Interpretations and modifications of existing rules as outlined in the various state-sponsored meetings shall be rigidly adhered to.

4) In all tournament games, the referee shall sign the official scorebook at the conclusion of the game at either the scorer's bench or in the officials' locker room. SCHOOL'S RESPONSIBILITY TO AN OFFICIAL PRIOR TO THE SEASON

1. Send a reminder card or email to the officials after you have them scheduled.
2. Reminder should include date of contest, time, level, location and sport.

Even though many schools and conferences have assignment chairpersons, sending a reminder is highly recommended. When an official does not show, people in your community won't know who the assignment chairperson is, but they do know the athletic director.

Avoid embarrassment.

3. Have a standard wage scale set for your different sports and levels and a method in place to raise the pay periodically.
4. If possible, let the working officials know who their partner(s) will be.
5. Hire police and security along with medical assistant or athletic trainer coverage for events whenever possible.
6. Set a policy with your school board on fan, coach and player behavior.
7. Make sure all officials have a contract that is signed by your school—preferably by the principal or IHSA Official Representative.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL PRIOR TO THE CONTEST

1. Prior to the contest, provide the officials with directions and inform them of any special activities that might be occurring (i.e., Homecoming, Senior Night, etc.)
2. Give the official a number they can call in case of an emergency or postponement due to weather.
3. Have competent workers assigned at all contests (scorers, announcers, chain crew, etc.). These people are of great assistance to the official during the contest.
4. Have a host assigned to meet the officials as they arrive. The host should do the following for the officials:
 - A) Provide a reserved parking space.
 - B) Meet officials and take them to the dressing room.
 - C) Have refreshments available for halftime and postgame.
 - D) Ask for any additional needs.
 - E) Introduce the officials to those game workers pertinent to the contest (i.e., scorer, announcer, chain gang, etc.).
 - F) Get the proper pronunciation of officials' names so they are correct when given by the public address announcer.
5. Athletic director should discuss with the officials any special events, conference rules, national anthem time, etc. that would affect the game.
6. Provide the officials with the name of the adult supervisor for that contest and where that person can be found in the event a challenging situation should occur.
7. Make officials aware of location of an athletic trainer or other first responders during the contest. Have a doctor on site when possible (especially at football contests).
8. Make sure all bench personnel are properly attired.
9. Do a check on game scoreboards and lighting systems prior to the game or contest.
10. Make sure the playing area is properly marked and meets National Federation guidelines for that contest.
11. Provide appropriate secured dressing area and hot water showering facilities.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL DURING THE CONTEST

1. Insist coaches display good sportsmanship and are proper examples for your players and crowd.
2. Have your public address announcer or cheerleader read the IHSA sportsmanship statement and remain unbiased during contest.
3. Make sure the event supervisor understands the duties and responsibilities pertinent to that contest.
4. Make sure the playing area is maintained during halftime of each contest. For wrestling, make sure the mat is properly cleaned and washed.
5. Help with adverse weather conditions; monitor accordingly.
6. Make sure proper crowd control is visible and in place. Good administrative control can prevent difficult situations.
7. Observe the crowd during the contest and prevent any disturbances that may occur.
8. Work with the official during the game regarding crowd control.
9. Retrieve the game ball at the end of the contest.
10. Escort the officials back to the dressing room at halftime and at the conclusion of the contest.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL AFTER THE CONTEST

1. Escort the officials safely back to the dressing room and parking lot.
2. Do not allow unauthorized persons in the dressing room after the game. This includes coaches.
3. Have refreshments available for the officials after the contest.
4. Be sure to thank the officials for their time and effort, regardless of the outcome of the game.
5. Make sure arrangements for paying the officials have been completed. It is preferable to pay the official the day of contest.
6. Ensure that officials are not confronted by anyone after the contest.

IHSA Basketball Rules Adopted for 2015-16

1. The Mercy Rule can only be used in regular season tournaments that wish to utilize it. *Regular season contests may not use the Mercy Rule under any circumstances.* For those tournaments that wish to use the Mercy Rule, tournament managers are asked to notify the participating schools and officials of their intention to use the Mercy Rule in advance of the tournament.

Tournaments shall use the following adoption for rule 5-5-3 **NOTE:**

A running clock shall be used in the fourth quarter games that have at least a 30 point differential score. Once a game reaches this differential and the clock starts running, it will continue running and stop only for one of the following:

- A team timeout
- An injury timeout or the removal of a disqualified player.
- The administration of a penalty for a technical foul
- An officials' timeout
- Correctable error situation

Please note this adoption applies only to regular season tournaments. It will not be used during the boys' or girls' state series.

