Important Changes in Terms and Conditions

The IHSA Speech Advisory Committee met on April 15, 2015 at the IHSA Office, Bloomington. The report of the Committee was later submitted to the Board of Directors for its consideration.

Changes in the Terms and Conditions which were adopted by the Board are printed with screened background. Note them carefully!

Judge Selection Process

Individual Events:

Judges are recommended by the State Tournament Committee and appointed by the IHSA. Input as to potential hired judges can be made to the IHSA office.

Once a list of prospective judges is compiled, the committee meets and determines those individuals who are to be contacted as hired judges for the State Final. In addition, the committee prepares a list of ten to fifteen coaches for consideration in each of the events to provide guidance to the sub-committee which will contact coach judges upon completion of the Sectional contests.

Contact is made by the IHSA and IHSA representatives to persons selected as hired judges. On Sunday and Monday, following the completion of the Sectional, the judge assignment sub-committee contacts coaches

by telephone to complete the roster of judges for the State Final. Coach judges serve to provide multiple judges in each round of competition. The Committee makes every effort to select representative coaches from the various parts of the state. Effort is also made to avoid using an individual to judge the same event(s) in the State Finals as he/she may have judged in a Regional or Sectional.

Drama/Group Interpretation:

Judges are recommended by the State Tournament Committee and appointed by the IHSA Office. The Committee meets and provides the IHSA with a prioritized list of prospective judges. IHSA then contacts the recommended judges and confirms judge panels for the State Finals. The committee seeks to maintain a geographic distribution of judges and strives to secure judges who

represent various philosophies and who did not judge at the State Finals during the preceding year. Judges for the State Finals cannot judge at the Sectionals in the same event.

Debate:

Judges for the State Final Debate Tournament are reviewed by the State Tournament Committee. One member of the Committee is delegated the responsibility of assigning and contacting all judges. The process includes input from coaches and individual members of the Committee. Minimum standards for judge qualification are included in the Rules Book. At the State Final, a strike system is implemented to insure that judges are not assigned to objecting coaches' teams.

Background Information Regarding IHSA Administration of the State Speech Contest Series

IHSA State Speech Advisory Committee

In Speech, as in all other activities for which the Association conducts a state contest, IHSA appoints a committee of individuals to serve as advisors to the staff and Board of Directors. This Committee is comprised of seven (7) persons, each appointed for a three-year term. Five members are active coaches/directors—with at least one representing the special areas of Individual Events, Debate and Drama/Group Interpretation. The sixth is a principal of a member school. The seventh is an activities director of a member school. Representatives are selected by the Association in consultation with the leadership of the Illinois Speech and Theatre Association. In addition to requiring committee members to be active coaches with the recommendation of ISTA, geographic representation and school size are also considered so a balanced view of the overall state speech program can be maintained. A general effort is made to appoint no more than one individual from any given member school to any of the IHSA advisory committees in the same school year.

The IHSA Speech Advisory Committee meets annually to review the Association's state contest programs in speech and recommend changes to the Board of Directors. Input to the committee is obtained

through letters from participating schools, occasional surveys, meetings with coaches and/or directors at state final contests and suggestions offered by contest managers or coaches through meetings held at the various Regional and/or Sectional contest sites. Any individual who submits a suggestion to the IHSA Office in writing and requests it be considered by the contest advisory committee may be assured the matter will be brought before the committee at its annual meeting. If you call the IHSA Office with a complaint or suggestion relative to speech contest rules, you will be invited to submit your thought to the Advisory Committee in writing.

Tournament Committees

Regional and Sectional

Under the provisions of the Speech Contest Terms and Conditions, a Speech Tournament Committee is to be appointed at each Regional and Sectional contest.

Regional Tournament Committees for Individual Events and Sectional Tournament Committees for Drama/Group Interpretation, consisting of three (3) coaches from three (3) different schools assigned to the contest center, will be appointed by each contest manager. Individuals who would like to volunteer for committee appointment should call the manager and indicate willingness to serve.

The contest committees for Sectional contests in Individual Events are comprised of the managers of the subordinate Regional contests and the Sectional manager. Duties of these committees are generally described in the Terms and Conditions for each speech activity. However, the primary purpose of each committee is to provide guidance for the local contest manager in selection of judges and contest organization and to provide advice to the managers in resolving questions, conflicts and rules interpretation issues on contest day. It is essential that the committee be formed and meet prior to the selection/hiring of any judges. All committee members must have input into the judge selection process.

State Final

The IHSA Office appoints a State Final Contest Committee and Chairperson for each area of speech competition.

Terms and Conditions Changes for 2015-16

Board Approved Terms and Conditions Changes for Individual Events for 2015-16

Individual Events

Item III.E.

Recommendation: Registration for the State Series will be completed online using Speech Wire. Coaches will login using their Speech Wire password at www.speechwire.com. The registration deadline will be at noon on Monday, February 1, 2016. A paper copy of the registration materials should be brought to the meeting.

If a school does not complete registration on Speech Wire by the deadline, coaches and/or participants from the school are subject to penalties which could include, but not be limited to being ruled ineligible to compete in the State Series **and/or charged \$100.00**.

Rationale: Schools will no longer need to use the IHSA website for registration and a List of Participants is no longer required. This change will bring the online registration information up to date and will reflect the current registration process.

Item VI.F.

Recommendation: Following is a suggested time schedule for Regional and Sectional contests. Local managers, with the majority approval of their contest committees, may alter this schedule in the event the number of contestants entered does not require both Preliminary and Final Rounds in all events or if necessary to meet judging needs during the contest day. Local managers, with the majority approval of the contest committee, may seek approval of the IHSA administrator, to alter the start time of the schedule due to unique travel situations.

Rationale: Addresses additional circumstances that may require alterations in the schedule.

Item X1 D.

Recommendation:

2. In the Sectional contests:
a. In individual events, two (2) judges shall be used in each preliminary group and three (3) judges shall be used in the final round of each event.
b. For Performance in the Round, five (5) judges shall be used and the highest ranking and the lowest ranking shall be discarded for each performance and only the three (3) intermediate rankings for each shall be considered in determining its final standing.

3. In the State Final, three (3) judges shall be used in the preliminary rounds of each event. Five (5) judges, selected by the State Tournament Contest Committee, shall be used in the final round of each event, and the highest ranking and the lowest ranking shall be discarded for each performance and only the three (3) intermediate rankings for each shall be considered in determining its final standing.

Rationale: As there are approximately 12 performances at the Sectional level in Performance in the Round, changing to 5 judges at that level is a more equitable system and helps to eliminate outlying variances.

“Special Event” Performance in the Round 2.a.

Recommendation: The actual performance space shall be in a 16 foot diameter taped circular area. The width of the aisle should be no less than 30 inches. This may be in a classroom, study hall, cafeteria, gymnasium, or on a stage, etc. Except for music, all performance elements, including off stage dialogue, must be within the 16-foot circle.

Rationale: Clarifies the width of the aisle for consistency across sites.

“Special Event” Performance in the Round 2.f.

Recommendation: Add additional line “Live or electronic music/sound ...”
No performance elements including sound effects should occur in the aisles.

Rationale: Clarification on what can and cannot be performed outside of the circle, in the outer perimeter and aisles.

Dramatic/Humorous Duet Acting (DDA/HDA)

Recommendation: Use of Script, Props, and Visual Aids During Performance: A table, with four legs, approximately 30 inches by 48 inches and two chairs will be the only properties permitted. Managers should specify the dimensions of the tables to be used prior to the tournament. Performers are not allowed to stand on the tables and chairs at any time for liability reasons. A script may not be held. No lights, staging, costumes, makeup, sound effects, etc., will be permitted.

Rationale: Clarification on the size of table that should be provided.

Board Approved Terms and Conditions Changes for Drama/Group Interpretation for 2015-16

VIII.B.6.f.- Tournament Rules- Group Interpretation

Recommendation: Sound effects may be used, but music and or singing may be used only as background, to aid in transitions, or to establish mood. While a book from a musical may be used, the production’s musical numbers may not be used to establish characters or to advance the plot. The lyrics, however, may be incorporated as spoken dialogue.

Rationale: Clarification regarding the use of music and song during Group Interpretation is required, in order to avoid Group Interpretation from becoming musical productions.

Terms and Conditions Changes for 2015-16

VIII.B.6.g.- Tournament Rules- Group Interpretation

Recommendation: Participating schools will provide their own stools, chairs, boxes, platforms, ramps, risers and stairs only. These items may be placed on appropriate flooring. Ladders, posts, pillars, and walls are prohibited in Group Interpretation. Performers are not allowed to stand on chairs or stools. Performers may stand on safe boxes, platforms, ramps, risers and stairs. Group Interpretation sets should be universal, able to be used for any show. Explicit sets are prohibited; painting with specific designs is included in this definition. (For example, if the show being performed is about a man-eating plant, the set could not be painted with vines.) While set pieces may be moved to represent a new general location, they may not be arranged to suggest a specific location. (For example, boxes may not be piled on top of each, turned on their sides or held by actors to represent specific formations such as walls, columns, doorways or a specific large prop such as a desk.) Smaller pieces may not be used as hand-props.

Rationale: Clarification is needed to distinguish a set in Drama from a set in Group Interpretation.

VI. B. – Contest Committees

Recommendation: For the State Final, a Contest Committee composed of the State Final Committee Members, the six Sectional Managers, and additional members shall be appointed by the IHSA Office to assist the Host manager in the running of the State Final.

Rationale: Clarification of the composition of the State Final Contest Committee and what their roles are.

VIII.A.4.d– Tournament Rules- Dramatics

Recommendation: In Drama prior to the start of the performance the

director shall describe to the timers and a representative of the Contest Committee a precise moment of the initial cue and the final performance element. However, timing of the Drama production will begin with the first performance element and conclude with the final performance element. No element of production or performance, including any stage lighting, house lighting, or sound, may begin prior to the announcement of the play. Following the last element of production or performance, the stage shall go dark and actors shall exit. Projectors and computers or other electrical devices used must be completely dark before the start of the timing tool and shall be dark at the end in order for the timing tool to stop. No light or ghosting image should be seen before the timing tool starts, nor should it be visible after the timing tool has stopped.

Rationale: Clarification for the rule of darkness is needed due to increased use of equipment during performances.

Board Approved Terms and Conditions Changes for Debate for 2015-16

III.E.i.b

Delete “Congressional Debaters may double enter in either Lincoln-Douglas or Public Forum Debate.”

Rationale: This no longer applies.

III.E – On-Line List of Participants

IHSA will utilize Joy of Tournaments for our online registration. The Joy of Tournaments website is www.joyoftournaments.com. Each school must complete their online registration on Joy of Tournaments by the deadline date of March 2, 2016. If a school does not submit their registration on Joy of Tournaments by the deadline, coaches and/or participants from the school are subject to penalties which could include, but not be limited to being

ruled ineligible to compete in the State Series **and/or charged \$100.00. Confirmation of receipt will be found on Joy of Tournaments.** If you have any questions about your registration, contact the Tournament Manager to verify your registration.”

Rationale: This change will bring the online registration information up to date and will reflect the current registration process.

VIII.B.4.e Tournament Rules Lincoln-Douglas Debate

Delete: “If charts are used...” –

Rationale: This change reflects current practices. Charts are not currently utilized.

