Revision History

2013-14 Bass Fishing Series Terms and Conditions

In accordance with Section 1.450 of the IHSA Constitution, the Board of Directors has approved the Terms and Conditions governing the 2013-14 IHSA Bass Fishing Tournament Series.

I. SCHOOL CLASSIFICATION

Competition in the IHSA Bass Fishing Tournament Series will be a one class tournament.

II. DATES AND SITES

A. Individual Tournament Series Dates and Sites:

1) The sectional tournament shall be on Friday, April 25, 2014 (Friday of Week 42 in the IHSA Standardized Calendar). Tournament sites and team assignments will be posted online.

Note: All Sectional tournaments shall be a one-day tournament. In the event of cancellation due to weather, the next Monday, April 28th, shall be the make-up date.

2) State Final: May 9 and 10, 2014, Friday and Saturday, Week 44 IHSA Standardized Calendar.

III. ONLINE ENTRIES, WITHDRAWAL PROCEDURES, AND ELIGIBILITY

The policy for Original Entry Deadlines, Late Entries and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities included in the 2013-14 Entry Policies and Procedures.

A. Online Entries

All member schools must enter their school into the state series competition through the IHSA School Center on the IHSA Website at www.ihsa.org. The deadline for entry is **November 1, 2013**. The 2013-14 Entry Policies and Procedures outlining the online entry procedures for all IHSA-sponsored tournaments can be found in the Schools Center on the IHSA website.

B. Late Entries

Any attempt to enter a sport or activity online after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school.

C. Breach of Contract By-law 6.041 (Withdrawal Procedure)

To withdraw without penalty, the Principal must notify the IHSA Office, in writing, of the school's withdrawal from Bass Fishing prior to the seeding meeting date and/or the date the List of Participants is due for that sport. If a school withdraws after the seeding meeting date/List of Participants due date and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

D. Eligibility

All member schools in good standing may enter a team. This is open to male or female students in your school.

All students must meet the eligibility requirements as outlined in Section 4.000 in the IHSA by-laws.

IV. HOST FINANCIAL ARRANGEMENTS

A. Sectional Host Allowance:

Sectional hosts shall pay all local expenses and shall receive a guarantee of \$200.00.

B. Admission Fees:

1) In the State Tournament Series, ticket prices have been established by the IHSA Board of Directors.

C. Rights Fees for TV and Radio:

See the IHSA web site (www.ihsa.org) for the fees to be charged by Local Managers and/or the IHSA for television and cable broadcasts and radio originations. The Policy regard-

ing media requirements for each Local Manager is contained in these Terms and Conditions.

V. TOURNAMENT ASSIGNMENTS

Schools will be assigned geographically to one of 22 IHSA sectional tournaments. The state final will have up to three (3) qualifying boats from each of the sectional tournaments.

VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

VII. ADVANCEMENT OF WINNERS

A. Advancements:

1) Sectional: A maximum of three (3) boats from each sectional will advance to the state finals.

VIII. TOURNAMENT RULES

A. All sectionals will be set for at least 5 hours of fishing and can not exceed 8 hours on the water. This might have to be varied because of weather. A sectional tournament is considered to be complete if half of the minimum scheduled tournament time has been fished (2.5 hours). If the tournament is postponed until the next Monday, no fish will count towards the next day weigh-in.

B. If weather shuts down the Sectional once it has been rescheduled for Monday, the winner will be determined by the fish caught during the time allotted for that sectional on the second day.

C. State final will consist of two days of fishing with a maximum of eight (8) hours of fishing each day, when possible.

D. If weather shuts down either day of the State final once it has started, that day's weight will be determined by the fish caught during the time allotted for that day.

E. In the state final, if one of the days is completed and the other day is not able to be fished because of weather, the winner(s) will be determined by the one day weigh-in.

F. All participants must be back in for weigh-in by 3:00 p.m. at the sectional and the state final. This would vary only if a weather alert has been issued which might shorten that day's tournament. It is the participant(s) responsibility to make sure the boat is back to the dock by 3:00 p.m.