2. The IHSA has adopted the use of a 14' coaches box for all regular and post season contests. Schools and officials are reminded that the use of the box is NOT a requirement. However, if the box is going to be used, it must be placed on the floor in accordance with rule 1-13-2. Schools and officials are also reminded that rule 10-4-4 and 10-5 clearly articulate the manner in which coaches can be off the bench within the confines of the box and the manner in which officials are to penalize the head coach or other bench personnel who violate the provisions of the coaches box rule.
3. Commemorative/Memorial patch: schools may wear one such patch on their jerseys provided it meets the requirements established by the NFHS. (NFHS Basketball rule 3-4-2c)

Emergency Action Plan (EAP)

In accordance with By-law 2.150, a school shall have on file for each student that participates (including practice) in interscholastic athletics a certificate of physical fitness issued by a licensed physician, physician's assistant or nurse practitioner as set forth in the Illinois State Statutes not more than 395 days preceding any date of participation in any such practice, contest or activity. As this By-law addresses pre-participation certification only, there is not a guideline or By-law in place to address release to interscholastic activity following an injury, with the exception of head injury/concussion. With the understanding that schools throughout the state have different needs and services available to them, this document was produced to provide guidelines on an athlete's return to activity following an injury.

Each school should have a written Emergency Action Plan (EAP) in place to address medical emergencies among athletes, staff, officials, and spectators, regardless of severity, occurring during a practice or competition. The plan should also address severe weather, fire, electrical failure, bomb threat, criminal behavior, or other possible emergencies. This plan should be developed to address the unique needs of the individual sport and venue.

EAP's should consist of the following components:

- Personnel
- Communication
- Equipment
- Emergency Medical Care
- Player Medical Information
- Game-day Responsibilities (includes appropriate sideline preparedness)
- Catastrophic Incident Plan

While each school's sports medicine/medical service needs and availability are different, guidelines should also be developed to assist the coaching staff on what injuries should be allowed to return to competition without a medical release. It is not practical to identify every situation or injury; however the following guidelines should assist the school/coaching staff on determining if the athlete should be allowed to return to activity without a release.

1. No swelling or deformity.
2. No headache, nausea, blurred vision, tingling, numbness or sensory changes.
3. Symmetrical (equal to the other side) joint range on motion and strength.
4. Ability to bear weight, without a limp, if injury occurs to the lower body.
5. Ability to complete full functional sporting activities without compensation.

Please remember that the majority of high school athletes are a minor. If there is a question as to their injury and ability to participate, the parents/guardian should be consulted.

Athletes that are unable to meet the above criteria should be encouraged to seek medical treatment prior to return to interscholastic activity. Those athletes that seek medical treatment should be required to provide a written medical release indicating their ability to participate. Without obtaining this release, the school may assume legal liability if the athlete is allowed to participate in activities not permitted by their medical provider.

A proper plan establishes accountability, should be comprehensive, yet flexible, practical, and easily understood. The written EAP must be revised, approved, distributed, and should be rehearsed regularly prior to every athletic season. The athletic department, administration, and sports medicine team share the responsibility to establish, practice, and execute the EAP.

A sample venue-specific is included as a part of this document, which was developed from portions of the third and fourth editions of National Federation of State High School Associations Sports Medicine Handbook. IHSA Protocol for Implementation of NFHS Sports Playing Rule for Concussions

“Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.”

The above language, which first appeared in all National Federation sports rule books for the 2010-11 school term, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion, but not a revision in primary responsibilities in these areas. Previous rules required officials to remove any athlete from play who was “unconscious or apparently unconscious.” This revised language reflects an increasing focus on safety, given that the vast majority of concussions do not involve a loss of consciousness. However, the revised language does not create a duty that officials are expected to perform a medical diagnosis. The change in rule simply calls for officials to be cognizant of athletes who display signs, symptoms, or behaviors of a concussion from the lists below and remove them from play.

NOTE: The persons who should be alert for such signs, symptoms, or behaviors consistent with a concussion in an athlete include appropriate health-care professionals, coaches, officials, parents, teammates, and, if conscious, the athlete him/herself.

Definition of a Concussion

A concussion is a traumatic brain injury that interferes with normal brain function. An athlete does not have to lose consciousness (be “knocked out”) to have suffered a concussion.

Behavior or signs observed indicative of a possible concussion

- Loss of consciousness
- Appears dazed or stunned
- Appears confused
- Forgets plays
- Unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Shows behavior or personality changes
- Can’t recall events prior to or after the injury

Symptoms reported by a player indicative of a possible concussion

- Headache
- Nausea
- Balance problems or dizziness
- Double or fuzzy vision
- Sensitivity to light or noise
- Feeling sluggish
- Feeling foggy or groggy
- Concentration or memory problems
- Confusion

This protocol is intended to provide the mechanics to follow during the course of contests/matches/events when an athlete sustains an apparent concussion. For the purposes of this policy, appropriate health care professionals are defined as: physicians licensed to practice medicine in all its branches in Illinois and certified athletic trainers.

1. During the pre-game conference of coaches and officials, the official shall remind the head coaches that a school-approved appropriate health care professional will need to clear for return to play any athlete removed from a contest for an apparent head injury.
2. The officials will have no role in determining concussion other than the obvious situation where a player is unconscious or apparently unconscious as is provided for under the previous rule. Officials will merely point out to a coach that a player is apparently injured and advise the coach that the player should be examined by the school-approved health care provider.
3. If it is confirmed by the school’s approved health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may re-enter competition pursuant to the contest rules.
4. Otherwise, if an athlete can not be cleared to return to play by a school-approved health care professional as defined in this protocol, that athlete may not be returned to competition that day and is then subject to the IHSA’s Return to Play (RTP) Policy before the student-athlete can return to practice or competition.
5. Following the contest, a Special Report shall be filed by the contest official(s) with the IHSA Office through the Officials Center.
6. In cases where an assigned IHSA state finals event medical professional is present, his/her decision to not allow an athlete to return to competition may not be over-ruled.

Additional information regarding concussion has been made available to IHSA member schools and licensed officials and can be accessed on the IHSA Sports Medicine website at <http://www.ihsa.org/Resources/SportsMedicine.aspx>.

Concussion Information

Return to Play (RTP) Policy

Background: With the start of the 2010-11 school term, the National Federation of State High School Associations (NFHS) implemented a new national playing rule regarding potential head injuries. The rule requires “any player who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the game and shall not return to play until cleared by an appropriate health care professional.” In applying that rule in Illinois, it has been determined that only certified athletic trainers and physicians licensed to practice medicine in all its branches in Illinois can clear an athlete to return to play the day of a contest in which the athlete has been removed from the contest for a possible head injury.

Policy: In cases when an athlete is not cleared to return to play the same day as he/she is removed from a contest following a possible head injury (i.e., concussion), the athlete shall not return to play or practice until the athlete is evaluated by and receives written clearance from a licensed health care provider to return to play.

For the purposes of this policy, licensed health care providers consist of physicians licensed to practice medicine in all its branches in Illinois and certified athletic trainers working in conjunction with physicians licensed to practice medicine in all its branches in Illinois.

Mandatory Concussion Course for Coaches

House Bill 5431 went into effect for the 2014-15 school year. The legislation requires ALL high school coaches and athletic directors to receive a certificate of completion every two years for an online concussion awareness and education program developed by the IHSA.

The program includes a presentation and other supplementary materials that ALL high school coaches and athletic directors need to review prior to taking a required exam over the curriculum. Individuals will be required to demonstrate proficiency on the exam by scoring at least 80% in order to serve as an athletic coach at an IHSA member school. The legislation also requires student-athletes to watch the association-developed video presentation portion of the over-all curriculum each year.

The program includes information on concussion awareness training, concussion recognition, best practices for avoiding concussions, return to play guidelines, and sub-concussive head trauma. Coaches will be able to access the program after logging into the IHSA Schools Center and clicking on the “CON” tab, which will be located under the ‘Departments’ heading on the Schools Center homepage.

Unmanned Aerial Vehicle (Drone) Policy

For IHSA Tournaments

Effective February 18, 2015

The use of unmanned aerial vehicles (“UAV”), also known as drones, is prohibited for any purpose by any persons at IHSA tournament venues. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed.

For purposes of this policy, a UAV is any aircraft without a human pilot aboard the device.

An exception to this policy may be made in specific cases for IHSA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the IHSA.

At their October 2008 meeting, the IHSA Board of Directors approved a recommendation from the IHSA Athletic Administrators Advisory Committee to implement on-line seeding in bracketed team sports effective with the winter sports season of the 2008-09 school term. The following is intended to provide an explanation of the process that coaches will follow in seeding the first level tournament assignment for their school.

Coaches are expected to take part in the seeding process with the highest standard of integrity and to ensure fairness and equity for all participants. One coach or an official representative from each school who has completed the *IHSA Season Summary Form* on-line will be allowed to vote. Schools who have not submitted the *Season Summary Form* will not vote or participate in the seeding process. (The *Season Summary Form* can be found in the Activity Tracker section of the IHSA Schools Center under the 'Required Data Forms' column for basketball.)

Coaches will not be allowed to vote for their own team. Coaches will determine their seeds based on these factors:

- Head to head victories against teams assigned to the first level tournament
- Record against common opponents
- The total win/loss record of schools in the tournament, and
- Team evaluation based on narrative provided by coaches
- These factors have not been prioritized. The IHSA reserves the right to review all submitted seeds and throw out ballots and adjust the seeds accordingly.

In the event that schools tie for a seed, the IHSA will use the following criteria to break the tie:

- Head to head competition between the tied schools (games played prior to the final release of seeds)
- Random draw (if more than 2 schools are tied for a seed)
- Coin flip (if 2 schools are tied for a seed and head to head competition can't break the tie)

Schools will be able to access all the seeds made by other schools assigned to their seeding meeting prior to the seeds being posted on-line through the IHSA website. Tournament assignments will then be posted by the end of the week during which seeding occurs. The time table that follows shows the dates for the 2015-16 school term.

IMPORTANT

SEASON SUMMARY FORM INSTRUCTIONS

Schools entered into the Class 1A, 2A, 3A, and 4A state series will be required to submit a *Season Summary Form* on-line in the IHSA Schools Center. Failure to do so by the designated date and time will result in a school forfeiting its opportunity to participate in the seeding process. **The *Season Summary Form* can be found in the IHSA Schools Center.**

Distinct statewide prices have been set for tickets at all levels of the tournament series.

