Important Notes for Officials:

First date of renewal and licensing period for all officials in all sports is May 1 each year.

Last date of renewal and licensing period for all officials in all sports is June 30 each year.

Late renewal and licensing period for all officials in all sports is July 1 each year.

Last day to become a New/First time official: Fall Sports – 10/15; Winter Sports-1/15; Spring Sports-4/15.

Officials Applications and/or dues will not be accepted from 4/15-4/30 each year.

Officials will not receive mailings/reminders from the IHSA Office. All information will be posted in each Officials Center (Renewal/Paying dues, Exams, rules meetings). Only rule books will be mailed when the sport is eligible for rule book(s) prior to the respective sport season (see Officials Handbook).

You are responsible for checking your personal site on the IHSA Officials Center to keep you from missing important deadlines. It is suggested that a **weekly check** of your personal site will be beneficial to you to be kept up on any information that may pertain to you and your sport(s)/activities.

Officials must also keep their personal data updated through the IHSA Officials Center. If we need to send an email of any notifications, we must have your current email address for that communication. Also, if you need to have your password emailed to you, the email will go to the email address we have on file for you.

Please make yourself familiar with the IHSA Online Manual for Officials. There have been many changes for the Upcoming 2011-2012 School Term.

Please review the following calendar of specific dates. Any unforeseen date changes will be posted in the Officials Center, if needed.

Sincerely,

Craig Anderson
Assistant Executive Director
