Re.: State Final Information

Congratulations on having your school qualify for the IHSA Boys' Football State Finals! After your Semifinal victory, your school should have been provided with a box from my office that contained some other important information. In that box, you should have received tickets and ticket information as well as Sideline and School Administrator passes.

On-line on our boys' football page, there is a link near the bottom of the page entitled "State Finals Qualifier Information". Please go there and print this pdf file. The following items are included in this packet:

- State Playoff Info from the University of Illinois
- Trainer Pass Requests – **Fax or E-mail to IHSA by November 25**
- Student Media/Video Taping Credentials – email mtroha@ihsa.org by November 26
- 2019 IHSA State Final Football Playoff Information - **Fax to IHSA by November 25**
- Cheerleading Info
- Band Directors Info

It is imperative that you print out copies of each – plus the IHSA Boys' Football Manual for Schools and the Football Terms and Conditions – and review all these documents prior to coming to DeKalb.

If your school has student media personnel, the principal will need to e-mail mtroha@ihsa.org with the names of the students that will need the media passes by 3:00 p.m. November 26, 2019. They will be able to pick them up at Will Call when they get to DeKalb. Will Call is located at Ticket Gate 10 at Huskie Stadium.

If your school has a certified trainer and will need a pass for your trainer, please include this information on the Trainer Pass Request and the trainer's pass will be given to the coach when they get off the bus at the state finals.

Please let your coaches know that there will be a doctor on duty from Kish Health System. This doctor will have the ultimate control over a situation on the field. I know that some teams have physicians that travel with them and I wanted to make sure that everyone understands ahead of time that the assigned doctor from DeKalb will have control if we would have such an unfortunate situation develop. Additionally, the ruling on concussions of athletes will be determined by this doctor.

We would like to meet with the principal and athletic director of both schools with fifteen (15) minutes on the pre-game clock in the north end zone – near the Huskie statue.

On behalf of our office, I'd again like to congratulate your school on this accomplishment.

STUDENT MEDIA CREDENTIALS FOR PARTICIPATING SCHOOLS

Congratulations on qualifying for an IHSA state final in a team sport. In order to provide the best possible coverage of this event for your school newspaper, yearbook and AV club, etc. you are entitled to have up to three students receive credentials to cover this event as official media members. In the event that you have less than three students, an adult sponsor may be included on this list. To apply for student media credentials, please have your Athletic Director or an individual involved with the aforementioned programs email Matt Troha (mtroha@ihsa.org) at the IHSA with the following information:

- 1) The names of individuals attending
- 2) Whether they are students or adults
- 3) If the attending individuals will serve as reporters, photographers, videographers, etc.

Student media who are registering for credentials are expected to maintain a level of professionalism while covering this event. That includes no cheering while in the press box or game coverage area. Proper attire is also required. Wearing school shirts and colors is acceptable, but students wearing face paint, costumes, carrying props, etc. will be required to change before receiving credential clearance.

The individual applying for student media credentials will receive specific information on credential pick-up and media regulations at the event via email in the days leading up to the state final.

Please note that student media credentials are only available for state final events in team sports. Due to the sheer volume of schools who qualify in individual sports, our press facilities would be unable to accommodate student media from all participating schools in individual sports. Student media are also welcome to cover IHSA state final activities. Credentials are not required for these events, but please have your students check-in with state final personnel upon arrival for media coverage regulations.

VIDEO TAPING STATE FINALS FOR COACH FILM BREAKDOWN

Each school will be eligible to receive a pass for an individual attending the state final event to shoot game film that is for the sole purpose of being used by the coaching staff for postgame breakdown. Passes for videographers shooting highlight videos, documentaries, etc. should be included in student media application reference above. Additional passes for videotaping purposes will need to come from the allotment of state final passes given to school/head coach at or prior to the state final event.

To apply for a credential to shoot video, please have your Athletic Director email Matt Troha (mtroha@ihsa.org) at the IHSA with the name of the individual who will be taping and whether they are an adult or a student.

Please contact Matt Troha (309-663-6377) at the IHSA for any questions related to this document.

RE: Football State Final Protocol for Marching Bands

Congratulations on qualifying for the IHSA state finals in football. It is a great honor and privilege to be involved with a state final and through this memo we want to remind you of items to make your experience at the football state final game the best possible.

- State final workers will be located around the stadium on game day to direct and assist with questions (parking, load in, load out etc...).
- Bona-fide students of your school in uniform are the only participants eligible to play in the band.
- At the state final, the national anthem will only be played prior to the first game on Friday and the first game on Saturday. The 1A and 5A school bands will be asked if they would like to play the national anthem starting with the designated home school band unless it is mutually agreeable that the visiting team's band or both school bands should play the national anthem.
- The marching band of each competing school may perform at half-time of the game in which their school is involved. Each band will be allotted a maximum of six (6) minutes for its half-time performance. The band representing the visiting team shall perform first. Should only one band perform at half-time, the time allotment shall be twelve (12) minutes.
- As per the football terms and conditions, **no extra-curricular music including bands should be played after the "ready for play" whistle by the game official.** Appropriate sportsmanlike pep music can be played at all other appropriate times.

