitted to participate. a) Television Rights Fees for all levels of competition below the State Final level shall be paid to the host school and shall become part of the revenue to be shared by the member school(s) and the Association according to the financial terms stipulated in these Terms and Conditions.

b) Radio Broadcast Rights Fees are not required for any level of competition in this series (except state final). Local Managers shall permit radio play-by-play originations of the competition.

c) Television and/or Radio Stations which do not apply in advance, or which do not pay required rights fees prior to the start of competition in each respective level in this state series, shall not be given credentials nor allowed access to the facility to originate. H. Alcoholic Beverages and IHSA State Series: The possession, distribution, sale and/or consumption of alcoholic beverages are prohibited at the site and on any affiliated property of any IHSA state series contest. State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, alcohol free zones on the date or dates of any IHSA event being held at the site. Violation of this pol-

icy by an event host will subject the host to a penalty for violation of IHSA By-law 2.020. Such penalty may include but not necessarily be limited to prohibition against subsequent event hosting assignments. Violation of this policy by a non-hosting member school will subject the school to penalty for violation of IHSA By-law 2.020. Patrons of any IHSA state series contest determined to be in violation of this policy will be removed from the premise, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

The decision(s) of the tournament committee shall be final in matters pertaining to the USGA Rules of Golf. Neither the IHSA Office nor the Board of Directors will review tournament committee decisions whether alleged errors are due to faulty judgment or misinterpretation of the rules.

B. Observers: All schools will be required to have a coach or faculty representative present and available at the site of the regional, sectional and state final tournaments to act as observers. Participating coaches at the state final will be assigned as observers by the IHSA as needed.

C. Rules Committee:

1) At least three (3) coaches who are familiar with the Rules of Golf should be selected to serve on the committee for a tournament and should be identified to the competitors. The committee members must be available at all times during the tournament.

2) Rulings may only be made by a majority of committee members. However, in complex cases, the committee as a whole should be consulted.

3) It is often advisable for members of the committee to be on the golf course during the tournament in order to be more available to the contestants.
