Revision History

2015-2016 Girls/Boys Swimming and Diving Series Terms and Conditions

In accordance with Section 1.450 of the IHSA Constitution, the Board of Directors has approved the Terms and Conditions governing the 2015-2016 IHSA Girls/Boys Swimming & Diving Series.

I. SCHOOL CLASSIFICATION

Competition in the IHSA Girls & Boys Swimming and Diving Tournament Series will be held for all member schools without classification.

Students with physical/visual disabilities will compete in girls' or boys' swimming against other students with physical disabilities regardless of school classification. A disability is a physical impairment that substantially limits one or more major life activity.

Students with physical/visual disabilities wishing to participate in the girls' or boys' swimming events for students with physical/visual disabilities must have a statement of disability on file with appropriate personnel responsible for student health issues at the student's school. The IHSA reserves the right to request this documentation as part of the entry process.

Competitors with physical/visual disabilities will be categorized into one of two classifications based on U16/18 standards developed by Wheelchair and Ambulatory Sports USA (WASUSA).

Competitors who are classified as S1-S7 shall participate in Classification A.

Competitors who are classified as S8-S13 shall participate in Classification B.

Student athletes with physical/visual disabilities (or any adult acting on their behalf, *e.g.*, a coach, parent, or guardian) are required to provide their school with a written statement of their classification, for purposes of the 2015-2016 IHSA swimming and diving championship series, by any of the following means at the time of registration for the 2015-2016 swimming season:

a. Provide an official WASUSA classification card or other evidence demonstrating the athlete's classification category; or

b. If a student athlete with a physical/visual disability is not classified as detailed above by the time of the Sectional meet, the athlete will still be allowed to swim in the athletes with physical/visual disabilities division but will automatically be classified to swim under Classification B.

II. DATES AND SITES

A. Girls Sectional meets will be held on November 14, at 16 sites to be announced on the website at a later date.

B. Girls State Finals will be held on November 20-21, at New Trier High School in Winnetka, Illinois.

C. Boys Sectional meets will be held on February 20, at 16 sites to be announced on the website at a later date.

D. Boys State Finals will be held on February 26-27, at Evanston Township High School, Evanston, Illinois.

III. SCHOOLS AND OFFICIALS CENTER INFORMATION, ON-LINE SCHOOL ENTRIES, RULES MEETING PRESENTATION, WITHDRAWAL PROCEDURE, ELIGIBILITY, AFFIRMATIVE ACTION AND ON-LINE LIST OF PARTICIPANTS

A. The policy for Original School Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities.

Directions: Login to the Schools Center (Official Representative or Principal Password is required to perform this task), Enter your School User ID (5 digits, a letter followed by 4 numbers) and Administrative Password, go to the activity tracker and click the button to add sports for the upcoming year. Sports Entry Deadlines are Sept. 11 (fall), Nov. 1 (winter) and Feb. 1 (spring).

B. On-Line School Entries (Including individuals in the Students with Physical/Visual Disabilities Division): All Official Representatives must login to the IHSA School Center; click on "Sport & Activity Tracker"; click on "enter your teams". There you will select the sports and activities your school team or individuals will participate in during the 2015-2016 school term. After the Fall entry deadline (September 11) and November 1 (Winter Entry deadline), the IHSA will assign all schools to Sectionals in the Swimming & Diving State Series after the respective date.

C. Late On-Line School Entries (Able bodied and individuals in the Students with Physical/Visual disabilities Division): Any attempt for a school to enter a sport or activity on-line after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school (if allowed to enter late).

D. Six Contest Verification (Team entries only): When completing the Sectional Online List of Participants, only schools entering a team must check the Six Contest Verification box to be eligible to compete for team honors. By **checking the Six Contest Verification box** in the Sectional Online List of Participants, schools are verifying that the school's boys and/or girls interscholastic Swimming & Diving team has participated in six boys or girls interscholastic Swimming & Diving meets during the current Boys and/or Girls Swimming & Diving season and is thereby eligible to compete for team honors at the state meet series in accordance with IHSA By-law 3.054.

Individuals: Schools with only individuals competing **do not check the Six Contest Verification box** as they are not required to meet this requirement. Individual entries are not eligible to compete for team honors in the state series meets.

E. RULES MEETING PRESENTATION:

The Swimming & Diving On-line Rules Video presentation begins August 11, 2015 and ends on September 15 (for Girls Swimming & Diving Schools and all Officials). The schools participating in Boys Swimming and Diving have until December 1 to view the Rules Meeting presentation. Each participating school must have the Girls and Boys HEAD Coach view to receive credit for the 2015-2016 Swimming/Diving rules interpretation. Each participating official must view and receive credit for the 2015-2016 Swimming/Diving rules interpretation. To receive credit, the coach/official must view the presentation in their respective IHSA School/Officials Center. See the On-Line Swimming/Diving Bulletin located on the IHSA Swimming/Diving page for specific instructions.

Once the deadline passes your school will be placed on probationary or suspended status if the online rules meeting presentation isn't reviewed by your coach. For probationary/suspension status to be lifted from your school you must:

Submit a \$50.00 penalty fee to the IHSA Office (you must contact Tammy Craig or Brandi Waters to process Visa, Mastercard or Discover credit card payments or school checks payable to the IHSA will be acceptable forms of payment). Upon receipt of payment, the schools center will be re-opened for your coach to view the online presentation.

- 1) Go to www.ihsa.org
- 2) Click on "Schools and Officials Center login"
- 3) Enter your "IHSA User ID" and your Head Coaches password
- 4) Click on Sport & Activity Tracker
- 5) Click on "Rules Video" next to the

respective sport under the Sport & Activity Tracker

6) View and interact with the online Rules Video Presentation to receive credit

This is a yearly requirement to compete in the IHSA State Series.

NOTICE: If you are a coach at two different schools or you are a coach and an official, you must contact Cheryl Lowery at the IHSA Office to be issued credit. You must be listed as the coach at both schools in the respective Schools Center for the schools you are coaching for. If you have viewed the presentation and were not given credit (after 24 hours), please contact Cheryl Lowery (clowery@ihsa.org) to review your request.

Below are a few options to assist you in viewing the Rules Video presentation once you have tried and have failed.

Try again on a different computer, preferably in a different location (home instead of school, etc.) Sometimes these files download badly. Going to a different computer/location is the easiest way to get a fresh start.

Go back to where you clicked on the link to start the presentation, and **INSTEAD** click on the link below to view the LITE version, which has no video content. Flash video can be an issue for some computers, and the lite version takes this out of the equation.

New in 2015-2016: Any diving coach, who wishes to be considered to officiate in the state series, is required to view an additional diving rules presentation which will be specific to diving rules and protocols. The Assistant Executive Director in charge of Swimming and Diving will have the ability to appoint a coach to a site when circumstances would require doing so.

F. Breach of Contract By-Law 6.041
(Withdrawal Procedure)

You must withdraw by notifying the IHSA Office, not the Sectional Manager.

To withdraw without penalty, the Official Representative or Principal must email Tammy Craig (tcraig@ihsa.org) notifying IHSA of the school's withdrawal from Swimming & Diving prior to the List of Participants respective deadline.

If a school withdraws after the List of Participants deadline and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

G. Eligibility

All member schools in good standing may enter an individual(s) or a team under the provisions of IHSA By-law 3.054 for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities.

In accordance with By-law 3.050, schools are subject to entering eligible student-athletes

H. Affirmative Action Policy: Only boys may participate in the boys competition in the meet series and only girls may participate in the girls competition in the meet series, except as provided in the Illinois High School Association Affirmative Action Policy.

