2013 – 2014 Scholastic Bowl Series Terms and Conditions

In accordance with Section 1.450 of the IHSA Constitution, the Terms and Conditions governing the IHSA Class A and AA Scholastic Bowl State Tournament Series have been approved by the Board of Directors.

I. Competition in the IHSA Scholastic Bowl Tournament Series will be determined on an enrollment basis and will operate under the two class system.

A. The classification of a school shall be determined on the basis of its total student enrollment figure reported to the Illinois State Board of Education in its Fall Housing Report on September 30 of the preceding school year.

B. For classification purposes, the total student enrollments for one-year high schools, two-year high schools, three-year high schools and high schools which enroll boys only or girls only shall be calculated as follows:

1. For one-year high schools, the total student enrollment figure reported shall be quadrupled.

2. For two-year high schools, the total student enrollment figure reported shall be doubled.

3. For three-year high schools, one-third of the total student enrollment figure shall be added to the total student enrollment figure reported.

4. For schools which enroll boys only or girls only, the total student enrollment figure reported shall be doubled.

C. A multiplier of 1.65 will be added to all non-boundaried schools.

D. Schools participating in sports and activities operating under the two-class system shall be classified as follows:

1. Schools with enrollments of 518 and below will be Class A (50% of the membership).

2. Schools with enrollments of 518.01 and above will be Class AA (50% of the membership).

II. DATES AND SITES

A. Seeding Meeting: The seeding meeting will be hosted at the Sectional Tournament site on Wednesday, February 12, 2014. Information regarding this meeting will be sent by the Local Sectional Manager in advance of this meeting.

B. Regionals: Class A and AA Regional tournaments will be held on Monday, March

10, 2014, at sites to be announced after the seeding meetings. Regional sites will be determined by the schools at the seeding meetings.

C. Sectionals: Class A and AA Sectional tournaments will be held on Saturday, March 15, 2014, at sites to be announced.

D. State: The Class A and Class AA State Final Tournament will be held on **FRIDAY, March 21, 2014**, at the Peoria Civic Center, Peoria, Illinois.

E. Changes to Dates, Sites and Times: No local manager is authorized to change the date or order of matches as determined and announced by the IHSA. Matches must be played as listed from top to bottom on the official pairings unless otherwise changed and approved by the Illinois High School Association.

III. ON-LINE ENTRIES, WITHDRAWAL PROCEDURES, ELIGIBILITY, AFFIRMATIVE ACTION AND ON-LINE LIST OF PARTICIPANTS

The policy for Original School Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities. **Directions:** go to www.ihsa.org; click on Schools & Officials Center login (an administrative password is required to access this area and perform this task), Enter your User ID and Password (5 digits, a letter followed by 4 letters), go to the activity tracker and click the button to add sports/activities for the upcoming year. Sports/Activity Entry Deadlines are Sept. 6 (fall), Nov. 1 (winter) and Feb. 1 (spring).

A. On-Line School Entries: All member schools must enter their school into the State Scholastic Bowl competition through the IHSA School Center on the IHSA Website at www.ihsa.org to compete at the Regional level. **Do not confuse On-Line School Entries with entering your School's On-Line List of Participants.** They are two different processes. On-Line School Entries are used to enter your school into State Series Competition in order for IHSA to assign your school to a Regional Meet. The deadline for school entry is **November 1, 2013.**

B. Late On-Line School Entries
Any attempt to enter a sport or activity online after the established deadlines will be denied. Schools that wish to enter after the

deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school.

C. Breach of Contract By-law 6.041 (Withdrawal Procedure)

To withdraw without penalty, the Principal must send an email to Tammy Craig (tcraig@ihsa.org), notifying IHSA of the school's withdrawal from Scholastic Bowl prior to February 10, 2014.

If a school withdraws after the Seeding Meeting and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

D. Eligibility: Only students who are eligible in accordance with IHSA By-laws may participate in the IHSA Scholastic Bowl Tournament Series. A school may enter one (1) team in the IHSA Scholastic Bowl State Tournament Series. A maximum of fifteen (15) competitors will be allowed to participate for a school in the Regional, Sectional and/or State Final tournaments. Five (5) team members must start the match. However, fewer than five (5) players may continue in the day's competition if there are extenuating circumstances. A coach must designate one of the five participating players as captain.

E. Team Record Report Form: All schools must submit their On-line Team Record Report Form via the Internet through the IHSA Schools Center Web Site to the IHSA Office. This document provides the sectional host your win/loss record for the purpose of seeding the top 8 teams in each sectional at the seeding meeting. The On-Line Team Record Report Form must be received in the IHSA Office by noon on **Friday, February 7, 2014.** You may go back online to make adjustments to your Team Record Report Form until noon on Monday, February 10, 2014, but you must have sent it originally by February 7 in order to meet the deadline. The Team Record Report Form will only indicate any team's win/loss record. Coaches are encouraged to bring their season score book to document their record to the seeding meeting, indicating who they competed against and match scores. Again, please note that all participating schools are **required** to submit their Team Record Report Form online to the IHSA. If a school does not submit the

On-Line Team Record Report Form by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's On-Line Team Record Report Form and are consequently ruled ineligible for the State Final Series **must formally withdraw** (see Withdrawal Procedures/Breach of Contract above in section III-C).

NOTE: Each coach will provide a team roster to the manager at each Regional and Sectional Tournament in which they compete. A typed list is preferred by tournament managers.

The IHSA will post all of the Team Record Report Forms from schools assigned to their Sectional Tournament in the IHSA Schools Center on the afternoon of Tuesday, February 11, 2014. This file will allow managers to pre-see the teams assigned to their sectional prior to coaches arrival at the seeding meeting. Adjustments to records can be made at the seeding meeting with proper documentation. All schools are encouraged to attend the seeding meeting, but it is not required. Coaches need to remember they cannot contest the seeding meeting results, if they do not attend the seeding meeting. **REMEMBER YOU MUST COMPLETE THE ON-LINE TEAM RECORD REPORT FORM BY NOON, FRIDAY FEBRUARY 7, 2014.**

Confirmation: Schools can login to their School Center site on the IHSA website and select Activity Tracker to verify that their On-Line Team Record Report form has been received by the IHSA Office.

F. State Final Program Information: All sectional champions are REQUIRED to go on-line and complete the **State Final Program Information located in their school center by 8:00 a.m. the Monday following sectional tournaments, (March 17, 2014).** The IHSA will utilize the name spellings and year in school data from the State Final Program Information submitted on-line by Sectional Tournament winners for publication in the State Final Program. Failure to provide this information by the deadline will result in your team page in the State Final Program being blank. If you experience difficulties with this process, please email (clowery@ihsa.org) or contact Cheryl Lowery at (309) 663-6377 at the IHSA Office. This link will not be activated until the day following Regional contests, Tuesday, March 11, 2014.

IV. HOST FINANCIAL ARRANGEMENTS

A. Regional Host Allowance: The host school shall pay all local tournament expenses and issue checks to tournament workers. The host school shall receive a \$200.00 guarantee plus the cost of the moderators and scorers.

B. Sectional Host Allowance: The host school shall pay all local tournament expenses and issue checks to tournament workers. The host school shall receive a \$250.00 guarantee plus 40.00 for hosting a seeding meeting and reimbursement for the moderators and scorers.

C. Team Tournament Expense: Neither the State Association nor local meet management will assume responsibility for any team expenses for any tournament.

D. Admission Prices: There shall be no admission price for the Regional, Sectional or State Final tournaments.

E. Rights Fees for TV and Radio

1. Television Rights Fees to be charged by local managers and/or the IHSA are contained in the IHSA Television Policy.

2. Radio fees which shall be charged are:

- Regional Tournament = No charge
- Sectional Tournament = No charge
- State Final = \$50.00

3. Policy regarding media requirements for each local manager is contained in the current News Media Directory.

V. TOURNAMENT ASSIGNMENTS AND SEEDING MEETINGS

A. Assignment Structure: All schools entered in the IHSA Class A and Class AA State Scholastic Bowl Tournament Series will be assigned to thirty-two (32) regionals and eight (8) Sectional tournaments for each class on a geographical basis by the IHSA Office.

