

## 2016-2017 IHSA STATE COMPETITIVE CHEERLEADING

On behalf of the Illinois High School Association Board of Directors, the Competitive Cheerleading Advisory Committee, and our member schools, it is my pleasure to congratulate you and your team for qualifying for the 2017 IHSA State Cheerleading Tournament. It is our hope that you are able to enjoy the competition and we appreciate all of the work that you have put forth to be at the State tournament. No other state in the country conducts interscholastic competition for schools like we do here in Illinois and we are thrilled that you are able to be a part of the opportunity.

A special welcome and congratulations are extended to all the participants of this year's competition. You should be commended for your hard work, practice and dedication which have enabled you and your school to achieve success. I also want to welcome and congratulate the coaches of all of our competing schools who have trained and prepared these students to reach this level of performance.

Here students have a chance to demonstrate the fruits of their hard work and dedication. As a participant you proudly represent your families, schools and communities in a very visible forum. Thank you for exhibiting what is best in the youth of our society. The sense of community pride shown in these performances is a tangible display of appreciation for excellence demonstrated by our member schools.

The IHSA believes that interscholastic activities enrich the educational experience. Regardless of the outcome of events we ask that you do your best and strive to display the best in sportsmanship and embrace all that can be learned through competition. You have spent many long hours preparing and we wish you the very best and hope you enjoy your day at the IHSA state cheer tournament. You should be able to find in this packet the information necessary to make your trip to State as smooth as possible. Feel free to call our office if you have any questions. Thank you for your support of IHSA and for being a part of the IHSA state final experience. Congratulations again and we hope you have the time of your life!

Sincerely,

The IHSA expects all school teams to uphold themselves to the highest level of sportsmanship at all times.

## EVENT SECURITY & SAFETY INFORMATION

- **Healthy Cheer Environment**

The IHSA serves member schools by providing leadership for equitable participation in interscholastic activities that enrich the educational experience. School administrators, coaches, officials, fans, Bloomington Coliseum and the IHSA share a very important responsibility to the student-athletes that are participating in the state final competition at the Bloomington Coliseum to provide equipment, facilities and an environment that is as free of risk as possible. The concern for the health of our high school athletes participating in the state tournament is primary. Security and IHSA personnel at the coliseum have been instructed to monitor the participants and react quickly and reasonably when conduct becomes negative and drops below the level of expected behavior.

- *Any act dangerous to others, is an unsafe behavior, incites participants or spectators to violent or abusive action, exhibits obscene gestures, or yells profanity and/or provocative type language toward an official, student-athlete, coach, spectator, bench and/or score table personnel is unacceptable.*

- **IHSA Event Security Policy**

To help insure the safest and most secure atmosphere for this IHSA State Final, event management at the Bloomington Coliseum will diligently maintain the above standards. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, if you are requested to cooperate with event personnel in any manner, please do so promptly. Your assistance will enable our staff to fulfill its responsibility efficiently.

### **Persons and Possessions Subject to Search**

Please note that all persons and their possessions are subject to search upon entering any IHSA State event venue. Items prohibited under this policy or any item deemed by the IHSA or Bloomington Coliseum staff to be dangerous or harmful to persons or property will be confiscated. Patrons of any IHSA state series contest who do not cooperate with event staff in their enforcement of this policy will be removed from the premises and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

Outside food and beverages including but not limited to glass bottles and containers, weapons, baby strollers, stickers and balloons are prohibited inside the Bloomington Coliseum. We ask everyone's cooperation in this process.

### **Alcohol and Illegal Substances Prohibited**

The possession, distribution, sale, and or consumption of alcoholic beverages and illegal substances are prohibited on the property of any IHSA state series contest facility. State series hosts are required to make all state series contest sites, including the parking lots, fan accommodation areas, and other school or event venue property, alcohol and illegal substance free zones on the date or dates of any IHSA event being held at the site. Event personnel will enforce this policy rigorously.