I. On-Line List of Participants (Including individuals participating in the Students with Physical/Visual disabilities Division):

Each school entering the state series (whether entering a team or individuals) must submit its Online List of Participants via the Internet through the IHSA Schools Center Web Site to the IHSA Office. This List of Participants must be received in the IHSA Office by noon on Tuesday, November 10, 2015 (Girls Swimming/Diving) and by noon on Tuesday, February 16, 2016 (Boys Swimming/Diving). If a school does not submit the On-line List of Participants by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's On-Line List of Participants and are consequently ruled ineligible for the State Final Series must formally withdraw (see Withdrawal Procedures/Breach of Contract above in section III-C). The On-Line List of Participants will provide space for each participating school to list the accurate names of up to two (2) Girls/Boys entered in each individual event at their respective Sectional Meet. A school may enter into the IHSA Swimming and Diving State Series one relay team in each relay event. All eligible schools are allowed to enter four (4) swimmers and four (4) alternates (8 names maximum). Any school qualifying at least one of these relay for the state finals will be issued one (1) additional deck pass for the alternate of the schools choice. This single deck pass is to be issued to the individual selected by the coach to represent the team as the teams designated relay alternate. The other alternates listed in the schools List of Participants at the time of entering the State Series will not be provided deck passes. As always, any athlete listed as an alternate in a specific relay(s) can be used to swim in that relay.

SPACES LEFT BLANK DURING THE ON-LINE LIST OF PARTICIPANT PROCESS MAY NOT BE FILLED IN AFTER THE ON-LINE LIST OF PARTICIPANT ENTRY DEADLINE. Coaches are encouraged to bring a hard copy of their On-Line List of Participants to the Sectional site the day of the seed meeting (attendance became optional beginning in 2008-2009). This list must be printed prior to the On-line List of Participant deadline. The option to print will not be available after that deadline.

COACHES NAMES: If a coach on your coaching staff doesn't appear in the drop down menu in the List of participants, check the following under the Staff Responsibility page:

- 1) Has he/she been designated as the Head coach or an assistant coach?
- 2) Does it indicate how the coach is Certified to Coach?
- 3) Does your coach have a completion date listed for the PES Examination?
- 4) Has your coach completed the Concussion Exam requirement?

If any of the above information is missing from your IHSA Schools, he/she will not be able to add their name to the online List of Participants and/or issued coaching credentials during the state final.

Confirmation of receipt of Online List of Participants:

Schools should login to their School Center site on the IHSA website and go to the Activity Tracker. **Reasons for the "Red Box" to appear in the Sport/Activity Tracker:**

- Some schools will not have a competitor in every event offered.
- Schools would not verify to have competed in at least 6 Contests (team honors only).
- School hasn't "Certified & Submitted" their form.

Verification of IHSA Receiving List of Participants:

- Print a copy once you have completed the Sectional entries. This is your verification and if necessary, you can provide proof of your entries at the Sectional Seeding Meeting, in case of computer or file download error (very rare). (ctrl+P on your computer keyboard will prompt the page(s) to print)
- Make sure you "Certify & Submit" your form so you will not receive unnecessary reminders from our office about not receiving your Swimming List of Participants.

Once the process is complete and the deadline date approaches, the Schools Center Activity Tracker will show that the deadline has passed. This does not mean your school didn't complete it. It means the IHSA Office has imported all rosters and is in the process of preparing the files for the Sectional Managers.

After completing and submitting the Online List of Participants, print out each page of the completed List of Participants for your records. You will not have access to this page, if you try to print it after the deadline. (ctrl+P on your computer keyboard will prompt the page(s) to print.)

IHSA will utilize the name spellings and year in school data from the On-Line List of Participants submitted by each school entered into the State Series for publication in the State Final Program. If you notice an error after the on-line deadline, please email (clowery@ihsa.org) or contact Cheryl Lowery at (309) 663-6377 at the IHSA Office.

J. A school may enter two contestants in each individual swimming event and two contestants in the diving event. A school can enter a maximum of two (2) participants per event in each gender for the physical/visual disabilities

division. A school may enter 1 relay team in each of the relay events.

K. Teams: When completing the Online List of Participants, team entries must check the Six Contest Verification box to be eligible to compete for team honors. By checking the Six Contest Verification box in the Online List of Participants, schools are verifying that the school's boys or girls interscholastic Swimming & Diving team has participated in six boys or girls interscholastic Swimming & Diving meets during the current Boys and Girls Swimming & Diving season and is thereby eligible to compete for team honors at the state meet series in accordance with IHSA By-law 3.054.

Individuals: Schools with individuals competing only, including those who have entered students with physical disabilities in the girls' or boys' Swimming and Diving competition, do not check the Six Contest Verification box as they are not required to meet this requirement. Individual entries are not eligible to compete for team honors at the state meet.

IV. HOST FINANCIAL ARRANGEMENTS

A. Host school shall pay for all local expenses and issue checks to meet officials. Each sectional host will receive a guarantee of \$680.00 and will be reimbursed the cost of officials. Host shall retain 20% of net income and submit remainder to the IHSA. In the case of a negative balance, the host will be reimbursed for the entire deficit. If admission is not charged, the host school shall forfeit the guarantee. A financial report must be sent by the sectional manager to the IHSA office within 10 days following each sectional meet. This form is found in the managers' school center under the Meet Management section.

B. Neither the State Association nor the local meet manager will assume responsibility for any other contestant expenses of any kind for any meet except those expenses specified above.

C. Admission Prices:

- 1) Sectional: \$5.00 for Child, Student or Adult.
- 2) State Final as follows:

Diving tickets are sold the day of the prelims at the door, no pre-sales - \$10.00/day (Advancing Divers will be allowed to purchase additional tickets for Saturday Finals once they qualify for Finals).

Swimming (Friday/Saturday ticket) - \$20.00

Note: Please see Item IX-A for the State Final Ticket Distribution Policy.

D. The Sectional meet revenue shall include the television and radio rights fees collected by the Sectional manager as provided for in Item IV-E and IX-G.

E. Rights Fees for TV and Radio: See the IHSA web site (www.ihsa.org) for the fees to be charged by Local Managers and/or the IHSA for television and cable broadcasts and radio originations.

V. TOURNAMENT ASSIGNMENTS AND SEED MEETINGS

A. All schools who complete their On-Line School Entry for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities by the deadline in the IHSA Girls/Boys State Swimming and Diving Meet Series will be assigned to compete in one of the sixteen (16) Sectional meets on a geographic basis. Qualifiers from the Sectional meets will compete in the State Final meet for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities.

B. On or about September 18 (Girls) or November 1 (Boys), Sectional Swimming/Diving School Assignments will be posted on the respective IHSA Swimming/Diving Activity Web Page. A manual outlining the State Swimming/Diving meet series will be posted on the IHSA Schools Center; click on Girls or Boys Swimming & Diving; Click on School Manual. School Manuals will not be mailed to member schools.

C. Sectional Seed Meetings: A Sectional Seed Meeting shall be held at each Sectional center on the Wednesday prior to the Sectional Meet at 6:30 p.m. A school's attendance at the sectional seeding meeting is highly encouraged, but NOT REQUIRED. It is suggested that coaches bring a copy of their previously completed On-Line List of Participants with them to the Sectional Seed Meeting. Coaches not in attendance at the seeding meeting forfeit their opportunity to vote in all matters of business decided at the seeding meeting.

Note 1: All Sectional Seed Meetings shall be held on the Wednesday prior to the Sectional Meet at 6:30 p.m.

Note 2: Only the coaches, (or other school representatives) meet officials, and local meet management personnel shall attend the Sectional Seed Meeting.

Note 3: Sectional managers shall provide an opportunity for divers from competing schools to practice during the Sectional Seed Meeting.

Note 4: At each Sectional Seed Meeting coaches must vote to choose the three diving coaches who will serve as judges on the sectional diving panel. Only coaches that have divers competing in sectional competition may vote. Only coaches interested in serving on the panel should be included in the balloting.

Note 5: Sectional managers may form a Meet Committee if they so choose.

There will be no seeding meeting for the Students with Physical/Visual Disabilities Division.

D. The school's On-Line List of Participants, completely filled in and accurate, must be submitted online by noon on the Tuesday prior to the Seed Meeting so the Sectional manager has the necessary information for seeding purposes prior to the Sectional Seed Meeting. The Sectional manager will download the information once the deadline has passed. Managers may tentatively seed the meet in advance. Participants must have a time recorded in order to be entered.

