V. TOURNAMENT ASSIGNMENTS AND SEEDING MEETINGS

A. Tournament Series: The successive tournament series shall be designated respectively as regional, sectional, super-sectional and state final. The IHSA Office will select all regional, sectional and super-sectional host sites. All schools including the Chicago Public Schools, entered in the Class A and Class AA state series will be assigned to a sectional complex based on geography.

B. Sectional Complex Seeding Meeting: The IHSA will designate the sectional and sub-sectional host sites to conduct a seeding meeting for the purpose of seeding. The seeding meeting shall be held on **Wednesday, October 4, 2006** between the hours of 5:00 p.m. and 8:00 p.m. The Sectional Manager will set the start time. In situations where the sectional host site is not centrally located and in situations where the drive is extremely long, the IHSA can designate a seeding site other than the sectional site. The host of the designated sectional seeding complex meeting would be only responsible to conduct the sectional complex seeding meeting. The sectional would be played at the original sectional site.

C. Season Summary Sheet: A coach is required to submit a season summary sheet to his/her sectional manager no later than the Monday prior to the sectional complex seeding

meeting. Failure to do so will result in a school forfeiting its opportunity to participate in the voting process. The season summary sheet can be located on the IHSA girl's volleyball website's form section.

D. Seeding Meeting: One (1) coach or official school representative attending the meeting and whose school has submitted the season summary sheet shall have one vote. No coach shall vote for his/her own team. Seeding shall occur at the sectional complex level. Neither the super-sectional nor the state final shall be seeded. Seeds shall be determined and justified if needed, based on the teams total win/loss record, head-to-head victories and record against common opponents.

E. Guidelines for Seeding for Bracketed Team Sports: Seeding shall occur only at the lowest level of competition, and therefore, neither the super-sectionals nor the state final shall be seeded. No seeded group shall consist of more than 24 teams. For sectional complexes involving more than 24 schools, this will require splitting the complex into two sub-complexes that are seeded independently. If any sectional complex in a given state series consists of more than 24 schools, then all complexes in that series will be split into sub-complexes. The coaches of schools shall do the seeding and an objective computer-based system shall be used to pair the teams. When the maximum size of a sectional complex is 15 or less, 4 schools shall be seeded, while larger sectional complexes shall seed 8 schools. If any sectional in a complex is seeding 8 teams, then all sectional complexes in that state series shall seed 8 teams. The remaining teams will be placed in the brackets based on geography with no more than two (2) of the top eight (8) teams being assigned to any one (1) regional in a sectional complex. The remaining seeds will then be assigned geographically to a regional. In all cases, the host school will be assigned to its own regional. Once the teams have been assigned to a regional, the sectional seeds will be used to place the teams in the regional bracket. The pairings for the sectional will be based on the sectional complex seeds with theoretically 1 v 4, 2 v 3, 1 v 2 format. Super-Sectional and state final pairings will be made by a chance public draw by the IHSA Office.

F. State Series Pairings: The Class A and Class AA pairings will be made by the IHSA and posted on the IHSA web site no later than **Friday, October 6, 2006**.

VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

A. Playing Order: No local manager is authorized to change the dates of the matches played as determined by the IHSA Office. Following the seeding meeting, no local manager is authorized to change either the time or order of the matches.

B. Time Schedules:

have the highest seeded team playing at 6:30 p.m. In a two (2) match contest the highest seeded team shall play at 6:30 p.m.
