In all cases in which a member school is selected as a contest site, the principal of the high school shall assume responsibility for the contest. The principal may, however, delegate the authority to manage the contest to another staff member. In case the site is not located in a member school, then the IHSA Board of Directors shall appoint a local manager. Contest managers shall be responsible for all aspects of contest administration.

B. Contest Committee:

A sectional committee will be appointed by the IHSA Director to be comprised of the Sectional Manager and (3) three directors from (3) three different schools assigned to the contest site while striving to have a balanced representation of Drama and Group Interpretation directors. The State Committee Member from each of the sectionals shall be one of the directors on the committee. Participating schools shall be notified of the names of the committee members after the committee is formed and all directors have accepted the responsibility.

The functions of the Contest Committee shall be:

2. to tabulate the results. (Only committee members)
3. to interpret the rules when necessary; and

C. Authority of Contest Manager and Contest Committee:

1. Sectional Contests:

The contest manager shall be authorized to conduct the contest under the provisions of these Terms and Conditions. However, if a situation develops in which there is an apparent unfairness to a Drama/Group Interpretation Entry, and which is determined to be the result of an administrative or judge's error, the manager shall consult with his/her Contest Committee and determine the manner in which the situation shall be resolved. However, managers shall not have the authority to advance the Drama/Group Interpretation entry affected by an unfairness to the state contest. In addition, the manager shall be responsible to resolve questions of rules interpretation, to arbitrate disputes and to apply penalties for violations of contest rules. In all cases, he/she shall consult with the contest advisory committee prior to making a decision in any such matter. Decisions of the contest manager in all cases herein described shall be final.

The authority and responsibility of the contest manager and his/her contest committee shall end when results are announced at the contest awards assembly. Any question relative to contest rules or any aspect of the contest which arises following the announcement of results shall be referred directly by the principal of the school involved to the IHSA Office. The IHSA Office will give consideration to questions relative to administrative and/or clerical matters only, and will do so only through the end of the first Monday following

the completion of the contest involved. In compliance with IHSA By-law 6.033, protests or challenges relative to the decision of any judge will not be considered.

2. State Final Contest:

The State Final Contest Committee shall be authorized to conduct the contest under the provisions of these Terms and Conditions. If a situation develops in which there is an apparent unfairness to a Drama/Group Interpretation Entry, and which is determined to be the result of an administrative or judge's error, the Committee shall determine the manner in which the situation shall be resolved.

2. Group Interpretation: The winners of first, second and third places in each Sectional shall be advanced to the State Final. Ties for advancement will be broken according to Article VII-B-4.

3. The Report of Sectional Winners will be completed online by the Sectional Manager. This shall be the official entry form for the State Final.

B. Determination of Winners:

1. Sectional (Dramatics and Group Interpretation): The five (5) judges' rankings for each entry shall be listed by the contest manager. The highest ranking and the lowest ranking shall be discarded for each group, and only the three (3) intermediate rankings for each entry shall be considered in determining its final standing. The entry with the lowest total of intermediate rankings is the winner of the event; the next lowest is second, etc., through the list.

2. State Final Dramatics: The five (5) judges' rankings for each entry shall be listed by the contest manager. The highest ranking and the lowest ranking for each play shall be discarded and only the three (3) intermediate rankings for each entry shall be considered in determining its final standing. The entry with the lowest total of intermediate rankings is the winner of the event; the next to lowest is second, etc., through the list.

3. State Final Group Interpretation:

a. Prelims: The rankings assigned by all five (5) judges in each preliminary group shall be listed and totaled by the contest manager. The highest ranking and the

lowest rankings for each entry shall not be considered in determining its final standing in its preliminary group. The three (3) performances from each preliminary group with the lowest totals of judges' rankings (after high and low are discarded) shall be advanced to the finals, along with any performance whose total of rankings is lower than the total of rankings for the third place performance in the opposite preliminary group.

b. Finals: Following completion of the finals, the five (5) final round judges' rankings for each entry shall be listed by the contest manager. The highest ranking and the lowest ranking shall be discarded for each performance and only the three (3) intermediate rankings for each shall be considered in determining its final standing. The entry with the lowest total of intermediate rankings is the winner of the event; the next to lowest is second, etc., through the list.

4. Ties: If a tie occurs in preliminary and/or final rounds, the tied entries shall be separated from all other entries and assigned relative rankings. If there is still a tie, then the ranks assigned by all five (5) judges will be considered, and the entry with the lowest total of five rankings will be declared the winner.