VIII.B.4. Tournament Rules Lincoln-Douglas Debate

Change f to e and add wording:

Observers, (including coaches with students in the round) are permitted to attend any debates. Electronic (audio and/or video) recording of the debates shall be prohibited without prior consent of the IHSA. Scouting is not allowed.

Rationale: Coaches go into specific rounds to flow cases so that they can prepare arguments for their teams, who may be competing against those particular debaters in a later round. Schools also send their team members to watch rounds while they are still competing in the contest. Not all teams have the same opportunities to send individuals into rounds to watch potential competitors. Allowing scouting is inequitable to schools that field smaller teams.

VIII.B.4 Tournament Rules Lincoln-Douglas Debate

New f: Competitors are not allowed to attend debates while they are still competing.

Terms and Conditions Changes for 2015-16

Rationale: Allowing scouting is inequitable to schools that field smaller teams.

VIII.B.5. Tournament Rules Lincoln-Douglas Debate

It will be attempted to allow every debater to debate each side of the question at least two times in the preliminary rounds. In the elimination rounds, sides will be determined by a flip of a coin unless they have met previously. In such cases the debaters will switch sides.

Rationale: There are five rounds of debate not six. Debating at least two times during the preliminary rounds is adequate and allows for a timely flow of the tournament schedule. This change reflects current practices.

VIII.B.6.b. Tournament Rules Lincoln-Douglas Debate – Judging

All individuals used to fulfill a school's judging requirements must have graduated from high school over one year prior to the date of competition and meet one of the following criteria:

- a. Debated at least five tournaments at the Varsity level in the entered division.
- b. Judged at least 10 Varsity rounds in Illinois in the entered division.

In general, judges should be specifically trained for the division they are judging in and are expected to take careful "flows"/notes of arguments made throughout the debate.

Schools that are unable to meet the judging requirements can hire a qualified judge through the IHSA Tournament Director. Coaches are responsible for verifying that their judges meet the criteria.

Rationale: Clarifies the qualification for State Final judges and the procedures for schools to follow in order to secure qualified judges.

VIII.D.4.g. Tournament Rules Public Forum Debate – Observers

a. Observers, (including coaches with students in the round) are permitted to attend any debates. Electronic (audio and/or video) recording of the debates shall be prohibited without prior consent of the IHSA. Scouting is not allowed.

b. Competitors are not allowed to attend debates while they are still competing.

Rationale: Coaches go into specific rounds to flow cases so that they can prepare arguments for their teams, who may be competing against those particular debaters in a later round. Schools also send their team members to watch rounds while they are still competing in the contest. Not all teams have the same opportunities to send individuals into rounds to watch potential competitors. Allowing scouting is inequitable to schools that field smaller teams.

VIII.D.8.c. Tournament Rules Public Forum Debate – Judging

Schools, which fail to provide the required number of judges in accordance with their entries, shall be subject to disqualification of (1) Public Forum team per missing judge. Judges must not be affiliated with the teams they are judging. All individuals used to fulfill a school's judging requirements must have graduated from high school over one year prior to the date of competition and meet one of the following criteria:

- a. Debated at least five tournaments at the Varsity level in the entered division.
- b. Judged at least 10 Varsity rounds in Illinois in the entered division.

In general, judges should be specifically trained for the division they are judging in and are expected to take careful "flows"/notes of arguments made throughout the debate.

Schools that are unable to meet the judging requirements can hire a qualified judge through the IHSA Tournament Director. Coaches are responsible for verifying that their judges meet the criteria. Schools whose judges miss individual rounds shall be assessed a \$30.00 fee per round missed.

Rationale: Clarifies the qualification for State Final judges and the procedures for schools to follow in order to secure qualified judges.

In each contest in which a school is represented, the principal shall have present an adult, preferably a member of the faculty, who shall supervise and be responsible for the conduct of the participants and other persons

- b. to interpret the rules when necessary; and
- c. to serve as a panel to select contest judges.

All Committee members must be consulted about potential judges prior to the selection/hiring of any person(s). Written consensus of the Committee shall be required for each judge employed and shall be obtained by the contest manger prior to contracting the judge.

Contest Committees shall not have authority to screen or edit radio scripts, extemp topics or impromptu topics. These materials must be used as provided by the IHSA Office. *Any direction to update extemp topics must come solely from the IHSA office.*

A Contest Committee composed of six sectional managers, six at-large representatives (one from each sectional), and a representative of the Speech Advisory Committee will be appointed by the IHSA Office to assist the State Final manager.

5. Authority of Contest Managers and Contest Committee:

a. Regional and Sectional Contests

The Contest manager shall be authorized to conduct the contest under the provisions of these Terms and Conditions. If a situation develops in which there is an apparent unfairness to a contestant, and which is determined to be the result of an administrative or judge's error, the manager shall consult with his Contest Committee and determine the manner in which the situation shall be resolved. However, managers shall not have the authority to advance students affected by any unfairness to the succeeding contest. Resolution of such matters must be within the framework of each individual contest. In addition, the manager shall be responsible to resolve questions of rules interpretation, to arbitrate disputes and to apply penalties for violations of contest rules. In all cases, the manager shall consult with the Contest Committee prior to making a decision in any such matter. Decisions of the Contest Manager in all cases herein described shall be final.

The authority and responsibility of the contest manager and his/her contest committee shall end when results are announced at the contest awards assembly. Any question relative to contest rules or any aspect of the contest which arises following the announcement of results shall be referred directly by the principal of the school involved to the IHSA Office. The IHSA Office will give consideration to questions relative to administrative and/or clerical matters only, and will do so only through the end of the first Monday following the completion of the contest involved. In compliance with IHSA By-law 6.033, protests or challenges relative to

the decision of any judge will not be considered.

b. State Final Contest.

The State Final Committee shall be authorized to conduct the contest under the provisions of these Terms and Conditions. If a situation develops in which there is an apparent unfairness to a contestant, and which is determined to be the result of an administrative or judge's error, the Committee shall determine the manner in which the situation shall be resolved.

In addition, the Committee shall be responsible to resolve questions of rules interpretation, to arbitrate disputes and to recommend applied penalties for violations of contest rules. Decisions of the Contest Committee Chairperson in all cases herein described shall be final.

C. Approval of Material

1. Material which is inappropriate for public performance by high school students will not be tolerated. The principal is required to see and approve both the selection and performance of all material, including substitute material, to be used by contestants from the member school in the contest series.

2. IHSA By-law 6.010 will be applied in the event contestants utilize material which, upon investigation by the IHSA Executive Director, is determined to be inappropriate. By-law 6.010 states:

Any violation of the Constitution and/or By-laws, Terms and Conditions, IHSA Policies and Guidelines, and/or other rules of the Association, shall be reported to the Executive Director, who shall have authority to investigate all alleged violations. The findings of the investigation shall be made known to the school (or schools), person (or persons), alleged to have committed the violation. The Executive Director shall then have full authority to invoke penalties against such school or persons found to have committed violations. Penalties shall include, but not be limited to, written warning or reprimand, requisite affirmation corrective action... up to and including suspension and/or expulsion. Failure to take the corrective action required by any penalty shall be the basis for further action up to and including suspension and/or expulsion.

Note that these provisions include possible penalties against the school or individual persons found to have committed violations. This means that competitors, coaches, directors, and/or principals may be penalized directly for the use of inappropriate material in the IHSA Speech Contests.

A performance (language or action) which is a literal, symbolic or colloquial expression describing or naming anything which is profane and/or vulgar, whether or not suited to a specific character being portrayed, IS ALWAYS CONSIDERED INAPPROPRIATE!

D. Royalties

The Association assumes no responsibility for the payment of royalties or other fees connected with the performance of any material in the Individual Events contest series.

E. Sectional and State Final:

The Report of Winners will be completed by the Regional and Sectional Managers and shall be the official entry form for these contests. Entry fees for qualifiers shall be paid upon arrival at the Sectional and State Final sites. Qualifiers for whom fees are not paid as prescribed shall not be permitted to participate.

F. Regional/Sectional Time Schedule

Following is a suggested time schedule for Regional and Sectional contests. H. Performance Order

1. Regional: The order of appearance of competitors shall be established by the IHSA in conjunction with the local contest manager in consultation with the contest committee, and under the following stipulations:

a. The assignment of competitors to Preliminary Round I and their order of performance shall be established randomly except when adjustments are necessary to permit students to participate in two events and to separate identical selections. Assignment of contestants and speaking order for Preliminary Round II shall also be random with the further limitation that no more than one-half the contestants may be drawn to compete against the same contestants they competed against in Preliminary Round I.

b. Order of performance for all Final Rounds shall be established by the contest manager randomly. With the advice of the contest committee, the contest manager may alter the drawn schedule for those students who have conflicting double entries

or if necessary to separate identical selections.

c. Students shall participate in two preliminary rounds of competition if there are eight (8) or more contestants entered in an event. In such cases, the competitors shall be divided into two groups randomly by the contest manager. Groups may be revised randomly by the contest manager for each preliminary round. The top six (6) contestants, plus ties, after two Preliminary Rounds, will be advanced to the finals.

d. In the event there are seven (7) or fewer contestants competing in an event, only a final round will be conducted. In such cases, team points will be awarded only to the top six (6) ranked performers.

e. Contest managers shall post ALL PRELIMINARY ROUND RESULTS in a designated area so that COACHES ONLY may check cumulative judging tallies prior to the public posting of the contestants advancing to the final round. Managers shall also post all performers' times in the coaches' lounge immediately following each round of competition.

2. Sectional: Performance order in each event shall be made by the IHSA Office.

ALL EVENTS: Speaking order for the final round of competition shall be established randomly conducted following the completion of the second preliminary round by the contest manager and the contest committee. With review of the contest committee, the contest manager may adjust the schedule for those students who have conflicting double entries or if necessary to separate identical selections.

3. State Final: Performance order in each event shall be made by the IHSA Office.

I. Programs:

Identification of Competing Schools: Every school will be identified in the Regional, Sectional and State Final program under the Competitor Roster. Each performer will be identified in the program under their event by their first and last name and material title if applicable.

VII. ADVANCEMENT OF WINNERS

A. The winners of first, second, third and fourth places in each Individual Event shall be advanced from Regional to Sectional. Winners of first, second and third places in each Individual Event shall be advanced from Sectional to the State Final.

B. In the event there is a tie for a place which qualifies for advancement, all tied contestants shall be advanced. (For example: if in the Regional Contest, two contestants are tied for 2nd place, the tie involves the 2nd and 3rd places. The next place awarded shall be

4th place and four (4) contestants would advance. However, if there is a two-way tie for fourth place, then five (5) contestants 1st, 2nd, 3rd, and the two tied for 4th would advance.)

C. Substitution of selections by an advancing Individual Event contestant may be made prior to any contest, provided the material is approved by the school's principal and the manager of the contest is notified at least three (3) days prior to the contest.

D. Determination of Winners:

1. Tabulation procedure: Following the completion of each preliminary and final round, ballots and critique forms from each judge shall be returned to contest headquarters. Contest managers shall cross check ballot cards with critique forms to insure the accuracy of rankings and identify to whom rankings are assigned. In the event any error or other question is identified, the judge(s) involved shall be contacted immediately to resolve the matter.