CHANGES PERMISSABLE AT THE SECTIONAL SEEDING MEETING:

Event Times (Ind. events and relays)
Changes (PERSON FOR PERSON BASIS) to name and times are permissible in individual events and relays. All changes at the seeding meeting must be submitted to the manager immediately upon arrival and prior to seeding the meet.

NOTE: For all teams, the IHSA will use the athlete's names that actually competed at the sectional meet in any relay(s) for the purpose of determining quantities of participant's deck passes and spectator tickets that will be available to qualifying individuals at the state meet.

E. Relay teams and individual swimmers who do not have an interscholastic time for the current season must submit a non-interscholastic time for seeding purposes at the Sectional meet provided that the principal certifies to the Sectional manager, in writing, that the principal has verification of the accuracy of the non-interscholastic time and that it has been performed in actual competition during the period of July 1, 2015 through the current Girls/Boys swimming season. These non-interscholastic time verifications from the principals must be available for review by competing team coaches upon request. If an interscholastic time that has actually been performed during the current season is available, it must be used for seeding purposes at the Sectional meet. "No Time" entries shall not be accepted. Schools do not need to submit a time for the competitor(s) it is entering in the Students with Physical/Visual Disabilities Division.

Note 1: All seed times submitted for Sectional meet seeding must be recorded to hundredths. Times submitted in tenths shall have the factor nine (9) added to them for seeding purposes (i.e., 55.1 for a Backstroke seedtime will be changed to 55.19 at the Seeding Meeting.)

Note 2: Verified non-interscholastic times for relay teams entries shall not be "add-up" times.

Note 3: A verified leadoff relay time is not an acceptable individual seedtime in the appropriate event.

Note 4: Entries will be assigned to heats and lanes in the swimming events on the basis of (1) best times; and, (2) the composite opinion of the head Girls/Boys swimming coaches present at the Sectional Seed Meeting. In case of a discrepancy, (2) is to take precedence over (1). Coaches must be prepared to present evidence (which might include official meet results) to support the times submitted for seeding purposes at the Sectional meet.

F. Scratch Meeting: A scratch meeting with the Sectional Referee and all coaches shall be held immediately prior to the start of the Sectional Swimming and Diving Meet. After the scratch meeting, there shall be no substitutions or changes in a school's entries. Only changes related to illness or injury will be permitted at the Sectional Scratch Meeting (see VH. below), and in individual events only.

G. Entry Substitutions: AT THE SECTIONAL MEET - In case of illness or injury, as certified to in writing by a principal or physician, an entry substitution may be made in an individual event following the Sectional Seed Meeting on a person for person basis only. This substitution must be made at the Sectional Meet Scratch Meeting (Referee and all coaches) to be held immediately prior to the start of the Sectional meet. No contestant shall be permitted to change events in order to act as a substitute. The replaced swimmer shall not participate in any Sectional Meet events. However, a swimmer who is replaced at the Sectional and who is listed for the Sectional Meet as one of the possible swimmers in any Relay event may participate in the Relay(s) at the State Final only in the event that Relay(s) qualifies for the State Final Meet.

Note: A different swimmer may be substituted in each event in which the injured or ill swimmer was entered. All Swimmers/Divers used as substitutes must have been on this year's school team and must be eligible in all respects.

AT THE STATE FINALS – RELAY EVENTS ONLY - In case of illness or injury, as certified to in writing by a principal or physician (licensed to practice medicine in all of its branches in Illinois), following the sectional competition, an entry substitution may be made only in a relay event. Such a substitution would be rare and would only be considered by meet management in conjunction with the meet referee if two (2) of the four (4) athletes listed as competitors (not alternates) in any relay event were ill or injured at some point following the sectional competition and prior to Saturday's competition. A request for a substitution in Saturday's meet must be submitted in writing by the coach before 11:00 a.m. on Saturday morning. The coaches written request must be accompanied by the written verification of the building principal or physician (licensed to practice medicine in all of its branches in Illinois), verifying the illness or injury. No

contestant shall be permitted to change events in order to act as a substitute. The two (2) replaced swimmers shall not participate in any State Final Meet events. The one individual now being considered as the substitute must have been on this year's school team and must be eligible in all respects.

NOTE: Substitution at the state meet is not possible in individual events. If a state qualifier in an individual event is injured following the sectional meet, his/her lane will be left open.

VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

A. For the Sectional meets, the local managers shall hold Sectional Seed Meetings on Wednesday, the week of the Sectional Meet, at 6:30 p.m. The IHSA Office will not give permission for Sectional Seed Meetings to be held on any other evening than Wednesday, at 6:30 p.m. At this meeting, contestants will be seeded and assigned to heats and lanes in accordance with current National Federation Swimming and Diving Rules. ATTENDANCE AT THE SECTIONAL SEEDING MEETINGS WILL BE HIGHLY ENCOURAGED BUT IS NO LONGER MANDATORY (only coaches present may vote on matters discussed at the seeding meeting).

In Addition, any individual or relay team in

B. State Swim Qualifying Standards:

Sectional Qualifying Standards for the Boy's and Girls State Finals are determined in the following manner. The Qualifying Standards for each individual swimming event will be calculated by determining the 30th place time from all sectionals. Then that time will be used to obtain an average of the last FIVE years average times in each event. In relay events the same process will be implemented but the 24th sectional place time will be used to make the calculations. Any time calculated to be slower than the existing qualifying time would not be used in that event. The existing time would remain. Using this process, the qualifying standards for the 15-16 seasons are:

E. In the State Final meet, there shall be six contestants qualifying from preliminaries for the championship finals and six contestants qualifying for the consolation finals in the swimming events. VIII. TOURNAMENT RULES

A. The current Swimming and Diving Rules published by the National Federation of State High School Associations are the official rules governing the competition in all state series meets unless otherwise specifically provided for in these Terms and Conditions or in printed instructions to meet managers.

B. In accordance with IHSA By-laws 2.020 and 2.070, all schools are required to have a qualified coach or faculty representative present at all times during a meet and be available for assignment as might be required by the meet manager. If a school does not have a qualified coach or faculty representative present at the Sectional site or the State Final site during warm-ups or competition, that school's competitors shall not be permitted to participate.

Note: Schools are reminded that only coaches and faculty representatives who meet the provisions of IHSA By-law 2.020 and 2.070 and who are listed on the School's On-Line List of Participants shall be permitted to serve in those capacities at the Sectional and State Final meet.

C. A school may enter into the IHSA Swimming and Diving State Series one relay team in each relay event. All eligible schools are allowed to enter four (4) swimmers and four (4) alternates (8 names maximum). Any school qualifying at least one relay for the state finals will be issued one (1) additional deck pass for the alternate of the schools choice. This single deck pass is to be issued to the individual selected by the

coach to represent the team as the teams designated relay alternate. The other alternates listed in the schools List of Participants at the time of entering the State Series will not be provided deck passes. No alternate listed in the List of Participants will be provided spectator tickets for any day of the state final events. As always, any athlete listed as an alternate in a specific relay(s) can be used to swim in that relay. NOTE: For all teams, the IHSA will use the athlete's names that actually competed at the sectional meet in any relay(s) for the purpose of determining quantities of participant's deck passes and spectator tickets that will be available to qualifying individuals at the state meet.

D. In accordance with Rule 3-2-1, an individual contestant shall be permitted to enter a maximum of four events, no more than two of which may be individual events. Being designated as a member of a relay team does not count as an entry unless the competitor actually competes in the event.

Note: In regard to contestant limitations, the Sectional and State Final meets shall be considered to be separate meets.

Student-athletes in the physical/visual disabilities division shall be allowed to swim in up to four individual events in the Sectional meet. In the State Championship Meet, an athlete with a physical/visual disability, who qualified in the applicable events through the sectional, shall be guaranteed to swim in at least two events and shall be able to swim in up to four (4) events as long as there are two (2) athletes with disabilities of any classification swimming in the third and fourth events. Starts at both the sectional and state finals can be from the platform, the pool deck, or in-water.

