*Assistance from the Chicago Bears
Does your school have interest in starting a girl’s flag team at your high school needs some assistance and/or guidance? Below are helpful links. The first is a short presentation giving some background on girl’s flag football and the second is a short application for funding. Funding is not guaranteed but will be based on first come and needs basis, while available. Equipment is available for new schools that includes flag belts, footballs, cones pinnies, etc. ($1500 value) while supplies last and based on need.
