4. The top six (6) contestants, plus ties, after two preliminary rounds, will advance to the final round.
5. In the event there are seven (7) or fewer contestants competing in an event, only a final round will be conducted. In such cases, team points will be awarded only to the top six (6) ranked performers.
3. Regionals Prelim I: The assignment of competitors to preliminary round I and their order of performance shall be established randomly except:
   a. When adjustments are necessary to permit students to participate in two events and;
   b. To separate identical selections by one performance.

4. Regionals Prelim II: Assignment of contestants and speaking order for preliminary round II shall be random with the following limitation:
   a. When adjustments are necessary to permit students to participate in two events and;
   b. To separate identical selections by one performance;
   c. No more than one-half the contestants may be drawn to compete against the same contestants they competed against in preliminary round I.

5. Final Rounds: Speaking order for the final round of competition at each regional shall be established randomly at the contest following the completion of the preliminary rounds. With the advice of the contest committee, the contest manager may adjust final round performance order;
   a. Alter the drawn schedule for those students who have conflicting double entries and, if necessary;
   b. To separate identical selections by one performance.

G. Sectional Performance Order: At sectional there shall be competition in all events for which entries have been made. Sectional performance order in each event will be made by the IHSA office and posted online via SpeechWire. Speaking order for the final round of competition at each sectional shall be established randomly at the contest following the completion of all preliminary rounds.

   1. The contest manager with consultation with the contest committee may adjust schedules for those students who have conflicting double entries;

   2. The contest manager with consultation with the contest committee may adjust schedules for those students who have identical selections by one performance.

   a. If applicable, proof of publication must be verified by the contest committee;
   b. The principal/IHSA official representative confirms in writing that the substitute and/or materials are approved and eligible.
   c. In the case of duets, the duet team is considered one entry and if one duet member cannot advance the entire duet team needs to withdraw and the alternate qualifier provisions shall be followed.

   3. A student who competed in the regional or sectional contest for a school and does not advance in an individual event at any level cannot be substituted/added by that same school to any individual event or PIR cast.

D. Determination of Winners: The process and procedures for determining winners are as follows:

   1. Judges: After approval by the designated committee the following number of judges shall be assigned to events:
      a. Regional: Each regional shall have one (1) judge for each speech individual event round who judges prelims for both sections. Regional final rounds shall have three (3) judges. Performance in the round competes only once and shall have three (3) judges at the sectional level.
      b. Sectional: Each sectional shall have two (2) judges for each speech individual event round who judges prelims for both sections. Sectional final rounds shall have three (3) judges. Performance in the round competes only once and shall have five (5) judges at the sectional level where the high and low score shall be dropped.
      c. State: The state final preliminary rounds shall have three (3) judges for each speech individual event round who judges all three sections. The final rounds at state shall have five (5) judges. Performance in the round shall have three (3) judges in preliminary rounds and five (5) judges in the final round at state. In all final rounds, the high and low scores shall be dropped.

   2. Tabulation Procedure: Following the completion of each preliminary and final round, ballots and critique forms from each judge shall be returned to contest headquarters/tournament central-tab room. Contest managers/designees shall cross check ranking ballots with critique forms to insure the accuracy of rankings and identify to whom rankings are assigned. In the event of any error or other questions, the contest manager(s) involved shall be contacted immediately to resolve the matter.

   3. Ranking to Balance Rounds: To insure equality in ranking between different sections of an event, in no case, except for
overtime penalties, shall a contestant rank lower than the smallest number in any section of the event for the round. In other words, if round 1 section A has 5 contestants and round 1 section B has 6 contestants, personnel in the tab room should record any rank of 6 given by any judge as a rank of 5, since that is the smallest number of contestants in any section of the event for the round. Judges are to rank all contestants accordingly and any adjustment of ranks under this provision are to be done exclusively in the tab room by the tab room personnel.

4. Advancement from Preliminaries to Finals: Following completion of both preliminary rounds of competition at the regional and sectional contests judges’ rankings shall be tallied. Performance in the round has only one round of competition at regionals and sectionals.

a. Regional: In all events, excluding performance in the round, the ranks received from two (2) judges – one (1) judge from preliminary round 1 section A or B and one (1) judge from preliminary round 2 section A or B judge shall be added. The six (6) contestants with the lowest cumulative totals of preliminary round rankings shall advance to the finals. In the event of a tie for the last qualifying position, all tied contestants shall also advance to the finals. In Performance in the round, the three (3) judges’ rankings shall be tabulated. The entry whose total of rankings is lowest is the winner; the entry with the second lowest total is second, etc. The top four (4) finishers in PIR at each regional and all ties shall advance to the sectional.

