Multimedia Workshop

The EIU Journalism Department is partnering with the McCormick Foundation, the Illinois Press Foundation, the Illinois Journalism Education Association and the Department of Communication at Roosevelt University to present this informative workshop!

When:

October 23 - 25, 2009

Where:

Roosevelt University –
Schaumburg IL Campus
Room 508
Chicago Tribune Foundation
Conversion News Room Lab
1400 N. Roosevelt Blvd

Online journalistic storytelling is changing the face of the news industry. High school journalism teachers can help future journalists by preparing them with the skills they will need to be multi-faceted storytellers. The workshop will provide you the hands on training to teach multimedia skills to your students. **Print the attached informational PDF to find out HOW!**
