**TERMS AND CONDITIONS**

**SPEECH: INDIVIDUAL EVENTS**

**Item 1: VI. E. 2)**

**TOURNAMENT STRUCTURES AND TIME SCHEDULES**

**State Final Time Schedule**

**Recommendation:**

~~4:00 p.m.~~ AWARDS ASSEMBLY – Immediately following the Final Rounds

**Rationale:** Adjusting the awards assembly to begin immediately following the final rounds streamlines the event schedule.

**Item 2: SPEECH EVENT SUMMARIES**

**ORATORICAL DECLEAMATION (DEC) Material**

**Recommendation:**

Material must come from appropriate printed, published sources and must meet high standards for good literature. Material can come from editorial, essays, speeches, commencement address, ~~etc.~~ and be pertinent to current issues. Dramatic literature is not permitted.

**Rationale:** Clarifying the source requirements for Oratorical Declamation ensures that material aligns with the educational and rhetorical goals of the event. Emphasizing published, non-dramatic sources such as editorials, essays, and speeches reinforces the intent of the event—to showcase a speaker's ability to interpret and deliver material grounded in real-world discourse and contemporary relevance. This distinction maintains the event's integrity and differentiates it from events focused on dramatic interpretation.

## STATE SPEECH: INDIVIDUAL EVENTS DISCUSSION ITEMS

1. The committee heard an update from Jan Heiteen, IHSA Speech State Final Manager, regarding the 2025 IHSA Speech: Individual Events State Series. Heiteen was recognized and thanked for serving as the tournament manager.
2. The committee discussed the State Final Venue. Issues of no outside food is still a concern for competing schools. The State Final Venue contract will be up for Request for Proposal for the 2026-27 school year. Interested locations/venues have been Governors State/Contact Lauren Mann, Illinois State/Contact Megan Koch, University of Illinois Chicago/Contact Lavontae Morrow and Elgin Community College/Contact Brian Bohr. The advisory committee is concerned about venues where students and judges would have to go outside to adjacent building for competition rooms. An all-enclosed facility with the ability to have 15 competition rooms (include PIR warm up space), tournament headquarters, awards space and a student holding space for 750 students is ideal.
3. The committee discussed the Speech State Final Time Schedule and will continue to conduct all final rounds at the same time. Recommendations were reviewed to improve the posting of finals (post PIR, Radio and Extemp. sooner). The committee agreed that PIR could be posted sooner than the other individual events.
4. The committee reviewed a proposal to VIII. E. Timekeeping 3) Overtime Procedures: which recommended eliminating the hand raise by volunteer timers upon expiration of speakers allotted time. The committee discussed that the volunteer timers hand raise is a courtesy and that student speakers are always responsible for their own time limits and that any discrepancy in volunteer timers raising their hand is not a reason to drop time penalties or redo rounds.
5. The committee reviewed and discussed a proposal to expand the source material for oratorical declamation to allow material from any source. The committee did not act on this recommendation however, they did review the material requirement for oratorical declamation and make a clarification.
6. The committee reviewed a recommendation to expand the material allowed for poetry to permit “*various published high quality internet sites*”. The committee discussed to process for coaches to submit internet sites for review by the publication committee. Various allowable channels will be permitted and posted on the speech menu page.
7. The committee reviewed and discussed a recommendation to expand material for HDA, DDA, HI, DI, to permit material from any “*publicly accessible internet source.*” No action was taken.
8. The committee reviewed a recommendation to add language that judges should only comment on the performance. The committee discussed and agreed that the following statement should be added to the “*Effective Judging*” form handed out to all post season judges: (See Effective Judging in [Manual for Managers](#)) “*It is important to remove personal biases and expectations in regards to dress so that we can be inclusive of all who want to participate.*” \*Refer to [NSDA dress code and culturally competent judging](#) and [NFHS Implicit Bias Course](#).

9. The committee reviewed a proposal to eliminate the use of notecard in extemp and impromptu speaking. The committee discussed that during the state series a variety of skill levels participate so in extemp *“only notes/notecards of any size/type made during the timed preparation period are allowed for use during the speech”*; and in impromptu *“Only one (1) notecard of any size/type made during the preparation time is allowed for use during the speech”* will remain.

