B. Sectional Tournaments

Qualifying sectional tournaments will be held on Saturday, January 28, 2023.

III. ON-LINE ENTRIES, WITHDRAWAL PROCEDURES, ELIGIBILITY, AND ONLINE LIST OF PARTICIPANTS

The policy for Original Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSAA-sponsored sports and activities included in the 2022-23 Entry Policies and Procedures.

A. Online Entries

All member schools must enter their school into the state series competition through the IHSAA School Center on the IHSAA Website at www.ihsaa.org. The deadline for entry is December 1, 2022. All member schools should have received in April, 2022, the 2022-23 Entry Policies and Procedures that outline the online entry procedures for all IHSAA-sponsored tournaments.

B. Late Entries

Schools wishing to enter the Team Chess state series after the deadline will be considered late. To be considered for late entry, the Principal or Official Representative must contact the IHSAA Administrator. The penalty for late entry shall be a payment of \$100.

C. Withdrawal Procedure

1. To withdraw without penalty, the Principal must notify the IHSAA Office, in writing, of the school's withdrawal from the Team Chess state series prior to the date the List of Participants is due for that sport or activity.

2. A team that withdraws after the List of Participants deadline or fails to appear at either the sectional tournament or State Tournament shall be charged a \$100 penalty.

D. Eligibility

All member schools in good standing may enter one team under the provisions of IHSAA By-law 4.071.

E. Six-Contest Requirement

A school may enter and participate in the IHSAA Team Chess state series only if the school's chess team participates in at least six chess contests prior to the IHSAA Team Chess state series, counted as follows:

1. Only contests involving the school's varsity team shall count toward the total.

2. Every team match involving five or more boards, whether conducted independently or in a tournament, shall count as a single contest.

3. All other competitions involving five or more varsity players competing as individuals shall count as one contest per date.

4. The IHSAA will permit virtual matches to count towards the six-contest requirement. The virtual match consists of all players from each team in a single location with play being monitored by the coach.

F. Team Tournament Requirement

1. Teams qualify for the Team Chess state series by participating in at least one team tournament during the regular season. For the purposes of this requirement a team tournament must involve at least six teams of at least five players each, playing at least three rounds with a minimum of 30 minutes per player, and must be team-paired and not prescheduled (as would occur in a round robin).

2. Qualifying tournaments are expected to use IHSAA rules.

3. The tournament requirement would still need to be completed in-person and cannot be virtual.

G. Complete Participation Requirement

In accordance with IHSAA By-law 6.041, a school shall not enter a team in the Team Chess state series unless the team will compete in all rounds of competition.

H. Online List of Participants

1. Each school must complete the online List of Participants by Friday, January 6, 2023. The List of Participants is located in the Schools Center of the IHSAA Web site.

2. It may include any number of eligible students but must include a minimum of six players who are eligible in accordance with the Activity By-laws of the Illinois High School Association. The List of Participants must also include the name(s) of the school's coach(es) or school representatives.

3. Failure to submit the List of Participants by the deadline constitutes withdrawal from the tournament.

I. Online Rules Presentation

1. A representative from each school must view the online video presentation covering the rules and procedures of the sectional and State Tournaments. The deadline for viewing the presentation is Wednesday, January 18, 2023.

2. Failure to view the online video presentation constitutes withdrawal from the tournament.

IV. HOST FINANCIAL ARRANGEMENTS

A. Sectional Host Allowance

The host school shall pay all local tournament expenses and issue checks to tournament workers. The host school shall receive a \$250 guarantee. Tournament officials will be reimbursed by the IHSAA.

B. Team Tournament Expense

Neither the IHSAA nor local meet management will assume responsibility for any team expenses for any tournament.

C. Admission Prices

There shall be no admission price for the sectional tournaments or the State Tournament.

V. TOURNAMENT ASSIGNMENTS AND SEEDING MEETINGS

A. Assignment Structure

1. All schools entered in the IHSA Team Chess state series will be assigned to sectional tournaments on a geographical basis by the IHSA Office.

2. The number of schools assigned to each sectional shall be approximately equal except where, in the opinion of the IHSA Office, it is prudent to organize a sectional with fewer teams to serve a remote part of the state.

3. Assignments to the sectional tournaments will be posted on January 12, 2023.

B. Online Seeding of Sectionals

1. Coaches are instructed to use the List of Participants Form in the IHSA Schools Center to submit win-loss-draw records and other pertinent information to be shared with other coaches in the seeding process. The deadline for submitting this information (Season Summary) is 10 am on Monday, January 23, 2023.