B. Seeding Meeting

1. The Sectional Manager will conduct a Seeding Meeting Wednesday, February 12, 2014 for the purpose of seeding teams and determining the four (4) Regional host schools. The meeting shall be held after school hours. The time shall be designated by the Sectional Manager. Sectional Managers should take into consideration the travel time of competing schools when establishing this meeting time. While highly recommended, attendance is not required.

2. The Sectional Manager should cover the following points of emphasis at the Seeding Meeting:

- Matching tops are required (Tops must be similar, not necessarily identical).
- Name Plates (no nicknames)
- Sportsmanship (at all times)
- Reminder to review the Scholastic Bowl School and Manager Manuals

e. A team is required to have five (5) members to begin a match. Fewer than five (5) may continue in the day's competition, if there are extenuating circumstances.

3. The top eight (8) teams in each Sectional will be seeded.

4. Before a seeding vote begins, each team's weighted winning percentage should be displayed. The weighted winning percentage is calculated in the following manner: (winning percentage) + (total number of matches ÷ 100). For example; 6 wins and 2 losses $6/(6+2) + (6+2)/100 = .83$ compared to 25 wins and 15 losses $25/(25+15) + (25+15)/100 = 1.025$. The following criteria should be applied when determining seeds:

- Head to Head common opponent or record
- Number of Matches Played
- Win/Loss Record
- Quality of Competition
- Returning players

5. Each school's representative should bring a record of season's matches. They should also bring enough copies to distribute to each school in the sectional. These sheets will be used by coaches in attendance to help guide their voting.

6. Any school who fails complete their On-Line Team Record Report by the deadline, are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. As a courtesy to your seeding meeting host, please contact them to indicate whether you plan to attend the seeding meeting.

7. Each school's representative will have **three (3) minutes** to present their case as to where their team should be seeded. This time may not be used to raise other issues, and this time may not be used to speak about other teams. Coaches may waive their time.

8. Coaches will then rank the top eight (8) teams in their Sectional. Each coach will complete a ballot listing all teams. Each coach will rank the top 8 teams. **The best team will be given the number 8**, next best 7, etc. Total each team's points and calculate an average by dividing the team's total points by the number of teams **eligible** to vote for them. This would be one (1) less than the total number of teams present at the seeding meeting for any school that is in attendance at the seeding meeting. All ballots must be made public. No school may vote for itself (this is the reason we use one (1) less than the total number of schools present at the seeding meeting when calculating the average). The team with the highest average will be the number one (1) seed. Continue with this process until eight (8) teams are ranked.

9. Coaches should consider the following when voting: weighted winning percentage, head-to-head records, records against common opponents, placing in tournaments, and strength of schedule.

10. For purposes of seeding, no school should include its own "B", "C" or "D" team's record on the Sectional Seeding Team Information Report sheet.

11. The IHSA will assign Sectional Hosts (any participating school is invited to host a Sectional Tournament, simply contact Ron McGraw). Regional sites will be filled at the seeding meeting. The opportunity to host a regional will be offered first to the top four (4) teams in each Sectional. If the top team is unwilling to host a Regional, the hosting opportunity will pass to the next highest seed until all teams are given an opportunity to host. **Geography shall be considered when selecting Regional host sites.**

12. **Regionals that do not have a host will be cancelled. Do not leave the Seeding Meeting without identifying four (4) hosts. Coaches must know that their school administration has or will approve their school as a host. Coaches must discuss the possibility of hosting prior to offering their school as a host.**

13. After the meeting, the Local Sectional Manager will email or fax the Seeding Report Form results to Ron McGraw at the IHSA. This form will be e-mailed to each Sectional manager prior to the seeding meeting. Upon receipt of all results from the Sectional Seeding Meetings, the IHSA will assign each school into a Regional Tournament based on the geography of the Regional hosts identified at the Sectional Seeding Meeting. Every effort will be made to separate the top 4 seeds in each Sectional, but this is not guaranteed (this can be impacted by who volunteers to host, and the geography involved). The Regional pairings will be posted on the IHSA Scholastic Bowl; State Series Information and Results; assignments web page.

VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

A. Regional Pairings: The bracketing and pairings of teams for each Regional will be completed in the IHSA Office on the basis of a combination of volunteering host schools, geography and seed. The pairing announcements will be posted on the IHSA Scholastic Bowl; State Series Information and Results; assignments web page.

B. Sectional Pairings: At the Sectional Tournament the Regional Winners will compete in a pool play format. The teams will play three (3) matches. The team with the most wins will advance to the State Finals.

Within the Sectional, Regionals will be identified as A B, C and D. Regionals A and B will contain the number 1 & 2 seeds respectively from their sectional. Regionals C & D will contain the number 3 & 4 seeds respectively from their sectional.

The sectional round robin component of the State Series will be assigned as follows:

Round 1: A vs. D
B vs. C

Round 2: A vs. C
B vs. D

Round 3: A vs. B
C vs. D

1. If two teams are tied with identical records in a pool, the head-to-head result in pool play will break the tie, and determine advancement.

2. If three teams are tied with identical records in a pool, the total points scored in pool play (against the tied teams) will be used

to break the tie, and determine advancement (regardless of head to head records in that pool).

3. In the event that three teams are tied with identical records, and two of those three teams have identical total points scored in pool play (against the tied teams), the head-to-head result in pool play will break the tie between those two teams, and determine advancement.

4. If three teams are tied with identical records in a pool, and all three teams have identical total points scored in pool play (against the tied teams), the team with the larger number of toss-up questions answered correctly will break the tie, with the head-to-head result in pool play used to break any remaining ties.

5. If the above methods cannot break a tie between three teams, teams will be drawn by lot to determine advancement among tied teams.

C. Regional Rounds: Each Regional Tournament will consist of three (3) rounds of single-elimination matches. At some Regionals, additional preliminary rounds may be necessary depending on the number of teams assigned to the regional.

D. Number of Rounds: Each Sectional Tournament will consist of three (3) rounds of pool play.

VII. ADVANCEMENT OF WINNERS

A. Regional to Sectional Advancement:

The winner from each Class A and Class AA Regional tournament will advance to compete in their respective Sectional.

B. Sectional to State Advancement:

The winning team from each Class A and Class AA Sectional tournament will advance to compete in their respective Class State Final tournament. The winning teams from the eight (8) Class A and eight (8) Class AA Sectional tournaments will compete in the State Final tournament for first, second, third, and fourth places in their class.

C. State Final Format

1. Eight (8) teams from Class A and Class AA will compete in Pool Play at the State Finals. The eight (8) teams in each class will be divided by blind draw into two separate pools of four (4) teams each. The teams will play a round-robin format in which each team will play three (3) matches. The winner of each pool will advance to the Championship match in their class. The runner-up in each pool will compete in the Consolation match in each class.

2. If two teams are tied with identical records in a pool, the head-to-head result in pool play will break the tie, and determine advancement.

3. If three teams are tied with identical records in a pool, the total points scored in pool play (against the tied teams) will be used to break the tie, and determine advancement (regardless of head to head records in that pool).

4. In the event that three teams are tied with identical records, and two of those three teams have identical total points scored in pool play (against the tied teams), the head-to-head result in pool play will break the tie between those two teams, and determine advancement.

6. If the above methods cannot break a tie between three teams, teams will be drawn by lot to determine advancement among tied teams.

VIII. TOURNAMENT RULES

A. Official Rules: The official rules governing competition in the State series tournaments shall be those included in the IHSA Scholastic Bowl School Terms and Conditions, IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual. All of these resources can be found at www.ihsa.org; click on Sports & Activities; click on Scholastic Bowl. Local tournament managers are responsible for making sure the competition is conducted in accordance with these official rules.

B. Moderator's Authority: The moderator has the final authority and shall decide all matters arising during the match that are not specifically covered in the current IHSA Scholastic Bowl School Terms and Conditions, IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual.

C. Local Manager's Authority: The Local Manager shall be authorized to make all administrative decisions based on the enforcement of the current IHSA Scholastic Bowl School Terms and Conditions, IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual. All of these resources can be found at www.ihsa.org; click on Sports &

Activities; click on Scholastic Bowl; under Resources, click on the appropriate link. Situations not stipulated in any of the IHSA rules are administrative in nature and shall be made by the local manager. The Local Manager's decision is final.