To insure equality in ranking between different sections of an event, in no case, except for overtime penalties, shall a contestant rank lower than the smallest number in any section of the event for the round. In other words, if Section A has 5 contestants and Section B has 6 contestants, personnel in the Tab Room should record any rank of 6 given by any judge as a rank of 5, since that is the smallest number of contestants in any section of the event for the round. This is to be done exclusively in the Tab Room. Judges are to traditionally rank all contestants and any adjustment of ranks under this provision are to be made by the Tab Room personnel.

2. Advancement from Preliminaries to Finals: Following completion of both preliminary rounds of competition at the Regional and Sectional contests, the ranks received from both (at the Regionals), or all four (at the Sectionals) preliminary round judges by each contestant shall be tallied. The six (6) contestants with the lowest cumulative totals of preliminary round rankings shall be advanced to the finals. In the event of a tie for the last qualifying position, all tied contestants shall also advance to the finals.

At the State Final, following completion of the preliminary rounds, the six (6) rankings received by each contestant shall be reviewed. The highest and lowest rankings for each contestant shall be discarded and the intermediate four rankings tallied. The six (6) contestants with the lowest cumulative totals of the intermediate rankings shall be advanced to the finals in each event. In the event of a tie for the last qualifying position, all tied contestants shall also advance to the finals.

3. Individual winners:

a. Regional and Sectional:

After the final round for each event, the three Judges' rankings shall be tabulated and a summation made of the rankings received by each finalist. The entry whose total of rankings is lowest is the winner; the entry with the second lowest total is second, etc.

b. State Final: With five judges being used, the highest and lowest rankings for each contestant shall not be considered in determining final standing. The contestant with the lowest total of intermediate rankings is the winner; the contestant with the second lowest total is second, etc.

4. Resolution of Ties:

a. Ties affecting Advancement from Preliminaries to Finals: At all contests (Regional, Sectional and State Final) contestants tied for the last position which qualifies for advancement from preliminaries to finals shall be advanced without the tie being broken.

b. Ties Affecting Awards and/or Team Scoring: At Regional and Sectional contests, ties for places for which awards are presented shall be broken by separating the tied competitors from all other contestants and assigning them relative rankings on the basis of judges' decisions, as though they were the only competitors. The contestant whose total of relative rankings is lowest is the winner. If there is still a tie, duplicate awards will be provided and the team points for the tied places will be added and equally divided among the teams of the tied contestants. At the State Final Contest, the tied competitors shall be separated from all other competitors and assigned relative rankings. If there is still a tie, then the ranks assigned by all five (5) judges will be considered, and the contestant with the lowest total of five rankings will be declared the winner.

Example: Three (3) contestants tied for fourth place at the Regional. The tie is unbreakable, so the points for fourth, fifth and sixth places (3, 2 and 1 respectively,) are added and divided by three. Each school is then awarded two (2) points for its contestant's finish.

5. School winners: Points shall be awarded on the basis of the following scale for each Individual Event: 1st 6 points; 2nd 5 points, 3rd 4 points; 4th 3 points; 5th 2 points; 6th and all other finalists 1 point. This point scale shall be followed at all contests, except as specified in Art. VI-G-1-d.

VIII. TOURNAMENT RULES

A. Material:

1. Material which is inappropriate for public performance by high school students will not be tolerated. The principal is

required to see and approve both the selection and performance of all material including substitute material, to be used by contestants from the member school in the contest series.

2. IHSA By-law 6.010 will be applied in the event contestants utilize material which, upon investigation by the Executive Director, is determined to be inappropriate. By-law 6.010 states:

Any violation of the Constitution and/or By-laws, Terms and Conditions, IHSA Policies and Guidelines, and/or other rules of the Association, shall be reported to the Executive Director, who shall have authority to investigate all alleged violations. The findings of the investigation shall be made known to the school (or schools), person (or persons), alleged to have committed the violation. The Executive Director shall then have full authority to invoke penalties against such school or persons found to have committed violations. Penalties shall include, but not be limited to, written warning or reprimand, requisite affirmation, and corrective action up to and including suspension and/or expulsion. Failure to take the corrective action required by any penalty shall be the basis for further action up to and including suspension and/or expulsion.

Note that these provisions include possible penalties against the school or individual persons found to have committed violations. This means that competitors, coaches, directors, and/or principals may be penalized directly for the use of inappropriate material in the IHSA Speech Contests.

A performance (language or action) which is a literal, symbolic or colloquial expression describing or naming anything which is profane and/or vulgar, whether or not suited to a specific character being portrayed, IS ALWAYS CONSIDERED INAPPROPRIATE!

3. Not more than 150 words of any Oration, Informative Speaking, Original Comedy or Special Occasion Speech may be direct quotation.

4. In Oratory, Informative Speaking, Original Comedy and Special Occasion Speaking, the content, style and thought of the selection must be solely the product of the contestant.

5. The Internet may be used as a source for printed published material as long as the following provisions are met:

a. It must be copyrighted and available to all (equal access).

b. It must NOT have been posted solely for a student's use in competitive speech activities.

c. It may NOT be transcribed from an audio or video source; it must be available in its original written form.

d. In addition, it is recommended that all internet sites be evaluated for authenticity.

6. If a school is entering Impromptu, a coach may submit a list of suggested topics in each category (Quotations, Proverbs, and Phrases). Please send your topics to the IHSA office no later than November 1, 2014. Earlier topics will be accepted.

B. Material Verification:

At each of the IHSA tournaments, the original published source of any selection used, along with a complete script of the cutting to be performed in all interpretive events: Dramatic Duet Acting, Dramatic Interpretation, Humorous Duet Acting, Humorous Interpretation, Prose and Poetry Reading, must all be available within a reasonable amount of time as determined by the contest manager. Failure to produce such materials shall result in the disqualification of the contestant from the contest in that event. If the contestant has been ranked in the round where the violation is discovered, the ranking will be changed to DQ and the ranks of the other contestants in that round will be adjusted as necessary.

C. Properties:

A property shall be defined as any item, except a manuscript, including the contestant's apparel and accessories, which is used for effect during the presentation.

D. Royalties:

The Association assumes no responsibilities for the payment of royalties or other fees connected with the performance of any material in the Speech Contest Series.

E. Timekeeping

1. Time will be kept at all contests for all events. Contest managers will arrange to have two (2) timers in every round for all events in all contests. To accommodate this requirement, managers are authorized to give timekeeping assignments as needed to participating schools. Timers will be seated out of the judges/spectators' sight but in full view of the performers. Timing devices other than those used by the appointed timekeepers are unofficial.

2. In all events except Impromptu, Extemporaneous Speaking, and Radio Speaking, when a timer's watch is read to determine time, a reading of 8:30.00 or less, will not be considered a time violation. If a watch reads 8:30.01 or greater on a digital watch or is a tic past 8:30 on a sweep-hand watch, the time will be considered to be 8:31. If both timers confirm the overtime, penalties will be assessed. In Impromptu, Extemporaneous Speaking, and Radio Speaking the same time concept applies per their specific time limitations.

3. In all events except Radio Speaking, both timers designated by the manager shall raise their hands above their heads upon expiration of the allotted time, to let the performer know the time limit has been reached. Both timers shall keep the hands raised above their heads until the performer concludes. When the speaker concludes his/her presentation, both timers shall record the total elapsed time shown on their individual watches on an official time sheet. Times shall not be announced to competitors, judges or audiences, except in Radio Speaking. Judges shall be instructed not to take time into consideration in their rankings. The timers must deliver their time sheets to the contest headquarters at the conclusion of each Section. All penalties for time violations shall be assessed by the contest management. Timers must use stopwatches.

4. Penalties for Violation

a. Regional, Sectional and State Final Prelims: For each full thirty (30) seconds of overtime, as defined in 2. above, the contestant's ranking from each judge shall be lowered by one (1) place. This reduction in ranking shall be mandatory and shall be administered by the contest management. This rule supercedes Article VII-D-1. Thus a contestants ranking may exceed the least number of contestants in a round of that event. For example: Contestant A is ranked 2, 3, 1 by three judges, but is overtime by forty-five (45) seconds. Contestant B is ranked 3,1, 2 and Contestant C is ranked 1, 4, 3. The manager shall then adjust the rankings for contestant A to 3, 4, 2 before the tabulation of rankings is made. No change is made in the rankings of Contestant B or Contestant C.

Thus final results become:

A-3, 4, 2 = 9

B-3, 1, 2 = 6

C-1, 4, 3 = 8

b. State Final Rounds: In the final rounds of the State Final Contest only, no penalty for time violations will be assessed in any event except Radio Speaking, until one (1) minute beyond the specified time limit. For example, if the time limit is eight (8) minutes, no penalty will be assessed until the speaker has exceeded nine (9) minutes as verified by two (2) stopwatches.

5. In Extemporaneous Speaking and Impromptu Speaking, time cards shall be used to inform the speakers of the amount of time remaining. These cards should be visible to the speaker at all times.

a. In Radio and Extemporaneous Speaking, the prep room monitor will inform speakers of the allowable prep time and dismiss the speakers accordingly. In Impromptu Speaking, the timer will give the speaker oral prep time signals in thirty (30) second intervals in the competition room. At two (2) minutes the prep time ends and the

Impromptu timer will direct the competing student to begin their speech.

6. In Radio Speaking, the timers shall be seated in such a way that they are visible to the speaker. Timers shall use stopwatches which will be the only official timing devices. If possible, the local management should provide a wall clock with a sweep second hand placed within view of the contestants. Contestants may also use their own timing devices. One of the timekeepers shall use time cards to notify the speaker when the following time remains: two (2) minutes, one (1) minute, thirty (30) seconds and fifteen (15) seconds. Thereafter, he will notify the speaker by means of upraised fingers, when ten (10) seconds are left, and finally, when only five (5) seconds remain in the five (5) minutes time limit. After each presentation, the timers shall inform the judges of the exact time of the performance; and after the final presentation, the timers shall each deliver cards to the contest management showing the exact time consumed by each speaker. For Radio Speaking, if both timers show a violation of the time limit, the contestant shall be ranked last in that round by the contest management.

NOTE: The term "ranked last" shall mean given a rank on each individual judge's ballot equal to the number representing the number of contestants in the round. In other words, if there are six (6) contestants in the round, 'ranked last' means being given the rank of six (6) on each judge's ballot. Other contestants in the round who do not violate the time limits will have their ranks from each judge adjusted upward as appropriate.

F. Special Rules and Limitations:

1. These Terms and Conditions have been established under the authority of Article 1.450 of the IHSA Constitution. Violation is subject to penalty by the IHSA Board of Directors under the provisions of IHSA By-laws and any special provisions contained herein.

2. Protests and challenges of a performance's compliance with the rules may be filed in writing with the contest manager by any coach or judge. Other persons wishing to file such a protest or challenge, shall do so through a coach or judge at the contest.

3. General Penalty for Violations by Contestants: Unless otherwise specified in the rules, the penalty for rules violations in any round of competition throughout the entire contest series shall be that the contestant's ranking in the round where the violation occurs be changed to last (see VII-D) and the ranks of other contestants will be adjusted as necessary.

For example: In Preliminary Round II of Humorous Duet Acting, a student from Duet A stands on the table during the duet's performance. The penalty is that the duet is to be ranked last in the round. Thus, the final

results for Preliminary Round II will be adjusted as follows:

Duet A was 2nd becomes 6th

Duet B was 1st remains 1st

Duet C was 3rd becomes 2nd

Duet D was 5th becomes 4th

Duet E was 6th becomes 5th

Duet F was 4th becomes 3rd

4. The penalty for accessing the internet or using a contraband device for Extemporaneous Speaking will be disqualification from the tournament.

5. Tardiness, Absence, Performance Out of Order: Contestants must be present when called upon in accordance with the schedule prepared by the contest manager and printed in the program. In the event a contestant cannot, for any reason, comply with the printed schedule, he must personally consult the contest manager to be excused. Only if the manager or a member of the contest committee gives the student written permission may any contestant perform out of the order printed in the program. Contestants failing to comply with the printed schedule without written excuse shall be disqualified.

6. Manuscripts: For all Individual Events except Radio Speaking, Extemporaneous and Impromptu Speaking, coaches must be able to produce in a reasonable amount of time, as determined by the contest management, a typed manuscript or copy of selections to be performed by their students for presentation to the contest manager if requested. Manuscripts must contain identification of sources of quotes. The actual source of non-original cuttings should also be identified on the manuscript. Failure to produce such copy shall result in disqualification of the contestant from the contest.

7. Failure to Present Original Selections:

a. Quoted Material: If it is discovered that a contestant has included more than 150 words of direct quotation in his selection, he/she shall be disqualified. In the event of late discovery of a violation of this rule, procedure as outlined in Art. VIII-E-8 below shall be followed.

b. Originality of Material: In all cases where originality of material is questioned, the local contest committee shall be responsible for examining the material and ruling on its eligibility. If a judge suspects that a speech is not original, he should so inform the contest committee and the committee will investigate.

8. Use of Inappropriate Material: If, in the opinion of any contest judge, material which is performed for his/her adjudication is inappropriate for public performance by a high school student, he/she may rank the performance down. If, in the opinion of a majority of the judges, a performance is persistently inappropriate or is flagrantly

profane or vulgar, the judges may stop the performance and disqualify the contestant or group from the contest. In either case, judges shall explain their opinions and actions in written critiques, and the judge/contest manager shall forward a copy of the critiques to the IHSA Office. Contest officials shall submit a Special Report to the IHSA. In addition, any report of the use of inappropriate material shall be investigated by the IHSA Executive Director, who shall investigate the allegation and take action if warranted under the provision of IHSA By-law 6.010 and the procedures stated in Art. VI-C and VIII-A of these Terms and Conditions.

9. Late Discovery of Violations: If a violation is not discovered until after the close of the contest in which the violation occurred, the following procedure shall be followed:

a. The contestant, group or school shall be disqualified and advancement to the next succeeding contest shall be denied if the violation is reported to the IHSA Office prior to the next contest. If the violation is not reported until after the next contest, no action shall be taken and the matter shall be considered closed.

b. The rankings of the other contestants in the event shall be revised upward.

c. If the violation is reported to the IHSA Office prior to the next succeeding contest, the winners shall be advanced on the basis of the revised rankings.

d. If the disqualified individual, group or school has won any awards, such awards shall be returned to the IHSA Office. An attempt will then be made to redistribute these awards on the basis of the revised rankings mentioned above.

10. Alternate Qualifier Advancement

a. In the event a qualified student is, for any reason, unable to advance to the succeeding contest, and provided the IHSA Office is notified by the principal of the qualifier's school at least one day prior to the succeeding contest, the highest-placing contestant from the qualifier's last qualifying contest in the same event that has not yet been offered the opportunity to advance shall be designated as the alternate(s), their coach shall be notified, and they shall be permitted to advance.

b. Any alternate qualifier(s) shall be treated from that point forward as qualified contestants, and if they are, for any reason, unable to advance to the succeeding contest, the process shall be repeated with the next highest-placing contestant until an alternate qualifier who is able to advance is found, all contestants at the qualifier's last qualifying contest have been offered the chance to advance, or it is now less than one day before the succeeding contest.

c. If a contestant is involved in a tie in a final round that was broken by judges' preference for the purposes of

sweepstakes tabulation would become an alternate qualifier, all other contestants involved in the tie that was broken by judges' preference must also be treated as alternate qualifiers.

d. The IHSA Office may, at its discretion, permit alternate qualifier advancement less than one day prior to the succeeding contest, but there is no requirement to do so.

e. In any situation where the student that is unable to advance would have advanced in a position other than the last qualifying place, the places of qualifying student who placed below them but who will advance to the succeeding contest will be adjusted up one place for the purposes of scheduling the succeeding contest so that no places are skipped.

IX. TOURNAMENT POLICIES

A. Damage to Property or Equipment

C. Tobacco/Liquid Nicotine Products:

State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, tobacco/liquid nicotine free zones on the date or dates of any IHSA event being held at the site.

State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, alcohol free zones on the date or dates of any IHSA event being held at the site. Violation of this policy by an event host will subject the host to a penalty for violation of IHSA By-law 2.020. Such penalty may include but not necessarily be limited to prohibition against subsequent event hosting assignments. Violation of this policy by a non-hosting member school will subject the school to penalty for violation of IHSA By-law 2.020. Patrons of any IHSA state series contest determined to be in violation of this policy will be removed from the premise, and law enforcement officials will be called as warranted.

F. Special Report Forms and SAWA Reports

Special report forms have been developed to facilitate schools reporting any matter concerning high school programs that merit the attention of the high school principal. These forms can be used for reporting any incidents or problems with a competitor, coach, director or spectator. The forms may also be used to report errors in applying rules or any phase of judging in which a judge

Students can retrieve extemporaneous files to read, but cannot write speeches or organize their thoughts on the computers. **This rule in no way prevents students from still utilizing traditional paper copy files to enable the competitor to successfully compete in Extemporaneous Speaking. The IHSA takes no position on which form of file storage is preferable for use by any given student.**
- i. Electronic retrieval devices are defined as laptop computers, netbooks, iPads, or other portable electronic retrieval equipment. Secondary devices such as flash drives or external hard drives are allowed as well. **Cell phones or smart phones are prohibited from being used while preparing or before speaking.**

2015-2016 PERFORMANCE IN THE ROUND

IHSA Speech Contest “Special Event”

The purpose of Performance in the Round is to provide students with opportunities for expanded performance at the Individual Events State Series.

THE RULES FOR PERFORMANCE IN THE ROUND:

1. DEFINITION OF THE EVENT:

Performance in the Round will involve three or more students performing original or scripted literature. Performance may be humorous or dramatic in nature and will be staged in the round with the audience in an arena arrangement and the performance space in the center of the area. (The audience will be placed around the performance space at an appropriate distance as allowed by the performance area from the circle allowing for adequate movement.)

2. SPECIFIC RULES & GUIDELINES:

a. The actual performance space shall be in a 16 foot diameter taped circular area. The width of the aisle should be no less than 30 inches. This may be in a classroom, study hall, cafeteria, gymnasium, or on a stage, etc. Except for music, all performance elements, including off stage dialogue, must be within the 16-foot circle.

b. No auxiliary/supplemental lighting cues shall be used. Facility lighting will remain on at all times.

c. No scenery may be used.

d. Performance groups may only use 10 standard chairs (not folding ones) and 2 tables which will be provided by the host school. The tables should be standard; it is suggested that the table be approximately 30” x 40”. Schools will not be allowed to bring additional tables, chairs, stools, set pieces, etc.

e. Only personal hand props and costumes may be used. Footwear must be worn.

f. Live or electronic music/sound may be used. If used, music should enhance the performance, not dominate the performance. Character or characters performing solo or ensemble singing initiated

within the performance circle must resolve itself upon leaving the circle. Solo or ensemble singing initiated while outside of the circle should support contextual mood and not represent a specific character or characters intensions and must resolve itself

upon entering the performance circle. No performance elements including sound effects should occur in the aisles.

g. Only IHSA eligible students are permitted to operate any technical equipment during the performances. Violation of this rule will result in disqualification.

h. After the physical set-up, the circle is cleared. The actual performance begins as soon as the title of the performance, author, and name of the school performing is announced. Timers shall start the clock with the first identified audio and or visual element inside or outside of the performance circle.

i. Performers may enter and leave the performance space aisles as dictated by the director and/or script.

j. Entrance and exit for Regional, Sectional, and State Final: See Illustration.

Judges seating positions must be approved by the committee the day of the performance.

Judges need to be positioned an equal distance apart from one another around the circle, as reasonably possible. Avoid sitting judges directly beside aisle.

k. Performers are not allowed to stand on tables and chairs at any time for liability reasons.

l. General Penalty for Violations by Contestants: Unless otherwise specified in the rules, the penalty for rules violations in any round of competition throughout the entire contest series shall be that the contestant's ranking in the round where the violation occurs be changed to last and the ranks of other contestants will be adjusted as necessary.

3. STANDARDS FOR EXCELLENCE:

a. The material should provide an opportunity for the performers to develop an understandable sequence, with coherence and clarity.

b. The movement should flow naturally from the performers, giving proper focus to action and reaction. The performance should use space effectively to provide for optimum visual effects.

4. MATERIAL: Material performed in Performance in the Round may include original or published materials. Excerpts, full length works, adaptations, and compilations are permissible. Material must conform to the IHSA rules for appropriateness (See Article VIII-A of the IHSA Speech Rules Book).

5. TIME LIMIT: Performances shall not exceed 15 minutes in length from the initial performance element to the final performance element.

a. The director/student of each PIR shall describe to the timers prior to the start of

the performance, the precise moments of the initial cue and final performance element. Timers shall use these suggestions as guidelines to start and stop the watches. However, timing the performance will begin with the first performance element and conclude with the final performance element.

b. Two timers shall keep time and follow the same procedures as are used in the regular Individual Events. (See Article VIII-D of the IHSA Speech Rules Book.)

c. In addition to the actual performance time, each group performing will have an additional 30 seconds to “set up” and an additional 30 seconds to “take down” their materials.

d. The time limit for a PIR performance is fifteen (15) minutes. When a timer's watch is read to determine time, a reading of 15:30.00 or less will not be considered a time violation. If a watch reads 15:30.01 or greater on a digital watch, or is a tic past 15:30 on a sweep-hand watch, the time will be considered to be 15:30.01. If both timers watches confirm that a performance ran more than 15:30.01 minutes from the initial cue to the final performance element, the performance shall be penalized one (1) rank per judge for each full thirty (30) seconds of overtime.

6. ENTRY LIMIT: A school may only have one entry for Performance in the Round at the Regional Contest. Individuals entered in Performance in the Round may NOT be entered in any other event at the same tournament. Substitutions and changes in entries are permitted with the following limitations:

a. After the Regional Entry meeting, changes with any original entries may be made by notifying the IHSA office and the contest manager in writing.

b. Substitutions and/or additions for personnel may be made provided the IHSA office and the local contest manager are notified in writing at least one (1) day prior to the contest. Exceptions may be permitted only in cases of illness or other extenuating circumstances and provided the principal attests in writing that the substitute is eligible. Note: A student who competed in the Regional/Sectional Individual Events contest and does not advance in an individual event at any level cannot be substituted/added to a PIR cast. The penalty will be disqualification of a school if they violate this rule.