2. Seeding of the sectionals shall be conducted through the Schools Center. The seeding form will open at 11 am on Monday, January 23, 2023, and close at noon on Tuesday, January 24, 2023.

3. Each school has one vote in the seeding process. Using personal knowledge and the information supplied by the other schools, the head coach shall rank all the teams in the sectional except his or her own. When the voting is complete, the highest and lowest rank submitted for each school shall be removed and the remaining ranks for that school averaged. All the averages shall then be sorted and ranked to determine the sectional seeds.

4. In the case of a tie for a particular seed, a head-to-head result between the two teams shall be used to break the tie, if possible. Otherwise a random method shall be used to break the tie.

C. Pairing Procedures — Sectional

1. In sectional tournaments, teams will be paired based on their seeds.

2. In the event of an odd number of teams, a bye shall be assigned within the lowest score group to the lowest-seeded team that has not already received a bye.

3. Teams shall be paired immediately before the start of the first round.

D. State Tournament Seeding Meeting

1. The Seeding Committee will meet on Sunday, February 5, 2023, to seed the teams

advancing to the State Tournament. Each conference shall be invited to send one representative to the Seeding Meeting.

2. The Seeding Committee shall rank teams based upon the results of the sectional tournaments as well as information submitted during the registration process and other related data.

E. Pairing Procedures — State Tournament

1. The following procedure shall be used to determine groups and pairing numbers for Round 1:

- Divide the teams into 16 groups of 8.
- Order the teams in groups 1 and 2, and randomly assign a pairing number within groups 3 through 16.

2. After all teams have been assigned a pairing number, proceed as follows:

- If there are up to 128 teams, pair the teams according to a non-accelerated Swiss System.
- If there are more than 128 teams, pair the highest-ranked 8 groups as the top half of an accelerated Swiss System and pair the remaining teams so the teams in groups 9, 10, 11, and 12 play the teams in groups 13, 14, 15, and 16 in Round 1.

3. The number of competing teams determines the pairing system and whether acceleration is necessary:

- If there are up to 128 teams, a standard non-accelerated Swiss system pairing shall be used.
- If there are more than 128 teams, modified accelerated Swiss pairings shall be used for Rounds 1 and 2. The acceleration break shall be set at the number of teams in the higher-ranked part formed in 2a.

4. In the event of an odd number of teams, the lowest-seeded team shall receive a first-round bye.

5. Teams shall be paired immediately before the start of the first round of competition.

6. If only one team remains in the highest score group entering the final round, it shall be paired with the highest-seeded team in the next pair group that it has not already played.

7. If a team has already been paired into a higher score group twice in the tournament, the coach may request that the team's pairing be restricted to its own score group for the remainder of the event, unless an out-of-group pairing is unavoidable. Such a request must be made before pairings for the round are completed. The restriction shall be removed from any team

within one point of first place before pairing the final round.

VI. TOURNAMENT STRUCTURE AND PLAYING SCHEDULES

A. Participating Players

1. A standard team consists of 8 players, plus 4 alternates. A team may play with only 6 or 7 players, but must forfeit all matches on any empty board.

2. Prior to competition, the coach must designate a list of up to 12 players who will be eligible to play during the sectional tournament or State Tournament.

3. The deadline for designating the List of Participants (up to 12) and Strength Order for the Sectional Tournament is midnight on Wednesday, January 25, 2023. After Sectionals, the List of Participants and Strength Order will be reopened to make any additional changes for the State Tournament. The deadline for designating the List of Participants (up to 12) and Strength Order for the State Finals is midnight on Wednesday, February 1, 2023. All changes will be made in the Schools Center, not Chesscalate.

4. No changes to the List of Participants and/or Strength Order for Sectionals will be allowed after midnight on Wednesday, January 25, 2023. No changes to the List of Participants and/or Strength Order for State will be allowed after midnight on Wednesday, February 1, 2023.

B. Complete Participation Requirement

VII. ADVANCEMENT OF QUALIFIERS

A. Advancement and Determination of Qualifiers

1. A total of 128 teams shall qualify for the State Tournament.

2. To determine the State Tournament field, the sectional competitors shall be

sorted first by the number of team points earned, and second by the IHSA tie-breaker system (VIII-F). In the case of a tie for the 128th qualifying spot, a head-to-head result between the two teams in the sectional tournament shall be used to break the tie, if possible. Otherwise a random method shall be used to break the tie.

3. A team that withdraws from the State Tournament may be replaced no later than 4 pm on the Friday preceding the tournament by the next available team on the list.

4. If a sectional cannot be completed prior to the State Tournament Seeding Meeting, the committee shall determine which schools shall advance from the sectional to the state tournament, using the sectional seeds as a guideline.

VIII. TOURNAMENT RULES

A. Playing Rules

The official playing rules for the IHSA Team Chess and State Tournament are those included in the 2022-2023 IHSA Chess Rules Book, these Terms and Conditions and any printed instructions distributed from the IHSA Office. Enforcement of these rules will be the responsibility of the Tournament Manager, the Tournament Director, the Head Steward, and their assistants.

B. Official Representative

1. In accordance with IHSA By-law 2.020, all schools are required to have a coach or school representative, previously designated on the school's Entry Form, present at the tournament site at all times during tournament play to assist tournament officials, if needed.

2. If a school does not have a designated coach or school representative present at the tournament site at all times during tournament play, that school's competitors shall not be permitted to participate.

3. If a school's competitors are not permitted to participate due to the designated coach or school representative not being present, those competitors shall not be permitted to return to competition in the tournament and the team shall be disqualified from the tournament. Any exception must be approved by the Tournament Director.

4. A coach or designated school representative shall be present in the competition area at the beginning of each round to ensure that everything is in order prior to the start of the match.

5. A team whose coach or designated school representative is not present in the competition area when a round is started

shall not be permitted to begin play until the coach or designated school representative appears. Any exception must be pre-approved by the Tournament Director.

C. Tournament Roster, Strength Order, Participation, and Substitution

1. Prior to the beginning of Round 1, the coach or official representative of a competing team shall submit to the Tournament Director the team's Tournament Roster of up to 12 players, listed in Strength Order. All players must have been listed on the team's List of Participants.

2. A team is required to compete on the same number of boards (or more) in all rounds as the number of boards on which the team competes in Round 1. Only the Tournament Director may approve exceptions.

3. If a team does not compete in a round (excluding Round 1), the team will be disqualified from further participation in the tournament.

a. If a team arrives at a match more than 30 minutes after the beginning of the round but before time expires, the team shall forfeit that match to its opponent but is not disqualified from further participation in the tournament.

b. If a team arrives more than one hour after the beginning of the round (excluding Round 1), the team shall be disqualified from further participation in the tournament.

c. A team that receives a bye is considered to have competed in a round.

4. If a player does not compete in a round and no alternate is legally substituted for that player, the team shall forfeit that board for the round.

a. If a player arrives at a match more than 30 minutes after the beginning of a round but before the flag falls one hour after the beginning of the round, that player shall forfeit the match to his or her opponent.

b. If a player arrives more than one hour after the beginning of a round (excluding Round 1), the player shall be disqualified from further participation in the tournament.

c. If a player arrives at a match but is disqualified because of 5a or 5b, the scores for that player (board) in prior rounds shall stand.

5. For every round, the coach must indicate the players competing on each board by marking the names on the official

scoresheet (and optionally, at the State Final Tournament, by using the Chesscalate system).

- a. The players competing in each round must play in Strength Order, with the strongest player in the lineup for that particular round on Board 1, the next strongest on Board 2, and so on.
- b. If a team's players do not compete in Strength Order, the result will be recorded as a forfeit by any player playing below a teammate who is lower in the Strength Order submitted by the coach.

EXAMPLE: The eight boards (numbered 1 to 8) are occupied by players whose Strength Order is 1, 2, 4, 5, 3, 6, 8, 7. Player #3 (on Board 5) and Player #7 (on Board 8) must forfeit.

6. Improper substitution or failure to follow correct substitution procedures will result in penalties that can include forfeiture and/or loss of team tie-break points.

D. Stacking

1. In accordance with the provisions of IHSA By-law 2.041 (Sportsmanship), players shall be assigned a Strength Order in order of their individual playing strengths. "Stacking" is not an acceptable or appropriate strategy in the IHSA Team Chess state series.

2. "Stacking" is the practice of arranging the Strength Order in a manner that results in an advantage over opponents by placing a person of low playing strength at a high strength order to enable the remaining team members to play against opponents of a lower playing strength than they would have otherwise.