b. Sectional: The ranks received from four (4) judges – two (2) judges from preliminary round 1 section A or B and two (2) judges from preliminary round 2 section A or B shall be added. The six (6) contestants with the lowest cumulative totals of preliminary round rankings shall advance to the finals. In the event of a tie for the last qualifying position, all tied contestants shall also advance to the finals. In Performance in the round, the three (3) judges’ rankings shall be tabulated. The entry whose total of rankings is lowest is the winner; the entry with the second lowest total is second, etc. The top four (4) finishers advance to sectionals.

c. State: Following completion of the state preliminary rounds, the six (6) rankings received by each contestant shall be reviewed. The highest and lowest rankings for each contestant shall be dropped and the intermediate four rankings added. For each event category, the six (6) contestants with the lowest cumulative totals of the intermediate rankings shall advance to the final round. In the event of a tie for the last qualifying position, all tied contestants shall also advance to the finals.

In performance in the round, the eighteen (18) qualifiers from the six (6) Sectionals will be divided into two sections of nine performances each. Entries in each section will perform once and be ranked by a panel of three judges. The three performances in each section with the lowest cumulative rankings will advance to the finals along with any performance whose total of rankings is lower than the total of rankings for the third-place performance in the opposite preliminary group. The finals will be judged by a panel of five (5) judges; each judge will rank the performances 1st through 6th (no ties). The high and low rankings will be discarded, and the remaining ranks will be added. The performance in the round with the lowest cumulative rankings is first; second lowest is second, and so on. If a tie occurs, the tied competitors shall be separated from all other competitors and assigned relative rankings. If there is still a tie, then the ranks assigned by all five (5) judges will be considered, and the contestant with the lowest total of five rankings will be declared the winner.

5. Winners:

a. Regional: After the final round for each event, the three (3) judges’ rankings shall be added and a summation made of the rankings received by each finalist. The contestant whose total of rankings is lowest is the winner; the contestant with the second lowest total is second, etc. After each performance in the round has competed once, the three (3) judges rankings shall be added. The performance whose total added ranking is lowest is the winner; the performance with the second lowest total is second, etc. The top four (4) finishers advance to sectionals.

b. Sectional: After the final round for each event, the three (3) judges’ rankings shall be added, and a summation made of the rankings received by each finalist. The contestant whose total of rankings is lowest is the winner; the contestant with the second lowest total is second, etc. After each performance in the round has competed once, the five (5) judges rankings shall be added. The performance whose total added ranking is lowest is the winner; the performance with the second lowest total is second, etc. The top three (3) finishers advance to sectionals.

c. State: After the final round, with five (5) judges being used, the highest and lowest rankings for each contestant shall be dropped and not considered in determining final standing. The contestant/performances with the lowest total of intermediate rankings is the winner; the contestant with the second lowest total is second, etc...

6. Resolution of Ties:

a. Ties Affecting Advancement from Preliminaries to Finals: At all contests (regional, sectional and state) contestants tied for the last position which qualifies for advancement from preliminaries to finals shall advance without the tie being broken.

b. Ties Affecting Awards and/or Team Scoring:

(1) At regional and sectional contests, ties for places for which awards are presented shall be broken by separating the tied competitors from all other contestants and assigning them relative rankings on the basis of judges’ decisions, as though they were the only competitors. The contestant whose total of relative rankings is lowest is the winner.

(2) At the state final contest, the tied competitors shall be separated from all other competitors and assigned relative rankings. If there is still a tie, then the ranks assigned by all five (5) judges will be considered, and the contestant with the lowest total of five rankings will be declared the winner.

(3) If there is still a tie, duplicate awards will be provided and the team points for the tied places will be added and equally divided among the teams of the tied contestants. For example, three (3) contestants are tied for fourth place at the regional. The tie is unbreakable, so the points for fourth, fifth and sixth places (3 pts., 2 pts., and 1 pt. respectively) are added and divided by three. Each school is then awarded two (2) points for its contestant’s finish.

7. Team Winners: Team points shall be awarded on the basis of the following point scale for each individual event: 1st place = 6 points; 2nd place = 5 points; 3rd place = 4 points; 4th place = 3 points; 5th place = 2 points; 6th place and all other finalists = 1 point.

