Re.: State Final Information

Congratulations on having your school qualify for the IHSA Boys' Basketball State Finals! What a tremendous accomplishment for your team, school, and community! This week promises to be an exciting and quick one for you and your school so we hope that the materials we have put together will be useful for you.

On our boys' basketball webpage at www.ihsa.org, there is a link under the 'Announcements' heading entitled "State Finals Qualifier Information". Please go there and print this pdf file. The following items are included in this packet:

- Principal's cover letter
- Special Instructions Bulletin
- Time Schedule
- Medical Coverage letter
- Cheerleader Information letter
- Special tournament information for bus parking
- Student Media Request Form (for schools only)
- "Do What's Right" Sportsmanship Announcement
- Clear Bag Policy
- Map of Champaign-Urbana
- Group Dining information from Visit Champaign County

It is imperative that you print out copies of each – plus the IHSA Boys' Basketball Manual for Schools and the Basketball Terms and Conditions – and review all these documents prior to coming to Champaign-Urbana.

After your super-sectional victory, your school should have been provided with a box from my office that contained some other important information. In that box, you should have received ticket information for the state finals as well as information from the Visit Champaign County Visitors Bureau regarding hotel accommodations for competing teams this year. Their office has been responsible for finding and assigning properties for each school. It is important that you review those materials as well and contact the hotel as soon as possible to book your rooms for the weekend. If you have questions regarding tickets, you can contact either Kurt Gibson or Tammy Craig at the IHSA Office.

We will be conducting an online pre-state finals meeting for all competing schools on Tuesday, March 8 at 2:30 p.m. It's imperative that you, your coach, your cheerleader coach (if possible), and any other administrators that you wish from your school be in attendance at this meeting. If you can't attend this meeting, please let me know. I strongly encourage you to review the *Special Instructions Bulletin* that is a part of this packet prior to that meeting and bring your copies along to that meeting. At that time, we will discuss a number of important tournament procedures.

On behalf of our office, I'd again like to congratulate your school on this accomplishment!

B. In cooperation with your property, we are asking that all team personnel check into the hotel as a group. Additionally, each team must present the name of an adult in the group who will be responsible for all personnel in the group. This responsibility will include unauthorized expenses, damage to the rooms, behavior, unnecessary noise, etc. and generally being the chaperone. We appreciate your cooperation and assure you the IHSA and your property will do everything we can to make your stay in Champaign-Urbana as enjoyable as possible.

C. It would be helpful to your property if a representative of your school would make contact as soon as possible following your Super-Sectional victory. At this time your school will be required to give the hotel a final number of nights your team will be staying during the tournament. The contact person at the hotel and phone number are listed in the document inside the super-sectional box.

4. Team Expenses:

A. Your team will be allowed expenses at the Class 1A/2A - 3A/4A State Final tournament at the following rate, as decided by the IHSA Board of Directors at their December 2002 meeting. The reimbursement will be: In the State Final Tournament, the teams participating in the tournament shall be allowed transportation expenses at the rate of \$5.00 per mile per team for the first 50 miles and \$3.00 per mile per team for each mile over 51 miles to and from the site where the tournament will be played. In addition, each school will receive a reimbursement to cover some of the costs incurred by schools at the State Final. Hotel rooms at the State Final Tournament will be reserved by the IHSA. Any expenses or costs associated or charged to the rooms will be at each school's expense.

5. Ticket Reconciliation:

Included in the box you received from your super-sectional manager were a limited number of student section seats for you to sell to your student body. Approximately 70 seats are available for you to sell for both games that your school will play at the state finals. The tickets are \$15 each, and you will be required to reconcile with the State Farm Center box one hour prior to your first game. These seats are those used by University of Illinois students (aka “Orange Krush”) for games during the college season, and we hope these are enjoyable for your students. We are also asking that you make sure to keep two of the front row seats for at least two supervisors. These seats will be seen on the television broadcast, so making sure students are being appropriate with their enthusiasms will be paramount.