— Location of seats allocated for sale to IHSA Basketball Season Ticket Holders, the news media, Board of Directors and other persons determined by the Board to have the opportunity to purchase advance tickets for the State Final Tournament(s) will continue to have next preference, if orders are postmarked on or before December 8.

— Only All-Session tickets may be ordered by mail, through the Peoria Civic Center, 201 S.W. Jefferson Ave., Peoria, IL 61602. Orders must be postmarked no earlier than December 2 and no later than December 26, 2015.

— Beginning Jan. 5th, All-Session tickets ONLY will be sold to the general public by telephone (credit card purchases only) and over the counter at the Peoria Civic Center, Peoria.

— Beginning Jan. 18th, single-session tickets, if available, will be sold to the general public by telephone (credit card purchases only) and over the counter at the Peoria Civic Center, Peoria.

Plans for distributing tickets for the Sectional, Super-Sectional and the Boys State Final Tournament(s) will continue to give schools which enter the tournament series the opportunity to purchase tickets for the advanced levels of competition in the tournaments, and will provide tickets for each of the schools actually participating in these tournaments.

Ticket Prices

Standard statewide prices have been established for all boys tournaments. Tournament managers must charge the prices established by the Board of Directors. Local managers cannot set ticket prices that are different than those established by the Board of Directors.

Ticket prices for the 2016 series will be:

Regionals: \$4.00

Sectionals: \$5.00

Super-Sectionals*: \$8.00

*at venues hosting two super-sectional games on the same evening, the base ticket price shall be \$10

State Final: Season Ticket: \$44.00, \$34.00, & \$28.00

Session Ticket: \$11.00, \$9.00 & \$7.00

NOTE: Season Ticket Prices for Regional/Sectional Meets and Tournaments:

1) Local managers of Regional and/or Sectional tournaments in which two (2) or more sessions are conducted may sell season tickets along with session tickets. In the event a manager exercises this option, the season ticket price will be the session ticket price times the number of sessions.

2) In all Class 3A & 4A Regional games, visiting teams shall be given the opportunity to pre-sell 30% of the tickets available for the game. Unsold tickets must be returned to the host school at a time which will permit the host school a reasonable opportunity to sell remaining tickets to the general public.

NOTE: Presale tickets for Regional finals, and Sectional semifinals and finals:

1) Host schools must provide presale tickets to schools competing in Regional finals, Sectional semifinals and finals, if requested to do so by a competing team.

2) Competing teams are responsible for all of the presale tickets they are given. All unsold tickets must be returned to the host at least three (3) hours prior to game time.

Regional final: Requests for presale tickets at the Regional finals must be made by Monday, February 22 for Class 1A & 2A and Monday, February 29 for Class 3A & 4A.

Sectional semifinals and finals: Requests for presale tickets at the Sectional semifinals and finals must be made by Friday, February 26 for Class 1A & 2A and Friday, March 4 for Class 3A & 4A.

Regional Finals and Sectional Distribution

Tickets for the Sectional tournaments will be distributed as follows:

1) From the total number of seating spaces in each gymnasium, a reasonable number of spaces shall be reserved for the press,

radio, bench officials, players and other team personnel.

2) Subsidiary Regional Schools

Class 1A & 2A Tournaments: The local manager shall deduct the total number of seats reserved for the schools which participated in the Regional tournaments subsidiary to his/her Sectional tournament. Each school may purchase not more than ten (10) tickets for each session.

Class 3A & 4A Tournaments: The local manager shall deduct the total number of spaces reserved for the school which participated in the Sectional Complex subsidiary to the Sectional tournament. Each school may purchase not more than sixteen (16) tickets for each session.

3) After providing for the allotment in (1) and (2) above, the host school may take twenty (20) percent of the remaining tickets. If the host school is one of the participating schools, these tickets shall be taken in addition to the allotment for participating schools described below.

4) From the remaining tickets, each of the schools participating in a given session shall, regardless of size, be permitted to purchase half (50%) of the remaining tickets.

5) Ordinarily, season tickets should not be sold since it is impossible to determine in advance the proper allotment for Friday's (championship) games. However, if the host school decides to issue season tickets, they must come out of and may not exceed the twenty (20) percent host school allotment described in (3) above.

6) Local managers of Sectional tournaments are instructed to devise plans whereby an equitable portion of the better seats will be made available to the followers of the teams competing in the games of the tournament.

7) The Sectional tickets for schools assigned to the subsidiary Regional tournaments, and referred to in (2) above, must be ordered no later than February 26 for Class 1A & 2A and March 4 for Class 3A & 4A. If orders are received after these dates, the local managers will not be obligated to provide tickets for any sessions of the tournament.

8) Local managers must sell tickets at the prices adopted by the Board of Directors. (See "Ticket Prices" on previous page.)

9) Local managers must provide presale tickets to schools competing in Regional finals, and Sectional semifinals and finals, if requested to do so by a competing school. (See "Ticket Prices" on previous page.)

Super-Sectional Distribution

Because of the larger seating capacities at the Super-Sectional centers, tickets at each center shall be set aside at Super-Sectional sites to be distributed as follows:

1) A reasonable number of spaces shall be reserved for the press, radio, bench officials, players and other team personnel.