VIII. TOURNAMENT RULES

A. Dramatics

1. Definition: Dramatics is an event in which students perform in and run (with adult supervision as necessary) an actual dramatic production, cut to fit within the time limits if necessary. Only IHSA eligible students are permitted to operate any technical equipment during the performances. Violation of this rule will result in disqualification.

2. Purpose: The purpose of Dramatics is to give students on-stage experience in acting and other theatre-related skills.

3. Selection: The choice of a presented play shall be from either published one-act plays or cuttings from longer published plays. Published adaptations written for the stage are permitted. Unpublished adaptations and plays that are published solely online are prohibited. Selections may be either serious or comedic in nature. The play shall not be an operetta or other musical presentation; however, background and incidental music will be permitted. Coaches must be able to produce, if requested by the contest committee, the original published script performed. Failure to produce such a copy shall result in disqualification from the contest. The Association assumes no responsibilities for the payment of royalties or other fees connected with the performance of any material in the Dramatic/Group Interpretation contest series.

4. Time Keeping:

a. Unload: Performing groups shall have a total maximum of fifteen (15) min-

utes elapsed time in which to unload their vehicle(s) and store their entire set in a designated storage area. Any group exceeding this time limit shall automatically be dropped one (1) rank per judge per 30 seconds overtime. If needed, groups will be allowed five (5) minutes after the set strike to move their set from the strike area to the designated loading area. Any group exceeding this time limit shall automatically be dropped one (1) rank per judge per 30 seconds overtime.

b. Set-up/Strike: Performing groups shall have a total maximum of twenty (20) minutes elapsed time in which they must both set up and strike the staging and set for performance (e.g. If sixteen (16) minutes are used to set up, then four (4) minutes are available for striking). Set up and strike time shall include any adjustment, addition or removal of lighting instruments and focusing projections on the cyc wall. When the set up is complete, the director may call for the cyc wall to be lowered, exposed, and may focus any effect to be used on that wall. The clock will NOT be stopped during this performance. Any group exceeding this time limit shall automatically be dropped one (1) rank per each 30 seconds. Each school may call for a non-timed safety check after its set is up. However, this check should be made only if there is a possibility of a failure in the power source from the host school or if there is the possibility of danger to the general welfare of the cast, crew and audience. The safety check may not be used to move props or readjust lighting or sound levels or anything that has to do with set-up of the play. If a host site has difficulties or a dangerous situation arises, the committee members and host(s) of the contest will decide the necessary course of action.

The clock timing set-up for each performance shall be started when the first movement of any set pieces is made from the designated storage area to which the set was unloaded from the vehicle(s), and stopped at the cue of the director when the crew is off stage (wings or house). If a participant is injured during the set up and/or striking phase of the performance, the clock may be stopped by the manager until the emergency is addressed. After the performance, the clock will start at the cue of the director when the crew is off stage (wings or house) and be stopped when the last set piece is placed into the designated strike area.

Following this non-timed check, the set-up timing watches may be started again to permit the stage crew to make further adjustments within the time limit. No other start or stop of the watch shall be allowed.

c. Two (2) timers, using stop-watches, shall be required. No time signal shall be given by either timekeeper.

d. Prior to the start of the performance the director shall describe to the timers and a representative of the Contest

Committee a precise moment of the initial cue and the final performance element. However, timing of the Drama production will begin with the first performance element and conclude with the final performance element. No element of production or performance, including any stage lighting, house lighting, or sound, may begin prior to the announcement of the play. Following the last element of production or performance, the stage shall go dark and actors shall exit. Projectors and computers or other electrical devices used must be completely dark before the start of the timing tool and shall be dark at the end in order for the timing tool to stop. No light or ghosting image should be seen before the timing tool starts, nor should it be visible after the timing tool has stopped.

e. **The time limit for Drama is 40 minutes. In Drama, if a timer's watch reads 40:30.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each judge will be lowered by one ranking.** If both timers' watches confirm that a performance ran more than 40:30.01 minutes from the initial cue to the final performance element, the play shall be penalized one (1) rank per judge for each thirty (30) seconds of overtime. **For example, at 40:30.01, a performance is lowered one ranking from each judge. At 41:00.01, the performance would be lowered two rankings from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected. At the State Final Contest only, no penalty will be assessed until one (1) minute beyond the specified time limit. For example, In Drama, if a timer's watch reads 41:00.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each judge will be lowered by one ranking. For example, if both timers' watches read at 41:00.01, a performance is lowered one ranking from each judge. At 41:30.01, the performance would be lowered two rankings from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected.**

5. Standards for Excellence: The Standards of Excellence are indicated on the Judges Critique Sheets and should be used to provide the basis for both performance and judging. Judging forms may be found on the IHSA website.

a. The judge's written evaluation should clearly identify the major strengths and weaknesses of the performance and specify the reasons for the ranking assigned.

b. Undue emphasis should not be placed on technical elements or judge's preferences, like or dislikes of literature. Acting should be of primary importance and within a supportive or unified concept.