3. Stacking is unsportsmanlike conduct and is penalized by team disqualification. All team and individual wins and draws are scored as forfeits. All team and individual losses stand as recorded.

4. A charge of stacking shall not be considered after Round 2 has been concluded for 30 minutes in sectional tournament competition, or after Round 4 has been concluded for 30 minutes in State Tournament competition.

E. Scoring System

1. The team assigned White shall be White on boards 1, 3, 6 and 8.

2. The following weighted scoring system will be used in all matches:

	Win	Draw	Loss
Board 1	12.0	6.0	0.0
Board 2	11.0	5.5	0.0
Board 3	10.0	5.0	0.0
Board 4	9.0	4.5	0.0

Board 5	8.0	4.0	0.0
Board 6	7.0	3.5	0.0
Board 7	6.0	3.0	0.0
Board 8	5.0	2.5	0.0

3. For purposes of tie breaks, byes are scored as 48 to 20 wins. Forfeits are scored as the sum of the wins on the individual boards.

4. The team scoring the most individual points in a match is the winner.

F. Team Tie-Break System

1. If two or more teams are tied on points at end of the tournament, a tie-break system shall be used (when E-3 or E-4 do not apply) to determine the final standings.

2. For each match played, adjust the results as per E-5 if needed, add 10 to the team's match points, multiply by 1 plus the square of the opponent's tournament points, and divide by 100. Add the values for all seven matches to determine the tie-breaker.

Example:

Rd.	Own Match Pts.	Opp.'s Tourn. Pts.	Divide by	Total
1	(60+10)	(3 ² +1)	100 =	7.00
	×	÷		
2	(35+10)	(3 ² +1)	100 =	4.50
	×	÷		
3	(10+10)	(6 ² +1)	100 =	7.40
	×	÷		
4	(50+10)	(4 ² +1)	100 =	10.20
	×	÷		
5	(68+10)	(3 ² +1)	100 =	7.80
	×	÷		
6	(33+10)	(5 ² +1)	100 =	11.18
	×	÷		
7	(24+10)	(6 ² +1)	100 =	12.58
	×	÷		
Total Tie-Break Points				60.66

G. Tie-Break Penalties

Violations of the rules may be penalized by the loss of team tie-breakpoints as follows:

1. At the state final tournament:
 - a. Major violation: up to 5 tie-break points
 - b. Minor violation: 1 tie-break point
2. At the sectional tournaments:
 - a. Major violation: up to 1.25 tie-break points
 - b. Minor violation: 0.25 tie-break points

H. Official Scoresheet

1. Once the Official Scoresheet is signed, the individual match scores are official. It is the responsibility of each coach to ensure that the results are reported quickly and correctly.

2. If a team does not follow the specified procedure for submitting the Official Scoresheet, it may be penalized by losing tie-break points.

3. The scoresheet must remain on the table next to Board 1. Moving the scoresheet to any other location may constitute kibitzing.

4. Results submitted through the Chesscalate system are not official. Results can only be verified by the signed Official Scoresheet.

The possession, distribution, sale and/or consumption of alcoholic beverages are prohibited at the site and on any affiliated property of any IHSA state series contest. State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, alcohol free zones on the date or dates of any IHSA event being held at the site. Violation of this policy by an event host will subject the host to a penalty for violation of IHSA By-law 2.020. Such penalty may include but not necessarily be limited to prohibition against subsequent event hosting assignments. Violation of this policy by a non-hosting member school will subject the school to penalty for violation of IHSA By-law 2.020. Patrons of any IHSA state series contest determined to be in violation of this policy will be removed from the premises, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

1. Each school must provide four chess boards, four Staunton chess sets, and four digital time-delay capable chess clocks that comply with the rules published by IHSA. A clock capable of increment time controls only is not permitted. A digital clock not capable of being set to a time delay setting of five seconds can be used as though it were an analog clock. 2. Each team may provide a stand and team placard, in good taste and of an appropriate size and including the school name, to be placed on the table to identify the teams playing in each match.

G. Electronic Devices

1. The use of electronic devices in the competition area is prohibited, except as specified in the IHSA Chess Rule Book.

2. A cell phone that goes off in the playing area will result in the following penalties:

3. No headphones of any type may be worn in the playing area.

The clothing must be the outermost layer of clothing and must remain clearly visible while team members are in the playing hall. Matching shall be defined as being similar in style, color, and markings. Members of the same gender must have similar tops, though males may wear slightly different tops than females.