2) The local manager shall deduct the total number of seats reserved for the schools which participated in the Regional tournaments subsidiary to the Super-Sectional game. Each school may purchase not more than twenty (20) tickets for the game.

3) After providing for the allotments in (1) and (2) above, the host school may have twenty (20) percent of the remaining tickets for sale to the general public.

4) From the remaining tickets, each of the schools participating in a given session shall, regardless of size, be permitted to purchase half (50%) of the remaining tickets.

5) The price of each ticket for all Super-Sectional games shall be as adopted by the Board of Directors. (See "Ticket Prices" on previous page.)

6) Notifying Competing Teams:

Class 1A & 2A: The local manager of each of the eight Super-Sectional centers will telephone the principals or ticket managers of the two Sectional winners assigned to his/her center not later than 10:00 a.m., Saturday, March 5, and will notify them as to the number of tickets allotted to their schools.

At this time, arrangements also will be made for payment and delivery of the tickets.

STUDENT MEDIA CREDENTIALS FOR PARTICIPATING SCHOOLS

Congratulations on qualifying for an IHSA state final in a team sport. In order to provide the best possible coverage of this event for your school newspaper, yearbook and AV club, etc. you are entitled to have up to three students receive credentials to cover this event as official media members. In the event that you have less than three students, an adult sponsor may be included on this list. To apply for student media credentials, please have your Athletic Director or an individual involved with the aforementioned programs email Matt Troha (mtroha@ihsa.org) at the IHSA with the following information:

- 1) The names of individuals attending
- 2) Whether they are students or adults
- 3) If the attending individuals will serve as reporters, photographers, videographers, etc.

Student media who are registering for credentials are expected to maintain a level of professionalism while covering this event. That includes no cheering while in the press box or game coverage area. Proper attire is also required. Wearing school shirts and colors is acceptable, but students wearing face paint, costumes, carrying props, etc. will be required to change before receiving credential clearance.

The individual applying for student media credentials will receive specific information on credential pick-up and media regulations at the event via email in the days leading up to the state final.

Please note that student media credentials are only available for state final events in team sports. Due to the sheer volume of schools who qualify in individual sports, our press facilities would be unable to accommodate student media from all participating schools in individual sports. Student media are also welcome to cover IHSA state final activities. Credentials are not required for these events, but please have your students check-in with state final personnel upon arrival for media coverage regulations.

VIDEO TAPING STATE FINALS FOR COACH FILM BREAKDOWN

Each school will be eligible to receive a pass for an individual attending the state final event to shoot game film that is for the sole purpose of being used by the coaching staff for postgame breakdown. Passes for videographers shooting highlight videos, documentaries, etc. should be included in student media application reference above. Additional passes for videotaping purposes will need to come from the allotment of state final passes given to school/head coach at or prior to the state final event.

To apply for a credential to shoot video, please have your Athletic Director email Matt Troha (mtroha@ihsa.org) at the IHSA with the name of the individual who will be taping and whether they are an adult or a student.

Please contact Matt Troha (309-663-6377) at the IHSA for any questions related to this document.

IHSA Tournament Managers/Hosts,

The advent of greater broadcasting technology over the past few years has brought about many new potential broadcasters and many new broadcasting platforms and mediums, especially as it pertains to broadcasting video over on the internet. It is important to remember that most internet video streams of IHSA State Series (Regionals, Sectionals, Super-Sectionals, Football Playoffs) events will require that a broadcast rights fee be paid by the broadcasting individual/company. A new internet video broadcasting fee schedule has been developed and is located below, but first please read these reminders on how to determine if a fee is necessary should you be approached about a video webcast of the State Series event you are hosting. If at any time you ever have questions on the fees or any other matters related to broadcasting or media, please call Matt Troha at the IHSA office (309-663-6377).

BROADCAST RIGHTS FEE PAYMENT REQUIRED

There is an IHSA broadcast rights fee required with the broadcast if any one of the options below is applicable...

- 1) The internet video webcast is originated and accessible to viewers on any third-party website (i.e. media website, IHigh, UStream, High School Cube, fan site, etc.).
- 2) If the crew producing the internet video webcast is not affiliated with the high school or not composed entirely of high school students and/or high school personnel.

BROADCAST RIGHTS FEE PAYMENT NOT REQUIRED

There is no IHSA broadcast rights fee required if both guidelines below are met...

- 1) The internet video webcast is produced and the crew populated entirely by high school students and high school personnel as a part of a high school tv station, AV Club, etc.
and
- 2) The internet video webcast is originated on and accessed by viewers on the high school website, the website of the city or on the school's IHSA.tv website (www.IHSA.tv/schoolname).

