IHSA Golf Cart Policy

I. Statement of Rationale

The IHSA has developed a policy that would provide an equitable way to address the needs of competitors, coaches, tournament personnel, and spectators. The policy is designed to accommodate the unique situations of a disabled parent of a player in the tournament, a disabled spectator, and disabled participant. It remains sensitive to the safety and liability concerns along with maintaining the integrity of the competition by reducing the chances of spectator interference.

II. Definition

Disability: IHSA recognizes and adopts the definition of disability as provided within the Americans with Disabilities Act. The IHSA will not discriminate against students with disabilities on the basis of disability in its services, programs, or activities.

III. Policy

A. Participants

Student-athletes may not use caddies, motorized golf carts, or motorized pull carts during the state series unless an individual is permanently disabled.

B. Permanently Disabled Student-Athlete

A written request for accommodation from a member school principal must be submitted to the IHSA when requesting the use of a motorized golf cart for a student-athlete. Golf carts are not to interfere with play and must adhere to tournament policies. If approved the player shall ride with an approved adult and not drive the cart.

C. Spectator Golf Cart Use for Regionals and Sectionals

Cart availability during regional and sectional tournament will be determined by the tournament manager and golf course. Golf carts are not to interfere with the integrity of play and must adhere to all tournament and local golf course policies.

D. State Final Practice Round

1. Golf carts will not be available for spectators at the state final; instead, a shuttle will be available to transport spectators to pre-determined viewing sites at each state final's venue. A wristband will be provided to handicap spectators who will be given priority on the shuttle.
2. State Tournament Practice Round - Golf Cart Policy
Student-athletes and spectators may not rent a golf cart for the Thursday practice round at the state tournament. Coaches from each competing school with a team or individual in the state finals will be allowed to rent one cart per school during the practice round. Only two (2) people may ride in the cart at one time. The cart is rented at the expense of the school. Golf carts may be requested in advance on a first-come, first-serve basis. Once the golf carts are rented out, no additional carts will be available.
3. School Team Request for a Practice Round Golf Cart - Procedure
 - a. School personnel from state final qualifying teams must submit the name of the adult school representative that will be responsible for a cart. Requests should be submitted in advance of the tournament, for approval by the IHSA.
 - b. Once approved, the golf cart will be issued to the person designated by the school.
 - c. The school designee shall check in at the pro shop to rent the cart.
 - d. The school is responsible for the rental fee at that time.
 - e. The carts will be issued on a first-come, first-serve basis. Once the fleet of golf carts are rented, no additional carts will be brought in.
 - f. Personal carts are not allowed.