D. Appeals to the IHSA: The decisions of match moderators and Local Managers shall be final and cannot be appealed. The IHSA Board of Directors will not review decisions of the contest officials, whether an alleged error is due to faulty judgment, misinterpretations of the rules, or acceptability of the competition questions.

E. Number of Players: A team shall consist of a maximum of fifteen (15) players. Five (5) team players must start the match. A coach must designate one of the five participating players as captain. Fewer than five (5) may continue in the day's competition, if there are extenuating circumstances.

F. On-Line Team Record Report Form: All schools entered in the Scholastic Bowl State Series must go on-line to submit their team's "Team Record Report Form" before noon on Friday, February 7, 2014. If a school does not submit the On-line Team Record Report Form by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's On-Line Team Record Report Form and are consequently ruled ineligible for the State Final Series **must formally withdraw** (see Withdrawal Procedures/Breach of Contract III-C).

1. Regional, Sectional, State Final Rosters: At the Regional, Sectional and State Final, the coach or faculty representative must bring a copy of their School's Team Roster indicating which fifteen (15) players will compete in the respective level of competition before his/her team competes in the first round of competition in those tournaments. The fifteen (15) players for each level of competition (Regional, Sectional and State Final) can change as long as the players are in all aspects eligible to compete in IHSA activities.

G. Coaches

1. Each team shall be accompanied by at least one faculty member or other adult who has been designated as coach by the principal of the high school.

2. Each school should designate to the moderator before the match begins the name of one (1) adult who will act as head coach. This head coach will be the only person permitted to approach the moderator and be involved in consultations with the moderator without being specifically requested to do so by the moderator.

3. A school using "co-coaches" must designate a single head coach for a match, but may change head coaches for different matches in the same tournament.

H. Team Seating: The competitors within each team will be seated side-by-side and facing in the same direction. The moderator will be positioned so as to see the faces, name plates, and responder lights of all competitors, and as close as possible to halfway between the two teams. Coaches and reserve players should be physically separated from the competitors and may be behind or in front of the teams depending on room constraints. Only coaches, school officials, and substitute players may sit at the coaches table. When there are a large number of spectators watching a match the preferred setup is to have the teams positioned in a chevron (V-shape), with moderator at the point of the V, all facing the coaches, reserve players, and spectators.

I. Dress: All Scholastic Bowl teams must wear appropriate matching tops for competing in the state series. Matching tops shall be defined as being similar in style, color, and markings. Members of the same gender must have similar tops, though males may wear slightly different tops than females.

1. Team competitors and coaches will appear in appropriate attire. Acceptable apparel will include, but not be limited to: slacks, turtlenecks, sport shirts with collars, sport coats, T-shirts, sweatshirts, sweaters, nice jeans, skirts and dresses.

2. Unacceptable apparel will include, but not be limited to: tank tops, cut-offs, short-shorts, clothing that advertise alcohol, drugs, or explicit material, jeans with holes or patches, hats or non-religious head gear, boxer-type shorts, spandex tights, hooded sweatshirts or pants worn below the hips.

3. A student or coach may wear apparel that bears the trademark or logo of a manufacturer or distributor during competition provided that the student or coach's apparel bears only a single manufacturer's or distributor's normal label or trademark, not to exceed a one and one-half inch by one and one-half inch square.

J. Illegal uniform

1. When a team cannot begin a match with 5 players wearing legal, matching uniform tops, 30 points shall be awarded the opponents. The penalty will be assessed at the beginning of each match of the state series that the team is in violation. The moderator will notify the IHSA of non-compliance.

2. If it is discovered that a player with an illegal uniform started or entered the match, and at least one toss-up has been read while that player was in the match, the moderator will call a time out. The player must leave the match, and a substitute player with a legal uni-

form, if available, may enter in his/her place. The player with the illegal uniform may not re-enter the match until he/she has a legal uniform and the coach has called a time out. If a substitute player with a legal uniform is not available; 30 points shall be awarded the opponents and the player with the illegal uniform may re-enter the match immediately.

K. Nameplates:

1. Each individual playing in the game must display their name on a legible placard that will be displayed in front of the player at all times so that the moderator can read the name on the placard. At the state final nameplates will be supplied.

2. The name printed on the placard must match the first name of the player on the team roster given to the tournament manager before the tournament began. Diminutive forms of names (i.e. Mary for Maria; John or Jack for Jonathan) are acceptable. Nicknames are unacceptable.

3. Players attempting to enter the game will not be permitted to enter the game until they are in compliance with this rule.

4. State Final Tournament nameplates will be supplied by IHSA. They will be issued to every person listed on the team in the data submitted by each participating school in their State Final Program Information.

L. Forfeit(s):

1. **Time:** Each team present at the host site should be at their match location at least five (5) minutes before the match is scheduled to begin. A team that is not present when the round is scheduled to begin shall forfeit its match. A team arriving at a host site and their match location after the scheduled start time for the match, without calling ahead, shall forfeit all its matches that day. If a team calls ahead to notify the host of the delay, the start time can be moved to accommodate the delay, but never by more than 45 minutes. Note: When entering a forfeit in the IHSA ScoreZone managers must select the "forfeit" option. In addition they must enter a score of 1 to 0 to indicate to the computer software which team received the forfeit and the win.

2. **School representative:** Each team shall be accompanied by at least one faculty member or other adult who has been designated as coach by the principal of the high school. Failure to have such a representative will call for the team to forfeit.

3. **Number of players:** Five (5) team players must start the match. Failure to start the match with five (5) team players will cause the team to forfeit. However, fewer than five (5) team players may continue in the day's competition if there are extenuating circumstances.

Note: Any team which forfeits a match in pool play, will be excluded for the remainder of that competition and all matches

played to that point in that pool play will become void. This will eliminate all points scored for and against for the forfeiting team and all of the teams they have competed against.

4. **To Record a Forfeit:** When reporting scores in the IHSA ScoreZone, forfeits must be recorded as a forfeit. In the appropriate box, click on "Forfeit." In the score box area you must enter a score of 1 to 0 so the computer knows who received the forfeit, and consequently won the match.

M. Question formats:

1. Match questions will be a combination of toss-up and bonus. Toss-ups are worth ten (10) points each. Bonus questions are three (3) parts worth ten (10) points each and are rebounding. Rebounding refers to the fact that the team to which the bonus is NOT awarded has the opportunity to answer any part(s) not answered correctly by the team to which the bonus was originally awarded.

2. No true-false or other types of two-option questions will be permitted.

3. Multiple choice toss-up questions will not be permitted. Multiple choice bonus questions will not be permitted except in the case where the setup enumerates a list of potential word-choice answers (in order to limit the range of possible answers) and there is not a one-for-one matching correspondence between the choices and bonus parts.

4. Audio and visual material in questions may be used.

5. If a handout is to be used for a question, a copy of the handout must be provided to each playing member of both teams.

6. Bonus parts will be read, and rebounded if necessary, one part at a time. As such, succeeding parts of bonus questions (parts 2 and 3) may reveal, or refer back to, the answer to previous parts of the same bonus question.

7. The topic of the toss-up should be different from its bonus. Question category in a round should be ordered in a non-predictable, apparently random way but with some balance between halves. The last three (3) toss-up questions and the last three (3) bonus questions in each match may not be from the miscellaneous category.

8. Bonus parts should be related in some way and tied together with a setup that helps focus players' thoughts.

9. For non-computational toss-ups, the preferred style is multi-clue, starting with a more challenging clue and ending with a clue that most teams should reasonably be expected to answer correctly. Question writers and editors should exercise restraint and use their best judgment to limit the number of, and length of, clues so that toss-ups are of a reasonable length.

10. For all bonus questions, the preferred style for each part is straightforward or single-clue, with brevity a consideration. This

guideline is not intended to stifle creativity, limit necessary information, or require that all bonus parts be easy. Each bonus should be constructed with one easy part, one moderately difficult part, and one difficult part.

11. For computational bonus questions, each part should be answerable by a competent player within 10 seconds. While the bonus parts should be in some way related, having all parts use the same exact formula, pattern, or algorithm is discouraged.

12. Question writers and/or editors are encouraged to consider and research alternative correct answers and/or common, similar, or related incorrect answers and to list them with instructions to the moderator to "accept also", "do not accept", or "prompt on."

