

How to upload your recording to YouTube (Mobile Device)

1. Go to the YouTube application on you cell phone. (Download it if you do not have it)
2. Login or create an account.
3. Scroll to the very top.
4. Select the icon that looks like a camera.
5. Choose “upload a video”.
6. Select the video from your device.
7. Name the video and mark from public to unlisted.
8. Hit next.
9. Mark no (first box) it is not made for kids.
10. Make sure it says (No, don't restrict my video to views over 18)
11. Hit upload.
12. Then the video will upload, and you can see the processing percentage.
13. Once it is done, select the video.
14. Hit share (located right under the video).
15. Select copy link.
16. Submit the link in the IHSA Sectional form.
