

IHSA Boys Golf State Finals Class 1A – Prairie Vista Parking Information

Spectator parking is available at the site of the former Bloomington Sale Barn, which is located approximately ¼ mile east of the golf course on Hamilton Road. The Sale Barn has been demolished, but parking is still available. This parking area is accessible for fans by traveling south on Main Street. The best way to approach the parking lot from this direction is by getting on IL-51 South off of Veterans' Parkway. As in years past, a shuttle will be running from the parking lot to the golf course for spectators who wish to take advantage of this service.