13. Questions should be pristine – **writers may not re-use questions from previously written competition sets or practice sets.** Word-for-word plagiarism from copyrighted sources or previously used question sets is not permitted. **Writers may consult printed or online sources for facts or definitions to use in creating fresh questions. If a source is paraphrased or quoted verbatim, the source must be cited in a note or as part of the question; no citation is needed for information that is generally known or that can be found in many different sources.** Short excerpts from primary sources such as literature, poetry, music, film, and other media are permitted, especially when the intent of the question is to identify the source, author, era, or other information for which the excerpt is a clue.

14. The vast majority of questions should be academic in nature and relevant to topics typically taught in Illinois High Schools, including Advanced Placement courses, as per the sub-categories listed in VIII-O. Each round should contain questions from a variety of places and eras, and no one place or era should dominate any category or the series as a whole. While there should be some basic questions and some challenging questions in every round, the general trend and flow of the series should be increasing in difficulty from Regionals to Sectionals to the State Finals.

15. Within the first few words or within the first clue, toss-up questions should uniquely identify what is being asked (by using a pronoun, or a phrase such as "identify the person" or "name the book"). Avoid starting toss-up questions with statements containing superfluous information that will cue a knowledgeable player to buzz in early with an applicable, germane, but incorrect answer. In no case should a toss-up begin by heading in one direction, then change direction and ask a completely different question.

N. Lockout System: A ten-position electronic lockout response system will be used for all matches in the State Scholastic Bowl Series. **Lockout systems will be provided by IHSA for use during the State Final matches.**

Regional and Sectional moderators may communicate with each other for purposes of reviewing the questions as soon as they are able to.

2. 4. The Local Manager may have the most experienced moderator discuss specific rules, or may conduct that part of the meeting himself/herself.

From: Ron McGraw, Assistant Executive Director

This manual is for use by Schools entered to participate in the 2013-2014 Scholastic Bowl State Series. Please check with the Official Representative of your school to check your schools entry status. This manual contains important information for the Scholastic Bowl coach to stay eligible to compete in Regionals, Sectionals, and the State Final Tournaments. Please read this manual in its entirety to keep informed and familiar with the following important items, dates and times contained in this manual.

If you receive an email from the IHSA office, please do not ignore it. Please forward it immediately to the appropriate person for follow up with our office. This is a “Red Flag” that IHSA needs important information from your school. If you are not the person or your personnel has changed, please notify our office so IHSA can correct our records.

If you don't intend on participating in the 2013-2014 Scholastic Bowl State Series, please notify your Official Representative immediately and ask him/her to withdraw your school from the Scholastic Bowl State Series (failure to do so will result in a \$100.00 fine to your school).

Assignments: Schools entered into the Scholastic Bowl State Series will be assigned to Sectionals and Regionals throughout the state. Entering schools will be assigned to 32 Class A and 32 Class AA regional sites. Sectional assignments will be posted on our Scholastic Bowl Activity webpage at: <http://www.ihsa.org/SportsActivities/ScholasticBowl/StateSeriesInformationResults.aspx> after the November 1st school entry deadline. Please contact Ron McGraw or Cheryl Lowery at the IHSA if your school isn't assigned to a Sectional on November 1. Assignments indicate what Sectional and Sectional Seeding Meeting your school is assigned to. Regional pairings will be posted by Friday after the Sectional Seeding meeting indicating Regional Hosts, pairings and assignments. Unless schools officially withdraw through the IHSA Office by the deadline date indicated in the Terms and Conditions, they will be included in the draw.

Terms and Conditions: The Terms and Conditions govern the IHSA State Scholastic Bowl Tournament Series and are available with this manual as well as on-line on the Scholastic Bowl Activity webpage under “Resources”. Coaches must have a valid email on file in the School's Center to be issued a password. **PASSWORDS ARE NOW ASSIGNED TO EVERY COACH.** Click on “Team Record Report Form” – Type in your record and save and print your page.

Required On-Line Team Record Report Form: All schools must submit their On-line Team Record Report Form via the Internet through the IHSA Schools Center Web Site to the IHSA Office. This document provides the sectional host your won/lost record for the purpose of seeding the top 8 teams in each sectional at the seeding meetings (If you haven't competed, you still must enter a won/lost record 0-0). The On-Line Team Record Report Form must be received in the IHSA Office by noon on **Friday, February 7, 2014**. You may go online to make adjustments to your Team Record Report Form until noon on Monday, February 10, 2014 (but you must have sent it originally by February 7th to meet the deadline). The Team Record Report Form will only indicate any team's won/lost record. Coaches are encouraged to bring the seeding meeting their season score book to document their record, who they competed against and match scores. Again, please note that all participating schools are **required** to submit their Team Record Report Form on-line to the IHSA. If a school does not submit the On-Line Team Record Report Form by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's On-Line Team Record Report Form and are consequently ruled ineligible for the State Final Series **must formally withdraw**.

NOTE: Each coach will provide a team roster to the manager at each Regional and Sectional Tournament in which they compete. A typed list is preferred by tournament managers.

IMPORTANT: IF YOUR SCHOOL IS RECEIVING REMINDERS FROM THE IHSA OFFICE TO COMPLETE THE TEAM RECORD REPORT FORM PROCESS, THAT MEANS YOUR SCHOOL IS STILL ENTERED IN THE SCHOLASTIC BOWL STATE SERIES OR YOU HAVE NOT CHECKED THE COMPLETE BUTTON ON THE TEAM RECORD REPORT FORM. DO NOT IGNORE NOTIFICATIONS, OTHERWISE YOU MAY BE IMPOSED THE \$100.00 PENALTY FOR NOT WITHDRAWING PROPERLY.

Once the Team Record Report Form deadline passes you will no longer be able to access it to print a copy. Once the deadline passes, the Activity Tracker will indicate so. It does not indicate that you failed to complete the Team Record Report Form. It does mean the deadline has expired and IHSA is now importing your information for your sectional manager to use to seed their meet.

Team Record Confirmation: Coaches can login to their School Center site on the IHSA website and view the Activity Tracker to verify that their On-Line Team Record Report form has been “Completed” and received by the IHSA Office. Schools may make changes to their Team Record Report Form by updating their Team Record Report Form, until 2:00 p.m. on Monday, February 10 when the site is closed.

The IHSA will send each Sectional Host (and all seeding meeting hosts) all of the Team Record Report Forms assigned to that Sectional Tournament for seeding purposes on the afternoon of February 11, 2014. All schools are encouraged to participate in the seeding meeting. However, each school continues to have the option of attending their seeding meeting. **REMEMBER YOU MUST COMPLETE THE ON-LINE TEAM RECORD REPORT FORM BY NOON FRIDAY, FEBRUARY 7, 2014.**

Download Center: Go to www.ihsa.org, click on “Resources” on the IHSA Main Page; click on Download Center to find Graphics and other forms not included in the IHSA Schools Center.

Interactive Forms: All interactive forms necessary to participate in Scholastic Bowl can be found on www.ihsa.org by clicking on the “Schools & Officials Center Login” and entering your schools User ID and Scholastic Bowl Coaches password.

School and Team Information: Schools may be requested to send information to Regional Managers and/or Sectional Managers well in advance of the competition dates for planning purposes and for use in preparation of programs. You are encouraged to mail or FAX this information in a timely manner, if requested to do so.

Official Regional Team Roster: A team roster must be submitted to the Regional Tournament Check-In Manager upon arrival, or at the latest, immediately following the coaches’ meeting. **The team roster shall include a maximum of 15 players (mark the 15 participants on your List of Participants).** The school will be limited to the use of no more than 15 eligible players included on the team roster. Five team members must start the match. A coach must designate one of the five participating players as captain. To be included on the team roster, a player must be eligible under all the eligibility rules and conditions of the IHSA. Eligibility is certified by the Principal of the participating school. Eligibility questions should be directed to your Principal.

Regionals: The regional champion team will advance to the local Sectional Tournament. **The date for all Class A and AA Regional Tournaments is Monday, March 10, 2014 (after school hours).**

Sectional Seeding Meetings: Sectional Seeding Meetings will take place on February 12, 2014. At this meeting teams will be seeded and Regional hosts will be determined. It is not mandatory to attend, but highly recommended by the IHSA Office. If a representative from your school will not attend their assigned seeding meeting, please be courteous and notify your Seed Meeting Host of your intentions. Regional hosts will be determined at the seeding meeting.

