IHSA OFFICIALS DEPARTMENT

We are continuing to improve our efficiency and accuracy in dealing with you, your records, and your concerns. Please understand that we are dealing with over 14,500 officials and applicants and hundreds of phone calls per day. We strongly encourage all officials to refer to the areas of responsibility listed below when calling the IHSA office so that we may better serve you. In addition, we highly recommend that you familiarize yourself with the information included in the Officials Center and in your personal site. The majority of the information will be online at www.ihsa.org.

Best methods for officials to communicate with the IHSA:

- 1. IHSA Web Site and E-mail:** All officials have been issued a password for access to our interactive web site. Officials are able to change personal contact information, take Part I examinations, view rules meetings, access rating information, and update availability information. This is the best and most efficient way to access your information and communicate with the IHSA. E-mail the Officials Department directly at officials@ihsa.org. Please be sure to include your name and ID number in your message.
- 2. Fax:** (309-663-7479).
- 3. Address Change:** If you have an address change, you will need to make that change in your personal site. If you have not notified our office of an address change and do not receive your materials, we will only resend them one time.
- 4. Phone:** 309-663-6377. Please ask for the Officials Department and have your ID number available.

A. Visit our Web site at www.ihsa.org and fill out the online application.

A. You will need to login to the Officials Center, and add the sport(s) through the Licensing Center link. The added sport fee is \$15 for each sport. You will then need to complete the Part 1 Rules Exam and on-line Rules Meeting to remove the probation status.

License Renewals

- 3Q. Do I have to renew my membership every year? If so, what is the cost?
A. An IHSA Official's License expires every June 30th, regardless of when it becomes effective. An official must renew his/her membership each year before the June 30th expiration. To renew a license, the cost is \$50.00 online or \$60.00 through the mail for the first sport and \$15.00 for each additional sport. Renewals are completed online and begin May 1st.

A. Email the IHSA Officials Department at officials@ihsa.org or call the IHSA Office at 309-663-6377.
- 6Q. What if I do not complete my renewal by the deadline?
A. You are required to pay a late fee (p. 12).
- 7Q. Can I pay my license renewal over the phone?
A. No, payments must be submitted online or sent via check by mail with the printed renewal form.

License Requirements

- 8Q. Is it mandatory to view a rules meeting every year?
A. Yes. You must view the online rules interpretation meeting every year for every sport in which you are licensed. The penalty for non-compliance is probation or suspension. - A. No. You must complete an Illinois online rules exam, by the deadline. Failure to do so will result in probation or suspension.
- 11Q. Can I get credit for attending a clinic in another state?
- A. No. You must attend an IHSA Certified Clinic conducted by an IHSA Certified Clinician in order to receive credit for this requirement.
- 12Q. Is it mandatory to attend a clinic the first year an official is licensed?

Patches/Uniforms

- 15Q. Do I have to wear the patch or the embroidered logo when I officiate?
- A. It is mandatory that all officials properly wear the IHSA patch/logo on their uniform for every game/match they officiate. First year officials will receive one patch free from the IHSA Office. Our licensed officials merchandise vendors can embroider the IHSA Officials Logo on the uniform upon request when purchasing. If you are in need of more IHSA Officials Patches, you will need to send a note to our office with the following information:
1. Name and Official ID #
 2. Address you would like the patches sent to
 3. Indicate how many patches you would like

- A. The IHSA encourages you to complete and submit a Special Report Form to report an official working out of uniform. The only way to correct the problem is to do something about it.
- 17Q. Is the embroidered patch/log on the chest required?

E. Rules Meetings

1. Required. All IHSA Licensed Officials must view the annual online rules meeting or attend a traditional rules meeting.

F. Clinic Requirement

1. Each licensed official is required to attend an IHSA Certified Clinic within three calendar years of the previous clinic in order to avoid their license being suspended (i.e., if the official attended a Certified Clinic on July 28, 2015, he/she would be required to attend another clinic by the end of July 28, 2018) All new officials must attend a clinic or complete the online Level 0 clinic by the end of their second year in which they are licensed.