B. Group Interpretation:

1. Definition: Group Interpretation is an event in which groups of three (3) or more students interpretively present literature.

2. Purpose: The purpose of Group Interpretation is to give students experience in the group performance of literature. The inter-relatedness of the narrator(s), the movement of the literature, and character voices control the performance. Group Interpretation encourages students to create an ensemble performance which showcases their interpretive skills and group work without the aid of costumes, make-up, set or props. Successful Group Interp. performances should be based primarily on interpretation. Focus should be primarily off-stage, although mixed focus (a combination of off-stage and on-stage focus) is allowed.

3. Selection: The choice of a group interpretation to be presented for competitors shall be, but is not limited to prose, verse, drama, speeches, diaries, letters, essays, or compilations and original material.

4. Time Keeping:

a. Set-up/Strike: Groups will be allowed five (5) minutes to move their set from the backstage entrance to the strike line. Set pieces are only allowed behind the designated strike line as determined by the contest management. Any group exceeding this time limit shall automatically be dropped one (1) rank per judge per 30 seconds overtime. The time limit for Group Interpretation Set & Strike is a total combined 5 minutes. Group Interpretation setup and takedown must be done in 5 minutes total. For setup, once the director requests the clock to be stopped, it cannot be restarted. The cast must enter the designated performance space after the production is announced and exit at the conclusion of the presentation. The entire cast (including musicians) must enter the designated performance space after the production is announced and exit at the end of the presentation.

b. Two (2) timers, using stop-watches, shall be required. No time signal shall be given by either timekeeper.

c. The director of each Group Interpretation shall describe to the timers and a representative of the Contest Manager, prior to the start of the performance, the precise moments of the initial cue and the final performance element. Timers shall use these suggestions as guidelines to start and stop watches. However, timing of the production will begin with the first performance element and conclude with the final performance element.

d. **The time limit for group Interpretation is 30 minutes. In Group Interpretation, if a timer's watch reads 30:30.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each**

judge will be lowered by one ranking. If both timers' watches confirm that a performance ran more than 30:30.01 minutes from the initial cue to the final performance element, the performance shall be penalized. **For example, at 30:30.01, a performance is lowered one ranking from each judge. At 31:00.01, the performance would be lowered two rankings from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected.**

5. In the Sectional contests, Group Interpretation selections may be presented in a classroom or other appropriate performance spaces.

6. Standards for Excellence: The Standards of Excellence are indicated on the Judges Critique Sheets and should be used to provide the basis for both performance and judging. Judging forms may be found on the IHSA website.

a. Gesture and pantomime should be used as justified by interpretation of the text.

b. At the discretion of the performing group, the script may be used.

c. Focus should be primarily off-stage. **On-stage focus should be used sparingly and with purpose** although mixed focus (a combination of off-stage and on-stage focus) is allowed.

d. Uniformed dress is permitted. Costuming is not allowed. Clothing that delineates specific character(s) worn by an individual or the entire cast shall be considered costuming. All Group Interpretation performers must wear shoes.

e. Character makeup is prohibited.

f. Sound effects may be used, but music and or singing may be used only as background, to aid in transitions, or to establish mood. While a book from a musical may be used, the production's musical numbers may not be used to establish characters or to advance the plot. The lyrics, however, may be incorporated as spoken dialogue.

g. **Standardized Group Interpretation pieces (boxes, platforms, ramps, risers and stairs) shall be used by all competing schools. Participating schools will provide their own stools and chairs.** These items may be placed on appropriate flooring. Ladders, posts, pillars, and walls are prohibited in Group Interpretation. **Performers are not allowed to stand on chairs or stools.** Performers may stand on safe boxes, platforms, ramps, risers and stairs. Performers, including musicians, are prohibited from performing underneath set pieces. Group Interpretation sets should be universal, able to be used for any show. **Explicit sets are prohibited;** painting with specific designs is included in this definition. (For example, if the show being performed is about a man-eating

plant, the set could not be painted with vines.) While set pieces may be moved to represent a new general location, they may not be arranged to suggest a specific location. (For example, boxes may not be piled on top of each, turned on their sides or held by actors to represent specific formations such as walls, columns, doorways or specific large props such as a desk.) Smaller pieces may not be used as hand-props.

h. Props shall be prohibited; creative use of scripts shall not be interpreted as use of props.

i. Undue emphasis should not be placed on technical elements or judges' preferences, likes or dislikes of literature.

