

## **Girls Volleyball State Finals – Saturday, November 12, 2011**

Since captains are key components to a healthy, successful season, the IHSA would like to recognize their leadership. A special opportunity is being provided to schools that have varsity volleyball captains attending the girls' volleyball state finals at Illinois State University. The recognition will take place Saturday, November 12, 2011, at the State Tournament. Certificates will also be awarded to the participants. Group pictures will be taken and included in next year's state final program.

### **Schedule**

Captains' Day (Classes 1A, 2A, 3A and 4A) -- Session 3 – Following Match 11
