

## Watch the Online Rules Meeting

Ask your school “Official Representative” for your School ID and password. Once you receive your School ID and password, login to the Schools Center. In the Schools Center you will see a link for the “Online Rules Meeting.” One of your Competitive Dance Team Coaches is required to watch the entire presentation. After you view the entire presentation you will be given credit in the Schools Center, the box inside the Schools Center will no longer be red indicating you completed the requirement.

- **Click here to login to the IHSA Schools Center**

The screenshot shows the IHSA website interface. At the top right, there is a navigation bar with the text "Schools & Officials Center" and a "LOGIN" button. A yellow arrow points to this button. Below the navigation bar is a main menu with links: Home, Sports & Activities, Schools, Officials, News & Media, Resources, and About the IHSA. The main content area features a large image of a runner with the number 63, a calendar for September 2012, and a section titled "Today with IHSA" listing upcoming events: Boys/Girls LaCrosse Advisory Committee Meeting and Athletic Administrator Advisory Committee Meeting. The footer includes "IHSA TV WATCH LIVE!" and "IHSA Disability Program Update".