Please contact the IHSA if you have any questions. Remember, the band is an instrumental part of the total fan experience, energy and excitement of a football game and we encourage you to work in conjunction with your fans and spirit teams to promote positive sportsmanship throughout your game. We trust that you will have a great experience at the IHSA football state finals and remember that the games are televised/streamed and watched by millions of viewers! Have a great day, enjoy your performances and have a wonderful state final experience!

- Mascots, flags, signs and megaphone used appropriately by spirit participants are allowed in front of your fans only. Remember mascots must be bona fide students and should not be stunting.
- Review the enclosed NFHS Spirit Rules Book prior to game time. Points of emphasis are listed below:

 4. Rule 2 General Risk Management-Performing surface must be suitable for stunting (2-1-4 - 2-1-5). If there is any moisture on the surface participants must not stunt.
 5. Rule 2 General Risk Management-School issued uniforms must be appropriate for the activity (no midribs showing and if the weather is cold no extended stunting with gloves and wet/slippery warm up slickers). Extended stunting may be done with gloves that have a non-slip substance applied to the palm-side fingers (stunt gloves) (3-1-4).

Please contact the IHSA if you have any questions. Remember, spirit teams are an instrumental part of the total fan experience, energy and excitement of a football game and we encourage you to work in conjunction with your fans to promote positive sportsmanship throughout your game. We trust that you will have a great experience at the IHSA football state finals and remember that the games are televised/streamed and watched by millions of viewers and occasionally spirit teams are interviewed by media. Have a great day, enjoy your performances and have a wonderful state final experience!

Should a team bring its own licensed team physician, schools may choose to issue one of its allotted Sideline Passes or provide the physician with a paid ticket for admission for a seat in the stands. Should a school choose the latter, the principal of the school is responsible for informing the usher in the doctor's seating area of the physician's location and to obtain procedure for getting the doctor to the team's player box in case of emergency.

Warm-Up:

Practice Facility (available ninety (90) minutes prior to scheduled game time)- The Chessick Practice Center or the East Practice Fields are available for team warm-ups prior to the playing surface of Huskie Stadium being available. Home teams will be assigned the west half of the building for warm-up and visiting teams must use the east half of the building. Home teams will be assigned the south half of the outdoor fields and visiting teams will be assigned the north half if warm-ups are conducted on the east grass. A large net will divide the Chessick Practice Center at the 50 yard line. Food and beverage with the exception of water are prohibited. Only team members in uniform and coaches/administrators with field access passes will be allowed on the playing surface of the Chessick Practice Center. The playing surface in the indoor facility is FieldTurf, and is similar to the Huskie Stadium playing surface.

*****Due to NIU Football practice the Chessick Practice Center may not be available at all times on Saturday. If the Chessick Practice Center is not available, teams will be instructed to use the East Practice Fields for warm-up.***

Huskie Stadium- There will be a minimum of 20 minutes warm-up practice on the artificial turf allotted to competing teams. The coin flip will take place approximately 20 minutes before the start of each game, (10 minutes into the warm-up) at midfield with the captain(s) of each competing team and game officials involved.

Booths- Coaches' booths are located the Press Box on level 3 in the west stands. Per the IHSA Football Terms and Conditions, each school is allowed 4 spotters in their booth. Only those coaches with the field passes marked "Spotter" will be allowed access to the elevator and booth. Access to the Press Box is via the elevator located on the West Side of Huskie Stadium between the ticket windows. The elevator operator will help direct coaches to the appropriate booths.

Home Team-Press Box booth #805

Visiting Team-Press Box booth #815

Access to the Press Box - Coaches who are assigned responsibilities in the Press Box and wearing the designated "Spotter" field passes should report to the elevator personnel no earlier than 15 minutes before the start of the game. Proper identification (field pass marked "Spotter") of the coaches and the school they represent must be given to the gate personnel at the elevator. The elevator is located between both ticket windows on the west side of the stadium. Coaches who are on the playing field for warm-up/practice prior to assuming responsibilities in the Press Box may gain access through the elevator on the west side of the stadium.

Game Video:

If a school wishes to film or videotape its own game at Huskie Stadium, the roof of the west stands is available for use. Each participating school is allotted a number of photo credentials to be used as determined by the principal (or designee).