6. Player Numbers, Uniforms:

A. The list of the players who will constitute the school's team contingent in the tournament is already in the hands of the printer and will appear in the official program, which can be purchased online. There will be no traditional ‘hard copy’ programs printed. Please be conscientious about having the players wearing the numbers which were submitted for the official program. **Please note that no team is allowed to have more than twenty-two (22) individuals in your team contingent for each game.** This number includes all coaches, players, managers, etc. Be very careful about observing this requirement. Prior to arriving in Champaign-Urbana, your school will need to submit a Team Roster listing all these individuals to the IHSA Office. Only those on this list will be provided a credential, allowed on the bench and locker room, and be allowed to enter through the Team Security Entrance during the tournament.

B. It is especially important that each of the competing teams take two complete sets of uniforms to the tournament. Both jerseys and trunks of one of these sets should be white in color and the other dark. Teams will be instructed prior to each game as to which set of uniforms to wear. Please make sure your uniforms comply with all NFHS rules. If you have questions, contact Kurt Gibson at the IHSA Office immediately.

7. Fan And Team Bus Parking, Parking Permits:

A. Team Bus Parking – On the days your school will play at the state finals, your team will enter through the Team Security Entrance, which is located off the East tunnel at the State Farm Center. On those days, only those team members and coaches with the appropriate pass will be allowed to enter through this entrance. Persons without the appropriate pass will not be allowed access through the Team Security Entrance; there will be no exceptions. This is for the safety of all participants and tournament personnel.

During sessions when your school is not playing, your team, with the appropriate credentials, may enter through the NE entrance and sit in the Competing Team/Cheerleader Seating area, located in section 214 of the State Farm Center.

B. Fan Bus Unloading and Parking – Specific information about team and fan bus parking and unloading has been provided by the State Farm Center. The information is in the super-sectional box. Schools will want to have appropriate adult supervision for students to ensure easy access into the arena. State Farm Center staff will be on site to direct fans to the sections assigned to their school for seating.

C. Parking Permits (*Passes will be distributed at the Administrative Meeting*) - Two parking permits for automobiles will be issued to representatives of participating schools. These will allow parking in the lot designated on the permit. Fan parking will be available in the areas designated on the enclosed map. A. Hosts - A host will be assigned for each team. Hopefully contact will be made by the assigned team host prior to your arrival in Champaign-Urbana. The host will escort the team to its assigned locker room. This host is a representative of tournament management and has been instructed to lend any assistance necessary to the team to which he has been assigned.

B. Locks - Participants are required to furnish their own locks for lockers.

C. Access - Only players, coaches and team personnel with the "Competing Team" passes will be allowed in the team locker room. No exceptions.

Note: Team locker rooms are to be vacated not later than 30 minutes after the team's game is finished. Each team is asked to make sure the locker rooms are straightened up before leaving the locker room. These locker rooms will be used again and the next team does not want to arrive to find a messy locker room.

E. Teams are to remain in their assigned locker rooms until they are escorted to the playing court for their pre-game warm-ups for their respective game by the team host and/or IHSA representative.

To: IHSA Boys State Basketball Finals Schools and Medical Team

From: John Flannell, MS, ATC, PES
Sports Medicine Supervisor
Carle Sports Medicine

Date: March 10 – 12, 2022

Re: Information/Plans

Carle Sports Medicine will be providing medical coverage for the IHSA Boys Basketball State Finals at the State Farm Center. We have a variety of disciplines represented and will be available to assist with injuries as needed. Listed below are the disciplines and the assistance they can provide.

- ☐ One Athletic Trainer will be on-site one hour prior to the first game and for the entirety of the tournament to perform pre-event preparations, evaluate/triage/treat injuries and take care of post-event needs. We'll work with and support the team's coaching/medical staff and the game officials.
- ☐ One fellowship trained Primary Care Sports Medicine Physician will be onsite for the entire tournament to assist with evaluating/triaging/treating injuries.
- ☐ EMS/Ambulance will be on-site to transport to the Emergency Department as needed.

In the event of an injury on the floor where the athlete remains on the floor:

- ☐ The Athletic Trainer and Coach of the team will approach the athlete. The Carle medical staff will be on call as needed. If the school does not have an Athletic Trainer, the Carle Athletic Trainer will go onto the floor to evaluate and assess the ability to move the athlete.
- ☐ If the athlete cannot be moved, the Physician will be summoned to the floor with a single arm overhead.
- ☐ A single arm across the chest indicates the Physician will be needed in the Athletic Training room.
- ☐ EMS will be summoned by the Athletic Trainer/Physician.
- ☐ In the event of a traumatic/serious injury both the Physician and Athletic Trainer will report to the floor immediately.