2. Certified Clinics can be conducted by the IHSA, local officials associations, or other interested parties, as long as an IHSA certified clinician conducts the training program.
3. If the official fails to meet this requirement, the official will be either put on probation or suspended.
4. Information regarding certified clinics and clinicians can be found on the IHSA website and in the Officials Center.
5. All sports have a Level 1 and Level 2 clinic. Check the web site for dates of upcoming clinics and the level of clinic being offered.
6. Level 1 and Level 2 clinics
The IHSA currently has two levels of curriculum in most sports. Attending a Level 2 clinic is worth 5 points and a Level 1 clinic is worth 3 points towards your power rating. It is recommended that new officials attend a Level 1 clinic.
7. The online Level 0 clinic is available for one time only and is geared toward the first year official. Information in the Level 0 clinic is valuable to all officials no matter what your sport. The online Level 0 clinic will satisfy the clinic requirement for one year. The link for the Level 0 clinic is available from the Officials Center and requires a fee.
8. ***Redeem Credit.*** If you are an official, you will need to check in. To receive credit for attendance: As you exit this meeting, go to the Clinician who has the attendance folder. The clinician will ask you to print your name and ID number on the attendance page AND take the coded label next to your name. The coded label is your key to getting credit for attending a clinic. Stick the label on your rules book or another safe place. The IHSA will have a copy of the signature page and can confirm attendance if your code becomes lost. Once you leave the meeting, **you MUST enter that code into the IHSA Officials Center (that is the password protected center) within 7 days.** Instructions on redeeming the clinic code can be found on the Officials Center log-in page. Failure to do so will mean you will NOT get credit and be placed on probation or suspension. Please allow 24 hours for credit for the clinic to be posted on your web site.

For your convenience the power point presentations for all clinics are available on line in your own personal official site for you to review under the education link. This is for review only, not for clinic credit.

 - b. Currently licensed officials must inform the IHSA of any such indictment or charge immediately upon receipt of or upon having knowledge of such indictment or charge. Failure to notify the IHSA shall itself be a basis for immediate and automatic forfeiture of the officiating license.
3. Reinstatement / Reapplication of License. An official whose license has been forfeited, suspended or revoked or an applicant who is denied a license, under the provisions of this policy, may petition for reinstatement/reapplication based on the following:

 - b. If suspension, revocation, forfeiture or denial results from a misdemeanor or other non-felony charge: The official/applicant may petition for a license immediately upon the completion of the parole/probation period (provided the offense was NOT involving a minor or a sexual offense).
 - c. If suspension, revocation, forfeiture or denial of a license is based upon any conviction, adjudication or finding involving a minor or sexual offense, reinstatement/reapplication will not be permitted, unless/until such offense has been reversed by proper authority having jurisdiction over the matter.

II. GENERAL OFFICIATING INFORMATION

A. Adding A Sport

Active officials may add a sport during the dates listed below. To add a sport, go online, complete the application and pay the fee of \$15.00 per sport. Materials are available and packets will be sent, according to the time frames listed below:

Fall Sports: May 1 to October 15

Winter Sports: May 1 to January 15

Spring Sports: May 1 to April 15

Upon receiving your packet, you will have until the deadline date listed in your Officials Center site to take the online Part I examination and online rules video in that additional sport. You must score at least an 80% on the exam. **NOTE: YOU**

ARE NOT A LICENSED OFFICIAL IN AN ADDED SPORT UNTIL YOUR PERSONAL SITE SHOWS THAT YOU ARE LICENSED IN THE SPORT. YOU WILL NOT BE REMOVED FROM PROBATIONARY STATUS UNTIL YOU HAVE SATISFIED THE REQUIREMENTS.

B. Inactive License

An official may apply for an Inactive license. An official may be inactive in one sport and active in another sport. An official on inactive status:

1. is ineligible to officiate IHSA regular-season and post-season contests;
2. accumulates years of service;
3. may maintain current promotional status;
4. ("certified" inactive officials only) may observe and evaluate other officials for promotional purposes;
5. ("certified" inactive officials only) may observe and complete rating forms for other officials;
6. is not listed in the officials directory; and
7. may not change to active status in an inactive sport until the next licensing cycle (July 1 of the next year).
8. must notify the IHSA in writing by the following dates:
Fall sports September 7
Winter sports December 7
Spring sports April 7
9. when an official resumes active status, he/she must attend a certified clinic if he/she has not met the clinic requirement prior to inactive status.
10. No printed materials are sent out to an official whose sport is on inactive status.
11. Do not have to take the exam or view the online rules interpretation video, but an official can still have the ability to do so if desired and will need to do so by the published deadlines.

C. IHSA Officials Contracted in Other States

Officials who are licensed and reside in Illinois, and wish to officiate in another state, must meet the licensing requirements of that state. Many other border states grant reciprocal licenses at a reduced rate.