Time-Out Policy:

The length of all time-outs will be at least 60 seconds. Following a score (and PAT) however, a minimum of 60 seconds will be used to put the ball in play to allow television and radio stations originating a broadcast of the contest to take commercial breaks.

Tie-Breaker Procedure:

The tie-breaker format listed in the Terms and Conditions shall be used in the event the score is tied at the end of regulation time.

Equipment:

Game Balls- Each competing team must supply at least two (2) legal Wilson footballs of its choice, provided the Referee of their game has approved them prior to the opening kickoff. The Referee will inspect the team's legal Wilson game balls during the pre-game warm-up period inside the stadium.

Ball Boys- One Ball Boy, provided by each school and properly identified, will be used during each contest and will be charged with the responsibility of keeping wet balls dry, keeping the proper ball(s) in play, etc. They will obtain a school's "personal" ball(s) from the head coach (or designee) prior to the opening kickoff, and will return it to the head coach (or designee) at the conclusion of the game. Credentials for the ball boys will be included in the box delivered to the principal (or designee).

Shoes- Neither the IHSA nor Northern Illinois University will be responsible to furnish this equipment. It has been found that most players prefer to use the same shoes they have competed in during other games, since no single type of shoe has been found to be superior for use on the artificial surface. All cleats, however, should be in good repair.

Towels- Northern Illinois University will provide each participating school with 75 towels for use during and after their game.

Foul Weather Gear- Northern Illinois University will not provide any foul weather gear. Each school competing in the Championship games will be responsible for all equipment it will need, including cold weather parkas or the like.

Northern Illinois University will provide two (2) heaters for each sideline. Any additional heating devices to be used by competing teams and/or cheerleaders must be approved by Playoff Manager, Matt Gonzalez, in advance of the scheduled starting time of the game in which the school will participate.

Valuable Personal Belongings- The IHSA and Northern Illinois University will not be responsible for personal belongings or valuables. However, Northern Illinois University will provide, upon request, a bag and two locks for a team to use for its players' valuable personal belongings, which may be taken by a member of the coaching staff or a team manager to the bench during the game (See Procedure Below).

If a school desires not to take a bag containing the players' valuable personal belongings to the bench, Northern Illinois University will provide two locks to be used in securing the players' valuable personal belongings in lockers in its dressing room. (See Procedure Below)

Procedure for Securing Personal Belongings- When the team reports to its assigned dressing area, a Team Host from Northern Illinois University will greet the team and along with the team manager(s), will report to Northern Illinois University Equipment Room for two locks for locker security of players' personal valuables (if requested). The head coach will be required to sign a receipt for the locks borrowed from Northern Illinois University.

Each competing school will be responsible for the return of the locks obtained from Northern Illinois University.

Post-Game Meals:

Teams are **NOT** allowed to use their locker room or meeting room for a post-game meal. Spirit Zone is available for post-game meals.

DeKalb and surrounding area Restaurant Guide: <http://www.dekalbcountycvb.com/>

Schools that make advance reservations for a post-game meal at a restaurant in the DeKalb or the surrounding area, or on the way home, are responsible for all expenses incurred.

Press Conference:

Post-Game Press Interview Session- A press conference involving the head coach of each of the participating teams, as well as players from both teams who played outstanding games and/or who figured prominently in the outcome of the game, will be conducted in Room 107 of the Yordon Center. It is mandatory that each head coach participates in the press conference according to the following procedure:

All Interviews- The IHSA Publicity Staff member who made contact with each head coach prior to the game clarifying up-to-date information will escort the head coach and selected players to the interview room at the conclusion of the Trophy Presentation Ceremony.

Each team's formal press conference will last no longer than ten (10) minutes. The IHSA Publicity Staff member who accompanied the head coach and players to the Press Interview Room will announce the close of the formal press conference when the momentum of the press conference declines.

NOTE: Media members might ask coaches and players involved in the press conference for one-on-one personalized interviews following the press conference.

Each school is to furnish at least two (2) of its own footballs and will have them inspected by the Referee prior to giving them to the ball boys at the start of the game.

Game Shoes:

Each school is to furnish its own shoes. It has been found that most players prefer to use the same shoes they have competed in during other games, since no single type of shoe has been found to be superior for use on the artificial turf. All cleats, however, should be in good repair.

Player Valuables: (Check where applicable)

Important: The IHSA and Northern Illinois University will not be responsible for personal belongings or valuables. However, Northern Illinois University will provide, upon request, a bag and two locks for a team to use for its player's valuable personal belongings, which may be secured in a locker in the team's locker room, or may be taken by a member of the coaching staff, or a team manager, to the bench during the game.

_____ We desire a bag and locks to take personal possessions to the bench during our game.

_____ We desire two locks to be used in securing personal possessions in a locker in our dressing room.
