

2021-22 IHSA Girls Badminton State Finals

On behalf of the Illinois High School Association Board of Directors, the Badminton Advisory Committee, and IHSA member schools, it is my pleasure to congratulate you for qualifying for the 2022 IHSA Girls Badminton State Finals. It is our hope that you are able to enjoy the tournament, and we appreciate all of the work that you have done to make it to state. No other state in the country conducts interscholastic competition for schools like we do here in Illinois, and we are thrilled that you are able to be a part of the opportunity.

A special welcome and congratulations are extended to all the participants of this year's state tournament. You should be commended for your hard work, practice and dedication which have enabled you and your school to achieve success. I also want to welcome and congratulate the coaches of all of our competing schools who have trained and prepared these students to reach this level of performance. Here students have a chance to demonstrate the fruits of their hard work and dedication. As a participant you proudly represent your families, schools and communities in a very visible forum. Thank you for exhibiting what is best in the youth of our society.

The IHSA believes that interscholastic activities enrich the educational experience. Regardless of the outcome of events, we ask that you do your best and strive to display the best in sportsmanship and embrace all that can be learned through your performance. You have spent many long hours preparing and we wish you the very best and hope you enjoy your time at the IHSA Girls Badminton State Finals. You should be able to find in this communication the information necessary to make your trip to State as smooth as possible. Feel free to call the IHSA office if you have any questions. Thank you for your support of IHSA and for being a part of the IHSA State Final experience.

Sincerely,

Stacey Lambert

If a problem arises on the court during a match, and players are unable to resolve it, both players should sit and wait for roving official to come to the court. If problems continue during the match an official maybe called to monitor the match.

Officials: Officials will be on the floor to assist with rules. Tell your players that if there is a conflict on the court, they should sit down on that court and an official will come to resolve the issue. Officials have been instructed that if they see violations, they may call them or correct them even if they were not asked to intervene. Generally, though they will observe play for obvious repeated faults such as illegal services, foot-fault and line faults.