10. The committee reviewed a proposal to move the radio prep time from 45 minutes to 30 minutes. Rationale included: 1) Prep packets have evolved over recent years which allows ease for students to organize their radio scripts more efficiently yet still provide ample time for script reading practice 2) Prep time would align with Extemporaneous Speaking and aid in contest management. The committee tabled this proposal at this time to solicit additional feedback from coaches. It was recommended to have ICTA survey coaches.

11. The committee reviewed and discussed a proposal to combine HDA and DDA and add Due. No action was taken.

12. The committee did not support a recommendation to remove the use of tables in Humorous/dramatic Duet Acting or Performance in the Round. The IHSA will continue to rely on competing schools to provide tables for competitors to use in these events.

13. The committee reviewed contest procedures – violation, protests, warnings, ranked last & disqualifications.

14. The committee reviewed Performance in the Round rules and awards. There were no recommendations approved to add individual PIR awards for regionals and sectionals, however, standardized certificates can be created by the host school to recognize students. The committee discussed PIR FAQ and rule clarification sessions. This could be an ICTA initiative.

15. The committee heard a report on Debate in Illinois from Brian Rohman, Assistant Principal and Debate Coach at Normal University High School. With the support and collaboration of key statewide organizations such as the [Illinois Debate Coaches Association](#) (IDCA) and [Chicago Debates](#), the IHSA has a unique opportunity to expand competitive opportunities for students through the inclusion of debate events. Brian Rohman, representing the IDCA, along with leadership from Chicago Debates, has played a central role in promoting this renewed partnership. Their efforts have helped foster significant growth ([see emerging activity](#)) in debate participation across Illinois, providing structure, outreach, and resources that have reinvigorated programs post-COVID. Formalizing this partnership through IHSA would legitimize this growth and create a clear pathway for students and schools to engage in high-quality, statewide competition.

## TERMS AND CONDITIONS RECOMMENDATIONS

### DRAMA

#### Item 3: VI. D. 2

#### TOURNAMANT STRUCTURE AND TIME SCHEDULE

##### Recommendation:

##### If one competition room is used:

<del>Session 1</del>	<del>Session 3</del>
8:00 a.m.	2:45 p.m.
8:40 a.m.	3:25 p.m.
9:20 a.m.	4:05 p.m.
10:00 a.m.	4:45 p.m.
10:40 a.m.	5:25 p.m.
<del>Session 2</del>	<del>Session 4</del>

##### If two competition rooms are used:

Friday: PRELIM A <u>&amp; B</u>
9:00 a.m.
9:45 a.m.
10:30 a.m.
11:15 a.m.
12:00 noon
1:15 p.m.
2:00 p.m.
2:45 p.m.
3:30 p.m.

~~Post-Finalists~~ – Announced ~~Directly~~ after the last performance

##### Saturday: FINALS

8:30 a.m.	
9:20 a.m.	
10:10 a.m.	
11:00 a.m.	
11:50 a.m.	
12:40 p.m.	(1:30 p.m. if needed)

**Rationale:** At state final venues, the primary goal is to run two GI preliminary sections simultaneously, when space allows at the host site. The revised schedule—including a second GI room—should be presented alongside the standard schedule to provide clarity and flexibility in planning.

**Item 4: VII. B. 3. a.**  
**ADVANCEMENT OF WINNERS**

**Recommendation:**

The three (3) performances from each preliminary group with the lowest totals of judges' rankings (after high and low are discarded) shall be advanced to the finals, ~~along with any performance whose total of rankings is lower than the total of rankings for the third place performance in the opposite preliminary group.~~

**Rationale:** Strike the above language from the current rule, as it represents an overcorrection for perceived imbalance between preliminary groups.

**Item 5: VIII. F.**  
**TOURNAMENT RULES – Special Rules and Limitations**

**Recommendation:**

F) Special Rules and Limitations:

1) The following items are prohibited:

- fire
- firearms and explosives
- animals
- non-member school students

2) All crew members must wear shows during load-in, set-up, and strike.

~~2)~~ 3) (*adjust numbers accordingly*)

~~3)~~ 4)

5)

**Rationale:**

To ensure both consistency across events and the safety of all participants, footwear requirements should be clearly defined for all aspects of State Drama's Group Interpretation and Contest Play. While the Terms and Conditions specify that GI performers must wear shoes, and the Qualifier's Manual mandates footwear for Drama set-up crews, there is currently no language addressing footwear for Drama performers or GI set-up crews. Clarifying and aligning these requirements promotes uniform expectations and helps reduce the risk of injury during performance and technical transitions.