7. JUDGING: Each Performance in the Round will perform only once, and a panel of three judges shall be used to determine the winners.

a. At the Regional & Sectional Tournaments, the three judges' rankings shall

be tabulated and a summation made of the rankings. The entry whose total of rankings is lowest is the winner; the entry with the second lowest total is second, etc.

b. The top four finishers in each Regional shall advance to the Sectional. The top three in each Sectional shall advance to the State Tournament.

c. At the State Tournament, the 18 qualifiers from the six Sectionals will be divided into two sections of nine performances each. Entries in each section will perform once and be ranked by a panel of three judges. The three performances in each section with the lowest cumulative rankings will advance to the finals along with any performance whose total of rankings is lower than the total of rankings for the third place performance in the opposite preliminary group. The final round will be conducted during the Saturday morning of the State Tournament. The finals will be judged by a panel of five judges; each judge will rank the performances first through 6th (no ties). The high and low rankings will

be discarded, and the remaining ranks will be added. The performance group with the lowest cumulative rankings is first; second lowest is second, and so on. At the State Finals if a tie occurs, the tied competitors shall be separated from all other competitors and assigned relative rankings. If there is still a tie, then the ranks assigned by all five (5) judges will be considered, and the contestant with the lowest total of five rankings will be declared the winner.

8. TIES: In the event of a tie for advancement to the next contest or to the Finals of the State Finals, all tied entries shall advance.

9. TEAM POINTS: Team points will not be tabulated for this event.

10. AWARDS: At Regionals and Sectionals the first place teams will receive a plaque.

State Final: Medallions will be awarded to the team members of the first place team. Plaques will be awarded for first, second and third place performances.

11. EVENT FEES: There will be an event fee of \$20.00 per performance group entered at the Regional, Sectional, and State Contests.

12. JUDGES FEES: Judges fees shall be paid at \$10.00 per performance judged for Regional, Sectional and State Final competition.

Any judge who drives more than 70 miles round trip to the site of a Regional, Sectional, or State Final Contest shall be reimbursed a travel allowance of \$.30 per mile in excess of 70 miles round trip. Reimbursement shall be directly from the IHSA office, upon the judges' submission of a travel report form to be provided by the IHSA through the contest managers.

The contest manager shall be authorized to conduct the contest under the provisions of these Terms and Conditions. However, managers shall not have the authority to advance the Drama/Group Interpretation entry affected by an unfairness to the state contest. In addition, the manager shall be responsible to resolve questions of rules interpretation, to arbitrate disputes and to apply penalties for violations of contest rules. In all cases, he/she shall consult with the contest advisory committee prior to making a decision in any such matter. Decisions of the contest manager in all cases herein described shall be final.

If needed, groups will be allowed five (5) minutes after the set strike to move their set from the strike area to the designated loading area. Any group exceeding this time limit shall automatically be dropped one (1) rank per judge per 30 seconds overtime.

b. Set-up/Strike: Performing groups shall have a total maximum of twenty (20) minutes elapsed time in which they must both set up and strike the staging and set for performance (e.g. If sixteen (16) minutes are used to set up, then four (4) minutes are available for striking). Set up and strike time shall include any adjustment, addition or removal of lighting instruments and focusing projections on the cyc wall. When the set up is complete, the director may call for the cyc wall to be lowered, exposed, and may focus any effect to be used on that wall. The clock will NOT be stopped during this performance. Any group exceeding this time limit shall automatically be dropped one (1) rank per each 30 seconds. Each school may call for a non-timed safety check after its set is up. However, this check should be made only if there is a possibility of a failure in the power source from the host school or if there is the possibility of danger to the general welfare of the cast, crew and audience. The safety check may not be used to move props or readjust lighting or sound levels or anything that has to do with set-up of the play. If a host site has difficulties or a dangerous situation arises, the committee members and host(s) of the contest will decide the necessary course of action.

The clock timing set-up for each performance shall be started when the first movement of any set pieces is made from the designated storage area to which the set was unloaded from the vehicle(s), and stopped at the cue of the director when the crew is off stage (wings or house). If a participant is injured during the set up and/or striking phase

of the performance, the clock may be stopped by the manager until the emergency is addressed. After the performance, the clock will start at the cue of the director when the crew is off stage (wings or house) and be stopped when the last set piece is placed into the designated strike area.

Following this non-timed check, the set-up timing watches may be started again to permit the stage crew to make further adjustments within the time limit. No other start or stop of the watch shall be allowed.

c. Two (2) timers, using stopwatches, shall be required. No time signal shall be given by either timekeeper.

d. Prior to the start of the performance the director shall describe to the timers and a representative of the Contest Committee a precise moment of the initial cue and the final performance element. However, timing of the Drama production will begin with the first performance element and conclude with the final performance element. No element of production or performance, including any stage lighting, house lighting, or sound, may begin prior to the announcement of the play. Following the last element of production or performance, the stage shall go dark and actors shall exit. Projectors and computers or other electrical devices used must be completely dark before the start of the timing tool and shall be dark at the end in order for the timing tool to stop. No light or ghosting image should be seen before the timing tool starts, nor should it be visible after the timing tool has stopped.

e. **The time limit for Drama is 40 minutes. In Drama, if a timer's watch reads 40:30.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each judge will be lowered by one ranking.** If both timers' watches confirm that a performance ran more than 40:30.01 minutes from the initial cue to the final performance element, the play shall be penalized one (1) rank per judge for each thirty (30) seconds of overtime. **For example at 40:30.01, a performance is lowered one ranking from each judge. At 41:00.01, the performance would be lowered two rankings from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected. At the State Final Contest only, no penalty will be assessed until one (1) minute beyond the specified time limit. For example, In Drama, if a timer's watch reads 41:00.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each judge will be lowered by one ranking. For example if both timers' watches read at 41:00.01, a performance is lowered one ranking from each judge. At 41:30.01, the performance would be lowered two rankings**

from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected.

5. Standards of Excellence: The Standards of Excellence are indicated on the Judges Critique Sheets and should be used to provide the basis for both performance and judging. Judging forms may be found on the IHSA website.

a. The judge's written evaluation should clearly identify the major strengths and weaknesses of the performance and specify the reasons for the ranking assigned.

b. Undue emphasis should not be placed on technical elements or judge's preferences, like or dislikes of literature. Acting should be of primary importance and within a supportive or unified concept.

B. Group Interpretation:

1. Definition: Group Interpretation is an event in which groups of three (3) or more students interpretively present literature.

2. Purpose: The purpose of Group Interpretation is to give students experience in the group performance of literature. The interrelatedness of the narrator(s), the movement of the literature, and character voices control the performance. Group Interpretation encourages students to create an ensemble performance which showcases their interpretive skills and group work without the aid of costumes, make-up, set or props. Successful Group Interp. performances should be based primarily on interpretation. Focus should be primarily off-stage, although mixed focus (a combination of off-stage and on-stage focus) is allowed.

3. Selection: The choice of a group interpretation to be presented for competitors shall be, but is not limited to prose, verse, drama, speeches, diaries, letters, essays, or compilations and original material.

4. Time Keeping:

a. Set-up/Strike: Groups will be allowed five (5) minutes to move their set from the backstage entrance to the strike line. Set pieces are only allowed behind the designated strike line as determined by the contest management. Any group exceeding this time limit shall automatically be dropped one (1) rank per judge per 30 seconds overtime. The time limit for Group Interpretation Set & Strike is a total combined 5 minutes. Group Interpretation setup and takedown must be done in 5 minutes total. For setup, once the director requests the clock to be stopped, it cannot be restarted. The cast must enter the designated performance space after the production is announced and exit at the conclusion of the presentation.

b. Two (2) timers, using stopwatches, shall be required. No time signal shall be given by either timekeeper.

c. The director of each Group Interpretation shall describe to the timers and a representative of the Contest Manager, prior to the start of the performance, the precise moments of the initial cue and the final performance element. Timers shall use these suggestions as guidelines to start and stop watches. However, timing of the production will begin with the first performance element and conclude with the final performance element.

d. **The time limit for group Interpretation is 30 minutes. In Group Interpretation, if a timer's watch reads 30:30.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each judge will be lowered by one ranking.** If both timers' watches confirm that a performance ran more than 30:30.01 minutes from the initial cue to the final performance element, the performance shall be penalized. **For example at 30:30.01, a performance is lowered one ranking from each judge. At 31:00.01, the performance would be lowered two rankings from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected.**

5. In the Sectional contests, Group Interpretation selections may be presented in a classroom or other appropriate performance spaces.

6. Standards of Excellence: The Standards of Excellence are indicated on the Judges Critique Sheets and should be used to provide the basis for both performance and judging. Judging forms may be found on the IHSA website.

a. Gesture and pantomime should be used as justified by interpretation of the text.

b. At the discretion of the performing group, the script may be used.

c. Focus should be primarily off-stage. **On-stage focus should be used sparingly and with purpose** although mixed focus (a combination of off-stage and on-stage focus) is allowed.

d. Uniformed dress is permitted. Costuming is not allowed. Clothing that delineates specific character(s) worn by an individual or the entire cast shall be considered costuming. All Group Interpretation performers must wear shoes.

e. Character makeup is prohibited.

f. Sound effects may be used, but music and or singing may be used only as background, to aid in transitions, or to establish mood. While a book from a musical may be used, the production's musical numbers may not be used to establish characters or to advance the plot. The lyrics, however, may be incorporated as spoken dialogue.

g. Participating schools will provide their own stools, chairs, boxes, platforms, ramps, risers and stairs **only**. These items may be placed on appropriate flooring. Ladders, posts, pillars, and walls are prohibited in Group Interpretation. **Performers are not allowed to stand on chairs or stools.** Performers may stand on safe boxes, platforms, ramps, risers and stairs. Group Interpretation sets should be universal, able to be used for any show. **Explicit sets are prohibited;** painting with specific designs is included in this definition. (For example, if the show being performed is about a man-eating plant, the set could not be painted with vines.) While set pieces may be moved to represent a new general location, they may not be arranged to suggest a specific location. (For example, boxes may not be piled on top of each, turned on their sides or held by actors to represent specific formations such as walls, columns, doorways or specific large props such as a desk.) Smaller pieces may not be used as hand-props.

h. Props shall be prohibited; creative use of scripts shall not be interpreted as use of props.

i. Undue emphasis should not be placed on technical elements or judges' preferences, likes or dislikes of literature.

C. Material Appropriateness:

Material presented by all contesting groups shall be appropriate for public performance by high school students. Any material which is inappropriate for public performance by high school students will not be tolerated.

1. The principal is required to see and approve both the selection and performance of all material including substitute material, to be used by contestants from the member school in the contest series.

2. IHSA By-law 6.010 will be applied in the event contestants utilize material which, upon investigation by the Executive Director, is determined to be inappropriate. By-law 6.010 states:

Any violation of the Constitution and/or By-laws, Terms and Conditions, IHSA Policies and Guidelines, and/or other rules of the Association, shall be reported to the Executive Director, who shall have authority to investigate all alleged violations. The findings of the investigation shall be made known to the school (or schools), person (or persons), alleged to have committed violation. The Executive Director shall then have full authority to invoke penalties against such school or persons found to have committed violations. Penalties shall include, but not be limited to, written warning or reprimand or requisite affirmation corrective action. Failure to take the corrective action required by any penalty shall be the basis for further action up to and including suspension and/or expulsion.

Note that these provisions include possible penalties against the school or individual persons found to have committed violations. This means that competitors, coaches, directors, and/or principals may be penalized directly for the use of inappropriate material in the IHSA Contests. A performance (language or action) which is a literal, symbolic or colloquial expression describing or naming anything which is profane and/or vulgar, whether or not suited to a specific character being portrayed, IS ALWAYS CONSIDERED INAPPROPRIATE!

3. Use of Inappropriate Material. If, in the opinion of any contest judge, material which is performed for his/her adjudication is inappropriate for public performance by a high school student, he/she may rank the performance down. Judges shall explain their opinions and actions in written critiques, and the contest manager shall forward a copy of the critiques to the IHSA office.

b. The rankings of the other contestants in the event shall be revised upward.

c. If the violation is reported to the IHSA Office at least three (3) days prior to the next succeeding contest, the winners shall

be advanced on the basis of the revised rankings.

2. Debate Subject:

The topic for debate will be the national policy topic developed by the Discussion and Debate Committee of the National Federation of State High School Associations. By a poll of the coaches of the nation, the following resolution has been

selected as the national policy debate topic for 2015-2016:

Problem area: Surveillance

Resolution:

Resolved: The United States federal government should substantially curtail its domestic surveillance.

3. Time Schedule and Procedures:

If members of both teams are absent, the debate shall be annulled and in determining the final ranking of the teams, both shall be charged with the loss of the debate.

If a coach is five (5) minutes late for a round that he/she is to judge, his/her team(s) will forfeit that round.

Note: If the manager is convinced that the tardiness of a debater, debate team, or coach/judge is due to clearly unavoidable causes, the starting time for the debate may be extended, or the debate may be arranged for another hour provided that it does not in any way interfere with or postpone termination of the contest.

b. Each elimination round must start no later than fifteen (15) minutes after it is posted. Coaches will be notified where elimination pairings will be posted and the time of posting will be recorded. If a team is late it will forfeit that round.

c. Individual Round Timing Procedures:

The questioner should ask relevant questions. The questioner should neither comment on the answer, argue with the opponent nor make speeches. He/she should use the time for questioning only.

2) Time lost through unavoidable interruptions shall be made good to the debater. No debater may be interrupted by an opponent during the course of the debate.

3) A debate twosome shall take no more than eight (8) minutes total elapsed preparation time during a round of debate. The timekeeper should keep a record of elapsed time between speeches and indicate to the debater the time remaining.

If any judge wishes to read evidence following the debate, that evidence may be requested by the judge and should be provided. Judges must not provide such materials to the opposition.

c. Each debater is responsible for the validity of evidence read in the debate. All evidence cards or other evidentiary materials must contain the name of the author, the qualifications, the source, the date, the page number, even if the full citation is not read in the debate.

d. Prompting is not allowed. Prompting does not exclude time notations, but does prohibit all other forms of assistance to a debater during a speech or when involved in a Policy period.

e. New issues shall not be introduced during the rebuttal speeches.

f. The members of either team may switch the order of rebuttals; however, the judge must be so informed before the debate begins.

g. Observers are permitted to attend debates. Flows of the debates may be taken. Electronic (audio/video) recording of the debates shall be prohibited without prior consent of the IHSA.

h. The use of computers, electronic storage and retrieval devices, etc. is allowed in rounds of Policy Debate. Connectivity to any person, machine, device, or server outside the competition room or persons other than the competitors in the round is not allowed. This includes the prohibition of the use of wired or wireless local, or wide, area networks; cell phones; personal digital assistants; Palm, Treo, or Blackberry type devices; etc. The establishment of such a connection will constitute a violation of this rule. Competitors violating this rule will be disqualified from competition.

5. Matching of Teams and Drawing Procedures:

It will be attempted to allow each team to debate each side of the question three (3) times in the preliminary rounds.

a. There will be a random drawing to determine pairings for Rounds 1 and 2. Subsequent preliminary rounds should be power matched, high-low within brackets.

b. If there are at least forty (40) teams in the tournament, debaters advancing to the octa-final round will be paired according to a bracket prepared by the Tournament

Committee. If there are at least eighty-five (85) teams, elimination rounds will begin with double octa-finals (top 32). If there are less than 40 teams, elimination rounds will begin with quarterfinals.

c. If in the elimination rounds, teams from the same school are necessarily paired against each other, they may either debate to determine a winner or the coach of the school involved may designate one of the teams as the winner of the round. Elimination brackets will not be altered to prevent such pairings.

d. In the elimination rounds, sides will be determined by a flip of a coin, unless they have met previously. In such cases the debaters will switch sides.

6. Judging:

a. Two (2) judges shall be used for each debate in the preliminaries. As availability permits, three (3) judges should be used in all eliminations except for the final round. Five (5) judges shall be used in the final debate.

b. Judges for Policy debate shall be in the second year removed from an Illinois high school. Judges who competed for an out-of-state high school must be high school graduates. All judges should have judged at a minimum of two tournaments on the current resolution. Each participating school shall provide a coach-judge for each team entered in the State Final. Schools which fail to provide the required number of judges in accordance with their entries shall be subject to disqualification of one Policy team per missing judge. Schools whose judges miss individual rounds shall be assessed a \$30.00 fee for each round missed.

c. Each judge shall complete the ballot indicating the winning team, reason(s) for the decision, and appropriate speaker points for each debater, and a written critique of the debate. The decision as to who won the round must be turned in to the tournament headquarters within fifteen minutes after the end of the second affirmative rebuttal. The completed ballot must be turned in as soon as possible and prior to the distribution of ballot packages to schools. A judge's decision should be made without consultation with anyone. Judges are not prohibited from oral critiques and/or disclosure of their decision to the debaters. All judges, including those who are school coaches, shall be available for all rounds including all elimination rounds.

d. Each judge shall keep a flow sheet during the debate to assist him/her in completing the ballot and reaching a decision. It is recommended that judges concentrate on the flow sheet during the debate and on the ballot after the debate has been completed.

e. Judges shall not converse with anyone, other than the debaters themselves, prior to submitting their decisions for a given round to the tournament manager.

f. Judges in any round must be at least four years removed from any affiliation with a team in that round. Judges are expected to notify the contest manager of any conflicts of interest prior to the start of competition. Judges may strike themselves from hearing any individual team(s) in the tournament.

g. Schools with teams in elimination rounds must maintain a representative in the tab room area until the rounds have started.

B. Lincoln-Douglas Debate Competition Rules

1. Definition:

Lincoln-Douglas Debate is organized oral argument which, with only one debater arguing on each side of a proposition of value, provides participants an opportunity to display their skills of oral persuasion, logical reasoning, research and application of evidence and extemporaneous delivery before a critic judge.

Lincoln-Douglas Debate is audience-oriented, meaning that people should be able to follow the clash of ideas without taking a flow sheet.

2. Debate Subject:

The topic for the IHSA Lincoln-Douglas debate series will be the March-April topic of the National Forensic League as published in *The Rostrum* (<http://www.nfionline.org/Rostrum/Rostrum>). Wording of this topic will be posted online at www.ihsa.org on the debate menu page.

3. Timing Schedule and Procedures:

a. The order of speakers and time limits for each Lincoln-Douglas debate will be as follows:

Affirmative	6 minute constructive
Negative	3 minute cross-examination
Negative	7 minute constructive
Affirmative	3 minute cross-examination

Negative	6 minute rebuttal
Affirmative	3 minute rebuttal

b. State Final Time Schedule: The time schedule for the State Final Tournament will be established by the state final tournament committee and will be posted on the IHSA website.

c. Tardiness or absence: No debate shall start unless both contestants are present. If any debater is absent, the chairman shall wait five minutes for his/her appearance. If still absent, the absent debater shall forfeit the debate. If both competitors are absent after the five-minute grace period, the debate shall be annulled and in determining the final rankings, both shall be charged with the loss of the debate.

Note: If the tournament manager is convinced that the tardiness of a debater or judge is due to clearly unavoidable causes, the starting time for the debate may be extended,

or the debate may be arranged for another hour provided that it does not in any way interfere with or postpone termination of the contest.

d. Elimination Rounds. Each elimination round must start fifteen (15) minutes after it is posted. Coaches will be notified where elimination pairings will be posted and the time of posting will be recorded. If a debater is late he/she will forfeit that round.

A debater may take no more than four (4) minutes total elapsed preparation time during a round of debate. The timekeeper shall keep a record of elapsed time between speeches and indicate to the debater the time remaining after each interval.

4. Rules of Competition:

a. Debaters and coaches shall not exchange evidence or other materials with contestants from other schools during a contest.

b. Each debater is responsible for the validity of evidence read in the debate.

c. A debater shall not receive help from anyone during the debate.

d. New issues shall not be introduced during the rebuttal speeches.

e. Observers (including coaches with students in the round) are permitted to attend any debates. Electronic (audio and/or video) recording of the debates shall be prohibited without prior consent of the IHSA. Scouting is not allowed.

f. Competitors are not allowed to attend debates while they are still competing.

g. The use of computers, electronic storage and retrieval devices, etc. is allowed in rounds of Lincoln-Douglas Debate. Connectivity to any person, machine, device, or server outside the competition room or persons other than the competitors in the round is not allowed. This includes the prohibition of the use of wired or wireless local, or wide, area networks; cell phones; personal digital assistants; Palm, Treo, or Blackberry type devices; etc. The establishment of such a connection will constitute a violation of this rule. Competitors violating this rule will be disqualified from competition.

5. Matching of Contestants and Drawing Procedures:

It will be attempted to allow every debater to debate each side of the question two times in the preliminary rounds. In the elimination rounds, sides will be determined by a flip of a coin unless they have met previously. In such cases the debaters will switch sides.

a. Preliminary rounds 1 and 2 will be randomly paired. Subsequent preliminary rounds should be power matched, high-low within brackets.

b. If there are at least forty (40) contestants, debaters advancing to the octa-

final round will be paired according to a bracket prepared by the Tournament Committee. If there are at least eighty-five (85) contestants, elimination rounds will begin with double octa-finals (top 32). If there are less than 40 contestants, elimination rounds will begin with quarterfinals.

If in the elimination rounds, debaters from the same school are necessarily paired against each other, they may either debate to determine a winner or the coach of the school involved may designate one of the competitors as the winner of the round. Elimination round brackets will not be altered to prevent such pairings.

6. Judging:

a. Two (2) judges shall be used for each debate in the preliminaries. As availability permits, three (3) judges should be used in all eliminations except for the final round. Five (5) judges shall be used in the final debate.

b. Each participating school shall provide one (1) judge per (2) students entered as long as the tournament is double flighted. Each participating school shall provide one (1) judge per student entered if the tournament is not flighted.

All individuals used to fulfill a school's judging requirements must have graduated from high school over one year prior to the date of competition and meet one of the following criteria:

a. Debated at least five tournaments at the Varsity level in the entered division.

b. Judged at least 10 Varsity rounds in Illinois in the entered division.

In general, judges should be specifically trained for the division they are judging in and are expected to take careful "flows"/notes of arguments made throughout the debate.

Schools that are unable to meet the judging requirements can hire a qualified judge through the IHSA Tournament Director. Coaches are responsible for verifying that their judges meet the criteria. Schools which fail to provide the required number of judges in accordance with their entries shall be subject to disqualification of one (1) Lincoln-Douglas contestant per missing judge. Schools whose judges miss individual rounds shall be assessed a \$30.00 fee per round missed.

c. Each judge shall complete the ballot indicating the winning debater, reason(s) for the decision, appropriate speaker points for each debater, and a written critique of the debate. The decision as to who won the round, and the completed ballot, must be turned in to the tournament headquarters within fifteen (15) minutes after the end of the second affirmative rebuttal.