E. The Referee, Starter, Diving Referee and a Turn/Stroke Judge for the Sectional meets shall be appointed by the IHSA Office. In addition, the Sectional managers shall appoint all other non-paid meet officials and shall appoint a full complement of officials as needed for a championship meet.

F. At the Sectional meets, the panel of judges for diving shall be comprised of five (5) persons, including at least two (2) of the officials assigned by the IHSA Office and swimming and/or diving coaches from the schools participating in the Sectional meet. Coaches that wish to be considered as Dive Judges are required to view the Diving Rules Video found in the IHSA School Center.

Note 1: A vote conducted by the Sectional Meet Manager must occur at all seed meetings to choose three coaches to serve as judges on the sectional diving panel. Only coaches that have divers actually competing in the sectional competition may vote. Only those coaches that express interest in serving on the panel should be included on the ballot.

Note 2: At least two (2) officials selected to serve on the diving panel at the Sectional meet must be from among the Meet Referee, Starter and Turn/Stroke Judge appointed by the IHSA Office.

Note 3: Diving Score Sheets will be distributed at the Sectional Seeding Meeting (2 forms per school). At the State Final, Diving Score Sheets will also be distributed. At the Sectional and State Final Meets, coaches are reminded that the coach's signature (as well as the diver's signature) is required on the Diving Score Sheet.

G. At the State Final meet, the IHSA Office shall assign all officials, including a Referee, Starter, Diving Referee, Head Timer, Head Finish Judge and Coordinator of Officials as well as two panels of seven (7) diving judges. The first diving panel shall judge rounds 1, 2 and 3 in the preliminaries and rounds 6, 7 and 8 in the semifinals and shall be comprised of three (3) diving coaches and four (4) diving officials. The second diving panel shall judge round 4 and 5 in the preliminaries and rounds 9, 10 and 11 in the finals and shall be comprised of four (4) diving coaches and three (3) diving officials.

Note 1: To be eligible for appointment to the diving panels at the State Final meet, diving coaches must attend a current IHSA Swimming and Diving Rules Meeting.

Note 2: Diving coaches with State Final qualifiers (or other coaches from that school) may NOT judge on a diving panel at the State Final. It is not allowable to appoint a boys coach from a school that has qualifiers in the girls meet and to appoint a girls coach that has qualifiers in the boys meet.

Note 3: Retired Illinois swimming and diving coaches are eligible for appointment to an IHSA state series diving panel.

Note 4: The head swimming and diving coaches in Girls/Boys Swimming will be asked to assist the IHSA Office in ranking the officials for the Sectionals and State Final.

H. In accordance with IHSA By-law 6.033 and the Swimming and Diving Rules, the decision of the Meet Referee and Diving Referee shall be final.

I. Conduct of swimmers and divers:

Unsportsmanlike conduct by coaches or contestants or the use of profane language by coaches or contestants will not be tolerated and shall be punishable under the provisions of Bylaws 3.141 and 4.061.

J. Uniforms: Swimmers and divers shall wear suits that comply with specifications included in the modified NFHS Rule 3-3. Coaches and athletes are encouraged to work with their distributor to determine if any suit meets the new standards defined in 3-3-2. To be deemed a legal suit, any suit must meet the style and construction restrictions described in rule 3-3-2, (ie.: must be completely permeable to water and air). A suit listed on the FINA list of approved suits will be legal for competition. Not being included on that list does not necessarily mean the suit is not legal. It is legal to wear two caps.

K. In the swimming events at the Sectional meets, points shall be awarded to the swimmers achieving the twelve (12) fastest times in each event.

L. In the swimming events at the State Final meet, points for first through sixth places shall be awarded solely on the basis of the order of finish in the championship finals. 2) Individual Events – 16-13-12-11-10-9-7-5-4-3-2-1

3) No team points shall be recorded for the places won by contestants from schools that do not meet the six contest requirements of IHSA By-law 3.054. No points shall be scored for places won by such contestants and this provision shall not alter the order of finish or the points scored of other contestants.

O. At the State Final meet, if more than 6 lanes are used for the preliminary heats in the swimming events, only six lanes shall be used for both consolation finals and the championship finals.

IX. TOURNAMENT POLICIES

A. State Final Ticket Distribution Policy:

1) Ticket Sales for State Final Qualifiers: Each qualifier in the State Final meet for both the able-bodied swimming and diving

program and the events for students with physical/visual disabilities will be permitted to purchase two (2) Swim Events tickets per swim qualifier, plus one alternate.

In addition, after meet management has determined the number of spectator tickets to be distributed to qualifiers, meet management will determine if extra spectator tickets are available. If so, then all schools that have qualified at least one individual for the state finals will be allowed to purchase two (2) additional Swim Event tickets. This number may be reduced to one (1) or to zero (0) if the number of qualifiers spectator's tickets approaches the maximum capacity of the swimming and diving venues.

Monday-Wednesday, 8:30 a.m. – 4:00 p.m. (will call not available)

Thursday: 8:30 a.m. – 7:00 p.m. (during packet pick-up)

2) If there are any Swim Events tickets remaining after Thursday night they will go on sale to the general public at the door prior to the prelims.

3) The cost of Swim Events tickets for the State Final Meet is \$20.00 (two days)

4) Diving Event tickets will be sold at the door for the single Friday session at a cost of \$10.00. The twelve divers who qualify for the finals on Saturday will be eligible to purchase two tickets, at \$10.00 each, for the entire Saturday finals, immediately following Diving prelims.

Note: A coach, athletic director, faculty representative, principal or person with a letter of authorization from the high school principal, may purchase tickets on behalf of a school.

B. Participant Passes for the State Final:

At the State Final meet, a participant pass will be issued to each girl/boy who qualifies for the State Final meet for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities. Schools that qualify at least one relay will be provided one additional deck pass to be given to the single relay alternate determined by the school. In addition, for those schools that have qualifiers for the State Final meet, for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities, qualified coaches, who are listed on the school's On-Line List of Participants, shall be issued a coaches pass with the following formula:

1-5 Qualifiers = Two (2) Coaches wristbands

6-10 Qualifiers = Three (3) Coaches wristbands

11 or more Qualifiers = Four (4) Coaches wristbands

Note 1: Managers or Rub Down personnel will not receive a participant pass.

Note 2: Participant and coach passes shall not be transferable and shall entitle those persons who receive participant passes only to the seating assignment in the pool deck area. IHSA has the authority to revoke a participant and/or coaches wristband at any time. Certified coaches

who are listed on the On-line List of Participants will be issued a coaches wristband (in accordance with the above formula). However, those coaches must meet all IHSA Coaching By-law Requirements and its subsections (By-law 2.070). Coaches who do not meet By-law 2.070 are not eligible and cannot be entered on the On-line List of Participants and are not eligible to receive a wristband. Only legitimate coaches and authorized meet personnel who have been issued wristbands and stamped contestants shall be allowed on the pool deck at the Sectional and State Final meet.

Coaches Wristbands: In an effort to ensure that only approved personnel are on the pool deck, meet management and/or IHSA officials will secure the required wristband on coaches as they enter the facility. **Only Coaches listed in the participating schools IHSA Schools Center (who has been identified how they are certified to coach, has completed/passed their PES and Concussion examination requirement) will be issued a coaches wristband.** Any wristband that appears to be tampered with at anytime during the championship will be confiscated and the individual in possession will not be allowed entrance without the purchase of a ticket. If no tickets are available for purchase the individual will not be allowed admittance. There have been numerous instances in past years involving coaches providing an extra coaches' band to individuals other than the certified coach for which the band was approved and intended. Schools involved in the transfer of coaches' bands will have themselves and their program placed on probation for the following year.

The IHSA will eliminate the diving coach's wristband from the number of allowable coach's wristbands as calculated by the number of qualifying swimmers and divers. The qualifying divers will be removed from the list of qualifiers used to determine the number of coaches wristbands. In other words, the swimming coaches' wristbands will be determined by using only the number of swimmers qualifying from each team.