Sectionals: The date for all Class A and AA Sectional Tournaments is Saturday, March 15, 2014. Four teams compete at a Sectional and all Sectional Tournaments will consist of 3 matches in a pool play format.

Sectional Champions: Sectional champions will advance to the State Final Tournament. Each sectional champion **MUST** enter their team information in the IHSA Schools Center no later than 8:00 a.m., Monday, March 17, 2014 to enable IHSA to produce the Scholastic Bowl State Final Program. **Go to:** IhSA.org; click on “Schools & Officials Center Login”; enter School User ID and Scholastic Bowl Coaches password; “Required Data Forms” and click on State Final Information then follow screen instructions. Schools must email photographs of the team, coaches and administration along with the cutlines to clowery@ihsa.org by 8:00 a.m. on Monday, March 17, 2014. Coaches are urged to plan ahead.

State Final Tournaments: Both the Class A and Class AA State Final Tournaments will be held at the Peoria Civic Center on the same **FRIDAY**, March 21, 2014, as the Boys Class 3A & 4A Basketball State Final Tournament. It is hoped that the heightened media attention and the large group of spectators already on hand will make this experience an exciting one for all teams involved and will help to increase the level of awareness of Scholastic Bowl among members of the general public. Eight teams will compete in each State Final Tournament. Each tournament will consist of 3 matches in a pool play format, with the top two teams competing for the championship and the next two teams competing in the consolation match.

State Final Housing: Sectional champions advancing to the State Final tournament need to make their own hotel/motel arrangements. You must contact the hotel of your choice to secure housing (if you plan to stay overnight). For information concerning housing opportunities contact the Peoria Area Convention and Visitors bureau. The phone number to call is 1-800-747-0302. It is our suggestion you make room reservations immediately upon completion of the Sectional.

State Final Food & Beverage Policy: Centerplate Catering is the sole caterer of food & beverage functions on Civic Center property. Under no circumstances will customers be allowed to bring in outside food or beverages. State Final qualifying teams will be provided an option to pay for Lunch through Centerplate Catering at a low cost. Further details and procedures will be forthcoming in the State Final Instructions posted on the IHSA Scholastic Bowl website closer to the State Final.

We wish all coaches and teams the best of luck in their pursuit of a Regional, Sectional, or State Scholastic Bowl Championship!

8/9 IHSA Catastrophic Insurance Plan Announced

IMPORTANT — Effective date is August 5, NOT January 1.

Last week, Governor Pat Quinn signed the "Rocky Clark" Catastrophic Insurance legislation into law. Beginning August 5, 2013, each high school in the state of Illinois must obtain catastrophic accident medical insurance for its student-athletes with a minimum of \$3,000,000 of coverage over a 5-year benefit period.

As the athletic/activity insurance partner of the Illinois High School Association, Dissinger Reed has reviewed numerous catastrophic plans to satisfy these minimum requirements, as well as plans that offer additional coverage and longer benefit periods. The IHSA and Dissinger Reed are pleased to offer these options through Mutual of Omaha.

Deadline: Noon, Friday, February 7, 2014

Required On-Line Team Record Report Form: All schools must submit their On-line Team Record Report Form via the Internet through the IHSA Schools Center Web Site to the IHSA Office. This document provides the sectional host your won/lost record for the purpose of seeding the top 8 teams in each sectional at the seeding meetings. The On-Line Team Record Report Form must be received in the IHSA Office by noon on **Friday, February 7, 2014**. You may go online to make adjustments to your Team Record Report Form until noon on Monday, February 10, 2014 (but you must have sent it originally by February 7th). The Team Record Report Form will only indicate any team's won/lost record. Coaches are encouraged to bring the seeding meeting their season score book to document their record, who they competed against and match scores. Again, please note that all participating schools are **required** to submit their Team Record Report Form on-line to the IHSA. If a school does not submit the On-Line Team Record Report Form by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's On-Line Team Record Report Form and are consequently ruled ineligible for the State Final Series **must formally withdraw** (see Withdrawal Procedures/Breach of Contract above in section III-C).

NOTE: Each coach will provide a team roster to the manager at each Regional and Sectional Tournament in which they compete. A typed list is preferred by tournament managers.

The IHSA will send each Sectional Host (and all seeding meeting hosts) all of the Team Record Report Forms assigned to that Sectional Tournament for seeding purposes on the afternoon of February 11, 2014. All schools are encouraged to participate in the seeding meeting, however, each school continues to have the option of attending their seeding meeting. **REMEMBER YOU MUST COMPLETE THE ON-LINE TEAM RECORD REPORT FORM BY NOON FRIDAY, FEBRUARY 7, 2014.**

If you receive an email from the IHSA office, please do not ignore it. Please forward it immediately to the appropriate person for follow up with our office. This is a "Red Flag" that IHSA needs important information from your school. If you are not the person or your personnel has changed, please notify our office so IHSA can correct our records.

Some important reminders when you complete the On-Line Team Record Report Form:

1. Double-check your Team Record Report Form to make sure you have given the correct team record. If you notice errors after you've sent it to the IHSA Office, you can make corrections **until the deadline listed above**.
2. Coaches should receive information from the Sectional Manager inviting them to attend the Seeding meeting held at each Sectional site. The Sectional Seeding Meeting will take place on **Wednesday, February 12, 2014**. **At this meeting, the top eight (8) teams will be seeded**. If your school can't send a representative to attend the Seed Meeting, please notify your Sectional Host prior to the Seed Meeting.
3. Falsifying a team's record for seeding can result in disqualification from the state series. Please double-check your record before submitting the form to your principal. Your honest mistake can end up being costly.
4. If you use a split squad ("A" team and "B" team; no matter what they are called), then only the record of your best squad (your "A" team) is included for seeding.

Online Team Record Report Form Step-by-Step Instructions:

1. Go to www.ihsa.org
2. Click on Schools & Officials Center Login
3. Enter your schools User ID (5 digits, a letter followed by 4 numbers)
4. Enter your Scholastic Bowl Coaches password. Every IHSA Member School was directed to supply passwords to their coaches. If you did not get an email from your school, then please contact your Activities/Athletic Director. IHSA doesn't have access to your password. The IHSA Schools Center is the main resource and how IHSA interacts/notifies coaches of impending deadlines, but you have to log in and check it to see your requirements. This password enables you to perform your coaching requirements for IHSA
5. Click on Team Record Report Form
6. Complete the on-line form as prompted by the directions on the web page. You may go back to the site as often as you need to make changes to your Team Record Report Form until noon, February 10, 2014.

The system will time-out if there is no activity. **Lost information will be prevented if you save the page frequently.**

Confirmation of receipt of Team Record Report Form: Schools should login to their School Center site on the IHSA website and go to the Activity Tracker. The Activity Tracker will show "Completed", if you have checked the button indicating you have finished with your report. If it doesn't indicate "Completed", then you must go back into your schools Team Record Report Form and check the button indicating you are finished.

Seeding Meeting Date and Times

Sectional Tournament Managers will conduct a seeding meeting on Wednesday, February 12, 2014. The seeding meeting may not be held on school time. The Sectional Manager shall determine the specific time of the meeting. The purpose of the meeting will be to seed the top 8 teams in the Sectional and to determine the 4 regional hosts.

Purpose of Seeding

The objective of seeding is to pair teams in the Sectional so that, absent upsets, the two (2) strongest teams should meet in the final round of the Sectional.