G. There will be a one pound deduction for every minute a participant is late getting back for weigh-ins up to 15 minutes. After 15 minutes, no weight will be allowed for that day. It is the participant's responsibility to notify the tournament manger in advance of the 3:00 p.m. closing time of any problems that may have occurred.

H. There will be a five fish limit per boat. Fish may be culled if a participant(s) has five fish (5) in the live well. No more than five (5) fish can be in the live well at any time.

I. Ties will be broken, if the poundage is equal, in the following manner: First criteria will be the largest fish; second criteria will be the number of fish.

J. All participants must wear a coast guard approved life jacket the entire time they are on the water. If they do not, disqualification will occur.

K. Participants must only use the gear that is in the boat when the boat leaves the dock at the start of the day. They may use their own gear or the gear of the captain in the boat. If an alternate is used in the tournament, the gear of the alternate must be secured in an area and can be added once the alternate is picked up.

L. Every boat must have an adult captain for driving purposes, and only that captain can drive when the outboard motor is in use.

M. Coaching: The captain/coach of the boat may make suggestions but may not fish in any respect, including tying lures, netting fish, and handling fish or gear. The captain/coach or team participants can operate the electric motor. If a team has only one participant on the boat, the captain/coach may net the fish if asked by the participant. **A boat captain must be an employee of the district or be a board-approved bass fishing captain.**

N. All fish will be released immediately after weigh-in. All fish that are put in the live well must be kept alive. Dead fish will have a ½ pound deduction and cannot count as the large fish for that boat. Dead fish may not be culled.

O. There will be a speed limit enforced at all sectional and state final tournaments. The speed limit will be no faster than 35 mph, or the lake requirement will be enforced if slower than 35 mph.

P. Teams of up to four participants per boat may be entered by each school. A school may enter up to two boats where only two of the four students entered for that boat may fish at any one time on that boat. This means only 2 students in the boat. The total weight for each of the five (5) fish limited to that boat will count for the team total of that tournament.

Q. The total weight for each of the five (5) fish limited to that boat will count for the team total of that tournament. Individual weight will also be recorded for the top fish designated by each boat. The largest fish award will be given at each tournament to all participants of the boat that weighs in the largest fish of that tournament.

R. No live bait or trolling is allowed in the sectional or state final.

S. Participants must stay completely in the boat unless they are using an authorized rest room facility, are back at the dock switching participants, or due to some other emer-

gency or malfunction. If an emergency or malfunction occurs, the boat must contact the local manager or his/her designee prior to leaving the boat.

T. Any transfer of fish from one live well to a different live well in another boat due to malfunction must be made in the presence of the local manager or his/her designee.

U. On the day of competition at either the sectional or state finals tournaments, schools will be limited to putting into the water the number of boats entered, or, in the case of the state finals, the number of boats the school qualified. No additional boats containing coaches or other competitors from a school can be put into the water. Contestants may not obtain fishing patterns or locations from non-competitors, follow a non-competitor's boat or participate in the practice of "hole sitting", a practice wherein a non-competitor sits on a fishing spot, holding it for a contestant. In addition, non-competitors may not place markers for contestants. All of these acts are prohibited and will result in the immediate disqualification of the boat.

V. School uniforms must be worn during competition. School uniforms can only have the school name and/or logo and the student's name on them. Any sponsorship the school has secured cannot be displayed on the uniforms or on the coach/driver of the boat. Sponsorship logos may be displayed on the boats that are in the tournament.

W. Each tournament manager shall appoint (in addition to him/herself) a tournament committee of at least three (3) participating coaches or school administrators. The decision(s) of the tournament committee shall be final in matters pertaining to the IHSA Bass Fishing Terms and Conditions. Neither the IHSA Office nor the Board of Directors will review tournament committee decisions, whether alleged errors are due to faulty judgment or misinterpretation of the rules.

X. Unsportsmanlike Conduct:

Managers and officials have the strictest instructions to disqualify any participant, coach and/or other person guilty or profane or indecent language or of gross unsportsmanlike conduct. IHSA By-laws 2.030, 3.151, 6.011 and 6.012 give the Board of Directors complete authority to penalize a school for any unsportsmanlike conduct on the part of the principal, the coach, athletes, or any member of the faculty or Board of Education or any other official representative of any participating school. This authority will definitely be exercised by the Board of Directors.