Important Procedures for Participating Schools

To remain Eligible to Compete In the IHSA State Series

This list of steps can be used as a guide for coaches and administrators. This guideline is an attempt to help keep schools and/or its participants eligible to compete in the Swimming & Diving State Series. It is not intended to replace the Terms and Conditions or the Manual. To be fully informed, you must read the complete Manual for Schools. PLEASE DO SO!

If you receive an email from the IHSA office, please do not ignore it. If you are not the person responsible, please forward the email immediately to the appropriate person for follow up with our office. This is a “Red Flag” that IHSA needs important information from your school. If you are not the person, contact the school to remove your email from their list of school personnel.

A. What: Enter school into the Swimming & Diving State Series

Who: Principal or Official Representative

When: By September 11 (Girls), November 1 (Boys)

Where: IHSA.org

How: Go to www.ihsa.org

- 1) Click on IHSA Schools & Officials Center Login
- 2) Enter your User ID (5 digit ID, a letter followed by 4 letters) and Official Representative or Principal password
- 3) Click on Sport & Activity Tracker
- 4) Click on “enter your programs”
- 5) Click all applicable sports your school will participate in this season

Why: This data is what IHSA uses to assign schools to their Regional and/or Sectional sites.

B. What: Staff Compliance in the IHSA Schools Center

Who: Principal, Official Representative, Athletic Director

When: By September 11

Where: IHSA.org

How: Go to www.ihsa.org

- 1) Click on IHSA Schools & Officials Center Login
- 2) Enter your User ID (5 digit ID, a letter followed by 4 letters) and Official Representative or Principal password
- 3) Click on Staff Compliance

Why: This page is very important because if any information is missing from the coaching profile, the coach will not be able to add his/her name to their list of coaches on their List of Participants and will not be issued credentials at the State Final. This page indicates: Who has been listed as coaches for your school

How each coach on your staff is certified to coach (Off. Rep.; AD.; Principal)

If the coach has completed the PES Exam (one time requirement)

If the coach has passed the Concussion Exam (every two years, State of Illinois Requirement)

(To make changes to this information you should click on the “Staff Logins & Roster” link and click the name of the person you want to edit and make necessary changes.)

C. What: Review the Online Manual for Schools

Who: Coach and/or Athletic Director

When: Mid August

Where: The Manual for Schools **will be posted on the respective IHSA Swimming & Diving Activity Page and in the Schools and Officials Center (by logging in):**

How: Go to www.ihsa.org

- 1) Click on “Activity Tracker”
- 2) Click on Manual for Schools (If the Swimming & Diving Manual for Schools doesn’t appear, you are not listed as the coach and/or your school isn’t entered to participate this year).

Why: This manual has information for coaches and athletic directors as to what is necessary in order for their athletes to participate in the Girls and/or Boys Swimming & Diving State Series. Failure of coaches and athletic directors to become familiar with these details often results in the student athletes and/or coaches from their schools being denied the opportunity to compete.

- 1) In the Resource Section, Click on the “Manual for Schools”.

Why: This is how the coaches and athletic directors learn what is necessary in order for their athletes to participate in the Girls and/or Boys Swimming & Diving State Series. Failure of coaches and athletic directors to become familiar with these details often results in the student athletes and/or coaches from their schools being denied the opportunity to compete.

D. What: Online Rules Video Presentation for Girls and Boys Swimming & Diving

Who: All schools entering Swimming & Diving must have each Head Coach view the online rules video. By-Law 2.120 requires schools entering a sport as teams or individuals must view the online rules video

When: Available August 11 through September 15. Boys Swimming Coaches have until December 1. A \$50.00 penalty will be assessed after the deadline and placed on probation the first year and/or suspended the second year for failure of redeeming credit for online rules video.

How: Go to www.ihsa.org

- 1) Click on "School & Officials Center Login"
- 2) **Boys & Girls Head Coaches:** Enter your User ID (5 digit ID, a letter followed by 4 digits) and your boys or girls Swimming & Diving Coaches password.
- 3) Click on "Rules Video" next to Girls or Boys Swimming & Diving
- 4) View the online Rules Video to view, interact and receive credit.

Why: This is a yearly requirement for **EVERY HEAD BOYS AND GIRLS SWIMMING & DIVING COACH** (TEAM & INDIVIDUAL ENTRIES)

E. What: Entering Participants into the State Series Meets: "Online List of Participants"—Do not wait until the last minute, you can always make changes up until the deadline.

Who: Coach

When: Deadline is Noon, November 10 (Girls)/ February 16 (Boys) - If a school does not submit their Online List of Participants by the deadline, coaches and/or participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not do so and are consequently ruled ineligible for the State Final Series and must email tcraig@ihsa.org a letter indicating they are withdrawing from the Swimming & Diving State Series by noon on the day of the Online List of Participants deadline or a \$100.00 penalty will be assessed to your school.

Where: Go to www.ihsa.org

- 1) Click on "School & Officials Center Login"
- 2) Enter your "User ID" (5 digits, a letter followed by a number) and the password issued to you by your school. All of this information was emailed to you by your school. IHSA login ID and your Swimming & Diving Coaches password (Boys and Girls Coaches have different passwords), issued through your school administration through the IHSA Schools Center.
- 3) Click on Sport & Activity Tracker
- 4) Click on the "List of Participants" link
- 5) Type in the requested information and save your page(s).
- 6) **Certify & Submit your Form**
- 7) **PRINT EACH PAGE (ctrl key+P) on your keyboard. After the deadline, you will not be able to do so.**

Why: This is how the IHSA knows the names of the participants and coaches. This information will later be used in the State Final Program. It will be used as it is presented so please double check spellings for accuracy.

Reasons for the "Red Box" to appear in the Sport/Activity Tracker:

Schools would not verify to have competed in at least 6 Contests (team honors only).

School hasn't completed the "Certify & Submit" page.

Verification of IHSA Receiving List of Participants:

Print a copy of your entries as stated in #7 before the deadline. This is verification of your entries to take with you to the Coaches Meeting.

Make sure you click the "CERTIFY & SUBMIT" link, so you will not receive unnecessary reminders from our office about not receiving your List of Participants.

Once the process is complete and the deadline date approaches, the Schools Center Activity Tracker will show that the deadline has passed. This does not mean your school didn't complete it. It means the IHSA Office has imported all rosters and is in the process of preparing the files for the host of your Regional/Sectional Managers.

After Certifying & Submitting the *Online List of Participants*, print a copy of each page (ctrl key+P) on your keyboard for your records. You will not have access to this page, if you try to print it after the deadline.

F. What: Withdrawal Procedure

Who: Principal or Official Representative

When: Prior to Noon, November 10 (Girls)/ February 16 (Boys)

Where: IHSA Office

How: Email Tammy Craig (tcraig@ihsa.org) a letter indicating the desire to officially withdraw.

Why: Schools that fail to participate after entering and who fail to formally withdraw will be fined \$100.00 (additional penalties may apply, refer to Terms and Conditions). The fine is necessary to encourage schools to make us aware of their intent not to participate. When schools do not show up it adversely affects the balance in the numbers of teams assigned to each Regional and/or Sectional. This can create situations that are unfair to others. When you become aware that your school will not participate in the State Series, please withdraw immediately!

Schools Are Required to Use the IHSA Schools Center to File ONLINE LIST OF PARTICIPANTS (Sectional Event Entry List)

November 10, 2015 @ noon (Girls Swimming)

February 16, 2016 @ noon (Boys Swimming)

NEW INSTRUCTIONS TO COMPLETE THE ONLINE LIST OF PARTICIPANTS

What: Entering Participants into the State Series Meets: “Online List of Participants”—Do not wait until the last minute, you can always make changes up until the deadline.

Who: Coach

When: Deadline is Noon, November 10 (Girls)/ February 16 (Boys) - If a school does not submit their Online List of Participants by the deadline, coaches and/or participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not do so and are consequently ruled ineligible for the State Final Series and must email tcraig@ihsa.org a letter indicating they are withdrawing from the Swimming & Diving State Series by noon on the day of the Online List of Participants deadline or a \$100.00 penalty will be assessed to your school.