Factors for Seeding

1. Only coaches present at the meeting may be involved in the ranking of teams.
2. One representative from each school shall vote.
3. Each team will be given the opportunity to compare their teams' strength by discussing head-to-head competition, indirect victories, season records, strength of returning team members.
4. Before a seeding vote begins, each team's weighted winning percentage should be displayed. The weighted winning percentage is calculated in the following manner: $(\text{winning percentage}) + (\text{total number of matches} \div 100)$. For example; 6 wins and 2 losses $6/(6+2) + (6+2)/100 = .83$ compared to 25 wins and 15 losses $25/(25+15) + (25+15)/100 = 1.025$ The following criteria should be applied when determining seeds:
 - a.) Head to Head common opponent or record
 - b.) Number of Matches Played
 - c.) Won/Lost Record
 - d.) Quality of Competition
 - e.) Returning players
5. Each representative will be given one (1) minute to speak on behalf of their team, and why they should be ranked favorably. Representatives may use this time ONLY to speak on behalf of their team. No team is to be denied their opportunity to speak, though a school may give up their time if they choose to. (Sectional Managers may choose to set a time limit.)
6. **For purposes of ranking, the best team shall be designated with the #8 (in other words, 8 points), the second best team shall receive the number 7 (7 points), etc., until the top 8 teams are identified. Obviously in this system the team receiving the most points is the number one seed.**
7. Ties will be broken by a coin toss.
8. Coaches are not to seed their own team.

Tournament Pairings

Regional Assignment of Schools: Following the seeding meeting, the seeds shall be faxed by the Sectional Manager to the IHSA where the remaining schools will be assigned geographically to a regional. When the IHSA develops the Regional brackets every effort will be made to separate the top four (4) seeds (and 5-8 if possible). However this can be impacted by who volunteers to host the Regionals and the relative geography involved.

Pairings: The bracketing and pairings of teams for each Regional (and State Final tournament) will be completed in the IHSA Office based upon their seed as determined at the seeding meetings. Pairings for the Sectional Round Robin Tournament will be predetermined by seed. The tournament will not be re-seeded at the Sectional level of competition. The pairing announcements will be posted on the IHSA website.

Regional Hosts: All Regional hosts will be assigned at the seeding meetings. The Regionals must be offered to the top seeds first (however, schools should keep geography in mind as the hosts are selected). If no school is willing to host the regional, then that regional will be cancelled.

REGIONAL SEEDING PROCEDURES

1. At each seed meeting, attending schools will seed **the top 8 teams**. Use the seeding instructions provided in this manual (the best team will be assigned the #8).
2. Four (4) Regional hosts must be selected at the seed meeting. The opportunity to host must be offered to the top seeds first. After this anyone can offer to host a Regional. Schools should keep the geography of the Regional in mind as they select Regional sites. Regionals without hosts will be cancelled.
3. When the IHSA develops the Regional brackets every effort will be made to separate the top four (4) seeds (and 5-8 if possible). However this can be impacted by who volunteers to host the Regionals and the relative geography involved.
4. Place all other schools in the 4 regional brackets according to the best geography.

ASSIGNMENT OF SECTIONAL QUALIFIERS INTO THE SECTIONAL ROUND ROBIN TOURNAMENT

Regional winners will be assigned to the sectional round robin tournament in the following manner:

Round 1 A vs. D
 B vs. C

Round 2 A vs. C
 B vs. D

Round 3 A vs. B
 C vs. D

As with all other bracketed tournaments, this format provides for the opportunity for the two regionals with the number 1 seeds to meet in the final round. However, as with all other sports/activities there is no guarantee that the number 1 seeds from those regionals will advance to the sectional level of competition. It only provides for the opportunity for them to meet. The only level of competition allowed to be seeded is the lowest level.

Criteria and Philosophy Used to Determine a State Champion

1. Qualifiers for the State Final Tournament are determined on a geographical basis.
2. Schools are assigned to a Regional based on their geographical proximity to the host sites and the geographical location of all the schools entered. The top 8 teams are paired in their respective Regional bracket on the basis of their seed as determined at the seed meetings (unless geography restricts such pairings).
3. The Regional champion will advance to a Sectional. Teams are paired at the Sectional tournament based upon the top seed in their Regional. If a Regional is canceled, one bye at the Sectional will represent that area.
4. The Sectional champions advance to the State Final Tournament. Sectional winners are paired at the State Tournament on the basis of a draw by lot.
5. Schools are assigned to the state series geographically. Only Regionals are seeded.
6. Factors that affect the assignments from year to year: a.) location of schools hosting a Regional &/or Sectional, b.) number of schools entered in state series, c.) classification, d.) number of schools in a Regional/Sectional.
7. The State Final Tournament is structured to include the “best teams” from each geographical area in the state, thus being a true State tournament. The State Final Tournament is not structured to represent the “best teams” in the state.
8. This system is seeking to crown a State Champion.

Basic Premises and Foundations upon Which This Activity is Based

1. Scholastic Bowl competition will provide a show place for the academically talented student developed by the Illinois school systems.
2. Scholastic Bowl competition provides an educational opportunity that is valuable to students taking any or all of the college entrance exams.
3. Scholastic Bowl competition is a continuation of Jr. High competition and provides articulation between feeder schools and high schools.
4. Scholastic Bowl provides motivation to learn and excel without the pressures of grades.
5. Scholastic Bowl will be an excellent entry for student's transcripts and record, mailed to colleges and prospective employers.

IHSA BY-LAW 5.340 – Scholastic Bowl

5.341 Season Limitation

- a. No school belonging to this Association shall organize its Scholastic Bowl teams, practice or participate in inter-scholastic contest earlier than Monday of Week 8 or later than Sunday of Week 38.
- b. Each school belonging to this Association shall be limited to practicing and participating in no more than one (1) scholastic bowl tournament beginning the Sunday of Week No. 38 and ending the Monday of Week No. 8.

5.342 Contest Limitation

- a. No school belonging to this Association shall participate on more than eighteen (18) dates of interscholastic contest, exclusive of the IHSA series.
- b. No individual shall compete on more than eighteen (18) dates, exclusive of the IHSA series.

An event in which 5 students representing 2 schools compete with or against each other in academic quizzing utilizing a format comparable to the IHSA series is considered a Scholastic Bowl contest. A date is a single day on the calendar. Tournaments held on a single date count as one date, regardless of the number of matches the team participates in. If a school sends teams to two different contests or tournaments on the same date, this counts as one date. The 18 dates may be spread over the weeks from the opening of school (Monday of Week 8) and the end of the Scholastic Bowl season (Sunday of Week 38). Summer contests, academic contests with rules that are not comparable to the IHSA series format, if held after the state series, are not included in the 18 dates. JV or Frosh/Soph teams and players must also follow the 18-date rule. Schools are allowed to count the Masonic Tournament as one date.

Instructions for Scorekeepers & Moderators

Instructions for Scorekeepers

Note: Be sure to read the current "Rules for Illinois Scholastic Bowl." This is only a summary of duties.

Pick up a Score Sheet from the local manager prior to each match.

Discuss timekeeping duties with the Moderator. Be prepared to assist with the timing of 30-second calculation toss-ups, time outs, halftime, and appeals. Moderators typically handle their own 10-second and 3-second timing. If you are not able to assist with timekeeping duties, ask to have a volunteer appointed.

Enter the team rosters and other requested information on the Score Sheet. List the starters first, in the order they are seated. The roster is also needed by the Moderator to verify that nameplates are legal.

Record toss-up and bonus points earned for each question. Experienced scorekeepers may also be able to record the question categories and the number or name of the player attempting each toss-up.

Keep the running score for each team by calculating a new total after each question. Each toss-up is worth 10 points. Each of the three bonus parts is worth 10 points, for a total of 30 points per bonus. Consult with the moderator if you are unsure how many points to award; it is critical that your Score Sheet be 100% accurate.

Point out any errors to the Student Scorekeeper who is keeping score on the blackboard. Blackboard results are unofficial.

If a coach asks for a score check, report the score. Resolve any discrepancies by working back through the Score Sheet.

Act as an official for the match. If you catch an error on the part of the Moderator or the person keeping time, notify the Moderator immediately. If there is an appeal, the Moderator may ask for your help in reaching a decision on the matter. (Adults Only)

At the end of the match report the final score to the Moderator. In the event of a tie there will be an overtime period with one or more toss-up/bonus questions; record the results on the Score Sheet. Sign the Score Sheet, and have each coach initial the Score Sheet next to their name.

Return the Score Sheet and Team Roster to the local manager following the completion of the match.

Instructions for Moderators

Note: Be sure to read the current "Rules for Illinois Scholastic Bowl." This is only a summary of duties.

Be prepared for the match to begin. Pick up two question sets from the secure location and give one set to the Scorekeeper (if they are an adult). **Verify that you have the appropriate question set.** Verify seating, equipment, nameplates, and uniforms. Teams must be in the room when the match is scheduled to begin. Consult with the Local Manager on potential uniform violations or possible forfeits.

