

Hello Bass Fishing Supporters:

It's hard to believe that our school's fishing season is a short 2 months away.

Over the last 6 years, our supporters have helped tremendously to supply our club with rods, reels, lures, plastics, clothing, tournament supplies, safety articles, etc. More importantly, however, it is your support that helps each student involved in our club have a memorable experience that will last a lifetime.

This year, our bass fishing club, students and coaches alike, will be selling \$5.00 Carson Pirie Scott fundraising booklets for Carson's major sale next weekend. **Click the link to purchase your Carson's booklet online: <http://bit.ly/17hnfg5>.**

If you would prefer to purchase a booklet directly from Coach Bartgen, Coach Arndt, or me, please send us an email. We will have some printed booklets available for purchase. Thank you!

Included in this booklet is a wealth of savings including the following:
