If the site is not located at a member school, then the IHSA Board of Directors shall appoint a local manager with like responsibilities.

B. Sectional Manager: The local manager shall have authority to take proper and appropriate action in any case of unusual situations arising during the competitions. However, no part of the terms and conditions may be set aside. In all cases involving an interpretation not specifically covered by the rules, the competition manager shall consult

with the head official before the announcement of results or the presentation of awards.

C. Sectional Performance Order:

Sectional competition order will be randomly determined by the IHSA and will be posted online on the competitive cheerleading menu page under state series information & results after the January list of participants deadline. There will be a site manager at each sectional. No local manager shall be permitted to change the order in which the schools compete unless given permission by the IHSA office. Programs and schedules can be created by the sectional managers using TourneyWire, the web-based competition management service program.

D. Coaches Meeting: A coaches' meeting will be conducted prior to each division of competition at sectional and state as outlined in the performance schedule. A coach (or a school representative) from each school must attend this meeting. The purpose of the meeting is to review any policies, procedures and rules governing the conduct of the event. Coaches will be responsible for the information covered at the meeting.

1. The sectional manager or appointed manager shall conduct the meeting for coaches prior to each division at the sectional tournament on the Saturday of sectionals.

2. The sectional manager will introduce the head official/officiating crew and any other personnel that they deem necessary to introduce to the coaches. The sectional manager will discuss items on the sectional agenda/tournament logistics and answer any questions regarding the competition.

E. Warm-up Time: A seven (7) minute warm-up time at the sectional tournament shall be posted online at www.ihsa.org prior to competition. An eight (8) minute warm-up time at the state final will be posted online at ihsa.org. Coaches and competitors must report in person to the warm-up site director at the designated time.

1. At sectional and state competition the host shall not make its performance area available earlier to any teams for practice sessions. When a part of the state series is played at a facility other than a member school's facility, none of the teams entered, including a hosting member school shall be permitted to practice at the facility.

F. Competition Disruption: Tournament management reserves the right to cease competition under the following conditions:

1. At the sectional and state preliminary rounds IHSA licensed officials reserve the right to stop a routine due to an obvious injury.

- a. In the event that an injury causes the team's routine to be interrupted during a performance, the head official and tournament management shall determine the time for the team to feed back into the warm-up and competition order to complete their performance. This time should not exceed 30 (thirty) minutes for the team to perform their routine again. Judging will resume from the point at which the injury/interruption occurred as determined by the head official. The routine must be performed full-out from the beginning. All point deductions accumulated to the point of injury will carry over. If a team prefers not to re-work the routine, at the coaches' discretion, they may take the score they have received up to that point. If a skill has not been performed a "0" will be given in that category. If multiple injuries occur, the same process will be in effect.

- b. In the event that an injury occurs during warm-up and the athlete is no longer able to participate, the head official and tournament management shall determine the time for the team to feed back into the warm up and competition order. This time should not exceed 30 (thirty) minutes from the time of injury in the warm-up area.

2. If, in the opinion of the tournament officials, a team's routine is interrupted because of failure of the tournament equipment, facilities, or other factors attributable to the tournament rather than the team, the head official should stop the routine. The tournament officials will determine the degree and effect of the interruption. The team will be allowed to present its routine from the place in the routine where the interruption occurred.

3. In the event a team's routine is interrupted because of failure of the team's own equipment, the team must either continue the routine or take the score earned to that point.

In the chart, the order assigned to A-2 is #14. The order assigned to A-3 is #18. Reversing the order, the team that performed first in the sectional is assigned order #18.