Note: Some bordering state associations have by-laws similar to the IHSA's, which penalize their member schools (with forfeiture, for example) for using non-licensed officials. This is particularly possible in the summer months when school is not in session, and the Illinois official intends to become licensed the next school year in a bordering state (or states) in a sport (or sports) that the official works in Illinois. Example: Officials licensed in Boys Baseball with the IHSA, but not with the Iowa High School Athletic Association, should not accept a contract or umpire interscholastic baseball games with Iowa high schools. The use of non-licensed officials in the State of Iowa is cause for automatic forfeiture of the contest.

D. Transfer from Another State Association to the IHSA

All requirements must be met in the state of Illinois. The IHSA does not accept the transfer of exam scores, rules meetings, and clinics. May have your previous state association send years of experience and status level to be approved by the IHSA Administrator. An official coming from another state can be brought in at one level below their previous state status.

E. Appeals

An official who has had his/her license suspended, revoked or forfeited may petition for an appeal to the Board of Directors. It is the policy of the IHSA that conviction, adjudication or a finding of a sexual offense or any offense involving a minor is contrary to the interest of the IHSA and no appeal is permitted.

III. PROMOTION

- A. General.** Active officials may apply for a promotion to the next level after two years at their current level. If the second anniversary date falls during that sport season the official may go for promotion. For example, if a new Basketball official licensed for the first time on June 1, 2013, the official would not be eligible for promotion until the winter of the 2015-16 school year. Officials new to Illinois with comparable (high school or National Federation) experience from other states may have a maximum of one year waived for the initial promotion in Illinois. An official coming from another state will be brought into the Illinois system at one level below their current state status. If an official returns to Illinois, they may be reinstated at the promotional level they left Illinois, provided they have continued to officiate in other states. It is the official's responsibility to contact the former state association, and request that the appropriate information be sent to the IHSA. **All information must be completed by the end of that sports season.**

IT IS THE RESPONSIBILITY OF THE OFFICIAL TO KNOW IF THEY ARE ELIGIBLE FOR PROMOTION OR NOT

- B. Registered to Recognized.** Active officials must satisfy the following to be considered for promotion to the Recognized level:

IV. CONTEST ASSIGNMENTS, CONTRACTS & FEES

A. Availability of Officials for Post Season Contests

IHSA officials must use the Officials Center to up-date all information concerning state series assignments.

Officials are responsible for ensuring that their availability for state series assignments is correct by the established deadline. Failure to do so will impact an official's receipt of a state series assignment.

Fall sports	September 7, 2015
Winter sports	December 7, 2015
Spring sports	April 7, 2016

Officials with additional questions should contact the IHSA Officials Department at (309) 663-6377 or email at officials@ihsa.org.

- B. Independent Contractor Status.** IHSA licensed officials are considered independent contractors and not employees of the IHSA or member institutions. As an independent contractor, the official is entitled to remuneration for services rendered, but has no entitlements which may be available to an employee of the IHSA or member institutions. The IHSA does not assign officials except to state series contests. To find an assignor in your area, you will need to either contact the local high school Athletic Director or a local officials association.
- C. Contracts.** The IHSA strongly encourages all officials to enter into contractual agreements for all contests. Do not rely on verbal agreements. Although assignments may come from another source, contracts should be made with member schools. Refer to the sample in this handbook for specific language and information contained in a recommended IHSA contract. (Pgs. 37-38)
- D. Regular Season Assignments.** Regular season contests may be assigned from school personnel, local officials associations or a conference/school assignor. Any concerns or questions regarding these assignments should be directed to the assigning source or the member school.
- E. Post-Season Assignments.** The IHSA will assign officials to post season tournaments. Assignments are based on a number of factors, but not limited to the following:
1. Power Rating: 40 points possible, 8 categories
 - a. Promotional level: X - R - C, C - 5 pts., R - 3 pts., X - 1 pts.
 - b. Part 1 exam score: 96 - 5 pts., 92 - 4 pts., 88 - 3 pts., 84 - 2 pts, 80 - 1 pts.
 - c. Previous tournament experience: SF - 5 pt., Super or Semi - 4 pts., Sec/Quart 3-pts., FB second round - 2 pt., Regional - 1 pt.
 - d. All rating (use percentile based on average rating divided by # of ratings) 90% - 5 pts. 80% - 4 pts. 70% - 3 pts. 60% - 2 pts. 50 % - 1 pt.
 - e. Number of High School varsity games worked (this number is entered by the official through their Officials Center site) 70% - 5 pts., 60% - 4 pts., 50% - 3 pts., 40% - 2 pts., 30% - 1 pt. (based on number of games allowed by the IHSA by-laws in regular season for each sport by the IHSA by-laws)
 - f. Top 15 List from Assignors and Schools (based on percentile of average rating divide by the number of rating) 90% - 5 pts., 80% - 4 pts., 70% - 3 pts. 60% - 2 pts., 50% - 1 pt.
 - g. Level 2 clinic - 5 pts., Level 1 clinic - 3 pts. (within the last three years), Level 0 clinic - 0 pts.
 - h. Clinic frequency: First year 5 pts; Second year 3 pts.; Third year 1 pt. (attendance at any clinic)

