Be sure to fill out each page of the List of Participants Form by clicking through the links in the yellow box at the top of the page.

On the Roster page, you should enter the names of students who might compete in the state series.

On the Participants (or Entries) page, you can then designate which of these students will actually compete in the state series.

You may move back and forth between the pages and make changes at any time before the deadline.

When you are finished, review all the pages and then "Certify & submit" the form. (You may still return to the form any time before the deadline to make changes.)

Please be aware that in order to be listed on this form, an athletic coach must be listed in the online staff roster and meet all the compliance requirements.

5. Click on **Coaches** and enter the Head Coach and all Assistant Coaches. Use the drop-down menu to select the coaches name(s) that your school's athletic director has confirmed **compliant with IHSA Coaching Qualifications By-laws & State Mandated Concussion Exam & PES Exam**. List every coach that you anticipate coaching at the state final, so we can accurately issue coaching passes. If a coach's name is not on this list, they will not receive credentials to coach at the state final.

*If a name does not appear in the pull-down menu, the person you are looking for either is not listed on your school's roster of staff members or has not met all the compliance requirements.*

*If you list more than one head coach, it will reduce the number of assistant coaches you are allowed to list.*

*If a name does not appear in the pull-down menu, the person you are looking for either is not listed on your school's roster of staff members or has not met all the compliance requirements.*

6. List your current roster. Include more than the allowable number of players (two doubles and two singles players – 6 players) in case you need to make line up changes due to academic eligibility or disciplinary issues. We recommend rostering your entire line up. If the student’s name is not on the roster you cannot make lineup changes.