Internet Video Broadcast Rights Fee Schedule

Prior to the 2011-12 school year, internet video webcasts fell under the same broadcast rights fee schedule as television. Because of the growing number of internet broadcasting entities, the IHSA Media Advisory Committee felt like it was in the best interest of the medium to develop more affordable broadcast rights fees for video internet broadcasts. The rights fee schedule below was adopted beginning in the fall of 2011 for streaming video:

INSTRUCTIONS TO AND DUTIES OF THE ANNOUNCER FOR IHSA BOYS' AND GIRLS' BASKETBALL STATE SERIES GAMES

This document is provided to IHSA Boys' and Girls' Basketball State Series Managers for their use and is created from information provided by the National Federation of State High School Associations. Managers should make sure tournament announcers are given a copy of this prior to the regional, sectional, or super-sectional tournament for their review.

In a very real sense, the public address announcer at a high school event is a "Champion of Character". The public address announcer can influence the atmosphere of a contest by what is said and how it is said. The announcer who performs professionally promotes good sportsmanship by what he/she says and how he/she acts upon saying it. The announcer, like the scorer and timer, are extensions of the officiating crew, and by nature, are neutral parties to the contest. The announcer's role does not include "cheering the home team on" or otherwise inciting the crowd. Doing so is common at other levels of athletic events, but high school athletics is different because high school sports are educationally-based activities.

Announcer Responsibilities

1. The announcer shall be prohibited from making an announcement:
 - a. While the clock is running
 - b. While the clock is stopped and the ball is live (such as during a free throw, throw in, etc.)
2. Announcements or comments shall be made during those times when there is stoppage of the clock and the ball is not live, such as time outs, between quarters, or during pre-game, half-time, or post-game.
3. Unless there is an emergency, the announcer shall be prohibited from interrupting the game through the use of the microphone.
4. The announcer is allowed to announce basic information that does not potentially affect the play in general, the players, the coaches, or the officials. The announcer's information is not official information and, if announced, could mislead fans and others.

Examples of Allowable Comments

- Player who scored (quick notification without extreme emphasis)
- Player charged with a foul
- Player attempting a free throw
- Team granted a time out
- Length of time out (30 seconds or 60 seconds)
- Player entering game
- Team rosters/starting lineup

Examples of Unapproved Comments

- Number of points player scored
- Number of fouls on player
- Number of team fouls
- Number of team times outs or number of time outs remaining
- Type of foul or violation
- Emphatic 2 or 3 point goal

INSTRUCTIONS TO AND DUTIES OF THE SCORER FOR BASKETBALL GAMES

RULES COVERAGE:

Rule 1-17: The scorer's location at the scorer's and timer's table must be clearly marked with an "x."

Rule 2-1-3: It is recommended that the official scorer and timer be seated next to each other.

Rule 2-4-3: The referee designates the official scorebook and the official scorer.

Rule 2-11: The duties and responsibilities of the official scorer are indicated. In case of doubt, signal the floor official as soon as conditions permit to verify the official's decision.

Rule 2-11-12: The official scorer is required to wear a black and white vertically striped garment.

RESPONSIBILITY:

The scorer's responsibility is so great that floor officials must establish the closest cooperation and understanding with them. The scorer must be accurate.

EQUIPMENT:

Scorebook, pencils, possession arrow and signaling device with sound different from that of the timer. The scorebook must be available for inspection at the table from 10 minutes prior to game time until the referee has approved the final score.

BEFORE THE GAME:

1. Ten minutes before scheduled game time, the scorer shall be supplied with each team's roster and numbers.
2. Ten minutes before scheduled game starting time, the scorer shall be supplied with the starting lineup.
3. Notify the referee if either list is not submitted on time or is altered after time specified.
4. If there are discrepancies, notify the referee before the ball is tossed.
5. Have coach sign that lineup is correct.

DURING INTERMISSIONS:

1. Either the official scorer or a delegated assistant must be at the scorer's table with the official scorebook at all times.
2. Verify the lineup after all intermissions and notify either floor official if a player, who has not reported, has entered the court.

DURING THE COURSE OF THE GAME:

1. The nonofficial scorers should check each entry with the official scorebook.
2. The scorers should:
 - a. Announce to each other and record the total running score.
 - b. Announce the name and number of the player who scores.
 - c. Verify the scoreboard score.
 - d. Compare the summary of individual scores with the total running score at the end of each half.
 - e. Exchange the name and number of the player committing a foul and indicate the total fouls charged to the player.
 - f. Be responsible for the alternating-possession arrow.
 - g. Record warnings reported by an official.
3. In case of controversy, the record of the official scorebook is accepted unless the referee has knowledge which permits him or her to rule otherwise.

SCORING: (Use the following recommended symbols)

1. P for personal foul, followed by proper numeral indicating number of personal fouls charged to player as P¹, P², etc., or cross out appropriate number.
2. T for technical foul (direct or indirect on coach).
3. Successful field goal: figure 2 or 3.
4. Free-throw attempt: ○
5. Successful free throw: ⊗
6. Two or three free throws awarded: ○ ○ ○

7. First of one-and-one: ○
First made, bonus awarded: ⊗
Bonus free throw made: ⊗

8. Record the number of charged time-outs (who/when) for each team.
9. Check the scoreboard often and have the progressive team totals available at all times. Points scored in the wrong basket are never credited to a player, but are credited to the team in a footnote. Points awarded for basket interference or goaltending by the defense are credited to the shooter. When a live ball goes in the basket, the last player who touched the ball causes it to go there.