2. Must have a current certified clinic
3. Must have viewed a rules interpretation meeting online during the current year
4. Completed Officials availability
5. Geographic consideration of officials assigned
6. Preference is given to Certified Officials with high power ratings - than Recognized Officials with high power ratings. High power ratings may move a Registered Official over a Certified Official in early rounds of the post season tournament.
7. Information that the IHSA has on each official in our database that is reviewed to determine assignments:
 - a. Power rating (maximum 40 pts.)
 - b. Percentile rating of the official
 - c. Percentile rating of the Top 15 List
 - d. Promotion level (X, R, C)
 - e. Previous tournament experience
 - f. Games the officials have officiated broken down by Class 1A/2A - Class 3A/4A and boys or girls games
 - g. Level of clinic 1 or 2
 - h. Geographic location
 - i. Years of experience
 - j. Last certified clinic date & level of the clinic
 - k. Last rules interpretation date
 - l. Probation/Suspension status

Officials need to make sure all data is correct on their own personal site.

The information used to determine the Power Rating is only the last two years of data collected. The computer updates weekly, so that coaches and officials ratings and Top 15 Lists are a combination of the last two years on each official.

- F. **Fees.** Fees are determined locally. The IHSA only establishes fees for IHSA State Series contests. All information regarding IHSA state series fees, etc., can be found in the Terms and Conditions of each sport.
- G. **Schools Hiring Non-Licensed Officials.** It is important for the integrity and advancement of the officiating profession that only those qualified and trained actually officiate IHSA contests. If you are aware that an IHSA member school is hiring non-licensed officials, please inform the IHSA Officials Department. The IHSA will investigate these allegations with your name remaining anonymous, if so desired.

V. OFFICIALS RATINGS

- A. **Procedures.** Coaches are required to rate every official who works a varsity contest. Information that will be obtained will be a composite rating, win or loss information from coaches, and the number of contests worked. Individual ratings from coaches and schools will remain confidential. These ratings will be used to help determine postseason assignments. Officials will be able to view the percentile rating only. Schools have until the end of the state tournament series to rate an official.

- B. State Final Official** – Must be good enough to be assigned to the State Final Tournament. Must be in the top 10% of all officials in the following categories: rule knowledge, physical appearance, mechanics and signals, positioning, game management, attitude/professionalism, consistency, judgment and reaction to pressure. (#1 Rating)
- Sectional Level Official** – Must be good enough to be assigned to a Sectional tournament. Must be in the top 25% of all officials in the following categories: rule knowledge, physical appearance, mechanics and signals, positioning, game management, attitude/professionalism, consistency, judgment and reaction to pressure. (#2 Rating)
- Regional Level Official** – Must be good enough to be assigned to a Regional tournament. Must be in the top 50% of all officials in the following categories: rule knowledge, physical appearance, mechanics and signals, positioning, game management, attitude/professionalism, consistency, judgment and reaction to pressure. (#3 Rating)
- Varsity Level Official** – This official is good enough to be assigned to varsity contests but needs more game experience to become a Regional level official. (#4 Rating)
- Lower Level Contest Only** – This official should be assigned to lower level contests to gain more game experience to become a Varsity level official. (#5 Rating)
- C. Average Rating.** Each official that officiates a varsity contest should be rated by both schools. All the ratings are added together and divided by the number of ratings for the final rating. The IHSA administrator in charge of officials determines if a 5 rating stays as part of an official's rating.

The percentile ranking of your rating is the most important component of the rating process. The percentile ranking informs the official as to what percentile their rating falls according to all the other officials in that sport. If you have a 90% ranking this means that only 10% of the officials in that sport have a better average rating than you.

The percentile ranking is found by dividing the average rating by the number of ratings and then ranking that decimal according to all other officials in that sport.