E. Timekeeping: Time will be kept at all contests for all events. DDA, HDA, DI, HI, PR, PT, DEC, O0, OC, and SOS have an eight (8) minute time limit. EXTTEMP has a seven (7) minute time limit. IMPT has a two (2) minute prep with a six (6) minute time limit. RADIO has a time limit of 4:50 to 5:05 with contestants expected to finish at five (5) minutes.

1. Timers: Contest managers will arrange to have two (2) timers in every round for all events in all contests. To accommodate this requirement, if necessary, managers are authorized to give timekeeping assignments as needed to participating schools. In all events, excluding Radio speaking, timers will be seated out of the judges’ sight but in full view of the performers. Timers shall use stopwatches which will be the only official timing devices. Timing devices other than those used by the appointed timekeepers are unofficial. The timers must deliver their official IHSA time sheets to the contest headquarters at the conclusion of each section.

2. Overtime: In all events except Impromptu Speaking, Extemporaneous Speaking, Radio Speaking and Performance in the Round, when a stopwatch is read to determine time, a reading of 8:30.00 or less, will not be considered a time violation. If a stopwatch reads 8:30.01 or greater, the time will be considered to be 8:31. Both timers/time sheets must show/confirm the overtime for penalties to be assessed. In Impromptu Speaking, Extemporaneous Speaking, Radio Speaking and Performance in the Round the same time concept applies per their specific time limitations.

3. Overtime Procedures: In all events except Radio Speaking, both contestants designated by the manager shall raise their hands above their heads upon expiration of the allotted time, to let the performer know the time limit has been reached. Both timers shall keep the hands raised above their heads until the performer concludes. When the speaker concludes their presentation, both timers shall record the total elapsed time shown on their individual stopwatch on an official IHSA time sheet. Times shall not be announced to competitors, judges or audiences, except in Radio Speaking. Judges shall be instructed not to take time into consideration in their rankings. All penalties for time violations shall be assessed by the contest management/tab room.

4. Penalties for Violation: For regional, sectional and state final preliminary rounds, the contestant’s ranking from each judge shall be lowered by one (1) place for each full thirty (30) seconds of overtime.

a. Regional, Sectional and State Final Preliminary Rounds: This reduction in ranking shall be mandatory and shall be administered by the contest
management/tab room. Thus, a contestants ranking may exceed the least number of contestants in a round of that event. For example, contestant A is ranked 2, 3, 1 by three judges, but is overtime by forty-five (45) seconds. Contestant B is ranked 3, 1, 2 and contestant C is ranked 1, 4, 3. The manager shall then adjust the rankings for the overtime contestant A to 3, 4, 2 before the tabulation of rankings is made. No change is made in the rankings of contestant B or contestant C.

In this example, final results become:
A - 2, 3, 1  overtime becomes 3, 4, 2 = 9
B - 3, 1, 2 = 6
C - 1, 4, 3 = 8

In Radio Speaking, due to overtime violations, the term “ranked last” shall mean given a rank on each individual judge’s ballot equal to the number representing the number of contestants in the round. In other words, if there are six (6) contestants in the round, ‘ranked last’ means being given the rank of six (6) on each judge’s ballot. Other contestants in the round who do not violate the time limits will have their ranks from each judge adjusted upward as appropriate.

b. State Final Rounds: In the final rounds of the state final contest only, no penalty for time violations will be assessed in any event, excluding Radio Speaking, until one (1) minute beyond the specified time limit. For example, if the time limit is eight (8) minutes, no penalty will be assessed until the speaker has exceeded nine (9) minutes as verified by two (2) stopwatches.

5. Time Cards: In Extemporaneous Speaking and Impromptu Speaking, time cards shall be used to inform the speakers of the amount of time remaining. These cards should be visible to the speaker at all times.

6. Limited Prep Events:
   a. Extemporaneous Speaking: The prep room monitor will inform speakers of the allowable prep time and dismiss the speakers accordingly.
   b. Impromptu Speaking: During prep, the timer will give the speaker oral prep time signals in thirty (30) second intervals in the competition room. At two (2) minutes the prep time ends and the timer will direct the competing student to begin their Impromptu speech.
   c. Radio Speaking: The prep room monitor will inform speakers of the allowable prep time and dismiss the speakers accordingly. In the competition room, the timers shall be seated in such a way that they are visible to the speaker. Contestants may use their own timing devices. One of the timekeepers shall use time cards to notify the speaker when the following time remains: two (2) minutes, one (1) minute, thirty (30) seconds and fifteen (15) seconds. After the last fifteen (15) seconds has expired, the timer will notify the speaker by means of upraised fingers, when ten (10) seconds are left, and when only five (5) seconds remain in the five (5) minutes of total allowable performing time.

