## IHSA Media Distinguished Service Award Nomination Form

The purpose of the IHSA Media Distinguished Service Award is to honor individuals in the media who have provided coverage of high schools sports and activities for a significant amount of time, while also maintaining the proper perspective of the amateur events they were covering. Nominees work could have come in one or several mediums (newspapers, radio, television, web, etc.). Please complete the information below to submit your nomination. Winners will be identified by the IHSA Media Advisory Committee each April. The IHSA will then work with the winners and member schools to identify a meaningful event where the award can be presented.