Return to competition:

- ☐ In accordance with the policy established by the IHSA Board of Directors, the IHSA's medical/athletic training staff will make return-to-play decisions for any athlete removed from competition at this tournament for a possible head injury/concussion. We'll work with the team's coaching/medical staff; however, we have the final decision.

AED:

- ☐ An AED will be placed at the scorer's table and EMS staff will also have an AED.

Congratulations on your advancement to the IHSA state final. Here are a few items of importance regarding the event.

- **Credentials:** Each competing IHSA member school may bring twelve (12) cheerleaders, one (1) dressed mascot (if applicable), and one (1) coach. All other participants must be paid ticket holders and sit in arena seats (not at floor level). Ticketed participants may only be rotated in at halftime. Only bona-fide spirit participants may use these credentials. These credentials allow cheerleaders/mascot and coaches into the tournament all weekend. General seating during the tournament for credentialed participants is located in Section 214. This area has been reserved for player/cheerleading seating.
- **Entry:** Only credentialed cheerleaders will enter the arena for the sessions they will cheer through the east tunnel/loading dock. This will be the Team Security Entrance as well. Security will check credentials and then the cheerleaders will be escorted courtside. Cheerleaders must be ready to show their credentials to enter this secure area. If participants attend other sessions this entrance is available for entry as well throughout the duration of the tournament. NOTE: Ticketed cheerleaders will not be able to enter from this area; they must enter at the ticket level.
- **Cheering:** Cheerleaders will be located on the floor area closest to their fans to sideline cheer. A tournament host/IHSA host will direct cheer teams to their designated areas. Cheerleaders need to be alert on the sideline to make sure they are not involved in any out of bound plays or are not in the way of any game officials.
- There will not be extra room at courtside for stretching. Please be stretched prior to taking the floor. Please minimize bags. Space is very limited. Please refrain from bringing any valuables. A locker room-type space will be available for some stretching and storing items, if needed. The arena basketball court is not available for warm ups.
- Please arrive to the venue in uniform. Cheerleaders will only be allowed on the court in school issued uniforms and appropriate shoes. A tournament host/IHSA host will be available to answer any questions you have and escort you to courtside. Do not enter the arena floor level (basketball court) until the game prior is finished.
- Please keep any personal water bottles away from the gym floor. Designated water coolers are available for cheerleaders by their team bench at halftime only. Food or drinks are prohibited courtside.
- Pregame clock starts 15 minutes before tip off. Cheer teams can do pregame sideline cheers at this time. We recommend having your team in the arena warmed up and ready to go 15 minutes prior to the warm up clock start time for your game.
- We ask that cheerleaders begin cheering when the warm up times starts at 15 minutes. Teams may want to bring 8-count dances to run with the pep band music or house music.
- The national anthem will be sung prior to each session.
- Starting line up will be visiting team non-starters (45 sec) - home team non starters (45 sec) and then alternating visitor - home starters (1 min) and then visitor - home coaching staffs (15 sec). Championship games starting line up will only include the starters (alternating teams).