Where: Go to www.ihsa.org

- 1) Click on “School & Officials Center Login”
- 2) Enter your “User ID” (5 digits, a letter followed by a number) and the password issued to you by your school. All of this information was emailed to you by your school. IHSA login ID and your unique Swimming & Diving Coaches password (Boys and Girls Coaches have different passwords), issued through your school administration through the IHSA Schools Center.
- 3) Click on Sport & Activity Tracker
- 4) Click on the “List of Participants” link
- 5) Type in the requested information and save your page(s).
- 6) **Certify & Submit your Form**
- 7) **PRINT EACH PAGE (ctrl key+P) on your keyboard.**

After the deadline, you will not be able to do so.

Why: This is how the IHSA knows the names of the participants and coaches. This information will later be used in the State Final Program. It will be used as it is presented so please double check spellings for accuracy.

Reasons for the “Red Box” to appear in the Sport/Activity Tracker:

- ❖ Schools would not verify to have competed in at least 6 Contests (team honors only).
- ❖ School hasn’t completed the “Certify & Submit” page.

Verification of IHSA Receiving List of Participants:

- ❖ Print a copy of your entries as stated in #7 before the deadline. This is verification of your entries to take with you to the Coaches Meeting.
- ❖ Make sure you click the “CERTIFY & SUBMIT” link, so you will not receive unnecessary reminders from our office about not receiving your List of Participants.

Once the process is complete and the deadline date approaches, the Schools Center Activity Tracker will show that the deadline has passed. This does not mean your school didn’t complete it. It means the IHSA Office has imported all rosters and is in the process of preparing the files for the host of your Regional/Sectional Managers.

After Certifying & Submitting the *Online List of Participants*, print a copy of each page (ctrl key+P) on your keyboard for your records. You will not have access to this page, if you try to print it after the deadline.

A school may enter into the IHSA Swimming and Diving State Series one relay team in each relay event. In the 200-yard freestyle relay, the 400-yard freestyle relay, and the 200-yard medley relay, all eligible schools are allowed to enter four (4) swimmers and four (4) alternates (8 names maximum). Any school qualifying at least one of these relay for the state finals will be issued one (1) additional deck pass for the alternate of the schools choice. This single deck pass is to be issued to the individual selected by the coach to represent the team as the teams designated relay alternate. The other alternates listed in the schools List of Participants at the time of entering the State Series will not be provided deck passes. No alternate listed in the List of Participants will be provided spectator tickets for any day of the state final events. As always, any athlete listed as an alternate in a specific relay(s) can be used to swim in that relay.

Filling out the List of Participants Form is a critical part of the entry process. Failure to complete may jeopardize your school’s participation in the state series and could result in the suspension of the head coach for one or more contests.

Relays: Make sure you list any possible alternate(s), in case of unforeseen circumstances. The people listed are the only ones who will be eligible to swim in that respective relay.

Relay Event Entry Limitations: In accordance with the Terms and Conditions, schools may enter a **maximum of eight (8) girls/boys** in each relay event—four (4) swimmers and four (4) alternates are permitted.

Coaches: If you are receiving notifications from our office, please do not ignore them. You are receiving communications because you are entered into the state series and we require/expect for you to meet all deadlines to stay eligible.

Also, if you are receiving emails and your school is not going to participate in the Swimming & Diving State Series, this is a “Red Flag” that IHSA has your school entered to participate. To avoid penalty fees, you must have your official representative withdraw your school by emailing tcraig@ihsa.org by noon the day of the Online List of Participants deadline.

Changes are permissible at the Sectional Seeding Meeting to:

Event Times (Ind. events and relays)

Changes to name and times are permissible in individual events and relays. All changes at the seeding meeting must be submitted to the manager immediately upon arrival and prior to seeding the meet.

IHSA will supply all Sectional Managers a file with *List of Participants* for each school assigned to their meet.

(If you experience any problems, please call the IHSA Office and ask for Cheryl Lowery.)

Boys/Girls Swimming and Diving

To all member schools participating in Swimming and Diving,

In an effort to standardize the entry process for IHSA Swimming and Diving, the IHSA adopted Hy-Tek Swim software as the official software for managing our State Meets. This IHSA adoption **in no way requires you to purchase Hy-Tek swim software**. It will however provide member schools with a 25% group discount (new purchases only) in the event that your school does wish to purchase swimming software in the future.

I repeat, this IHSA adoption in no way requires you to purchase Hy-Tek swim software. However, we have been made aware by member schools that the majority of schools that currently own and use swimming software, already own the Hy-Tek product. Consequently, the IHSA has decided to purchase the software so that our online entry process for our State Series will be easier for our schools that host the Sectional Meets. By purchasing the Hy-Tek Meet Manager we hope to be capable of sharing the schools online entries with our Sectional Managers in a format that will not require them to be forced to manually reenter the schools individual entries. Please contact hy-tek by visiting www.hy-tek.com for current updates and pricing.

It is our sincere hope that our purchase of this product will make the management of our State Series meets easier for all involved.

Respectfully,

Ron McGraw

2015-2016 STATE FINAL TICKET DISTRIBUTION/POLICY

The **ticket order form** for Participating or State Final Qualifiers is **no longer needed**.

Ticket Distribution/Sales for State Final Qualifiers:

Schools with qualifiers in the State Final meet for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities will be permitted to order two (2) Swim Events tickets per swim qualifier. Any school qualifying at least one relay for the state final will be issued one (1) additional deck pass for the alternate of the schools choice. This single deck pass is to be issued to the individual selected by the coach to represent the team as the teams designated relay alternate. The alternate will also be allowed to purchase 2 additional tickets.

In addition, after meet management has determined the number of spectator tickets to be distributed to qualifiers, they (meet management) will determine if extra spectator tickets are available. If so, then all schools that have qualified at least one individual for the state finals will be allowed to purchase two (2) additional Swim Event tickets. This number may be reduced to one (1) or to zero (0), if the number of qualifier spectator's tickets approaches the maximum capacity of the swimming and diving venues.

On the Tuesday prior to the State Final, IHSA will post in the IHSA Schools Center the number of tickets/coaches wristbands each qualifying school is entitled to. This will allow the school's business office to issue checks for the correct amount and plan accordingly on the number of coaches to represent their school prior to the state final.

Coop schools: Only the host school of the coop will be granted permission to purchase a ticket. Other schools within the coop agreement will not be granted permission to buy tickets.

If there are any Swim Events tickets remaining after Thursday night, they will go on sale to the general public at the door prior to the prelims.

Swimming Tickets: The cost of State Swim Event tickets is \$20.00 (Friday & Saturday); the cost of a single (one day) ticket is \$10.00.

Diving tickets: Are **only sold at the door** each day for \$10.00. The twelve divers who qualify for the finals on Saturday will be eligible to purchase two tickets, at \$10.00 each, for the entire Saturday finals, immediately following Diving prelims on Friday.

Important Ticket Changes!

- a. All tickets will be held at the State host school until picked up.
- b. There will be no Advanced Ticket Sales for participating schools
- c. **Payment for Qualifier Spectator Tickets will be expected at the time of pick up. Do not mail payments to the State Final Host. ALL transactions will be made at the host schools during the week of the meet through the ticket managers. School Spectator tickets not picked up by 10:00 a.m. on Friday morning will be offered to general public.**
- d. The coach, athletic director, faculty representative, or an official representative who has a letter of authorization from the high school principal may pick up ticket(s) during the week of the meet at the specified time/place below. The designated person will be asked to sign for the tickets.

Will Call

Coaches & official representatives may ask the Ticket Manager to put tickets in Will Call beginning on Thursday before the state meet. There will be no Will Call on Monday-Wednesday. Those picking up Will Call tickets must have identification and/or a letter of authorization.

If you have further questions, you can email the State Final ticket manager:

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL PRIOR TO THE SEASON

1. Send a reminder card or email to the officials after you have them scheduled.
2. Reminder should include date of contest, time, level, location and sport.

