

# IHSA Golf Scoring Program - Sectional Tournament

## Instructions and Comments

The pages/tabs are **bolded**. Please make sure you are on the correct page before proceeding with each step.

### Before starting

1. The teams who won each of the regionals that feed into your sectional shall be placed in the 1-4 Team Wave. Teams that were runners-up in their regional shall be placed in the 5-8 Team Wave, and third place teams in their regional shall be placed in the 9-12 Team Wave.
2. Seed Players with team standings according to their regional score.
3. Seed Individuals by qualifying score.

### Summary Leaderboard

4. Type Course Name in cell asking for "Name of Course"
5. Type Course Par in cell asking for "Par for Course"
6. Type Course Yardage in cell asking for "Yardage for Course"  
**DO NOT ENTER ANY OTHER INFORMATION ON THIS PAGE.**  
It will be completed by the program.

### Team Listing Worksheet

7. "Winner, Regional #1" - enter school name in appropriate lines. Repeat for all other teams in the appropriate fields.
8. "Player #1" - enter player's name, grade, and qualifying score

### Tee Sheet

9. "Tee Sheet" will automatically populate according to the information entered on "Team Listing Worksheet"  
Check pairings to make sure you don't have two or more players from the same school in the same tee time.  
Manually adjust names **on tee sheet only**, if there is a conflict.

### Scoreboard

10. Team and Player names will automatically populate according to information from "Team Listing Worksheet"
11. Team Scores
  - a. Enter front nine and back nine scores as they are reported  
If there is "no player" enter "999" for the front 9 and "999" for the back 9 scores
  - b. Team total will be the sum of the four lowest scores on the team
12. Individual Scores
  - a. Enter front nine and back nine scores as they are reported  
If there is "no player" enter "999" for the front 9 and "999" for the back 9 scores
  - b. Players will be listed by low score to high score within the individuals

### Summary Leaderboard

"Tee Sheet" will automatically populate according to the information entered on "Team Listing Worksheet"  
The "Tee Sheet" allows for more individuals than you have. Ignore any cells that do not have a player in it.  
Check pairings to make sure you don't have two or more players from the same school in the same tee time.  
Manually adjust names **on tee sheet only**, if there is a conflict.