IX. TOURNAMENT POLICIES

A. State Final Passes: Each school will receive passes for all qualifiers, a pass for the coach, and a captain's pass to drive the boat. Only people with passes will be allowed on boats.

B. Damage to Property or Equipment:

If contestants or people from any school entered in a state series are found guilty of carelessness or maliciously breaking, damaging or destroying property or equipment belonging to the host site, such school shall be held responsible for costs incurred in replacing or repairing such property or equipment.

C. Media Requirements:

1) Provide Space:

Space shall be set aside to provide for news media representatives covering the state series whether they are from newspapers, internet sites, radio stations, commercial television stations and/or cable television stations, according to the IHSA Policies regarding News Media credentials and working assignments for IHSA state series.

2) Radio and TV:

It is the responsibility of the Local Manager to accept applications, approve requests to originate, collect proper rights fees payment (where required) and make cancellation refund for television and/or radio play-by-play originations, according to the IHSA Television and/or IHSA Radio Broadcast Policy.

a. Television Rights Fees for all levels of competition below the State Final level shall be paid to the host school and shall become part of the revenue to be shared by the member school(s) and the Association according to the financial terms stipulated in these Terms and Conditions.

b. Radio Broadcast Rights Fees are not required for any level of competition in this series (except State Final). Local Managers shall permit radio play-by-play originations of the competition.

c. Television and/or Radio Stations which do not apply in advance, or which do not pay required rights fees prior to the start of competition in each respective level in this state series shall not be given credentials nor allowed access to the facility to originate. Sponsors of the originations for television and radio shall be only those so stipulated in the respective IHSA Television and Broadcast policies.

3) Administrative Detail:

Reporting information to the news media and/or the IHSA Office, as stipulated in instructions to Local Managers shall be the responsibility of each Local Manager and is required.

D. Tobacco Products: No coach, player or any other person connected with a team shall be permitted to use tobacco products in the competition area, either during practice or while a contest is in progress.

E. Use of Inhalers: A student with asthma may possess and use his/her medication during an IHSA competition, while under the supervision of school personnel, provided the school meets the outlined procedures of self administration in the Illinois School Code.

F. Alcoholic Beverages and IHSA State Series Events:

The possession, distribution, sale and/or consumption of alcoholic beverages are prohibited at the site and on any affiliated property of any IHSA state series contest. State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, alcohol free zones on the date or dates of any IHSA event being held at the site. Violation of this policy by an event host will subject the host to a penalty for violation of IHSA By-law 2.020. Such penalty may include but not necessarily be limited to prohibition against subsequent event hosting assignments. Violation of this policy by a non-hosting member school will

subject the school to penalty for violation of IHSA By-law 2.020. Patrons of any IHSA state series contest determined to be in violation of this policy will be removed from the premise, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

X. AWARDS

Prevention of Heat Illness Guidelines

Athletes participating outdoors in hot, humid weather or indoors, in non-air conditioned or poorly ventilated gyms are susceptible to heat related illness. While it is the responsibility of each school participating in an IHSA contest to allow adequate acclimatization to the heat prior to the contest, it is the authority of the local manager to adjust or alter a contest based on the environment. Managers should check the environment one-hour before the scheduled contest.

If a high risk is present, the manager has the authority to alter game conditions. Athletes should drink one to two cups of water in the hour preceding competition and continue drinking during the activity every 15-20 minutes. If conditions become severe the manager may suspend or alter the contest. Altering the contest may include stoppage of play for a mandatory drink period, stopping play for a rest period where gear and clothing may be loosened to allow heat loss, stopping play to allow for removal of outer clothing, socks and or shoes or even postponing the contest.

Local Managers should refer to the Heat Index Table below if the host school does not have a plan or means to assess both the temperature and humidity prior to the contest. This heat index can be used to define caution, extreme caution, danger and extreme danger risk conditions. Additional heat and hydration information can be found by accessing the Sports Medicine link on the IHSA web site at www.ihsa.org.