- Sideline cheerleaders must stay behind the 3 ft. safety zone and can not be in the free throw lane extended, and must keep a safe distance from officials working the game.
- There will be a pep band playing at the state final. Full time-outs will be a blend of pep band music and sideline cheers. I recommend that cheerleaders prep material to perform while the pep band is playing. It is OK to cheer over and/or with the pep band music. The arena is large enough that the cheerleaders and band can both add to the excitement rather than trying to settle a crowd to watch a floor cheer. Most teams cheer primarily in front of their fans rather than full court and both teams cheerleaders can take the floor at the same time staying on their halves of the gym.
- Please remember that cheerleaders are **not allowed** to take the floor during 30-second time-outs. During regular time-outs cheerleaders can safely take the floor (watching for officials and game personnel).
- All regular time-outs will be their normal length (either 30 or 60 seconds). We ask that cheerleaders clear the playing area at the sound of the first horn. They can continue cheering for the last 15 seconds at the sideline.
- The time-out between 1st and 2nd, and 3rd and 4th quarters shall be about twice as long as normal. Cheerleaders should clear the floor when the first horn sounds and can continue cheering the last 15 seconds of the time out at the sideline.
- There will be one (1) required officials/media time-out per quarter at the 4:00 minute mark on the scoreboard clock. This will occur at the first dead ball after the scoreboard clock has reached 4:00 minutes.
- Halftime shall be 12 minutes. Sideline cheer teams can cheer on the sidelines at this time. There are no on-court cheerleading activities at halftime. Promotional scheduled halftime activities will be occurring during the 12-minute time-out.
- Pregame and Postgame - Sideline cheer teams may cheer on the sidelines at this time.
- **NFHS Spirit Rules:** Please note that **IHSA By-law 4.080** states, “All cheers, performances, routines or other activities conducted by a school’s spirit squad (i.e. cheerleaders, poms, dance, flags, and drill team) shall be conducted in accordance with the Spirit Rules published by the National Federation of State High School Association (NFHS).”
- Please adhere to all NFHS spirit rules - paying close attention to the **hair, jewelry and glitter** rules. **No jewelry allowed. Hair must be away from the face and off the shoulders. Prohibited on the arena floor are: basket tosses or other similar multi based tosses, and twisting tumbling. Cheerleaders cannot take the floor unless they are in compliance of the rules.**
- This is a televised event and we expect our sideline cheerleaders to represent their schools in a positive manner. No cursing is allowed. Review with your team all of the expectations of sportsmanship, for example no cheering/pounding on the floor while the other team is shooting a free throw, etc. We encourage cheerleaders to direct the crowd in positive cheers (no booing etc...).
- Cheerleaders may not throw items to the crowd (balls, candy, t-shirts, beads etc...).
- Megaphones may only be used by spirit participant in an appropriate manner. Please do not pound megaphones on the gym floor. Fans should not use megaphones.
- All sideline cheer coaches need to be in compliance of **IHSA Bylaw 2.120**—Rules Interpretation requirements.

STUDENT MEDIA CREDENTIALS FOR PARTICIPATING SCHOOLS

Congratulations on qualifying for an IHSA state final in a team sport. In order to provide the best possible coverage of this event for your school newspaper, yearbook and AV club, etc. you are entitled to have up to three students receive credentials to cover this event as official media members. In the event that you have less than three students, an adult sponsor may be included on this list. To apply for student media credentials, please have your Athletic Director or an individual involved with the aforementioned programs email Matt Troha (mtroha@ihsa.org) at the IHSA with the following information:

- 1) The names of individuals attending
- 2) Whether they are students or adults
- 3) If the attending individuals will serve as reporters, photographers, videographers, etc.

Student media who are registering for credentials are expected to maintain a level of professionalism while covering this event. That includes no cheering while in the press box or game coverage area. Proper attire is also required. Wearing school shirts and colors is acceptable, but students wearing face paint, costumes, carrying props, etc. will be required to change before receiving credential clearance.

The individual applying for student media credentials will receive specific information on credential pick-up and media regulations at the event via email in the days leading up to the state final.

Please note that student media credentials are only available for state final events in team sports. Due to the sheer volume of schools who qualify in individual sports, our press facilities would be unable to accommodate student media from all participating schools in individual sports. Student media are also welcome to cover IHSA state final activities. Credentials are not required for these events, but please have your students check-in with state final personnel upon arrival for media coverage regulations.

VIDEO TAPING STATE FINALS FOR COACH FILM BREAKDOWN

Each school will be eligible to receive a pass for an individual attending the state final event to shoot game film that is for the sole purpose of being used by the coaching staff for postgame breakdown. Passes for videographers shooting highlight videos, documentaries, etc. should be included in student media application reference above. Additional passes for videotaping purposes will need to come from the allotment of state final passes given to school/head coach at or prior to the state final event.

To apply for a credential to shoot video, please have your Athletic Director email Matt Troha (mtroha@ihsa.org) at the IHSA with the name of the individual who will be taping and whether they are an adult or a student.

Please contact Matt Troha (309-663-6377) at the IHSA for any questions related to this document.
