Dear Debate Coaches,

On behalf of the Illinois High School Association Board of Directors, the IHSA staff and member schools, it is my pleasure to welcome you to the IHSA state debate tournament. A special welcome is extended to all of the participants. All should be commended for the hard work, preparation and dedication which enable schools to achieve success in many levels at this tournament. I also want to specifically welcome the debate coaches who have trained and prepared so many students in anticipation of this weekend.

The State Committee providing leadership and expert advice for the administration of this tournament consists of:

State Final Manager

Lainee McGraw, Orland Park (Sandburg)
Assistant- Angelo Cavoto- Chicago (EPIC Academy)

Tab Room

Mike Coletti, Palos Hills (Stagg)

Policy

Tara Tate, Northbrook (Glenbrook North)
Robert Berry, Chicago (Northside)
Katie Cole, Flossmoor (Homewood-F.)
Dave Weston, Winnetka (New Trier)

Tim Waters, Rolling Meadows

Public Forum

Martin Zacharia, Palatine (Fremd)
Brian Voss, Libertyville

Members of the state final committee work tirelessly to assure that the experience at the state tournament is the best possible. The IHSA is very thankful for their willingness to serve in this capacity.

Please read this manual carefully as it will address most of your questions about the facilities and the tournament. If you have additional questions, you may certainly contact me, any member of the committee or UIS.

The IHSA believes that interscholastic activities enrich the educational experience. Regardless of the outcome of the tournament, we know what is gained by our member schools through this event is priceless. This tournament is an extension of the classroom and we look for our coaches to provide the leadership to make the experience great for all.

See you at State!

Sincerely,

Shaunda Brown

Directions from the Interstates to UIS Campus

From the north - using I-55:

Leave the interstate at the exit (#94) for Stevenson Drive. Turn right (west) at top of exit ramp, proceed through 2 traffic signals: at 3rd signal, turn left (south) into West Lake Shore Drive and continue to the edge of the UIS campus.

From the south - using I-55:

Leave the interstate at exit (#90) for Toronto Road. Turn right (east) at the top of exit ramp, proceed through small business area, over a rail crossing, past a Springfield Fire Dept. Station; follow the roadway as it curves left and passes CACC (Capital Area Career Center). Following CACC's campus, turn left (north) into the 11th St. extension road. Any of the next three right turns will lead you to the UIS campus.

OR: Alternative route: when Toronto Road curves left and passes CACC, keep going ahead to the traffic light at the intersection with Shepherd Road (at the entrance to the Lincoln Land Community College campus); turn left (north) and proceed a short distance to the south edge of the UIS campus.

From the east - using US 36/72:

At intersection with I-55, choose I-55 South, following it to Stevenson Drive exit (#94). Turn right (west) at top of exit ramp, proceed through 2 traffic signals; at 3rd signal, turn left (south) into West Lake Shore Drive and continue to the edge of the UIS campus.

From the west - using US 36/72:

Leave highway by exit ramp to 6th St. North, drive a short distance to a traffic light, turn right (east) onto Hazel Dell, which curves and becomes 11th Street. This goes over I-55 on a bridge, to a stoplight. If you make a left turn at the light, it is again Hazel Dell and can be followed to West Lake Shore Drive (traffic light, small school bldg.) where you turn right (south) and reach the north boundary of UIS campus. If you proceed straight ahead through the traffic light at 11th /Hazel Dell, you are on the 11th St. Extension. Follow roadway to a STOP sign, at intersection of 11th St. Extension and campus roadway called Ernest Hemingway Drive, where the University of Illinois at Springfield sign is (considered the main entrance to the campus); make a left turn into the boulevard roadway (Hemingway Drive). At the next STOP sign, you are at the edge of the UIS campus. If you proceed straight ahead - through 2 stop signs - you will approach the "teardrop" entrance to the PAC building.

Directions from Springfield to the UIS Campus

From the City of Springfield to north edge of the UIS Campus:

Proceed south on South 6th Street (or South 11th) to south edge of town at Stevenson Drive. Turn left (east) on Stevenson and continue for about 1 1/2 miles to intersection with West Lake Shore Drive. (CVS Drug Store and Taco Bell are landmarks to look for.) Turn right (south) on West Lake Shore Drive, continue straight across country, to the edge of the UIS campus.

Alternate route from east side of town, via South Grand Avenue:

Depending upon the direction of travel, turn left/right onto Taylor Ave., from South Grand, proceed south on Taylor to the intersection with Stevenson Drive (at that location, Taylor becomes West Lake Drive on the other side. Then continue as described above straight to edge of UIS campus.)

Alternate route from south edge of Springfield:

Proceed south on 6th Street, past the intersection with Stevenson Drive, and the intersection with St. Joseph St.. At next traffic light, turn left (east) onto Hazel Dell Rd. Follow it around curve (it becomes 11th St. there), over the I-55 bridge to next traffic light. Go straight ahead on 11th St. Extension (new road*); through a railroad crossing, to a 4-way stop sign. A UIS main entrance marker is under construction at that intersection. Turn left (east) onto Hemingway Drive (a boulevarded roadway), to next stop sign. Go straight ahead for PAC building and then to the right for Lincoln Residence Hall, and other student housing units, plus Kiwanis Stadium.

OR: Turn left for all other locations, following the curving roadway through our campus.

* = At this intersection, a choice is available. Driver may turn left on Hazel Dell as it goes east, toward intersection with West Lake Shore Drive. Then a turn right (south) at that traffic light and follow W. Lake Shore Drive to the edge of the UIS campus.