Judges are not prohibited from oral critiques and/or disclosure of their decision to the debaters. All judges, including those who are school coaches, shall be

available for all rounds including all elimination rounds.

d. Judges shall not converse with anyone, other than the debaters themselves, prior to submitting their decisions for a given round to the tournament manager.

e. Judges are expected to notify the contest manager of any conflicts of interest prior to the start of competition.

C. Congressional Debate Competition Rules

1. Definition:

Congressional Debate is a simulated congressional activity (debate) modeled after the State or National Congress. Participants research and write bills and/or resolutions that will be debated on the floor of the congressional debate, utilizing the tools of deliberative decision-making such as Parliamentary Procedure and group communication skills.

2. Debate Subject (Legislation):

a. After preliminary entries are received, each school will be assigned to write legislation (bill or resolution) for two of the following areas: foreign affairs, economics, and public welfare. A school should submit one piece of legislation for each area assigned. Schools entered in Congressional Debate will be notified in December to which legislative committees they have been assigned. They may only write for assigned committees. Appropriate legislation must be submitted by January 30. Legislation must follow the IHSA Standard Legislation Template that will be provided in December. All legislation approved for Congressional Debate by the IHSA will be available to schools online in a downloadable file.

b. Only legislation sent from the head coach's e-mail address will be accepted.

c. Only one piece of legislation from each school will be considered for the Preliminary Sessions. Only one piece of legislation from each school will be considered for the Elimination Sessions (Semis and Finals).

d. If a school only submits one piece of legislation, and it is chosen for debate, it will be placed in the Prelims, the Semis, or the Finals, and it will not be debated in more than one session.

e. If a school submits two pieces of legislation, one or both may be chosen. If both are chosen, only one will be placed in the Prelims (to be debated for only one session), and the other will be placed in the Semis or Finals.

f. All identifying school and student information will be taken off of the Semis and Finals Legislation.

g. All legislation assigned to the Prelims, Semis, and Finals will be announced shortly after the January 30 deadline.

h. A Best Legislation award (overall – of all chambers combined) will be issued after votes are tallied in the Preliminary Sessions.

3. State Final Time Schedule:

a. Sessions will begin at the posted times. Debate will not wait for any late participants.

b. Preliminary Sessions may not end early.

1) Semi-final Session: The session will end immediately (prior to the posted end time) when everyone who wishes to speak twice has done so.

2) Final Session: The session will end immediately (prior to the posted end time) when everyone who wishes to speak twice has done so.

4. Procedures in Preliminary Chambers:

a. Committee Sessions:

1) Committee Sessions shall be comprised of a committee of the entire chamber (a Committee of the Whole – all registered participants) deciding upon the agenda (the order in which legislation will be debated) for the Preliminary Session.

2) This Committee of the Whole will meet prior to Session I to set the agenda (selection of bills and the order they will be debated). The agenda must alternate through legislative committees (100s, then 200s, then 300s)

3) Discussions within the committee will be restricted to the issue of debate-ability. ("Is the bill controversial, timely, and well written?" "Are there substantial pro and con arguments concerning the bill?") The merits of the idea contained within a bill should not be discussed within the committee meeting.

4) The bills on the prioritized docket will be considered in the order recommended by the Committee of the Whole.

b. Apportionment: One (1) entry per school will be assigned to a chamber.

c. Order of Events:

1) Two judges will be assigned to each chamber. The committee will prepare a seating chart for each chamber.

2) At the beginning of each session, judges will conduct an election for a Presiding Officer (P.O.) for that session.

3) A preliminary session's time will begin once the Presiding Officer has been elected and all of the judges assigned to the chamber by the tab room are present.

4) There is no time limit for debate on each piece of legislation.

5) Debate on each bill will begin with the Presiding Officer's request for a three-minute authorship speech to be given by the actual author. His or her name must be on the legislation in order to qualify as the author. If the author is not present in the chamber, the Presiding Officer will call for a sponsorship speech. A sponsorship speech is a 3 minute

speech supporting the intent of the bill and can be given by anyone in the chamber regardless of their school's affiliation. Preference will not be given to a member of the author's school. Following the delivery of the authorship or sponsorship, the Presiding Officer will ask for a speech in opposition to the bill. This speech, and all speeches thereafter, will be three minutes long. This alternating process of three-minute speeches will continue until the bill is placed upon the table, the bill is passed/failed after previous question is called, or time expires within the session. Should a session terminate while a bill is still being debated, previous question will be called and an immediate vote will take place.

6) Following each speech, a two-minute question and answer period will be held. The questioning period will consist of one question asked per person to the speaker. No cross-debate shall be allowed during the questioning period of the preliminary chambers. The time clock will run continuously for the question and answer period.

7) Precedence, in regard to speaking order, will reset at the end of each preliminary session.

8) Legislation that is debated in one preliminary session may not be debated in another preliminary session of that same chamber.

d. General Rules

1) A participant may not speak on both sides of the same legislation or that debater will earn a zero for the second speech given in opposition to the first speech on the same legislation.

2) Voting on all matters in the preliminary sessions will be one vote per person.

3) Abstentions shall not be counted in voting totals.

4) The members of a chamber may not suspend any IHSA Congressional Debate rules.

e. Judge Rules:

1) Judges will be responsible for evaluating the participants' speeches for content, logic, evidence, rebuttal, extension, structure, delivery, and their response to questions. Both judges will judge all speeches. In the event that a judge scores a student from his/her own school, that score will not be tabulated and the other judge's score will count twice.

2) No participation or ethos score will be adjudicated or awarded in any session of IHSA Congressional Debate. Participation and ethos ought to be considered, in conjunction with debating and speaking abilities when determining nominations and rankings.

3) The judges, acting in concert, shall be the ultimate authorities on parliamentary procedure and fairness in

recognizing speakers. They shall have the power and the responsibility to correct and/or overturn a decision of the Presiding Officer if it violates procedure or fairness.

4) At the end of every session, each judge will nominate two speakers (not the Presiding Officer), not from his/her own school, to be considered for advancement to semis. Judges must not confer when making nominations.

5) Judges will score the presiding officer twice during each session (once per each ½ of the session). Scores will count as two speeches.

6) Judges, of the third preliminary session, will conduct an election for best legislation within that preliminary chamber. Each debater in the chamber will be allowed one vote. The winning legislation must receive a simple majority of the votes cast. If no person earns a simple majority, the legislation that received the lowest vote total will be dropped from consideration and voting will be repeated until there is a clear majority. In the instance that more than one piece of legislation is tied for the lowest vote total, eliminate all legislation that has the lowest vote total before re-voting. Judges will report the 1st, 2nd, and 3rd Place Legislation from their chamber. Tab will use these tallies to calculate which piece of legislation won across all ten Preliminary Chambers. That legislation will win IHSA Best Legislation.

7) Judges, of the third preliminary session, will conduct elections for best Presiding Officer.

Each debater in the chamber will be allowed one vote. The winning candidate must receive a simple majority of the votes cast. If no person earns a simple majority, the candidate who received the lowest vote total will be dropped from consideration and voting will be repeated until there is a clear majority.

5. Procedures regarding the Elimination Rounds:

a. Semi-final Congress

1) Eligibility for the Semifinal Session will be determined in the following manner at the end of Preliminary Session 3: The high point speaker (ties will not be broken, any debater with the highest total in their chamber will advance), any debater with at least one judge nomination, and the winning presiding officer from the chamber will advance.

2) Four Semi-final chambers will be established.

a) Three coaches will be assigned to judge each Semi-final chamber.

b) Coaches will be assigned to preside over the Semi-final chambers.

c) During this session, Direct Questioning will be used. This questioning will consist of two 30-second time periods that will total 1minute. The Presiding Officer will call on both questioners at the

same time; then, the first questioner will engage in cross-debate with the speaker. When 30 seconds expire, the Presiding Officer will tap the gavel, and the first questioner and the speaker will immediately stop speaking; the second questioner will rise and immediately engage in cross-debate with the speaker for 30 seconds.

d) Four participants from each of the Semi-final chambers will advance to the Final Session (Super Congress).

e) Each judge will complete a preferential ballot, which ranks the top eight speakers. Everyone else not ranked will receive a ranking of 9. The lowest ranking (1st) is the best ranking. When ranking, judges ought to consider speeches for content, logic, evidence, rebuttal, extension, structure, delivery, and their response to questions, as well as participation, ethos, and quality of questions asked. Both judges will judge all speeches.

f) The top four students who receive the lowest numerical rankings on the preferential ballot will advance. Ties will be broken following this specific order:

- Judge Preference
- Speech Points
- Student Preferential ballot

3) A random number generator will determine precedence in the Semi-final Session.

4) Each participant will have an opportunity to give two speeches. A Debater in the Semi-Final Session may not give more than two speeches. The session will end immediately when everyone who wishes to speak twice has done so.

5) No authorships will be given during Semis.

a. Final Congress (Super Congress)

1) Sixteen participants will advance to the Final Congress.

2) Five coaches will be assigned to judge the Final Session. Each judge will evaluate all speeches.

3) A coach will be assigned to preside over the Final Session.

4) Each judge will complete a preferential ballot, which ranks the top eight speakers. Everyone else not ranked will receive a ranking of 9. The lowest ranking (1st) is the best ranking. When ranking, judges ought to consider speeches for content, logic, evidence, rebuttal, extension, structure, delivery, and their response to questions, as well as participation, ethos, and quality of questions asked.

5) To determine final awards, each of the five judges will complete a preferential ballot where they rank half of the chamber. The State Champion and Runner-up will be decided based upon who has the lowest numerical rankings on this preferential ballot. Ties will be broken by the following criteria in this specific order:

1 Judge Preference
 2 Redistribution of the preferential ballots between tied debaters
 6) A random number generator will determine precedence in the Final Session.

7) Each participant will have an opportunity to give two speeches. A Debater in the Final Session is not permitted to give more than two speeches. The session will end immediately when everyone who wishes to speak twice has done so.

8) No authorships will be given during Finals.

6. The use of computers, tablets, electronic storage and retrieval devices, etc. are allowed in rounds of Congressional Debate. Connectivity, wireless or otherwise, to any person, machine, device, or server outside the competition room or persons other than the competitors in the round is not allowed. This includes the prohibition of the use of wired or wireless local, or wide, area networks; cell phones; personal digital assistants; Apple, Microsoft, Palm, Treo, or Blackberry type devices; etc. The establishment of such a connection will constitute a violation of this rule. Competitors violating this rule will be disqualified from competition.

D. Public Forum Debate Competition Rules

1. Definition: Public Forum debate uses current controversial subjects as topics (resolutions) to be debated. Topics are brief, require no plan, and are debatable. Debate teams do not know on which side of the argument they will be speaking. Due to the subject matter of these topics, much of the research toward building and understanding the topic of a public forum debate case will be conducted using current publications and news sources.

2. Debate Subject: The topic for the IHSA Public Forum debate series will be the March topic of the National Forensic League as published in The Rostrum (<http://www.nflonline.org/Rostrum/Rostrum>). Wording of this topic will be posted online at www.ihsa.org. on the debate menu page.