Each school is responsible to meet a minimum number of ratings in each sport. The IHSA can now track the number of ratings entered by each school. A letter is sent to each principal listing the deficiencies in rating if the proper number is not met by each school.

VI. IHSA LICENSED OFFICIALS PUBLICITY POLICY

IHSA Licensed Officials acknowledge that athletic contest and interscholastic competitions take place in the public. As such, there is no expectation of privacy in the images of officials at such events. The IHSA and/or its agents or designees may take, distribute and use photographs at athletic contests and interscholastic competitions, which may include images of officials, at such events and use the same for publicity, marketing and other appropriate purposes, including event programs.

VII. OFFICIALS UNIFORMS

Appearance should be of prime importance to any official. There is no substitute for being neat and clean, on and off the court. In certain sports, officials may dress at the contest site. When off the court, officials should not wear uniforms. Officials should be neatly dressed. A professionally attired official will receive respect on and off the court. Uniforms prescribed in the rules publication in each sport shall be worn by IHSA officials.

A. Patches

The IHSA only supplies first time officials with one shoulder emblem/patch. This item is a mandatory part of an official's uniform and must be worn by all officials. Our licensed vendors will embroider, upon request, the IHSA Officials logo to the uniform. (See list of vendors on website: www.ihsa.org)

Officials may request additional patches in writing from the IHSA Office. Patches cost \$1.00 each. Please specify the official's name, address, and ID #, as well as the quantity desired. When a request containing the proper information and payment is received, the requested patches will be sent out. State Final officials may request additional state final patches at a cost of \$2 per patch.

Sportsmanship Mission Statement

Good sportsmanship is the attitude and behavior that exemplifies positive support for the interscholastic programs of IHSA member schools, as well as for the individuals who participate in such programs. People involved in all facets of the interscholastic program are expected to demonstrate respect for others and display good sportsmanship.

Improving sportsmanship remains one of our highest priorities. By-laws 6.011 and 6.012 are a part of the continuing efforts of IHSA member schools to improve sportsmanship. This brochure contains information designed to enhance your understanding of the new sportsmanship by-laws. We urge you to read it carefully and hope you will remember to SPORT A WINNING ATTITUDE when involved in interscholastic contests.

Instructions

For the purpose of by-laws 6.011 and 6.012, “Unsportsmanlike Conduct” will include the following: fighting, verbal abuse or dissent directed toward an official or opponent, racial or ethnic slurs, profanity or obscene gestures, flagrant or violent fouls, taunting, trash-talking, or baiting, cheating, throwing or abusing equipment, physical intimidation or abuse of an official or opponent, and unauthorized leaving of the team bench area.

When a player or coach is ejected from a contest, he/she may not play or coach the rest of that contest. In addition, the ejected player or coach may not play or coach in the next interscholastic contest at that level of competition, whether held the same day or a subsequent day, and all other interscholastic contests at any level in the interim. If a coach or athlete is ejected from the last contest of a season, he/she may not coach or play in the first contest of the next interscholastic sport/activity in which the coach or player participates.

During a suspension for unsportsmanlike conduct coaches may not attend contests or travel with the team to and from contests for which they have been suspended.

A full written description of the incident, utilizing the IHSA Special Report Form, **must be submitted online by the official to the principal of the ejected player or coach and the IHSA within 48 hours of the incident.**

Schools are to set up administrative procedures to insure proper enforcement of the by-law. Failure to enforce the by-law will result in automatic forfeiture of all contests which the player or coach participates in until the required suspension is carried out. Ejections for unsportsmanlike conduct are considered decisions of contest officials and will not be subject to appeal (by-law 6.033). Schools and the IHSA may assess additional penalties for unsportsmanlike conduct of players and coaches.

Official, if you eject a player or coach this ejection is final. THERE IS NO CHANGING OF THE DECISION DURING OR AFTER THE CONTEST. THEREFORE MAKE SURE THAT THE EJECTION IS WARRANTED.

Officials — Keys to Good Sportsmanship

One of the goals of interscholastic competition is to teach important values while enriching the educational experience of the young men and women who participate. Good sportsmanship is certainly one of those important values, and as a result, promoting good sportsmanship is clearly one of our highest priorities.

We also believe officials play key roles in teaching and promoting good sportsmanship. The following information contains a brief summary of sportsmanship expectations for officials. By following these guidelines officials can enhance the lifelong lessons that are being taught in the interscholastic classroom. We urge you to read them carefully and hope you will remember to SPORT A WINNING ATTITUDE when officiating interscholastic contests in IHSA member schools.

