

## 2019-20 State Finals Pep Band Selections

The Illinois High School Association is pleased to invite all IHSA member schools to audition for selection as an IHSA State Final Pep Band. Long before the opening tip-off, the pep band begins to fill the building with energy and excitement in anticipation for the on-court action. That is one reason why our organization takes great pride in our member school's pep band programs which for decades have been a cornerstone in many of our championships. Our traditions are deeply rooted in creating events that celebrate the entire school population and this is another fantastic opportunity to showcase your school's talents at a state final venue.

Included in this correspondence you will find information, audition requirements, and event schedules. We encourage you to participate in the audition process and feel free to contact us if you have any questions or need any additional information.

### State Final Information:

Selected pep bands will be invited to perform on one of the four days of the 2019-2020 Girls State Final Basketball Tournaments, one of four days of the 2019-2020 Boys State Final Basketball Tournaments, or one-half day of two days of the 2020-2021 Girls State Final Volleyball Tournament. **Reimbursement:**

Each pep band participating will receive round trip mileage reimbursement at \$2 per mile plus a meal allotment of \$9 per person for the number of members in the pep band that perform. A maximum number of **60 participants (Redbird Arena)** or **40 participants (Civic Center)**, including pep band members and director(s), will be allowed for admission and reimbursement. IHSA reimbursements will be sent to the school after the pep band performs. The IHSA can also provide information on tickets for additional band members and fans.

**Logistics:**

Designated space for the performing pep band will be provided at each site. An event manager from each venue will be available to answer questions and coordinate with each school. Performers will be admitted to the arena as a group at no charge only for those sessions in which they are scheduled to perform. Pep band members will not be admitted to any other sessions of any tournament without a paid ticket for admission as a spectator.

Each participating pep band will be asked to be in position and begin performing no later than 30 minutes before the start of each session (times listed above). Pep bands will coordinate with the event PA announcer and should plan to play during pre-game, time-outs, between quarters, halftime, and post-game.

**Selection Process:**

The performing pep bands will be chosen by the IHSA Office with assistance from selected music educators from the NFHS. YouTube recordings (**audio & video combined**) should include samples of energetic music that encourage crowd involvement. We want to hear and see your pep band in action! Record brief segments of a variety of selections. Also, include examples of "cheering fanfares" used to excite the crowd! Auditions will be reviewed on technical proficiency, tonal quality, and general musicianship as related to a pep band event. If applicable, consideration is given for pep bands to perform at state finals in aligning classifications. If selected, the school administrator (principal or IHSA official representative) will be notified and winners will be posted on the IHSA website (music menu page).

If you are interested in having your pep band considered for selection, complete the online application form and send it electronically along with the YouTube link.

**Deadline for submission is December 18, 2019**