IHSA Severe Weather Safety Guidelines

To be used during any IHSA state series contest

When thunder is heard, or a cloud-to-ground lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Take shelter immediately.

Lightning is one of the most consistent and underrated causes of weather-related deaths or injury in the United States. Nearly all lightning-related injuries occur between the months of May and September and between the hours of 10:00 a.m. and 7:00 p.m. Therefore, the greatest concern for injuries in an outdoor contest appears to be during that time, though it can happen any time of year.

It is essential that local managers, competing schools, and contest officials establish dialogue in advance of contests or events to ensure that all involved are aware of what the plan will be in determining whether or when to suspend play. Local managers are encouraged to share their plan with competing schools and assigned contest officials *prior to the start of the tournament/event*.

Advance Planning:

Local Managers should have a documented plan in place, designated people who are responsible for monitoring the weather and a qualified person (typically a trained manager and/or officials) to make the decision to suspend play. In state series competitions, the **local tournament manager** or official(s), if assigned, can make the decision to suspend play.

Monitoring Weather:

Local Managers during the contest should be aware of any potential thunderstorms that may form during the competition; if an evacuation is needed, managers should also know how long it would take teams to get to their safest location. Monitoring the weather with a weather alert radio, or with lightning detection systems, or any other available means, is recommended.

If competing schools have portable devices they will be bringing to a contest/event and/or have specific policy or directions from their administration that they must follow, the school must communicate those to the tournament manager. Tournament managers must know the policies of each school assigned to their tournament or event prior to its start.

Lightning Awareness

Generally speaking, it is felt that anytime a cloud-to-ground strike of lightning can be seen, or thunder heard, risk is already present. It is time to seek shelter.

Criteria for Suspending Play

If the local management does not have commercial weather warning equipment at the site or an efficient method of making an accurate, timely decision on location, listening for thunder is the best way to mitigate the danger. If thunder is heard, or lightning is seen hitting the ground, the thunderstorm is close enough to strike in your location. According to the National Weather Service, lightning can strike 10 miles away from the parent thunderstorm. When thunder roars, go indoors! It is important that local manager monitor not only how far away the lightning is but also how fast it is approaching. Thunderstorms can form and move quickly and danger can arrive quickly.

Either tournament/event management or assigned contest officials have the authority to suspend or cancel interscholastic contests. It is recommended that those groups work together in making such determination and use any and all available information in doing so. Participating schools with concerns at particular events should direct those to tournament/event management or assigned contest officials.

The following guidelines should be followed in determining when to suspend an event:

1. Anytime a cloud-to-ground strike of lightning can be seen, or thunder heard, risk is present, and a contest should be suspended. At that point, the 30 minute rule for resumption should go into effect.
NOTE: Due to the layout of some outdoor facilities, contest officials or tournament managers may not be able to see lightning actually "strike the ground." However, whenever lightning is seen moving out of clouds towards the ground, it can be assumed that the lightning is, in fact, striking the ground somewhere, and, as a result, the contest should be suspended.
2. If lightning or thunder is not present but the weather is starting to become ominous, tournament management and/or contest officials should use all available information to determine if and when a contest should be suspended. Care for both participants and spectators should be taken into account at this point. If in doubt, contest officials or tournament managers are encouraged to exercise caution and suspend play. At such a point, tournament officials should be ready to implement their emergency plans. However, competing schools who pull their teams or athletes off a field of competition prior to a contest or event's suspension do so at the risk of forfeiture or disqualification from the game or event.
3. Suspended contests or events should be resumed at a time when the weather and/or field conditions allow for resumption.

Evacuation Plan

Safe Areas: All personnel, athletes and spectators should be clearly informed of available safe structures or shelters in the event a thunderstorm approaches. A safe structure is any fully enclosed building frequently used by people. In absence of that – athletes and spectators should go to any vehicle with a hard metal roof. Roll up the windows and do not touch the sides of the vehicle. If no safe structure or vehicle is available, find a thick grove of small trees surrounded by taller trees or a dry ditch. Assume a crouched position on the ground with only the balls of your feet touching the ground. Wrap your arms around your knees and lower your head. Minimize contact to the ground since lightning often travels through the ground.

