

2017-2018 Scholastic Bowl Series Terms and Conditions

In accordance with Section 1.450 of the IHSA Constitution, the Terms and Conditions governing the IHSA Class 1A and 2A Scholastic Bowl State Tournament Series have been approved by the Board of Directors.

I. Competition in the IHSA Scholastic Bowl Tournament Series will be determined on an enrollment basis and will operate under the two class system.

A. The classification of a school shall be determined on the basis of its total student enrollment figure reported to the Illinois State Board of Education in its Fall Housing Report on September 30 of the preceding school year.

B. For classification purposes, the total student enrollments for one-year high schools, two-year high schools, three-year high schools and high schools which enroll boys only or girls only shall be calculated as follows:

1. For one-year high schools, the total student enrollment figure reported shall be quadrupled.

2. For two-year high schools, the total student enrollment figure reported shall be doubled.

3. For three-year high schools, one-third of the total student enrollment figure shall be added to the total student enrollment figure reported.

4. For schools which enroll boys only or girls only, the total student enrollment figure reported shall be doubled.

C. A multiplier of 1.65 will be added to all non-boundaried schools.

D. Schools participating in sports and activities operating under the two-class system shall be classified as follows:

1. Schools with enrollments of 505.0 and below will be Class 1A (50% of the membership).

2. Schools with enrollments of 505.01 and above will be Class 2A (50% of the membership).

II. DATES AND SITES

A. Seeding Meeting: The seeding meeting will be hosted at the Sectional Tournament site on Wednesday, February 7, 2018. Information regarding this meeting will be sent by the Local Sectional Manager in advance of this meeting.

B. Regionals: Class 1A and 2A Regional tournaments will be held on Monday, March 5, 2018, at sites to be announced after the seed-

ing meetings. Regional sites will be determined by the schools at the seeding meetings.

C. Sectionals: Class 1A and 2A Sectional tournaments will be held on Saturday, March 10, 2018, at sites to be announced.

D. State: The Class 1A and Class 2A State Final Tournament will be held on FRIDAY, March 16, 2018, at the Peoria Civic Center, Peoria, Illinois.

E. Changes to Dates, Sites and Times: No local manager is authorized to change the date or order of matches as determined and announced by the IHSA. Matches must be played as listed from top to bottom on the official pairings unless otherwise changed and approved by the Illinois High School Association.

III. ON-LINE ENTRIES, WITHDRAWAL PROCEDURES, ELIGIBILITY, AFFIRMATIVE ACTION, RULES MEETING PRESENTATION AND TEAM RECORD REPORT FORM

The policy for Original School Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities. Directions: go to www.ihsa.org; click on Schools & Officials Center login (an administrative password is required to access this area and perform this task), Enter your User ID and Password (5 digits, a letter followed by 4 letters), go to the activity tracker and click the button to add sports/activities for the upcoming year. Sports/Activity Entry Deadlines are Sept. 8 (fall), Nov. 1 (winter) and Feb. 1 (spring).

A. On-Line School Entries: All member schools must enter their school into the State Scholastic Bowl competition through the IHSA School Center on the IHSA Website at www.ihsa.org to compete at the Regional level. On-Line School Entries are used to enter your school into State Series Competition in order for IHSA to assign your school to a Regional Meet. The deadline for school entry is November 1.

B. Online Rules Video Presentation: All schools entering Scholastic Bowl should take time to review changes pertaining to the Scholastic Bowl state series this year. Since this is not currently a requirement, you will not receive credit for viewing the Rules Presentation through the IHSA Schools Center.

These changes were suggested by the Scholastic Bowl Advisory Committee and the IHSA Board of Directors adopted the changes at the end of last school term. This brief presentation will remind coaches of important dates and rule changes for this school term to help coaches keep their teams eligible to compete in the 2018 Scholastic Bowl State Series. The Rules Meeting presentation will be available mid-September by following the instructions below:

1) Go to www.ihsa.org
2) Click on "School & Officials Center Login"
3) Enter your User ID (5 digit ID, a letter followed by 4 digits) and your Scholastic Bowl Coaches password.

4) Click on "Rules Video" next to Scholastic Bowl

5) View the online Rules Video.
Viewing the video is not currently a requirement, so no credit will be given. However, we strongly suggest all coaches take the time to view the video to ensure they are prepared for the upcoming school term.

C. Late On-Line School Entries

Any attempt to enter a sport or activity on-line after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school.

D. Breach of Contract By-law 6.041 (Withdrawal Procedure)

To withdraw without penalty, the Principal must send an email to Tammy Craig (tcraig@ihsa.org), notifying IHSA of the school's withdrawal from Scholastic Bowl prior to February 5, 2018.

