Parking in any unapproved spot will incur a ticket. We CANNOT get the ticket dropped. The safest place to park will always be the visitor lot by the Bone Student Center.

Classes will occur on Friday. Please ensure your students are respectful of those classes and do not hold conversations near on-going classrooms.

If a round is scheduled in a room, ensure that you do not interrupt a class prior to its conclusion.

If there is a class that is on-going during the scheduled round, please contact the tournament ASAP.