After each presentation (in Radio Speaking only), the timers shall inform the judges of the exact time of the performance.

7. Managers shall post all performers’ times in the coaches’ area for coaches to review immediately following each round of competition.

F. Rule Violations: Rule violations are subject to penalty by the IHSA Board of Directors under the provisions of IHSA by-laws and any special provisions contained herein.

1. General Penalty for Violations by Contestants: Unless otherwise specified in the rules, the penalty for rules violations in any round of competition throughout the entire contest series shall be that the contestant’s ranking in the round where the violation occurs be changed to last and the ranks of other contestants will be adjusted as necessary. For example, in preliminary round II section A of Humorous Duet Acting, a student from Duet A stands on the table during the duet’s performance. The penalty is that the duet is to be ranked last in the round. Thus, the results for preliminary round II section A will be adjusted as follows:
   - Duet A was 2nd becomes 6th
   - Duet B was 1st remains 1st
   - Duet C was 3rd becomes 2nd
   - Duet D was 5th becomes 4th
   - Duet E was 6th becomes 5th
   - Duet F was 4th becomes 3rd

2. Perform Out of Order: Contestants must present their speech in the order printed in the schedule with the exception of Radio Speaking and Impromptu Speaking, time cards shall be returned to the IHSA office. Awards shall be redistributed on the basis of the revised rankings.

G. Disqualification: Any team that does not adhere to these terms and conditions may be subject to disqualification from the tournament and will automatically forfeit any right to awards received at the tournament.

2. Tardiness, Absences and Performance Out of Order: Contestants must present when called upon in accordance with the scheduled program prepared/printed by the contest manager. In the event a contestant cannot, for any reason, comply with the schedule, they must contact the contest manager. Only if the manager or a member of the contest committee gives the student the correct permission may any contestant perform out of the order printed in the program. Contestants failing to comply with the schedule without a written excuse shall be disqualified.

3. Failure to Present Original Selections:
   a. Quoted Material: If it is discovered that a contestant has included more than 150 words of direct quotation in his/her selection, they shall be disqualified.
   b. Originality of Material: In all cases where originality of material is questioned, the local contest committee shall be responsible for examining the material and ruling on its eligibility. If a judge suspects that a speech is not original, they should inform the contest committee and the committee will investigate.

H. Late Discovery of Violations: If a violation is discovered after the close of the contest in which the violation occurred, the following procedure shall be followed:

1. The contestant(s) or school shall be disqualified and advancement to the next succeeding contest shall be denied if the violation is reported to the IHSA office prior to the next contest. If the violation is not reported until after the next contest, no action shall be taken, and the matter shall be considered closed.

2. If the violation is reported to the IHSA office prior to the next succeeding contest, and the contestants(s) are disqualified, the rankings of the other contestants in the event shall be revised upwards. The revised contestants(s) shall be advanced on the basis of the revised rankings.

3. If the disqualified contestant(s) or school has won any awards, such awards shall be returned to the IHSA office. Awards shall be redistributed on the basis of the revised rankings.

I. Advancement of Next Qualifier: In the event a qualified student is unable to advance to the succeeding contest the next qualifier shall advance. The highest-placing contestant from the qualifier’s last qualifying contest in the same event that has not yet been offered the opportunity to advance shall be designated as the next qualifier to advance. It is the responsibility of the principal/IHSA official representative or coach to notify the IHSA office at the earliest possible time that another advancing contestant may be necessary. The IHSA office will officially inform the school’s administration/coach that they will replace a qualifier.

1. In the event a qualified student(s) is unable to advance to the succeeding contest their school’s principal/IHSA official representative must notify the IHSA of the student(s) withdrawal. If their coach contacts the contest manager of the withdrawal the contest manager shall direct them to have their principal/IHSA official representative notify the IHSA, and the IHSA will begin the process of contacting the next qualifier eligible to advance.

2. Any advancing qualifier(s) due to a withdrawal shall be treated from that point forward as qualified contestants, and if they are, for any reason, unable to advance to the succeeding contest, the process shall be repeated with the next highest-placing contestant(s) until an alternate qualifier who is able to advance is found.
Individual Events Terms and Conditions—Page 8

Any question relative to contest rules or any aspect of the contest which arises following the announcement of results shall be referred directly by the principal/IHSA official representative of the school(s) involved to the IHSA office. The IHSA office will give consideration to questions relative to administrative and/or clerical matters only and will do so only through the end of the first Monday following the completion of the contest involved.
