### IHSA IMPORTANT REMINDERS

1. **Detweiller Park IS NOT open for training sessions. Running inside of the perimeter is allowed, but running on the actual state final course will not be allowed until September 1st . There are many races planned for the course during the coming IHSA season, and so as always, an attempt is being made now to preserve the course for those events, including the IHSA State Finals. Thank you for your cooperation.**
2. **REGIONAL, SECTIONAL AND STATE FINAL MEET RACE/TIME TRIALS ARE PROHIBITED BEFORE, DURING OR AFTER THE MEET(S).** It **IS NOT LEGAL** to allow high school athletes OR coaches to conduct or participate in open races/time trials.
3. It **IS NOT** legal for anyone to conduct open races/time trials for high school athletes/coaches at Detweiller Park during the days preceding the state final. This includes Friday before the state finals and Saturday BEFORE OR AFTER the state final RACES. ALL COACHES AND ALL ATHLETES FROM ANY SCHOOL VIOLATING THIS RULE ARE SUBJECT TO IMMEDIATE DISQUALIFICATION FROM THE STATE FINAL RACES ON SATURDAY!  
**State Final Practice: Friday at 1:00 pm:** The course will be open for practice ONLY FOR STATE QUALIFIERS AND CERTIFIED COACHES LISTED IN THE IHSA OFFICIAL LIST OF PARTICIPANTS, weather permitting, until dark.
4. Video Replay and Television Monitoring Equipment: Use of video replay or television monitoring equipment from sources other than the equipment approved by the IHSA (or meet manager) WILL NOT be used to make decisions related to the state series meets. Only IHSA state meet officials, including the games committee (when called upon by the meet referee to do so), will have the authority to review ONLY the IHSA official video results. It is also required for the host to have available a finish line camera for the purpose of "required IHSA official video review" at all regional and sectional meets. Video review will be used as the primary method of determining the outcome of all races at the regional, sectional and state final meets. The Meet Referee and IHSA officials will review the finish line video of each regional, sectional and state final race to facilitate accurate scoring of each race.

At regional and sectional events elaborate, multi-camera systems are not necessary. A single, well positioned camera IS satisfactory. Host schools must consult the IHSA MEET REFEREE to determine the appropriate position and angle of the finish line camera.

Regional/Sectional Video Review: The host school conducting all regional and sectional events must provide some form of video review of the finish line. This video review can be as simple as one video camera and one monitor (television or computer, etc.) or as sophisticated as

the host school chooses. Placement of this camera is critical. Please consider its placement (height, angle, etc.) carefully. Meet managers must consult the Meet Referee as the decision regarding camera placement is considered. Only the FINISH LINE VIDEO PROVIDED BY meet management WILL be used to review the finish of any race. The ASSIGNED IHSA Meet Referee will review the video of the finish of race to facilitate accurate scoring of each race. Only the IHSA MEET REFEREE and MEET MANAGEMENT may view the finish line video (the games committee may also view the video, but only if invited to do so by the MEET REFEREE).