Even though many schools and conferences have assignment chairpersons, sending a reminder is highly recommended. When an official does not show, people in your community won't know who the assignment chairperson is, but they do know the athletic director. **Avoid embarrassment.**

3. Have a standard wage scale set for your different sports and levels and a method in place to raise the pay periodically.
4. If possible, let the working officials know who their partner(s) will be.
5. Hire police and security along with medical assistant or athletic trainer coverage for events whenever possible.
6. Set a policy with your school board on fan, coach and player behavior.
7. Make sure all officials have a contract that is signed by your school—preferably by the principal or IHSA Official Representative.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL PRIOR TO THE CONTEST

1. Prior to the contest, provide the officials with directions and inform them of any special activities that might be occurring (i.e., Homecoming, Senior Night, etc.)
2. Give the official a number they can call in case of an emergency or postponement due to weather.
3. Have competent workers assigned at all contests (scorers, announcers, chain crew, etc.). These people are of great assistance to the official during the contest.
4. Have a host assigned to meet the officials as they arrive. The host should do the following for the officials:
 - A) Provide a reserved parking space.
 - B) Meet officials and take them to the dressing room.
 - C) Have refreshments available for halftime and postgame.
 - D) Ask for any additional needs.
 - E) Introduce the officials to those game workers pertinent to the contest (i.e., scorer, announcer, chain gang, etc.).
 - F) Get the proper pronunciation of officials' names so they are correct when given by the public address announcer.
5. Athletic director should discuss with the officials any special events, conference rules, national anthem time, etc. that would affect the game.
6. Provide the officials with the name of the adult supervisor for that contest and where that person can be found in the event a challenging situation should occur.
7. Make officials aware of location of an athletic trainer or other first responders during the contest. Have a doctor on site when possible (especially at football contests).
8. Make sure all bench personnel are properly attired.
9. Do a check on game scoreboards and lighting systems prior to the game or contest.
10. Make sure the playing area is properly marked and meets National Federation guidelines for that contest.
11. Provide appropriate secured dressing area and hot water showering facilities.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL DURING THE CONTEST

1. Insist coaches display good sportsmanship and are proper examples for your players and crowd.
2. Have your public address announcer or cheerleader read the IHSA sportsmanship statement and remain unbiased during contest.
3. Make sure the event supervisor understands the duties and responsibilities pertinent to that contest.
4. Make sure the playing area is maintained during halftime of each contest. For wrestling, make sure the mat is properly cleaned and washed.
5. Help with adverse weather conditions; monitor accordingly.
6. Make sure proper crowd control is visible and in place. Good administrative control can prevent difficult situations.
7. Observe the crowd during the contest and prevent any disturbances that may occur.
8. Work with the official during the game regarding crowd control.
9. Retrieve the game ball at the end of the contest.
10. Escort the officials back to the dressing room at halftime and at the conclusion of the contest.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL AFTER THE CONTEST

1. Escort the officials safely back to the dressing room and parking lot.
2. Do not allow unauthorized persons in the dressing room after the game. This includes coaches.
3. Have refreshments available for the officials after the contest.
4. Be sure to thank the officials for their time and effort, regardless of the outcome of the game.
5. Make sure arrangements for paying the officials have been completed. It is preferable to pay the official the day of contest.
6. Ensure that officials are not confronted by anyone after the contest.

Emergency Action Plan (EAP)

In accordance with By-law 2.150, a school shall have on file for each student that participates (including practice) in interscholastic athletics a certificate of physical fitness issued by a licensed physician, physician's assistant or nurse practitioner as set forth in the Illinois State Statutes not more than 395 days preceding any date of participation in any such practice, contest or activity. As this By-law addresses pre-participation certification only, there is not a guideline or By-law in place to address release to interscholastic activity following an injury, with the exception of head injury/concussion. With the understanding that schools throughout the state have different needs and services available to them, this document was produced to provide guidelines on an athlete's return to activity following an injury.

Each school should have a written Emergency Action Plan (EAP) in place to address medical emergencies among athletes, staff, officials, and spectators, regardless of severity, occurring during a practice or competition. The plan should also address severe weather, fire, electrical failure, bomb threat, criminal behavior, or other possible emergencies. This plan should be developed to address the unique needs of the individual sport and venue.

EAP's should consist of the following components:

- Personnel
- Communication
- Equipment
- Emergency Medical Care
- Player Medical Information
- Game-day Responsibilities (includes appropriate sideline preparedness)
- Catastrophic Incident Plan

While each school's sports medicine/medical service needs and availability are different, guidelines should also be developed to assist the coaching staff on what injuries should be allowed to return to competition without a medical release. It is not practical to identify every situation or injury; however the following guidelines should assist the school/coaching staff on determining if the athlete should be allowed to return to activity without a release.

1. No swelling or deformity.
2. No headache, nausea, blurred vision, tingling, numbness or sensory changes.
3. Symmetrical (equal to the other side) joint range on motion and strength.
4. Ability to bear weight, without a limp, if injury occurs to the lower body.
5. Ability to complete full functional sporting activities without compensation.

Please remember that the majority of high school athletes are a minor. If there is a question as to their injury and ability to participate, the parents/guardian should be consulted.

Athletes that are unable to meet the above criteria should be encouraged to seek medical treatment prior to return to interscholastic activity. Those athletes that seek medical treatment should be required to provide a written medical release indicating their ability to participate. Without obtaining this release, the school may assume legal liability if the athlete is allowed to participate in activities not permitted by their medical provider.

A proper plan establishes accountability, should be comprehensive, yet flexible, practical, and easily understood. The written EAP must be revised, approved, distributed, and should be rehearsed regularly prior to every athletic season. The athletic department, administration, and sports medicine team share the responsibility to establish, practice, and execute the EAP.

A sample venue-specific is included as a part of this document, which was developed from portions of the third and fourth editions of National Federation of State High School Associations Sports Medicine Handbook. IHSA Protocol for Implementation of NFHS Sports Playing Rule for Concussions

“Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.”

The above language, which first appeared in all National Federation sports rule books for the 2010-11 school term, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion, but not a revision in primary responsibilities in these areas. Previous rules required officials to remove any athlete from play who was “unconscious or apparently unconscious.” This revised language reflects an increasing focus on safety, given that the vast majority of concussions do not involve a loss of consciousness. However, the revised language does not create a duty that officials are expected to perform a medical diagnosis. The change in rule simply calls for officials to be cognizant of athletes who display signs, symptoms, or behaviors of a concussion from the lists below and remove them from play.

NOTE: The persons who should be alert for such signs, symptoms, or behaviors consistent with a concussion in an athlete include appropriate health-care professionals, coaches, officials, parents, teammates, and, if conscious, the athlete him/herself.

Definition of a Concussion

A concussion is a traumatic brain injury that interferes with normal brain function. An athlete does not have to lose consciousness (be “knocked out”) to have suffered a concussion.

Behavior or signs observed indicative of a possible concussion

- Loss of consciousness
- Appears dazed or stunned
- Appears confused
- Forgets plays
- Unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Shows behavior or personality changes
- Can’t recall events prior to or after the injury

Symptoms reported by a player indicative of a possible concussion

- Headache
- Nausea
- Balance problems or dizziness
- Double or fuzzy vision
- Sensitivity to light or noise
- Feeling sluggish
- Feeling foggy or groggy
- Concentration or memory problems
- Confusion

This protocol is intended to provide the mechanics to follow during the course of contests/matches/events when an athlete sustains an apparent concussion. For the purposes of this policy, appropriate health care professionals are defined as: physicians licensed to practice medicine in all its branches in Illinois and certified athletic trainers.