Familiarize yourself with the equipment before the match begins. Understand the operation of the reset button and how to "clear" the system. Note that there are some models which clear *themselves* after a short period of time. If the lockout system has a built-in timer, familiarize yourself with its operation and check that it is working correctly.

Be sure that all cables are safely and tightly connected. Conduct a pre-test of the system if you are the first to use equipment that has just been set up in the room. Players will also test the system during introductions for each match.

Greet everyone and conduct the introductions. State your own name and introduce all tournament personnel in the room. Verify captains. Ask each captain to introduce their team and coaches; the lockout system is tested during introductions. Identify/Verify the head coach for each team; only the head coach may call a time-out, and only the head coach or a competing player may initiate an appeal. Clarify the pronunciation of any names that are not spelled the way they sound. Speak loudly, enunciate clearly, and request that all players do the same. If any nameplates are blocking your view of the indicator lights, adjust their positions. Players must begin the match with blank papers or empty bonus grids, and may not begin writing until introductions are over.

Be firm, and in control, at all times. You are in charge! The Moderator should not be tentative in any way. It should be clear to everyone in the room that you are running the match. If there are spectators, remind them that they need to be silent during the match. The moderator has the authority to eject unruly persons during the match.

Clarify how you will be recognizing players who ring in to answer a toss-up. Recognition by name prior to answering is the historical preferred style, but there is no penalty for answering without being recognized.

Remind players that they may stand up, huddle, and confer quietly during bonus questions, and that there is no penalty if players continue to confer, write, or hold writing implements, even while players are answering.

Shield the questions. The student keeping score on the board and/or the students sitting around you may be ones who will later be subbed into the game. In cramped quarters, the current players may be able to see answers. Do not leave questions exposed during time-outs or halftime when students and coaches are allowed to stand up or move around the room.

Do not read too fast or too slow. Reading too fast creates a frenetic feeling that is inappropriate for high school Scholastic Bowl. Reading too slow makes it difficult for players to remember the beginning of the question by the time you get to the end; furthermore, reading too slow will delay the match and throw off the schedule for the entire tournament. Use a natural rhythm not unlike what you might hear from a television newscaster.

Be sure that the system is reset before each toss-up is read. Players or coaches will probably say the word "Clear!" if you forget to reset before reading a toss-up. This is not illegal talking; it is *your* error. **Do not reset the system until after you recognize the player who rings in and the player has begun speaking.** Clear the system as soon as possible after that so the second team can ring in if the answer from the first team is ruled as incorrect.

Say the question number; pause; category; pause; indicate if it's a computation; then begin reading the question. A buzzer is considered inadvertent prior to the first word of the question; there is no penalty. An appeal must be requested before the first word of the next toss-up or bonus. Time-outs must be called before the category is stated.

Do not favor one team or the other. Be careful to direct the reading of questions to each team, not one side or the other.

Time 10 seconds (or 30 seconds in the case of questions involving computation) from the completion of the reading of each toss-up and if neither team rings in, call "time" when this time expires. Remember that the second team always has at least a three second grace period (and at most the remainder of the 10 or 30 seconds) in which to respond if the first team's answer is ruled incorrect. If the first team responds before the toss-up question is fully read, time does not start; start the time after the toss-up question has been completely read for the second team. If you need assistance with timekeeping duties, ask the Scorekeeper, or ask for a volunteer to be appointed.

Time the three seconds (typically with a silent count or hand gesture count).

Apply the Rules on Communication (4-A), Penalties (4-G), Answering (4-B) and Completeness (4-C) fairly and to the best of your ability. Here are a few important points:

Players must begin answering within three seconds of being recognized. Words such as "uh", used as a delay tactic does not constitute answering. Use hand swipes to count this out visually. If a player pauses in mid answer, start counting immediately. The three second limit is cumulative for all hesitations and pauses. Computations are not treated differently; the usual three second rule applies.

If a player gives additional correct information, that pertains to the correct answer, without pause, up to a total of two pieces of information, the answer will be ruled correct. If a player gives additional information that is incorrect, or additional information that is correct but unrelated, the answer will be ruled incorrect. This rule may apply to, but is not limited to, creator/creation situations such as author/title.

Prompt whenever necessary. Moderators must ask for additional information to be given ("prompt") if the answer given is correct but is ambiguous.

Be the best possible judge. Moderators have the authority and the responsibility to accept or reject alternative answers and different forms of answers, using their best judgment. A correct answer should be ruled as correct regardless of what is printed on the page.

Here are a few of the major points from the Rules on Toss-Up Questions (4-D) and Bonus Questions (4-E):

Stop reading the toss-up question immediately if a player buzzes in before you finish. Good players are waiting for you to get to the *key word* that will finally narrow their mental list down to the one answer that fits, and will buzz in as you open your mouth to say the key word. If you blurt out that word or more, you give an advantage to a team using this strategy.

If you are interrupted during the first reading of a toss-up, and the answer given is incorrect, resume reading at a natural point in the question's wording. Although it behooves the second team to wait for you to finish the entire question, teams are not required to do so. Coaches and players may use the "Wait" gesture without penalty at this, or any time during the match.

Discard and replace any "hoses". If a moderator believes that a toss-up has misled the listener by clearly changing intent or direction and that has resulted in a wrong answer on an early buzz by one or both teams, the toss-up should be discarded and replaced.

During the reading of the bonus, time 10 seconds for each part.

After reading the bonus lead-in, bonus parts are read one at a time. Players on both teams may stand, huddle, confer, write, and/or hold writing implements during reading or answering with no penalty. The controlling team has up to ten seconds to begin their answer; prompt them after eight seconds with the phrase, "answer please." If the controlling team says "pass" or if their answer is incorrect, turn towards the rebounding team and give them just three seconds to begin their answer or "pass". If neither team gives a correct answer, read the correct answer and proceed to the next bonus part. When the bonus is complete, announce the number of points earned by each team.

It is recommended that the captain give answers to bonus parts, but the moderator should take the first answer that is unambiguously directed at him or her. If conflicting answers are directed at the moderator, ask the captain to choose which one to consider. The determination of whether an answer is directed at the moderator is not protest able.

Bonus lead-in's or parts may not be repeated unless, in the moderator's opinion, the question may not have been understood because of moderator error, wording error, or an environmental condition in the room.

Consider the player's entire answer and rule it as either correct or incorrect with those words only. You must never use body language, visual cues, or other wordings that may give clues to the other team.

If neither team gives the correct answer, state the correct answer without undue editorial comment. In some cases the printed answer includes helpful information you can give.

Apply the Rules on Equipment Malfunctions (4-F), Moderator and Timekeeper Errors (4-H), and Replacement Questions (4-J) fairly and to the best of your ability. Unread bonus questions can be used later in the match to replace a bonus question.

Apply the Rules on Appeals (4-I) and Moderator's Authority (4-K) fairly and to the best of your ability. Understand the limitations on appeals: Appeals must be reasonable and civil; no arguments are allowed; no more than ten minutes total; and only the moderator may leave the room. The Moderator always has the right to refuse to hear an appeal on a matter of correctness of an answer.

Declare half time after the 12th toss-up question. Teams will need to change sides if either coach requests it.

Time the time-outs, halftime, and appeals. Time-outs can be either 30 or 60 seconds; the coach will state which he or she wants. Halftime is 5 minutes, although it may end sooner if both Coaches agree. An appeal (which does not count as a time-out) may last no more than 10 minutes, but is often resolved within a few minutes.

After time-outs and halftime, verify captains and ask if there have been any substitutions. Allow subs to test buzzers, and then test all buzzers quickly if appropriate. Verify nameplates and uniforms for subs before resuming; subs must enter the match with blank papers or blank bonus grids and may not begin writing until after all introductions are completed.

End the match. After the final question declare the match over. Verify the score. If there is a tie, conduct overtime using replacement toss-up and bonus questions. Thank everyone involved, congratulate the winning team, and urge that good sportsmanship be exhibited by all. Collect the question set from the Scorekeeper and return both sets to the secure location. Tell the local manager who won the match.