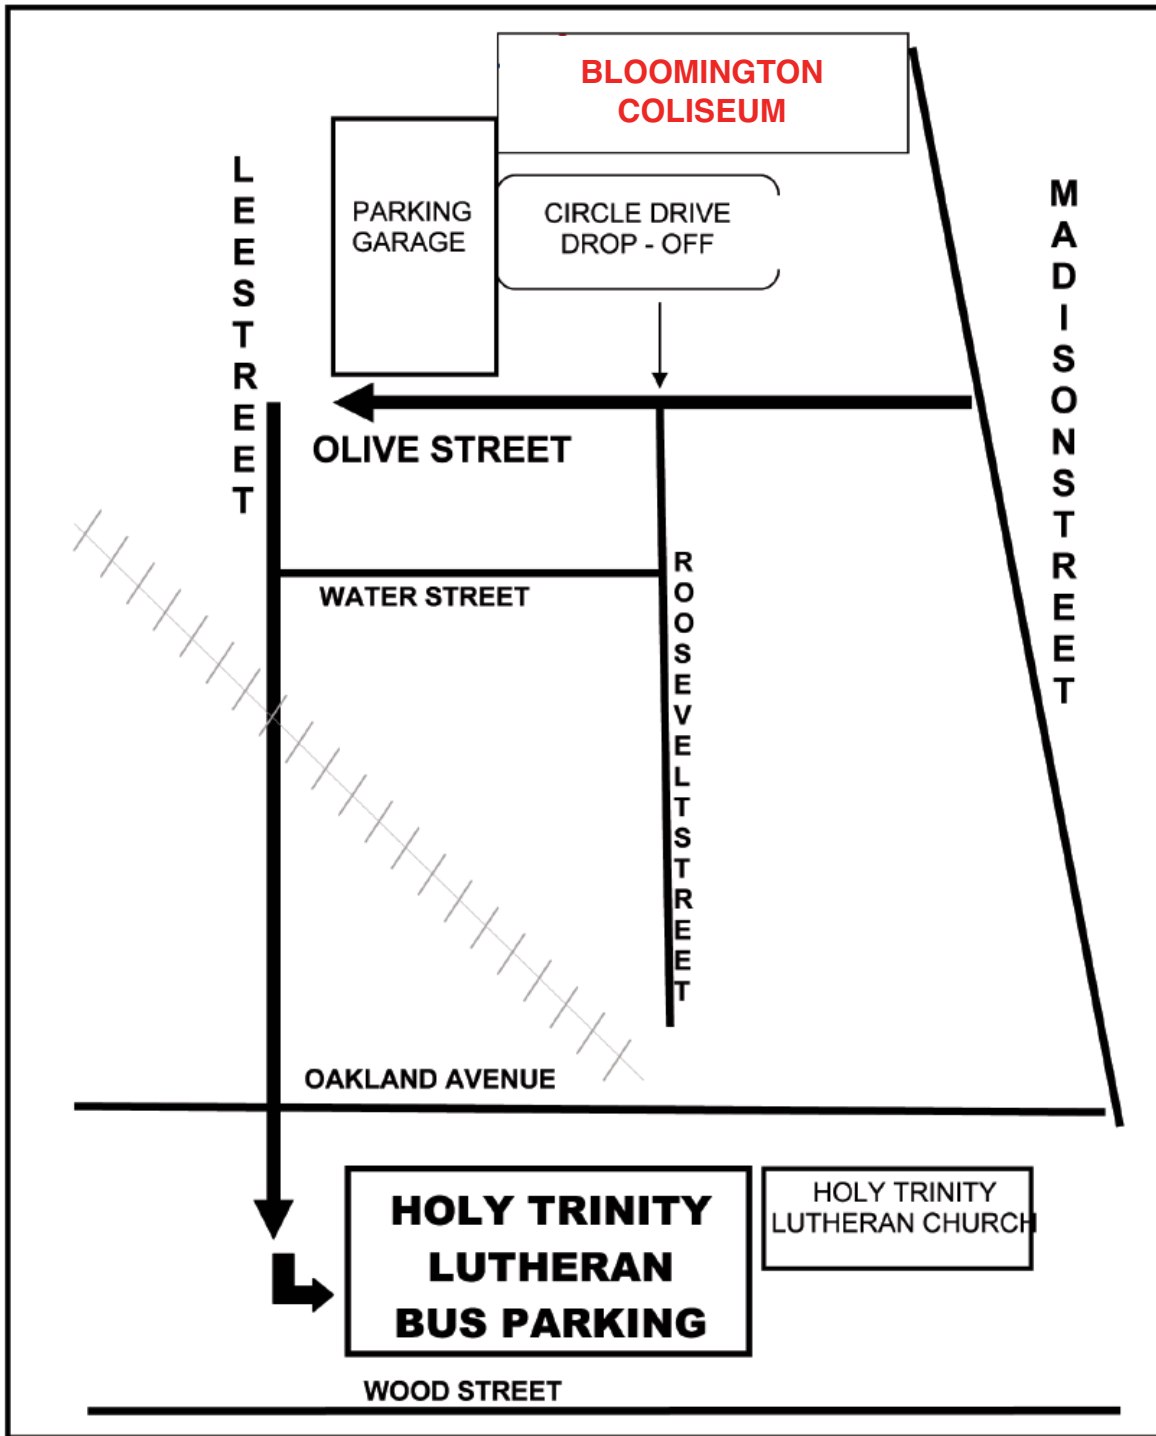

***On Friday, all of the regular City of Bloomington's fees and hourly restrictions apply to parking garages and street parking until 5:30pm. The Lincoln parking garage charges \$1.00/hour and the Assoc Commerce Garage allows free parking on the first level for up to 4 hours. On Saturday, all lots will allow free parking. Please make note of all signage surrounding these areas.***

***Privately owned parking lots surrounding the Bloomington Coliseum are not preferred parking places, and may charge a premium admission fee or tow your vehicle if improperly parked.***

### STUDENT MEDIA CREDENTIALS FOR PARTICIPATING SCHOOLS

Congratulations on qualifying for an IHSA state final in a team sport. In order to provide the best possible coverage of this event for your school newspaper, yearbook and AV club, etc. you are entitled to have up to three students receive credentials to cover this event as official media members. In the event that you have less than three students, an adult sponsor may be included on this list. To apply for student media credentials, please have your Athletic Director or an individual involved with the aforementioned programs email Matt Troha ([mtroha@ihsa.org](mailto:mtroha@ihsa.org)) at the IHSA with the following information:

- 1) The names of individuals attending
- 2) Whether they are students or adults
- 3) If the attending individuals will serve as reporters, photographers, videographers, etc.

Student media who are registering for credentials are expected to maintain a level of professionalism while covering this event. That includes no cheering while in the press box or game coverage area. Proper attire is also required. Wearing school shirts and colors is acceptable, but students wearing face paint, costumes, carrying props, etc. will be required to change before receiving credential clearance.

The individual applying for student media credentials will receive specific information on credential pick-up and media regulations at the event via email in the days leading up to the state final.

Please note that student media credentials are only available for state final events in team sports. Due to the sheer volume of schools who qualify in individual sports, our press facilities would be unable to accommodate student media from all participating schools in individual sports. Student media are also welcome to cover IHSA state final activities. Credentials are not required for these events, but please have your students check-in with state final personnel upon arrival for media coverage regulations.

**Please contact Matt Troha (309-663-6377) at the IHSA for any questions related to this document.**