- Accept your role in an unassuming manner. Showboating and over-officiating are not acceptable.
- Maintain confidence and poise, controlling the contest from start to finish.
- Know the rules of the game thoroughly and abide by the established Code of Ethics.
- Publicly shake hands with coaches of both teams before the contest.
- Never exhibit emotions or argue with participants and coaches when enforcing rules.
- When watching a game as a spectator, give the officials the same respect you expect to receive when working a contest.

IX. OFFICIALS INSURANCE

The IHSA will provide insurance for all licensed officials. An explanation of the insurance and contact person for the insurance company is located in the Officials Center.

X. GROWING AS AN OFFICIAL

The day you stop learning as an official is the day you start to deteriorate. High school sports programs in the State of Illinois are improving every year, and it is part of the job of the officials to grow with the games. Always remember that in order to improve, you have to be open to criticism from others. Use each contest as a learning experience. Even the best officials make mistakes.

Here are some tips for both new and veteran officials on how to keep sharp and ahead of the game.

1. **KNOW THE RULES** in order to avoid problems.
 - a. Review the rule book and note the changes.
 - b. Converse with other, more experienced, officials about rules or game situations.
 - c. Observe other officials work. Watch your counterparts during contests paying specific attention to his/her rule application, positioning, and mechanics.

2. Do not pass up the opportunity to work scrimmages or inter-squad events. These provide invaluable experience and a great pre-season warm-up.
3. MECHANICS and POSITIONING are an extremely important dimension to officiating any sport.
 - a. Be in the right place at the right time. Try not to put yourself in a situation where it is difficult to make the best call because you are not hustling, and as a result, are out of position.
 - b. If you are working with a partner, always be aware of where your partner is and what area they are covering.
 - c. Be vocal and confident when making a call. Proper mechanics not only look cleaner, but increase the credibility of the official.
 - d. Attending Officials Clinics is a great way to find the areas in which you can improve in order to be a better official.
4. Physical Fitness
 - a. It is strongly recommended by the IHSA that all member officials submit themselves to a thorough physical examination by a competent physician before undertaking his/her officiating duties.
 - b. Officials need to meet the physical demands of the job; this means conditioning is necessary before the season begins. Physical fitness is proven preventative medicine.
5. Pre-Game Preparation
 - a. Like an athlete, an official must have some kind of pre-game warm-up to allow his/her body time to physically adjust to the start of the game and its stresses.
 - b. Pre-game should be used to put yourself into the mental aspect of the game. Prepare yourself for what will happen, what could happen, and what has happened before. Focus is key.
 - c. Pre-game should also be used to communicate with your partner/s (when applicable). It is imperative that you communicate when working with a partner. Communication makes for a smoother game.
6. Goal Setting
 - a. Setting attainable goals for each season is a way to focus on working hard to be the best official that you can possibly be.

CODE OF ETHICS

National Federation of State High School Associations

The NFIOA Board of Directors has developed and officially adopted the following Code of Ethics for high school officials.

Declaration of Policy:

Schools have entrusted us to assist them in the educational development of their youth through athletics. The proper operation of such a process requires that officials be independent, impartial and responsible to people they serve. In recognition of these expectations there is hereby established a Code of Ethics for all officials. The purpose of the code is to establish guidelines for ethical standards of conduct for all officials.

An Official must devote time, thought and study to the rules of the game and the mechanics necessary to carry out these rules so that one may render effective and creditable service in a fair and unbiased manner.

An Official must work with fellow officials and the state association in a spirit of harmony and cooperation in spite of differences of opinion that may arise during debate of points or rules at issue.

An Official must resist every temptation and outside pressure to use one's position as an official to benefit oneself. Under all circumstances, officials must avoid promoting the special interest of any person or group of persons other than the athletes we serve.

An Official must constantly uphold the honor and dignity of the avocation in all personal conduct and relations with the student-athletes, coaches, athletic directors, school administrators, colleagues, and the public, to be a worthy example to the athletes under one's jurisdiction.

An Official will be prepared both physically and mentally, dress according to expectations, and maintain a proper appearance that is befitting the importance of the game.

The Official shall avoid the use of tobacco products at the contest site.

An Official must remember and recognize that it is important to honor contracts regardless of possible inconvenience or financial loss.

Every member of the officiating profession carries a responsibility to act in a manner becoming a professional person. The conduct of any official influences the attitude of the public toward the profession in general as well as toward the official in particular.