NOTIFY THE NEARER OFFICIAL WHEN:

1. The bonus penalty is in effect for the seventh, eighth and ninth team foul in each half. The bonus display indicates a second free throw is awarded for all common fouls (other than player-control) if the first free throw is successful. The proper bonus panel, such as (H for home and V for visitor) shall be displayed after the penalty for the sixth team foul has been administered. Another method is to activate a light or device nearest the basket of the team which is to receive the bonus.
2. The tenth team foul occurs each half. Thereafter, the bonus (second free throw) is awarded for a common foul (except player-control) whether or not the first is successful.
3. Any player is charged with his or her fifth foul (personal or technical), the second technical foul is charged to any team member, bench personnel, directly to the head coach or the third technical foul is charged to the head coach.
4. Either team has been granted its allotted charged time-outs or an excess time-out.
5. The ball is dead or in control of offending players team if:
 - a. Player has not reported.
 - b. Player's number changed.
 - c. Player is illegally in game.
6. The ball is dead, if there is a score dispute or doubt about an official's decision.
7. Any player enters while wearing an illegal number.
8. The ball is dead and the clock is stopped or running, if the coach requests that a correctable error as in 2-10, or a timing, scoring or alternating-possession mistake be prevented or rectified.

SUBSTITUTIONS:

1. A substitution may be made when the ball is dead and time is out. A player who has been withdrawn may not re-enter before the next opportunity to substitute after the clock has been started properly following the player's replacement.
2. A substitute who is entitled and ready to enter must report to the official scorer. However, substitutions between halves shall be made to the official scorer by the substitute(s) or a team representative prior to the 15-second warning. When substitutes are not properly reported, the players in the game at the conclusion of the second quarter shall begin play in the third quarter.
3. Following a time-out or intermission, the substitute must report or be in a position to report prior to the warning signal.
4. A substitute may enter the court only when beckoned and must do so at once, except between quarters and during a time-out.
5. If a substitute reports to enter for a designated jumper or free thrower, the substitute may not enter until the next dead ball and time is out.
6. A substitute may not be beckoned, if multiple free throws are awarded, until the last throw is to be attempted or the final throw is successful (unless a player has been directed to leave the game by an official).
7. A substitute may replace a designated starter in case of illness or injury or to attempt a technical-foul free throw.

It is not permissible for a substitute to replace a designated jumper, or a free thrower when the free throw is for a personal foul, unless such jumper or free thrower is disqualified or injured. The scorer should not signal after the free thrower or thrower has been handed the ball or the ball is at the disposal of such player or team or until the official has completed reporting a foul.

2015

INSTRUCTIONS TO AND DUTIES OF THE TIMER FOR BASKETBALL GAMES

RULES COVERAGE:

Rule 2-4-2: The referee shall designate the official timepiece and its operator.

Rule 2-12: Duties and responsibilities of the timer are indicated. An efficient timer will carefully study these sections and become thoroughly familiar with all their responsibilities. The timer shall sound a warning signal 15 seconds before the expiration of an intermission, a time-out (60- or 30-second) and the 20-second interval to replace a disqualified or injured player, or a player directed to leave the game. The timer shall also signal when the time has expired for an intermission, a charged time-out or a replacement interval.

EQUIPMENT:

Electric clock timer and one stopwatch, or a table-clock timer and one or two stopwatches. A gong, loud siren or electric air horn to signal the end of playing time. When present, a red/LED light is permitted to end a quarter or extra period; otherwise, the audible signal ends the quarter or extra period.

BEFORE THE GAME:

1. The official timer should ascertain the game starting time and suggest that the referee and coaches synchronize their watches.
2. Review the official signals for starting the clock, time-out, a foul or violation.
3. Notify the scorer 10 minutes prior to the starting time.

TIMING REGULATIONS:

1. Playing time shall be:
 - a. For teams of high school age — four quarters of eight minutes each with intermissions of one minute after the first and third quarters and 10 minutes between halves. Halftime may be extended to a maximum of 15 minutes upon proper notification.
 - b. For teams younger than in (a) — four quarters of six minutes each with intermissions same as for (a).
2. Overtime Play:
 - a. If the score is tied at the end of the second half, play shall continue without change of baskets for one or more extra periods, with a one-minute intermission before each.
 - b. The length of each extra period shall be four minutes (or half the time of a regulation quarter for non-varsity contests).
 - c. As many such extra periods as are needed to break the tie shall be played. Game ends, if, at end of any extra period, the score is not tied.
 - d. Extra periods are an extension of the fourth quarter.
3. A time-out charged to a team is of either 60-seconds or 30-second duration unless both teams are ready to resume play sooner.
4. No time-out is charged to a team when:
 - a. The floor official grants a player's request because of displaced eyeglasses or lens.
 - b. A correctable error as in 2-10, or a timing, scoring or alternating possession mistake has been prevented or rectified.
5. The sounding of the scorer's signal or game horn does not cause the game timepiece to be stopped.

