The illustrations and situations it contains are for purposes of assisting in understanding the application of the particular by-law to which they pertain. 5.040 & 5.180 BASKETBALL

268) PLAY BEFORE OPENING DATE

- Q. If a school begins basketball practice on Monday of Week 19 and has its first varsity game scheduled for Tuesday, of Week 21, one day after the legal date for the first game, may it play a controlled scrimmage against a neighboring school on Friday of Week 18.
- A. No. (By-law 5.041 c)

5.060 BOYS FOOTBALL

269) FOOTBALL SCRIMMAGES

- Q. May a school play a controlled scrimmage against another school on Saturday of Week 8, if it began football practice on Monday, Week 7, and has its first varsity game scheduled for Friday of Week 9?
- A. No. A scrimmage against another school in any sport is viewed to be an interscholastic contest. Therefore, it must be counted as one of the contests a school is permitted to play during the season, and is restricted as to the dates for playing contests. (By-law 5.062)

5.120 & 5.250 SWIMMING & DIVING

270) SPLITTING SWIMMING AND DIVING DATES

- Q. In the event a school participates in a meet where the diving event is not conducted due to insufficient pool depth, may the divers from that school compete in a different diving competition on a different date without having the school charged with an additional contest under the contest limitations?
- A. Yes. (By-law 5.122)

5.150 & 5.280 TRACK AND FIELD

271) INDIVIDUALS COMPETING IN HONOR ROLL OR CLASSIC MEETS

- Q. If a school conducts a track meet to which member schools are invited to send only individual participants who have achieved outstanding record(s) or time(s), may schools send students to participate in this meet without the meet being counted as a team date within their limitation on dates of competition? (The meet is considered a "classic" event for individual competition only. No team scores are kept.)
- A. In such a case, if the meet is truly for individual athletes only and no team scores are kept, the event will not be counted as a team meet for participating schools. It will, however, be counted in the number of dates (maximum 21) on which the individual athletes may participate. (By-laws 5.152 and 5.153)

272) SPECIFIC RESTRICTIONS ON NON-SCHOOL TRACK COMPETITION

- Q. When must a student cease non-school track competition to be eligible for the school team?
- A. A student may compete in non-school contests until the fifth day of practice. (By-laws 3.111 and 3.106)

5.340 SCHOLASTIC BOWL

- 273)** Q. What is considered to be a contest?
A. An event in which teams of five (5) students representing two (2) schools compete with or against each other in academic quizzing, utilizing a format and rules comparable to the IHSA series, is considered a scholastic bowl contest. (By-law 5.341)

5.750 COMPETITIVE CHEERLEADING

- 274)** Q. What constitutes a “competitive cheerleading” meet?
A. A “competitive cheerleading” meet:
a. Is a standalone competition, and is not a support or ancillary activity to another event such as a boys basketball tournament.
b. Is judged according to rules for competition endorsed by a governing body.
- 275)** Q. Does a cheerleading competition held in conjunction with a basketball tournament, in which cheerleaders are judged on the basis of their sideline performance, fall under the category of competitive cheerleading?
A. No. This is not considered “competitive cheerleading”.
- 276)** Q. When may a school hold tryouts and practice for its cheerleading squad?
A. At any time during the school year or the summer. Tryouts may be held in the spring for the following school year, and these tryouts may include incoming freshmen from feeder schools.
- 277)** Q. May a student compete in competitive cheerleading for a school he or she does not attend?
A. No. The only exception is public schools may form cooperative competitive cheerleading teams as outlined in IHSA By-law 2.030.
- 278)** Q. During the school term, may a member of the competitive cheer squad attend a competitive cheer camp?
A. Yes, provided that no more than 2 persons from the school attend the same camp.
- 279)** Q. After five days of tryouts/practice during the IHSA competitive season, may a member of the competitive squad practice or compete with an independent team (for example, an All-Star squad)?
A. No, students involved in competitive cheerleading must cease non-school practice and competition after five days of tryouts/practice during the IHSA competitive season. (By-law 3.106 and 5.750).
- 280)** Q. What eligibility rules apply to competitive cheerleaders?
A. The sport eligibility by-laws (Section 3.000).
- 281)** Q. What eligibility rules apply to sideline cheerleaders?
A. The activity eligibility by-laws (Section 4.000), but only if the team does not engage in interscholastic competition.
- 282)** Q. If tryouts are held in the spring or in the summer before classes have begun, will a student who takes part in tryouts be ineligible for competitive cheerleading with respect to transfer if he or she enrolls in a new school? What if he or she is an incoming ninth-grader?
A. No in both cases. (By-law 3.042)
- 283)** Q. If tryouts are held after classes have begun, will a student who takes part in tryouts be ineligible for competitive cheerleading with respect to transfer if he or she enrolls in a new school during the school term?
A. Yes. (By-law 3.042)
- 284)** Q. Must competitive cheer coaches meet the requirements of IHSA By-law 2.070 (Qualifications of Coaches)?
A. Yes.
- 285)** Q. May students who are members of a competitive cheer team participate in tumbling classes during the school year?
A. Yes, provided there is no instruction related to the theories and strategies of competitive cheer.
- 286)** Q. Does the twenty-five day contact limit apply to competitive cheer in the summer?
A. No. Since there are no practice limitations in the competitive cheer by-law, the twenty-five day contact rule does not apply.
- 287)** Q. May a competitive cheer squad attend a cheerleading camp after Saturday of Week No. 4 in the standardized calendar?
A. No. IHSA By-law 3.112 prohibits students from attending coaching schools, camps or clinics after Saturday of week 4. (Implementation date July 1, 2004)
- 288)** Q. Are students who try out for cheerleading squads in the spring eligible to compete with outside teams after the try-out date?
A. Yes. By-law 3.106 says that “students must cease non-school practice and competition in that sport no later than five days after the date on which the school team engages in its first practice or tryout.” However, this conflicts with the intent of By-law 5.750, which carves out an exception for competitive cheerleading by allowing practice (and try-outs) year-round. By board interpretation, students involved in competitive cheerleading must cease non-school practice and competition after five days of tryouts/practice during the IHSA competitive season. (By-laws 3.106 and 5.750)

- 289)** Q. May a school's wrestling cheer squad participate in cheer competitions?
 A. Yes. By-law 5.753 says that "no individual shall be permitted to participate on a member school's Competitive Cheerleading team unless he/she is a rostered participant on the member school's winter (basketball) sideline cheerleading team." Since the competitive squad at some schools is the wrestling squad rather than the basketball squad, the parenthetical comment in the by-law is interpreted merely as an example of a winter squad, rather than as a requirement that the competitive squad must perform at basketball games. (By-law 5.753)
- 290)** Q. What is a "rostered participant"?
 A. A rostered participant is a student who is both on the roster and who participates on a sideline cheerleading squad. (By-law 5.753)

- 291)** Q. When a student-athlete is ejected for unsportsmanlike conduct and has to sit out the next game and also becomes academically ineligible for the next game, will the student serve both periods of ineligibility at the same time?

- 292)** Q. May players who are ineligible for a contest due to a suspension for unsportsmanlike conduct travel with the team to the contest or attend the contest?

If there is no contest at the same level within a ten day period, the ejected player or coach may fulfill the requirements of the by-law by missing three contests for another team(s) at any level in the same sport for which they are a rostered player or contracted coach. (By-law 6.011)