C. Short Film:

1. Definition: Short Film is an event in which students create an original video. Short films may be narratives, documentaries, animations, or other works.

2. Purpose: The purpose of Short Film is to give students experience in producing, directing and acting while using an electronic medium.

3. Selection: Short Film shall be original in nature and may be a collaborative effort between students.

4. Time Keeping: The length of the performance is no longer than 5 minutes from opening title screen to final credits.

5. Standards for Excellence: Judging will be based on creativity, effective storyline, technical aspects, acting, artistic merit, and overall presentation.

6. Fee: Schools are allowed to enter 1 (one) short film and the event fee per school shall be \$25 to cover cost of adjudication.

7. Awards: This event would not count towards team trophy award points. This event would be in a rating format.

D. Material Appropriateness:

Material presented by all contesting groups shall be appropriate for public performance by high school students. Any material which is inappropriate for public performance by high school students will not be tolerated.

1. The principal is required to see and approve both the selection and performance of all material including substitute material, to be used by contestants from the member school in the contest series.

2. IHSA By-law 6.010 will be applied in the event contestants utilize material which, upon investigation by the Executive Director, is determined to be inappropriate. By-law 6.010 states:

Any violation of the Constitution and/or By-laws, Terms and Conditions, IHSA Policies and Guidelines, and/or other rules of the Association, shall be reported to the Executive Director, who shall have authority to investigate all alleged violations. The findings of the investigation shall be made known to the

school (or schools), person (or persons), alleged to have committed violation. The Executive Director shall then have full authority to invoke penalties against such school or persons found to have committed violations. Penalties shall include, but not be limited to, written warning or reprimand or requisite affirmation corrective action. Failure to take the corrective action required by any penalty shall be the basis for further action up to and including suspension and/or expulsion.

Note that these provisions include possible penalties against the school or individual persons found to have committed violations. This means that competitors, coaches, directors, and/or principals may be penalized directly for the use of inappropriate material in the IHSA Contests. A performance (language or action) which is a literal, symbolic or colloquial expression describing or naming anything which is profane and/or vulgar, whether or not suited to a specific character being portrayed, IS ALWAYS CONSIDERED INAPPROPRIATE!

3. Use of Inappropriate Material. If, in the opinion of any contest judge, material which is performed for his/her adjudication is inappropriate for public performance by a high school student, he/she may rank the performance down. Judges shall explain their opinions and actions in written critiques, and the contest manager shall forward a copy of the critiques to the IHSA office.

D. Special Rules and Limitations

1. The following items are prohibited for use in a Drama and Group Interpretation production:

- fire
- firearms and explosives
- animals
- non-member school students

2. General Penalty for Violations by Contestants: Unless otherwise specified in the rules, the penalty for rules violations in any round of competition throughout the entire contest series shall be that the contestant's ranking in the round where the violation occurs be changed to last and the ranks of other contestants will be adjusted as necessary.

3. All competing schools must be in compliance with all provisions outlined by the host site in the qualifiers manual. Behavior deemed unsafe by a state official will first be given a warning and then penalties may include but not be limited to: warnings, lowering one rank per judge and/or disqualification.

4. Late Discovery of Violations: If a violation, the penalty for which is disqualification, is not discovered until after the close of the contest in which the violation occurred, the following procedure shall be followed:

a. The contestant, group or school shall nevertheless be disqualified and advancement to the next succeeding contest

shall be denied if the violation is reported to the IHSA Office prior to the next contest.

b. The rankings of the other contestants in the event shall be revised upward.

c. If the violation is reported to the IHSA Office at least three (3) days prior to the next succeeding contest, the winners shall be advanced on the basis of the revised rankings.

d. If the disqualified individual, group or school has won any awards, such awards shall be returned to the IHSA Office. An attempt will then be made to redistribute these awards on the basis of the revised rankings mentioned above.

IX. TOURNAMENT POLICIES