Schools are Required to Submit State Final Program Information Online

As your team gets close to qualifying for the state final tournament, you will be required to complete the State Final Program Information form online. This form provides the IHSA with most of the information (everything except statistics) printed in the state final souvenir program. You are required to provide this information once you have qualified for the Scholastic Bowl State Final Tournament.

The link to the State Final Program Information form is located in the IHSA “Schools & Officials Center Login”, a password-protected area of the IHSA Web site.

To log in the Schools Center, go to the main IHSA Web page (www.ihsa.org) and click on the “Schools & Officials Center Login”; Enter your School User ID and Scholastic Bowl Coaches password (obtainable from your A.D. or principal) to log in. On the main menu of the Schools Center, follow the row across until you find a link labeled “SFInfo” in the column labeled “Required Data Forms”. Click on “SFInfo” and follow the instructions to fill out the required pages.

The information you will provide online includes administration, coaching staff, coaching history, season record, and roster. Up-to-date statistics must be submitted on the printed forms included in this manual and faxed to the IHSA office immediately after the last contest prior to the state final.

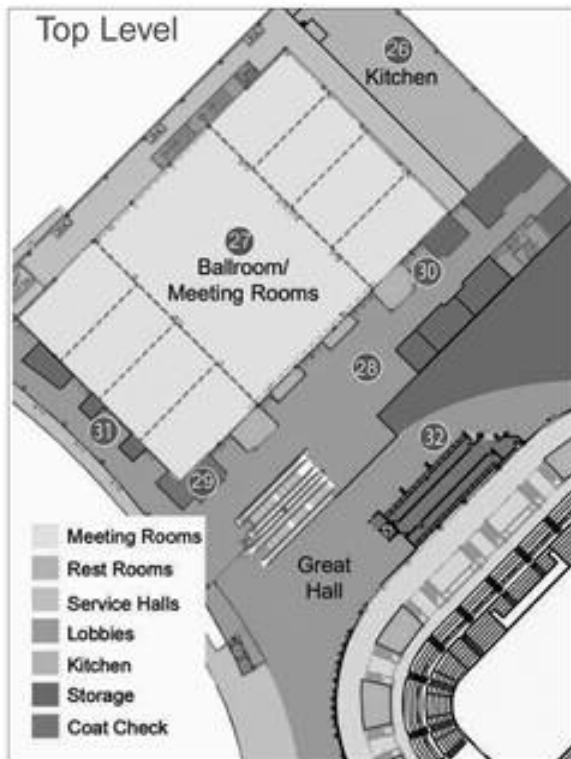

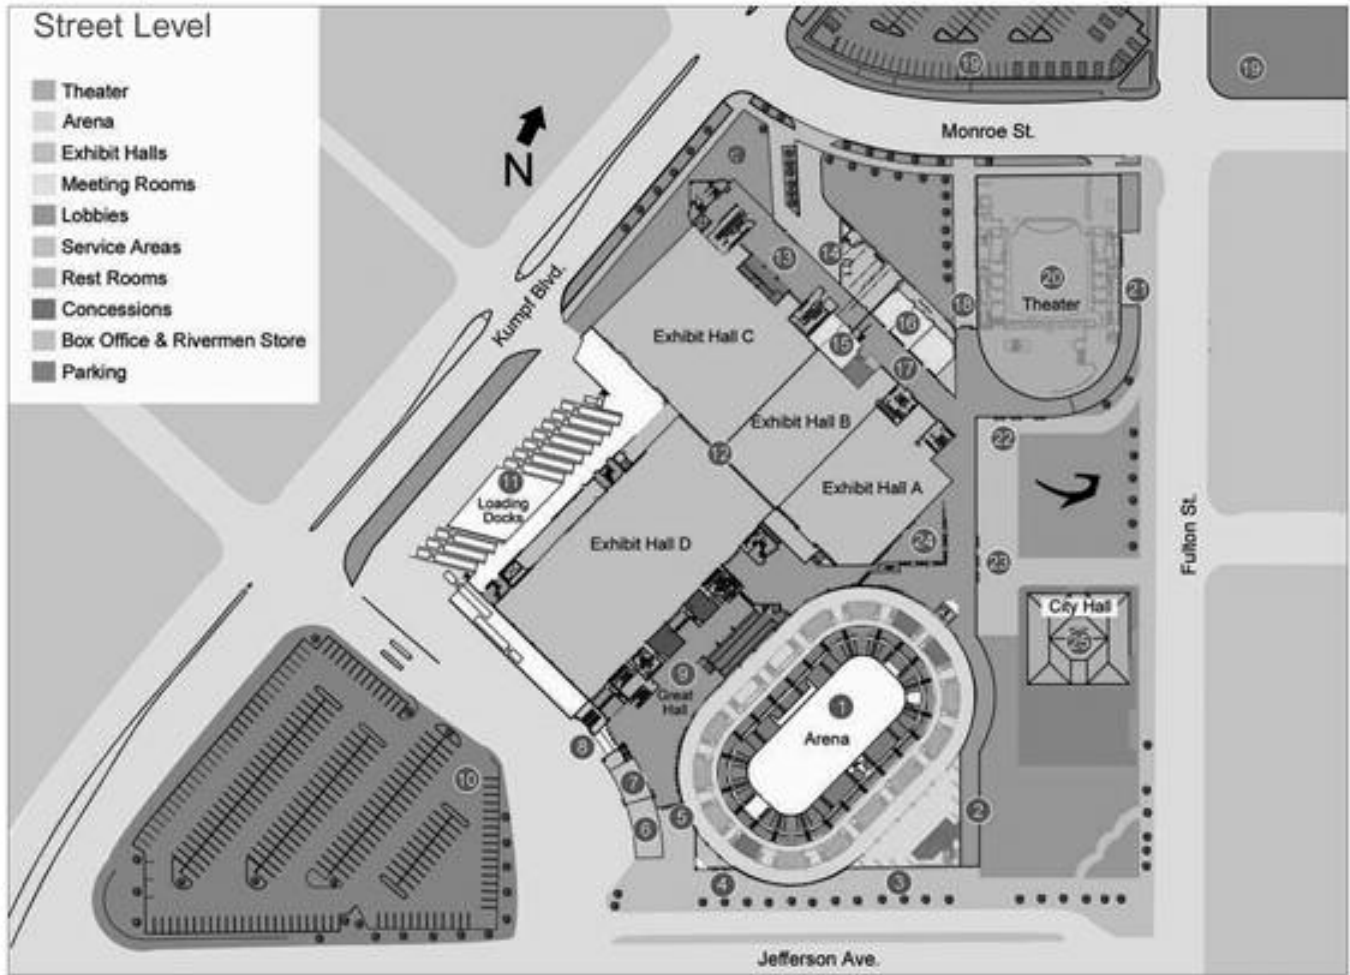

Team/Administrative Photos: Sectional Winners are **required** to submit their team picture, administration pictures (superintendent, principal, activity director, and head coach), and cut-lines (identification of each person in the picture) for the State Final Program.

Immediately following the Championship/Consolation round of play, all teams and fans should report to the center area of the Grand Ballroom for the awards ceremony (the same location used for the opening ceremonies and team tables). The awards ceremony will proceed as follows:

1. The top 4 teams for Class A and Class AA will sit in the front of the room prepared for the presentation.
2. The Class A and AA 4th place teams will be asked to the stage area first. The class A and AA 3rd place teams will be awarded next. The class A and AA 2nd place teams will be awarded next. The class A and AA 1st place teams will be awarded next.
3. Class A will be recognized first, followed by Class AA.
4. IHSA administrator will introduce the school administrators, followed by the head coach.
5. After being announced, the head coach from each team will be asked to remain at the podium.
6. The head coach will then announce his/her team in the order submitted to us on line. We will provide coaches with a list to read from. IHSA Board members will drape the contestants with their medal on stage. Contestants should exit the stage on the side opposite the side they entered the stage and have their individual photo taken. After all team members have been recognized, the team trophy will be presented to the coach and team captains by an IHSA Board member. The entire team should immediately assemble for a team photo on the exit side of the stage.
7. Each team will follow this procedure and then return to their original seat. Teams are requested to return to their seat quietly via the back of the room so as to respect the awards ceremony of the schools that follow them.
8. If requested, the IHSSBCA will be permitted to read the names of the All State recipients. If the recipient is present they may come forward to receive their award. Only the athlete will be permitted to come forward.