1. During the pre-game conference of coaches and officials, the official shall remind the head coaches that a school-approved appropriate health care professional will need to clear for return to play any athlete removed from a contest for an apparent head injury.
2. The officials will have no role in determining concussion other than the obvious situation where a player is unconscious or apparently unconscious as is provided for under the previous rule. Officials will merely point out to a coach that a player is apparently injured and advise the coach that the player should be examined by the school-approved health care provider.
3. If it is confirmed by the school’s approved health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may re-enter competition pursuant to the contest rules.
4. Otherwise, if an athlete can not be cleared to return to play by a school-approved health care professional as defined in this protocol, that athlete may not be returned to competition that day and is then subject to the IHSA’s Return to Play (RTP) Policy before the student-athlete can return to practice or competition.
5. Following the contest, a Special Report shall be filed by the contest official(s) with the IHSA Office through the Officials Center.
6. In cases where an assigned IHSA state finals event medical professional is present, his/her decision to not allow an athlete to return to competition may not be over-ruled.

Additional information regarding concussion has been made available to IHSA member schools and licensed officials and can be accessed on the IHSA Sports Medicine website at <http://www.ihsa.org/Resources/SportsMedicine.aspx>.

Concussion Information

Return to Play (RTP) Policy

Background: With the start of the 2010-11 school term, the National Federation of State High School Associations (NFHS) implemented a new national playing rule regarding potential head injuries. The rule requires “any player who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the game and shall not return to play until cleared by an appropriate health care professional.” In applying that rule in Illinois, it has been determined that only certified athletic trainers and physicians licensed to practice medicine in all its branches in Illinois can clear an athlete to return to play the day of a contest in which the athlete has been removed from the contest for a possible head injury.

Policy: In cases when an athlete is not cleared to return to play the same day as he/she is removed from a contest following a possible head injury (i.e., concussion), the athlete shall not return to play or practice until the athlete is evaluated by and receives written clearance from a licensed health care provider to return to play.

For the purposes of this policy, licensed health care providers consist of physicians licensed to practice medicine in all its branches in Illinois and certified athletic trainers working in conjunction with physicians licensed to practice medicine in all its branches in Illinois.

Mandatory Concussion Course for Coaches

House Bill 5431 went into effect for the 2014-15 school year. The legislation requires ALL high school coaches and athletic directors to receive a certificate of completion every two years for an online concussion awareness and education program developed by the IHSA.

The program includes a presentation and other supplementary materials that ALL high school coaches and athletic directors need to review prior to taking a required exam over the curriculum. Individuals will be required to demonstrate proficiency on the exam by scoring at least 80% in order to serve as an athletic coach at an IHSA member school. The legislation also requires student-athletes to watch the association-developed video presentation portion of the over-all curriculum each year.

The program includes information on concussion awareness training, concussion recognition, best practices for avoiding concussions, return to play guidelines, and sub-concussive head trauma. Coaches will be able to access the program after logging into the IHSA Schools Center and clicking on the “CON” tab, which will be located under the ‘Departments’ heading on the Schools Center homepage.

Unmanned Aerial Vehicle (Drone) Policy

For IHSA Tournaments

Effective February 18, 2015

The use of unmanned aerial vehicles (“UAV”), also known as drones, is prohibited for any purpose by any persons at IHSA tournament venues. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed.

For purposes of this policy, a UAV is any aircraft without a human pilot aboard the device.

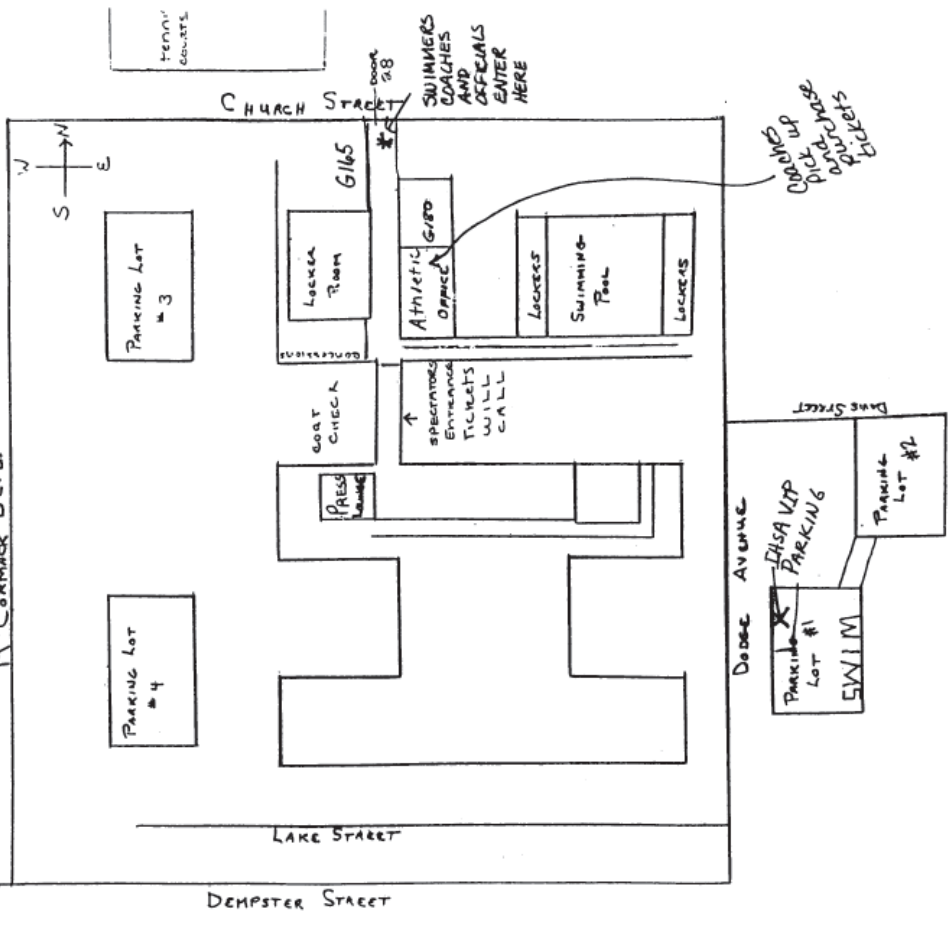

An exception to this policy may be made in specific cases for IHSA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the IHSA.

2015-2016 Diving Panel Volunteer Availability Form

Attention: Diving Coaches

Terms and Conditions Change Item III E- Diving Rules Meeting Presentation

Requires any diving coach, who wishes to be considered to officiate in the state series, to view an additional diving rules presentation, which will be specific to diving rules and protocols. The Assistant Executive Director in charge of Swimming and Diving will have the ability to appoint a coach to a site when circumstances would require doing so.

This new diving rules presentation will be posted in the IHSA School Center where interested coaches will be able to access and receive credit for viewing this presentation.

The IHSA Official Representative for each school must go to their school center (select L – Staff Responsibilities and Logins) and specifically designate who represents the school team as the diving coach. This must be done now so that the dive coach will have access to the new diving judging presentation. A message has been sent to school AD's, however we suggest you share this important detail to ensure the task is accomplished now.

We are looking for Diving Coaches to Volunteer for Diving Panel No. 1 and Diving Panel No. 2 at the IHSA Girls and Boys Swimming and Diving State Finals. Diving Panel No. 1 will judge rounds 1, 2, 3, 6, 7 and 8 on Friday. Diving Panel No. 2 will judge rounds 4 and 5 on Friday and Rounds 9, 10 and 11 on Saturday.

If you are interested in volunteering, please complete this form, check the box next to the appropriate state final and email it to Mike Hutton (mdhutton@ameritech.net) no later than the deadline shown below. We realize coaches will not know by the return deadline listed below if he/she will have a diver qualify for the state final. If that situation arises after you have made yourself available for the Diving Panel, we will automatically discard your availability. Please email the following information to Mike Hutton (mdhutton@ameritech.net) not later than November 13 (Girls State Final) and/or February 19 (Boys State Final)

Selected Dive Panel Judges who completed the Diving Rules Presentation without divers at the State Final will be contacted by Mr. Hutton upon selection after the sectional meet with any last minute instructions. All Dive Panel Judges, who have been selected will have a packet (includes a polo and a pass) to pick up at the Officials Entrance at the state final.

Thank you for your consideration!

Sincerely,

Ron McGraw