If a school withdraws after the Seeding Meeting and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

E. Eligibility: Only students who are eligible in accordance with IHSA By-laws may participate in the IHSA Scholastic Bowl Tournament Series. A school may enter one (1) team in the IHSA Scholastic Bowl State Tournament Series. A maximum of fifteen (15) competitors will be allowed to participate for a school in the Regional, Sectional and/or State Final tournaments. Four or Five (4 or 5) team

members must start the match. However, fewer than four (4) players may continue in the day's competition, if there are extenuating circumstances. A coach must designate one of the participating players as captain.

F. Team Record Report Form: All schools must submit their On-line Team Record Report Form via the Internet through the IHSA Schools Center Web Site to the IHSA Office. This document provides the sectional host your win/loss record for the purpose of seeding the top 8 teams in each sectional at the seeding meeting. The On-Line Team Record Report Form must be received in the IHSA Office by noon on Friday, February 2, 2018. You may go back online to make adjustments to your Team Record Report Form until noon on Monday, February 5, 2018, but you must have sent it originally by February 2nd in order to meet the deadline. The Team Record Report Form will only indicate any team's win/loss record. Coaches are encouraged to bring their season score book to document their record to the seeding meeting, indicating who they competed against and match scores. Again, please note that all participating schools are required to submit their Team Record Report Form on-line to the IHSA. If a school does not submit the On-Line Team Record Report Form by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's On-Line Team Record Report Form and are consequently ruled ineligible for the State Final Series must formally withdraw (see Withdrawal Procedures/Breach of Contract above in section III-C).

NOTE: Each coach will provide a team roster to the manager at each Regional and Sectional Tournament in which they compete. A typed list is preferred by tournament managers.

The IHSA will post all of the Team Record Report Forms from schools assigned to their Sectional Tournament in the IHSA Schools Center on the afternoon of Tuesday, February 6, 2018. This file will allow managers to pre-seed the teams assigned to their sectional prior to coaches arrival at the seeding meeting. Adjustments to records can be made at the seeding meeting with proper documentation. All schools are encouraged to attend the seeding meeting, but it is not required. Coaches need to remember they cannot contest the seeding meeting results, if they do not attend the seeding meeting. **REMEMBER YOU MUST COMPLETE THE ON-LINE TEAM RECORD REPORT FORM BY NOON, FRIDAY FEBRUARY 2, 2018.**

Confirmation: Schools can login to their School Center site on the IHSA website and select Activity Tracker to verify that their On-Line Team Record Report form has been received by the IHSA Office.

F. State Final Program Information: All sectional champions are REQUIRED to go on-line and complete the State Final Program Information located in their school center by 8:00 a.m. the Monday following sectional tournaments, (March 12, 2018). The IHSA will utilize the name spellings and year in school data from the State Final Program Information submitted on-line by Sectional Tournament winners for publication in the State Final Program. Failure to provide this information by the deadline will result in your team page in the State Final Program being blank. If you experience difficulties with this process, please email (clowery@ihsa.org) or contact Cheryl Lowery at (309) 663-6377 at the IHSA Office. This link will not be activated until the day following Regional contests, Tuesday, March 6, 2018.

IV. HOST FINANCIAL ARRANGEMENTS

A. Regional Host Allowance: The host school shall pay all local tournament expenses and issue checks to tournament workers. The host school shall receive a \$200.00 guarantee plus the cost of the moderators and scorers.

B. Sectional Host Allowance: The host school shall pay all local tournament expenses and issue checks to tournament workers. The host school shall receive a \$250.00 guarantee plus 40.00 for hosting a seeding meeting and reimbursement for the moderators and scorers.

C. Team Tournament Expense: Neither the State Association nor local meet management will assume responsibility for any team expenses for any tournament.

D. Admission Prices: There shall be no admission price for the Regional, Sectional or State Final tournaments.

E. Rights Fees for TV and Radio

1. Television Rights Fees to be charged by local managers and/or the IHSA are contained in the IHSA Television Policy.

2. Radio fees which shall be charged are:

- a. Regional Tournament = No charge
- b. Sectional Tournament = No charge
- c. State Final = \$50.00

3. Policy regarding media requirements for each local manager is contained in the current News Media Directory.

V. TOURNAMENT ASSIGNMENTS AND SEEDING MEETINGS

A. Assignment Structure: All schools entered in the IHSA Class 1A and Class 2A State Scholastic Bowl Tournament Series will be assigned to thirty-two (32) regionals and eight (8) Sectional tournaments for each class on a geographical basis by the IHSA Office.

B. Seeding Meeting

1. The Sectional Manager will conduct a Seeding Meeting Wednesday, February 7, 2018 for the purpose of seeding teams and determining the four (4) Regional host schools. The meeting shall be held after school hours. The time shall be designated by the Sectional Manager. Sectional Managers should take into consideration the travel time of competing schools when establishing this meeting time. While highly recommended, attendance is not required.

