

2022 Housing List					October 6-8, 2022
IHSA GOB					

The following properties have made rooms available for the 2022 IHSA Boys' Golf State Finals. This sheet lists the type of room and cost each property has made available. The sheet also includes the name of a specific contact that our office is encouraging your school to contact before coming to the state finals if you have any questions about a possible late check out on Friday, October 7th. Depending on when your school makes its reservations for the weekend, it's likely the person at the property who makes the reservation is NOT the main contact for the property, and that person will likely not have the authority to possibly make special arrangements for your school that the identified contact could. As a reminder, if you encounter ANY trouble securing room(s) for the weekend, you can contact Tracy Fulcher or Matt Hawkins at the B-N Area Convention and Visitors Bureau. Their number is 309.665.0033.
