- **Team Packet Pick-up:** Due to limited space/congestion at the sign-in area, we ask only for the coaches to come to the check-in area to pick-up the Team or Diving Packet. Swimmers do not need their passes to gain access to the Swimming Pool for practice on Thursday night.
- **WARNING:** If a school qualifies 1 athlete and the school opts to send an additional student as a companion to them at the state final, the school must use the 1 ticket that has been set aside for participating schools. Additional passes or wristbands will not be issued.
- **Parking – Team Buses:** Teams arriving in **BUSES** should be dropped off on Essex Street north of Tennis Courts. Buses will be directed to park in the Green Bay Road Metra Station West Lot (intersection of Green Bay Road and Winnetka Avenue).
- **Parking -- Spectator:**
 - The 'track' parking lot (adjacent to our outdoor running track)
 - Elder Lane Lot (off Sheridan Road)
 - Green Bay Lot (marked New Trier H.S. by train station)
 - On the streets north of Winnetka Ave. marked "NO PARKING ON SCHOOL DAYS."
 - Patrons are reminded to heed all local parking ordinances.
- **PARTICIPANT/COACH ENTRANCE** is Door E-26 off of Essex Street just north of the tennis courts. **Coach must accompany swimmers** at check-in and remain on-site.

Notice:

We've experienced several problems as a result of coach's wristbands being provided to athletes, parents, etc.

As coaches you are well aware of the limited space available on the deck. At times it is difficult to get all of the approved personnel on deck. The passes issued to participants and the wristbands issued to coaches in the State Final packet are non-transferable. They are to be used only by rostered athletes and coaches who have met IHSA Coaching By-Law 2.070. People caught using a pass intended for legitimate coaches and/or rostered athletes will have their pass revoked and removed from the facility. In addition, coaches may have sanctions placed against them from coaching the remainder of the state final and/or be placed on probation.

It is our desire to provide the greatest experience possible for the athletes, coaches, officials and fans. To do so, we must have the help of everyone involved. On behalf of the IHSA and our host, New Trier High School, we thank you in advance for your cooperation with this matter.

Wristband Policy/Distribution: Qualified coaches, who are listed on the school's On-Line List of Participants, shall be issued a coaches wristband using the following formula:

****1-5 Qualifiers = 2 bands**6-10 Qualifiers = 3 bands**11 Qualifiers & above = 4 bands**

Managers or Trainers with rub-down tables **will not** receive a participant pass or coaches wristband.

1. The number indicated next to each school's name on the Swimming Sign-In Sheet indicates the total number of wristbands allowed for that particular school. This is a pre-determined number set by IHSA and it is based on the number of qualifiers (including alternates) each school brought to the state final. Once they have reached that number, they are not allowed any extra. Each coach must sign for his/her own wristband and it is placed on the wrist by check-in staff.
2. Every Diving Coach automatically gets one wristband upon check-in. If your school only qualifies a diver, they will be entitled to two wristbands. Each coach must sign for his/her wristband and is not part of the Swimming coaches wristband allotment.

3. If a coach or an official is listed as part of a school's coaching staff, they are crossed off the sign-in sheet. Those people only get the Officials wristband that was supplied to them previously in their officials packet or Dive Panel Packet.
4. On Swimming Sign-In Sheet, the Diving Coaches are crossed out. This means they need to sign in on the Diving Sign-In Sheet.
5. If you are a coach for multiple qualifying schools, you are entitled to one wristband.
6. Participant and coach passes shall not be transferable and shall entitle those persons who receive participant passes only to the seating assignment in the pool deck area. IHSA has the authority to revoke a participant and/or coaches wristband at any time. Certified coaches who are listed on the On-line List of Participants will be issued a coaches wristband (in accordance with the above formula). However, those coaches must meet all IHSA Coaching By-law Requirements and its subsections (By-law 2.070). Coaches who do not meet By-law 2.070 are not eligible and cannot be entered on the On-line List of Participants and are not eligible to receive a wristband. Only legitimate coaches and authorized meet personnel who have been issued wristbands and stamped contestants shall be allowed on the pool deck at the Sectional and State Final meet.
7. In an effort to ensure that only approved personnel are on the pool deck, meet management and/or IHSA officials will secure the required wristband on coaches as they enter the facility. Any band that appears to be tampered with at anytime during the championship will be confiscated and the individual in possession will not be allowed entrance without the purchase of a ticket. If no tickets are available for purchase the individual will not be allowed admittance. There have been numerous instances in the past two years involving coaches providing an extra coaches' band to individuals other than the certified coach for which the band was approved and intended. Schools involved in the transfer of coaches' bands will have themselves and their program placed on probation for the following year.
8. The IHSA will eliminate the diving coach's wristband from the number of allowable coach's wristbands as calculated by the number of qualifying swimmers and divers. The qualifying divers will be removed from the list of qualifiers used to determine the number of coaches wristbands. In other words, the swimming coaches' wristbands will be determined by using only the number of swimmers qualifying from each team.

State Final Qualifier Packet Contents:

Please check with IHSA personnel, if any items are missing from your packet before you leave the check-in area. Items will not be replaced once you leave the check-in area. Participant passes for both days will be included with the team packet on Thursday/Friday.

- ✚ Friday & Saturday Participant Passes (1 per qualifier):** You will receive a pass for each qualifier. If your school qualified a diver, the Participant pass is included in the Diving Packet.
- ✚ State Final Qualifier Pins:** 1 per qualifier. Coaches are not entitled to State Final Qualifier pins.

The following is the new procedure (effective February 2009) initially proposed and approved by coaches at the 2008 New Trier Girls Sectional Seed Meeting in November 2008. The proposal was offered for acceptance and approved at the Volunteer Meeting of Coaches the Girls State Championship Meet. The IHSA has approved the use of these criteria for the Boys (and Girls) State Swim Championships.

The intent of the proposal is to provide the following;

1. A continued emphasis on safety in regards to deck entry for participants and coaches
2. A uniform method to enhance the efficiency team seating by seating larger groups first.
3. A reduction in the wait times required for teams to get on deck, allowing later team arrivals and better use of time by coaches and athletes.

The Entrance Order Number will be assigned based on the following criteria and posted on the IHSA website by Monday of the week following the sectional meet.

1. Host schools will be first or have their area reserved in advance.
2. Teams will then be ordered by the number of contestants they have qualified;
 - a. Relays equal four.
 - b. Each individual qualifier including divers equals one.
 - i. Multiple event qualifiers will count as one for each event i.e., swimmers in two individual events count as two.
3. Ties will be broken by awarding the next number in order of the teams place at the previous year's state meet.
4. Remaining ties will be broken by random draw from the teams that are tied.
