

2017-18 IHSA Girls Badminton State Finals

On behalf of the Illinois High School Association Board of Directors, the Badminton Advisory Committee, and our member schools, it is my pleasure to congratulate you for qualifying for the 2018 IHSA Girls Badminton State Finals. It is our hope that you are able to enjoy the tournament, and we appreciate all of the work that you have done to make it to Charleston. No other state in the country conducts interscholastic competition for schools like we do here in Illinois, and we are thrilled that you are able to be a part of the opportunity.

A special welcome and congratulations are extended to all the participants of this year's state tournament. You should be commended for your hard work, practice and dedication which have enabled you and your school to achieve success. I also want to welcome and congratulate the coaches of all of our competing schools who have trained and prepared these students to reach this level of performance. Here students have a chance to demonstrate the fruits of their hard work and dedication. As a participant you proudly represent your families, schools and communities in a very visible forum. Thank you for exhibiting what is best in the youth of our society.

The IHSA believes that interscholastic activities enrich the educational experience. Regardless of the outcome of events, we ask that you do your best and strive to display the best in sportsmanship and embrace all that can be learned through your performance. You have spent many long hours preparing and we wish you the very best and hope you enjoy your time at the IHSA Girls Badminton State Finals. You should be able to find in this communication the information necessary to make your trip to State as smooth as possible. Feel free to call our office if you have any questions. Thank you for your support of IHSA and for being a part of the IHSA State Final experience.

Sincerely,

Stacey Lambert
Assistant Executive Director

Thursday State Final Hit-Around: On Thursday, an optional Hit-Around will be held from 3:00-8:00 p.m. The Hit-Around is available for schools with state final qualifiers only. Thursday warm-up times will be open warm ups. Schools are allowed a maximum of 45 minutes for warm-up time total. Additional time is allowed if court space is available and teams are not waiting. Teams will be given appropriate court space based on the number of qualifiers they have for the State Final. (1-2 players= half court, 3-4 players= full court, 5- 6 players = a court and a half).

Friday Warm-up Time: Friday warm-up time will be assigned by the IHSA through a randomized lottery draw. The results of the draw will be posted on the IHSA website on Tuesday, May 8th.

In addition...

1. 4 nets will be set up in the field house which will only open to player/coaches. Sorry no fans are allowed in the field house.

School Packets: School packets can be picked up on Friday between 7:30-9:30 a.m.

Team Passes: Team passes will be issued from the LOP's. If a school has 1 qualifying individual they shall receive 2 coaches passes, if a school has 1 qualifying doubles team they shall receive 2 coaches passes. This will be done for each qualifying group. Schools can receive up to 4 coaches passes. Coaches must also be listed on the List of Participants to receive a coach's pass. If your athletic director needs to add additional coaches to the LOP he/she can contact the IHSA for a late addition.

Administrator Passes: Please instruct your school administrators to pick up their passes at the admission gate. They should identify themselves as a school official. They will be issued a wrist band which gets them in the tournament and the hospitality area.

Individual Qualifier Warm-up Option: For schools with one individual, you may bring another **female** member of the team or a coach to the Hit-Around and to warm-up your player during the competition. Sorry no family or friends may be used for this.

Personal Belongings: Carry them with you or decide on a team location in the Student Resource Center. However it is a good idea to keep watch over your valuable items.

Locker Rooms/Towel Service: Locker rooms will provide a private space for participants and coaches. Athletes should bring their own locks. Towels will not be provided.

There are 80 small individual lockers that are located inside the SRC. The combo can be set by the user and are open for teams to use.

There will also be two team areas next to the SRC. One is an enclosed dance room and the other is an open next to the courts. Neither IHSA nor EIU will provide security for those areas although they both have video cameras.

Handicap Access: An elevator is available for handicap folks. In addition, there is seating available in both gymnasiums. Please let us know if we can help.

Coaches' Meeting: A coaches' meeting will be held on Friday beginning at 8:30 a.m. in the Lantz Arena stands. A second coaches' meeting will be held on Saturday at 9:00-9:15 am in the Lantz Club Room.

Hospitality: A hospitality room is available in the Lantz Club room. It is located next to the Lantz Arena. We welcome coaches, officials, and school administrators. Refer to the time schedule for the hospitality hours. There is a concession stand located in the lobby of the Lantz Building.

Rest Rooms: The rest rooms are located on either side of the concession area across from the pool.

Tournament Results: Results will be displayed throughout the SRC.

Trainers: A trainer will be floating. The training room is in the spinning room located in the SRC by the weight area. Athletic trainer coverage is: Thursday, May 10, 3-8 pm; Friday, May 11, 7:45 am-6:00 pm approximately; Saturday, May 12, 8:30 am-3:00 pm approximately.

Drug Testing: IHSA has implemented a Drug Testing Policy. Your school will be notified if any one of your players was selected for testing. The test will take place in the SRC area upstairs bathroom.

“On deck and You’re Up”: The player(s) match number will be called. If a second call is needed then the school name will be called. Matches will be called via PA. Players will check in at tournament scoring, be assigned a court and proceed to that court. Once the ongoing match is over, the players on deck will begin warm-ups. After the match is completed, all players will sign the scorecard and take that card to tournament scoring area. Make sure the winner is circled.

Note players are allowed a 10 minute rest between matches.

If a problem arises on the court during a match, and players are unable to resolve it, both players should sit and wait for roving official to come to the court. If problems continue during the match an official maybe called to monitor the match.

Officials: Officials will be on the floor to assist with rules. Tell your players that if there is a conflict on the court, they should sit down on that court and an official will come to resolve the issue. Officials have been instructed that if they see violations, they may call them or correct them even if they were not asked to intervene. Generally though they will observe play for obvious repeated faults such as illegal services, foot-fault and line faults.

Games Committee: The Games Committee, assigned by the IHSA, will also be on the floor to assist with rulings pertaining to violations of the Terms and Conditions and the Code of Conduct. Infractions must be handled **immediately**, coaches if you need a ruling it is your responsibility to request the games committee to review the situation as soon as it has taken place.

Scorer: A scorer will be provided for each match. The scorer is not a rules official. If a player(s) on occasion asks the scorer about a line call however, and the scorer responds, the decision of the scorer is final. Coaches have instructed their players not to expect the scorers to call all the lines or be involved in a dispute. It is appreciated if coaches will help score if we are short.

Competitor Seating: Two seats are provided on the court for 2 coaches and seats are provided for the on deck players. Look for the chairs that have the IHSA seat covers.

Results: Following the match the competitors will sign the scorecard and take it to tournament central. Double check to make sure the winner is circled.

Food: Only water is allowed in the SRC. Food and other forms of drink may be eaten and stored in the SRC lounge. There is a concession area located upstairs in the Lantz Arena across from the pool.