3. Timing Schedule and Procedures:

a. Public Forum Debate Timing Schedule	
First Speaker – Team A.	4 Minutes
First Speaker – Team B	4 Minutes
Crossfire (A1&B1)	3 Minutes
Second Speaker – Team A	4 Minutes
Second Speaker – Team B	4 Minutes
Crossfire (A2&B2)	3 Minutes
Summary – First Speaker – Team A	2 Minutes
Summary – First Speaker – Team B	2 Minutes
Grand Crossfire	3 Minutes
Final Focus –	
Second Speaker – Team A	2 Minutes

Final Focus –	
Second Speaker – Team B	2 Minutes
PREPARATION TIME FOR EACH TEAM	2 Minutes

b. State Final Time Schedule: The time schedule for the State Final Tournament will be established by the state final tournament committee and will be posted on the IHSA website.

c. Tardiness or Absence: No debate shall start unless both members of both teams are present. If any debater is absent, the chairman shall wait five minutes for his/her appearance, this allowance being granted specifically for variations in timepieces. If still absent, the team of which the debater is a member shall forfeit the debate to the other team. If members of both teams are absent, the debate shall be annulled and in determining the final ranking of the teams, both shall be charged with the loss of the debate.

If a coach is five (5) minutes late for a round that he/she is to judge, his/her team(s) will forfeit that round.

Note: If the tournament manager is convinced that the tardiness of a debater of judge is due to clearly unavoidable causes, the starting time for the debate may be extended, or the debate may be arranged for another hour provided that it does not in any way interfere with or postpone termination of the contest.

d. Procedure: Prior to the round in the presence of the judge(s), a coin is tossed by one team and called by the other team. The team that wins the flip may choose one of two options: Either the side of the topic they wish to defend (pro or con) or the speaking position they wish to have (begin the debate or end the debate).

1) Once the coin toss winners select their favored option, the other team makes a choice within the remaining options. Once speaking positions and sides has been determined, the debate can begin.

2) Each speaker shall have four minutes for constructive argument, alternating between pro and con. (Please keep in mind that the debate may begin with a con speech.)

3) Following the first two constructive speeches, the two debaters who have just given speeches will participate in a three-minute “crossfire”. (In “crossfire” both debaters “hold the floor”. However, the speaker who spoke first must ask the first question. After that question, either debater may question and/or answer at will.)

4) At the end of the first “crossfire” the four-minute constructive arguments are continued by the students yet to speak.

5) At the conclusion of the last two constructive arguments, another three-minute “crossfire” takes place between the two debaters who just spoke using the crossfire procedure discussed above.

6) Following the four constructive speeches and two “crossfire” segments, the 1st speaker for each team will each give a two-minute summary continuing established alternation. The summary speeches should include arguments his or her team is winning and refuting of arguments it is losing.

7) At the conclusion of the summary speeches, all four debaters will participate in a three-minute “Grand Crossfire” in which all four debaters are allowed to cross-examine one another. The speaker who gave the first summary speech must ask the first question.

8) At the conclusion of the “Grand Crossfire”, the second speaker will each give a 1-minute “Final Focus” speech. The “Final Focus” is a persuasive final restatement of why a team has won the debate.

4. Rules of Competition:

a. The first speaker for each position usually has a prewritten case that provides reasons for affirming or negating a topic.

1) After both speakers have stated their cases a cross-fire session occurs. In cross-fire both speakers ask and answer questions in a civil manner.

2) The second speaker for each position generally attempts to refute the points of the opposing side and can also provide additional reasons to vote for their position.

3) The second speakers conduct a cross-fire session in the same manner the first speakers did. The speech that follows is the summary in which the first speakers of both positions summarize their points and the opposing sides points and try to show the judges why their points still stand or why the opposing team’s points fall.

4) Following this speech is a grand cross-fire, a cross-fire session that is conducted sitting down and includes all four speakers. The final speech for both sides is a last shot in which the second speaker for each team provides one main reason why the judges should vote for their position on the resolution.

5) Final Focus Speeches should present voting issues to the judge.

b. Debaters and coaches shall not exchange evidence or other materials with contestants from other schools during a contest.

c. Each debater is responsible for the validity of evidence read in the debate.

d. Judges are not prohibited from oral critiques and/or disclosure of their decision to the debaters.

e. A debater shall not receive help from anyone during the debate.

f. The use of computers, electronic storage and retrieval devices, etc. is allowed in rounds of Public Forum Debate. Connectivity to any person, machine, device, or server outside the competition room or persons other than the competitors in the round is not allowed. This includes the prohibition of the use of wired or wireless local, or wide, area networks; cell phones; personal digital assistants; Palm, Treo, or Blackberry type devices; etc. The establishment of such a connection will constitute a violation of this rule. Competitors violating this rule will be disqualified from competition.

g. Observers

a. Observers, (including coaches with students in the round) are permitted to attend any debates. Electronic (audio and/or video) recording of the debates shall be prohibited without prior consent of the IHSA. Scouting is not allowed.

b. Competitors are not allowed to attend debates while they are still competing.

5. Matching of Teams and Drawing Procedures:

a. There will be a random drawing to determine pairings for Rounds 1 and 2. Subsequent preliminary rounds should be power matched, high-low within brackets.

b. If there are at least forty (40) teams in the tournament, debaters advancing to the octa-final round will be paired according to a bracket prepared by the Tournament Committee. If there are at least eighty-five (85) teams, elimination rounds will begin with double octa-finals (top 32). If there are less than 40 teams, elimination rounds will begin with quarterfinals.

c. If in the elimination rounds, teams from the same school are necessarily paired against each other, they may either debate to determine a winner or the coach of the school involved may designate one of the teams as the winner of the round. Elimination brackets will not be altered to prevent such pairings.

d. In the elimination rounds, sides will be determined by a flip of a coin, unless they have met previously. In such cases the debaters will switch sides.

6. Advancement and Determination of Winners: The highest-ranking teams will be paired for elimination rounds on Saturday.

7. Ties: Speaker points will break ties.

8. Judging:

a. Two (2) judges shall be used for each debate in the preliminaries. As availability permits, three (3) judges should be used in all eliminations except for the final round. Five (5) judges shall be used in the final debate.

b. Each participating school shall provide one (1) judge per (2) teams entered as long as the tournament is flighted. Each participating school shall provide one (1) judge per team entered if the tournament is not flighted.

c. Schools, which fail to provide the required number of judges in accordance with their entries, shall be subject to disqualification of (1) Public Forum team per missing judge. Judges must not be affiliated with the teams they are judging. All individuals used to fulfill a school's judging requirements must have graduated from high school over one year prior to the date of competition and meet one of the following criteria:

a. Debated at least five tournaments at the Varsity level in the entered division.

b. Judged at least 10 Varsity rounds in Illinois in the entered division.

In general, judges should be specifically trained for the division they are judging in and are expected to take careful "flows"/notes of arguments made throughout the debate.

c. Schools that are unable to meet the judging requirements can hire a qualified judge through the IHSA Tournament Director. Coaches are responsible for verifying that their judges meet the criteria. Schools whose judges miss individual rounds shall be assessed a \$30.00 fee per round missed.

d. Each judge shall complete the ballot indicating the winner debater, reason(s) for the decision, appropriate speaker points for each debater, and a written critique of the debate. The decision as to who won the round, and the completed ballot, must be turned in to the tournament headquarters within fifteen (15) minutes after the end of the last final focus.

e. The judge should rate each speaker on a scale of 11-30. The judge needs to write a brief reason for his/her decision.

f. Judges shall not reveal their decisions to anyone prior to the announcement of results by the contest manager. All judges, including those who are school coaches, shall be available for all rounds including all elimination rounds.

g. Judges shall not converse with anyone, other than the debaters themselves, prior to submitting their decisions for a given round to the tournament manager.

h. Schools with teams in elimination rounds must maintain a representative in the tab room area until the rounds have started.

i. Judges are expected to notify the contest manager of any conflicts of interest prior to the start of competition.

E. Special Rules and Limitations:

1. Use of Inappropriate Material:

If, in the opinion of any judge, material which is debated for his/her adjudication is inappropriate for public presentation by a high school student, the judge may rank the team down. If, in the judge's opinion, a debate is persistently inappropriate or is flagrantly profane and vulgar, he/she may stop the debate and disqualify the students or team. In either case, the judge shall explain his/her opinion and action in a written critique and the manager shall forward a copy of the critique to the IHSA Office.

Please Note: Material which is inappropriate for public presentation by high school students will not be tolerated.

IHSA By-law 6.010 will be applied in the event contestants utilize material which, upon investigation by the Executive Director, is determined to be inappropriate. By-law 6.010 states:

Any violation of the IHSA Constitution and/or IHSA By-laws, IHSA Terms and Conditions, IHSA Policies and Guidelines, and/or other rules of the Association, shall be reported to the Executive Director, who shall have authority to investigate all alleged violations. The findings of the investigation shall be made known to the school (or schools), person (or persons), alleged to have committed violation. The Executive Director shall then have full authority to invoke penalties against such school or persons found to have committed violations. Penalties shall include, but not be limited to, written warning or reprimand, requisite affirmation corrective action... up to and including suspension and/or expulsion. Failure to take the corrective action required by any penalty shall be the basis for further action up to and including suspension and/or expulsion.

Note that these provisions include possible penalties against the school or individual persons found to have committed violations. This means that competitors, coaches, directors, and/or principals/official representatives may be penalized directly for the use of inappropriate material in the IHSA competitions.

A debate (language or action) which includes symbolic or colloquial expression describing or naming anything which is profane and/or vulgar, whether or not suited to a specific case being presented, IS ALWAYS CONSIDERED INAPPROPRIATE!

2. Violation of Limitation Rule:

If a student participates in more events than permitted by Art. III-E, his/her school shall be disqualified in all the events in which he/she participated. If the student or his/her school won any awards in, or as a result of, the events in which he/she participated, such awards must be surrendered to the IHSA Office.

3. Late Discovery of Violations:

If a violation, the penalty for which is disqualification, is not discovered until after the close of the contest in which the violation occurred, the following procedure shall be followed:

a. The student, team or school shall nevertheless be disqualified and the violation shall be reported to the IHSA office.

b. The rankings of the other contestants in the event shall be revised upward.

c. If the disqualified individual, team or school has won any awards, such awards shall be returned to the IHSA Office. An attempt will then be made to redistribute these awards on the basis of the revised ranking rankings.

State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, alcohol free zones on the date or dates of any IHSA event being held at the site. Violation of this policy by an event host will subject the host to a penalty for violation of IHSA By-law 2.020. Such penalty may include but not necessarily be limited to prohibition against subsequent event hosting assignments. Violation of this policy by a non-hosting member school will subject the school to penalty for violation of IHSA By-law 2.020. Patrons of any IHSA state series contest determined to be in violation of this policy will be removed from the premise, and law enforcement officials will be called as warranted.

F. Special Report Forms and SAWA Forms

Special report forms have been developed to facilitate schools reporting any matter concerning high school programs that merit the attention of the high school principal. These forms can be used for reporting any incidents or problems with a competitor, coach, director or spectator. The forms may also be used to report errors in applying rules or any phase of judging in which a judge should immediately attempt to improve. The SAWA Report form should be used for reporting any instances where a coach, director, participant, judge or spectator has done an exemplary job of Sporting A Winning Attitude. These forms can be found on the IHSA Web Site at www.ihsa.org.