START THE OFFICIAL TIMEPIECE WHEN:

1. A tossed ball is legally tapped when play is started by a jump.
2. The ball touches a player on the court during a throw-in (if clock has been stopped).
3. An official signals "start the clock." If he or she neglects to do so, the official timepiece should be started unless an official specifically signals that it should not be started.
4. The ball touches or is touched by a player on the court provided the ball is to remain live if the free throw is missed. In these cases, the official will give the start-the-clock signal, but if he or she neglects to do so, the official timepiece should be started when it is apparent the ball touches a player and is to remain live.

STOP THE OFFICIAL TIMEPIECE WHEN:

1. Any period ends.
2. An official gives a time-out signal. The official will order time-out when:
 - a. A foul is called by holding hand with fingers closed at arm's length above head.
 - b. A jump/held ball is declared by giving the jump-ball signal (holding thumbs up at shoulder height away from body and motioning upward with both arms extended).
 - c. A violation occurs by giving the time-out signal (holding hand with fingers extended at arm's length above head) after which the proper violation signal is given.
 - d. There is to be a charged time-out, or an official's time-out for a technical foul, or other stoppage indicated by a floor official who holds a hand at arm's length above the head with fingers extended.

NEAR THE END OF PLAYING TIME:

1. If a watch is being used as the official timepiece, place it so that the timer may see it and the ball. The watch must be stopped the instant the signal ending the game is sounded.
2. When a timing device other than a watch is the official timepiece, the timer must assist in determining the position of the ball when time expires.
3. Some timers, in order to avoid misunderstanding concerning the position of the ball when time expires, have one person watch the official timepiece and count aloud 10 - 9 - 8 - 7, etc., while another person watches the ball and notes its position at the exact moment time expires.
4. If a quarter or extra period ends and:
 - a. The timer has been unable to make an official hear the signal, the timer must immediately notify the official.
 - b. The timing signal fails or is not heard by an official, the timer must be prepared to advise the referee as to whether the ball was in flight when time expired, or whether a foul occurred before or after the period had ended.
 - c. The timing signal is not heard by the officials, testimony of the timer may determine whether a score shall count or a foul shall be charged, unless the referee has information which would alter the situation.

Standardized Basketball Statistics

In an effort to standardize statistical information, personnel at member schools should incorporate the following when compiling individual and cumulative team basketball statistics:

In situations where a college or university Sports Information Department is responsible for statistical material, Super-Sectional managers should supply the SID with a copy of the box score for style purposes.

Uniform Statistical Recording

Terminology: Total Field Goal Made (FG) is all baskets made (which includes 2-point plus 3-point goals). Total Field Goal Attempted (FGA) is all shots attempted whether it is made or not. Three-Point Field Goal made is a shot made from beyond the 3-point line. Three-Point Field Goal attempted is a shot from beyond the 3-point line whether made or not. Free Throw Made (FT) is a foul shot made. Free Throw Attempted (FTA) is foul shot attempted whether it is made or not. Rebound (REB) is a missed shot retrieved by an individual whether or not the shot was taken by a teammate or an opponent. Assist (A) is a pass from a teammate that leads directly to a basket (NOTE: If player takes two dribbles before shooting, no assist is to be credited unless play is a breakaway.) Personal Foul (PF) is the number of fouls committed. Total Points (TP) are the actual number of points scored by an individual and team — by adding 2-point field goals plus the 3-point field goals and the free throws totals together. Blocked Shots (BLK) are opponent shots blocked which do not hit the rim or backboard. Steals (S) are when a player takes the ball away from the opponent before the opponent can shoot or pass the ball.

Important: When showing field goals and three-point field goals, the overall field goals is total 2 point and 3 point field goals made and attempted. The 3 point field goals are only those made and attempted from 3 point range. When figuring the up-to-date totals, you must list all 2 point and 3 point field goal attempts and all 2 point and 3 point field goals made in the overall column and only the 3 point made and attempted in that column. When we justify the statistics, we multiply total field goals made by two (2) points, add in one point for each 3 point field goal made and add in one point for each free throw made.

Example:

Name	Overall 2-pt. + 3-pt. FG-FGA	Only 3-pt. FG-FGA	All FT M-Att	Tot. Points
Marty Hickman	10-20 (2x10=20)	2-4 2 (=22)	7-10 7 (=29)	29

Scoring Rules:

- ALL shots, whether from the field or from the foul line, unless nullified by a floor violation, foul, or elapsed time must be counted.
- Rebounds should be awarded when a player gains control of a missed shot, regardless of whether he catches the ball in the air or on the bounce.

Important Notes:

- When an offensive player tips a missed shot back at the basket, one rebound and one field goal attempted should be recorded.
- No individual rebound should be awarded when the ball goes out of bounds after a missed shot. That should be recorded as a team rebound for the team that receives the ball.
- If a shooter misses the first of a pair of free throws on a two-shot foul, the team shooting should receive a team rebound.
- The total number of missed shots should equal the total number of rebounds.
- Technical fouls on individual players are included in the personal foul category.
- Score by Quarters is the actual number of points made by a team in a given quarter.
- Shooting percentages are obtained by dividing the total number of shots in a particular category into the number of particular shots made.
