# **“The Classic” and Angler of the Year Qualification Page**

***Based on a 25 boat field...***

## **30 POINTS TOTAL**

To qualify for **“The Classic”**

- Each boat automatically receives 5 points for fishing 1 tournament, 10 points for fishing 2 tournaments. (leaving that boat 20 points shy of **“The Classic”**).
- Each boat who qualifies for the State Tournament within their respective IHSA sectional earns 5 points towards qualifying for the District 230 **Classic** and **Angler of the Year**.
- There will be a fifteen boat minimum for **“The Classic.”** (Example: If only 13 boats qualify, the next two boats closest to the 30 point mark would automatically qualify.)
- Besides earning automatic points for fishing a District 230 tournament, boats must place well in the 2 preliminary tournaments prior to **“The Classic”** to earn more points.
- The overall **point’s** leader after the third tournament will win the **Angler of the Year** award.

### **The point totals are awarded according to placing in individual tournaments:**

- 1<sup>st</sup> place=25 pts.
- 2<sup>nd</sup> place= 24 pts.
- 3<sup>rd</sup> place= 23 pts.
- 4<sup>th</sup> place= 22 pts.
- 5<sup>th</sup> place= 21 pts.
- 6<sup>th</sup> place= 20 pts.
- 7<sup>th</sup> place=19 pts.
- 8<sup>th</sup> place= 18 pts.
- 9<sup>th</sup> place= 17 pts.
- 10<sup>th</sup> place= 16 pts.
- 11<sup>th</sup> place= 15 pts.
- 12<sup>th</sup> place= 14 pts.
- 13<sup>th</sup> place= 13 pts.
- 14<sup>th</sup> place= 12 pts.
- 15<sup>th</sup> place= 11 pts.
- 16<sup>th</sup> place= 10 pts.
- 17<sup>th</sup> place= 9 pts.
- 18<sup>th</sup> place= 8 pts.
- 19<sup>th</sup> place= 7 pts.
- 20<sup>th</sup> place= 6 pts.
- 21<sup>st</sup> place= 5 pts.
- 22<sup>nd</sup> place= 4 pts.
- 23<sup>rd</sup> place= 3 pts.
- 24<sup>th</sup> place= 2 pts.
- 25<sup>th</sup> place= 1 pts.

**Example:** If a boat enters both tournaments (10 pts. for participating) and places 3<sup>rd</sup> (23 pts.) in the first tournament and 15<sup>th</sup> (11 pts.) in the second tournament, they will end up with 44 total points, qualifying them for **“The Classic.”**

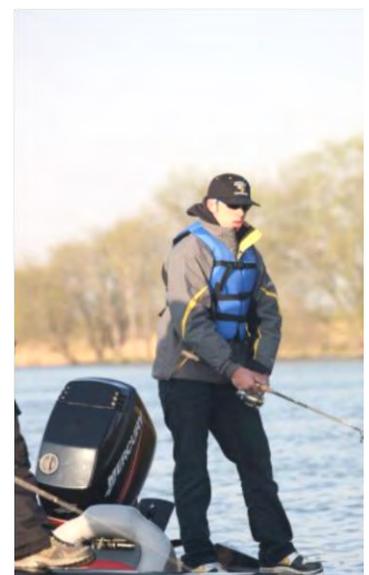

**Example:** If a boat only enters one tournament (5 pts.) and places 3<sup>rd</sup> place (23 pts.), they will have 28 points, leaving them 2 points shy of the classic. Fishing the second tournament (5 pts.) would have given the boat a total of 33 points, automatically qualifying them for **“The Classic.”**

***Please note, if the number of boats in the field changes, the qualification requirements will change as well.***

# DISTRICT 230 TOURNAMENT SERIES RULES (ADAPTED FROM: IHSA RULES)

<p><b>A.</b> All District 230 tournaments will be set for 6 to 7 hours of fishing. This might have to be varied because of weather. A tournament is considered to be complete if 3 hours of the scheduled tournament time has been fished. If one of the first 2 tournaments are cancelled prior to the half-way mark, the tournament will be cancelled, and all catches will be void.</p> <p><b>B.</b> If weather shuts down "The Classic" once fishing has started, that day's weight will be determined by the fish caught during the time allotted for that day, and the tournament will be final.</p> <p><b>C.</b> All participants must be back in for the weigh-in by 1:30 p.m. This would vary only if a weather alert has been issued which might shorten or lengthen (because of a delay) that day's tournament. It is the participant's responsibility to make sure the boat is back to the dock by 1:30 p.m.</p> <p><b>D.</b> There will be a one pound deduction for every minute a participant is late getting back for weigh-ins up to 15 minutes. After 15 minutes, no weight will be allowed for that day. It is the participant's responsibility to notify the tournament manger in advance of the 1:30 p.m. closing time of any problems that may have occurred.</p> <p><b>E.</b> There will be a five fish limit (smallmouth, largemouth) per boat. Keeper length is 12" (inches). Fish may be culled if a participant(s) has five fish (5) in the live well. No more than five (5) fish in the live well at any time.</p> <p><b>F.</b> All fish that are put in the live well must be kept alive. <b>Dead fish will have a 1/2 pound deduction and cannot count as the large fish for that boat. Dead fish may not be culled.</b> All fish will be released immediately After the weigh-in.</p> <p><b>G.</b> Ties will be broken if the poundage is equal in the following manner: first criteria will be the largest fish; second criteria will be the number of fish; third criteria will be a coin flip.</p> <p><b>H.</b> All participants must wear a Coast Guard approved life jacket the entire time they are on the water. If they do not, disqualification will occur. ALSO, all participants must wear eye wear for protection.</p>	<p><b>I.</b> Participants must only use the gear that is in the boat when the boat leaves the dock at the start of the day. They may use their own gear or the gear of the captain in the boat. If an alternate is used in the tournament, the gear of the alternate must be secured in an area and can be added once the alternate is picked up.</p> <p><b>J.</b> Every boat must a have an adult captain for driving purposes, and only that captain can drive when the outboard motor is in use.</p> <p><b>K.</b> The captain of the boat may make suggestions but can not fish in any respect or tie any lures on for the participants. Captain or participants can operate the electric trolling motor.</p> <p><b>L.</b> Team participants of the boat may net the fish for that boat. The largest fish award will be given at each tournament to all participants of the boat that weighs in the largest fish of that tournament.</p> <p><b>P.</b> No live bait or trolling is allowed. Only one pole per person can be used at any given time.</p> <p><b>Q.</b> Participants must stay completely in the boat unless they are using an authorized rest room facility, are back at the dock switching participants, or due to some other emergency or malfunction.