Avoid: Tall trees or objects like light poles or flagpoles, individual trees, standing pools of water and open fields. Also avoid being the highest object on the field. Do not take shelter under trees. Avoid bathrooms if another building is available, and do not use a land-line telephone. A cellular phone or portable phone is a safe alternative if in a secure shelter or vehicle.

Resuming Activity

The NSSL (National Severe Storms Laboratory) recommends that everyone should wait at least 30 minutes after the last flash of lightning or sound of thunder before returning to the field or activity.

Awards Delivery Information

To Managers of All IHSA Tournaments:

In an effort to better serve our tournament sites and the suppliers of our awards, we would like to have you read this bulletin carefully and then do what you can to expedite the instructions:

1. Be advised that at **Regional and Sectional Tournaments**, medals and plaques may be shipped separately and may not arrive at your tournament site on the same day. Please open boxes immediately to check contents, as medals **CAN** be in plaque boxes. **NOTE:** There are no medals given at Regional and/or Sectional Levels in the team sports of baseball, basketball, competitive cheerleading, football, soccer, softball and volleyball, and in the activities of Drama/Group Interpretation and scholastic bowl. Please consult your terms and conditions for the correct amount of medallions.

Our awards supplier, A and M Products of Princeton, IL, often ships Regional and/or Sectional medals in the box with the plaque. **PLEASE CHECK THE PLAQUE BOXES CAREFULLY AND DO NOT DISCARD THEM UNTIL YOU HAVE DETERMINED THE MEDALS ARE NOT THERE!!**

At State Final Tournaments, medallions and trophies may be shipped separately and may not arrive at your tournament site on the same day. Please open boxes immediately to check contents, as medallions can be in trophy boxes.

2. Awards will be shipped to the school sites directly from A & M Products via United Parcel Service.
3. Please inform whoever receives your United Parcel deliveries to expect awards to arrive up to two weeks prior to the tournament, and ask them to deliver the packages directly to you when they arrive.
4. It is very likely that some awards (particularly trophies) will arrive in two or more boxes and will need to be assembled. **They may not arrive on the same day, but should be opened as they arrive.**
5. Please check all trophies, plaques, etc., to see that they are in good condition and not damaged in any way. You should note that they are engraved with the proper sport, tournament level, year, etc.

If, after doing all of this, a problem develops, please contact Cheryl Lowery at the IHSA office at (309) 663-6377.

Thank you very much for your cooperation.

Ron McGraw
Asst. Executive Director

Assembly Instructions for IHSA State Series Trophies

(please use caution when assembling the trophies)

Upon receipt of your Trophies and Awards, please inspect them immediately so replacements can be shipped to you, if you notice a damaged trophy or figurine. If replacements need to be issued, please contact A & M Products at the number below.

We recommend the following for attaching the figures to the IHSA State Trophy:

- Unwrap each figure. If there is a hex nut on the post of the figure remove it. It should not be needed.
- Lay the trophy on its back on a flat surface and remove the hex nut from the rods from underneath the trophy.
- Push the rod through the top of the trophy and remove the ferrule (the hollow threaded tube) from the rod and attach the ferrule to the threaded post of the figure. Screw the ferrule all the way up the threaded post of the figure.
- Screw the rod back onto the ferrule until it is tight.
- Place the rod, with the figure attached, back through the top of the base and through the holes in the bottom of the base.

IMPORTANT - please be careful that the figure(s) is not supporting the weight of the trophy. **Figures can be easily broken.**

DO NOT OVER TIGHTEN THE FIGURE ONTO THE BASE THIS CAUSES THE BOLT TO BE PULLED OUT FROM UNDERNEATH THE FIGURE

Please do not pick up and carry the trophy by the side figures.

The **CHAMPION** and **RUNNER-UP** trophy receive **three** of the bigger #1 figures.

The **THIRD PLACE** and **FOURTH PLACE** trophy receive **one** of the bigger #1 figures for the top. And the **two** smaller #2 figures are the side figures.

If you have any questions please call A & M Products, (815) 875-2667