2. The Sectional Manager should cover the following points of emphasis at the Seeding Meeting:

a. Matching tops are required (Tops must be similar, not necessarily identical).

b. Name Plates (no nicknames)

c. Sportsmanship (at all times)

d. Reminder to review the Scholastic Bowl School and Manager Manuals

e. A team is required to have four or five (4 or 5) members to begin a match. Fewer than four (4) may continue in the day's competition, if there are extenuating circumstances.

3. The top eight (8) teams in each Sectional will be seeded.

4. Before a seeding vote begins, each team's weighted winning percentage should be displayed. The weighted winning percentage is calculated in the following manner: (winning percentage) + (total number of matches ÷ 100). For example; 6 wins and 2 losses $6(6+2) + (6+2)/100 = .83$ compared to 25 wins and 15 losses $25/(25+15) + (25+15)/100 = 1.025$. The following criteria should be applied when determining seeds:

a. Head to Head common opponent or record

b. Number of Matches Played

c. Win/Loss Record

d. Quality of Competition

e. Returning players

5. Each school's representative should bring a record of season's matches. They should also bring enough copies to distribute to each school in the sectional. These sheets will be used by coaches in attendance to help guide their voting.

6. Any school who fails complete their On-Line Team Record Report by the deadline, are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. As a courtesy to your seeding meeting host, please contact them to indicate whether you plan to attend the seeding meeting.

7. Each school's representative will have three (3) minutes to present their case as to where their team should be seeded. This time may not be used to raise other issues, and this time may not be used to speak about other teams. Coaches may waive their time.

8. Coaches will then rank the top eight (8) teams in their Sectional. Each coach will complete a ballot listing all teams. Each coach will rank the top 8 teams. The best team will be given the number 8, next best 7, etc. Total each team's points and calculate an average by dividing the team's total points by the number of teams eligible to vote for them. This would be one (1) less than the total number of teams present at the seeding meeting for any school that is in attendance at the seeding meeting. All ballots must be made public. No school may vote for itself (this is the reason we use one (1) less than the total number of schools present at the seeding meeting when calculating the average). The team with the highest average will be the number one (1) seed. Continue with this process until eight (8) teams are ranked.

9. Coaches should consider the following when voting: weighted winning percentage, head-to-head records, records against common opponents, placing in tournaments, and strength of schedule.

10. For purposes of seeding, no school should include its own "B", "C" or "D" team's record on the Sectional Seeding Team Information Report sheet.

11. The IHSA will assign Sectional Hosts (any participating school is invited to host a Sectional Tournament, simply contact Kraig Garber). Regional sites will be filled at the seeding meeting. The opportunity to host a regional will be offered first to the top four (4) teams in each Sectional. If the top team is unwilling to host a Regional, the hosting opportunity will pass to the next highest seed until all teams are given an opportunity to host.

Geography shall be considered when selecting Regional host sites.

12. Regionals that do not have a host will be cancelled. Do not leave the Seeding Meeting without identifying four (4) hosts. Coaches must know that their school administration has or will approve their school as a host. Coaches must discuss the possibility of hosting prior to offering their school as a host.

13. After the meeting, the Local Sectional Manager will email or fax the Seeding Report Form results to Kraig Garber at the IHSA. This form will be e-mailed to each Sectional manager prior to the seeding meeting. Upon receipt of all results from the Sectional Seeding Meetings, the IHSA will assign each school into a Regional Tournament based on the geography of the Regional hosts identified at the Sectional Seeding Meeting. Every effort will be made to separate the top 4 seeds in each Sectional, but this is not guaranteed (this can be impacted by who volunteers to host, and the geography involved). The Regional pairings will be posted on the IHSA Scholastic Bowl; State Series Information and Results; assignments web page.

VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

A. Regional Pairings: The bracketing and pairings of teams for each Regional will be completed in the IHSA Office on the basis of a combination of volunteering host schools, geography and seed. The pairing announcements will be posted on the IHSA Scholastic Bowl; State Series Information and Results; assignments web page.

B. Sectional Pairings: At the Sectional Tournament the Regional Winners will compete in a pool play format. The teams will play three (3) matches. The team with the most wins will advance to the State Finals.

Within the Sectional, Regionals will be identified as A B, C and D. Regionals A and B will contain the number 1 & 2 seeds respectively from their sectional. Regionals C & D will contain the number 3 & 4 seeds respectively from their sectional.

The sectional round robin component of the State Series will be assigned as follows:

Round 1: A vs. C
B vs. D

Round 2: A vs. D
B vs. C

Round 3: A vs. B
C vs. D

1. If two teams are tied with identical records in a pool, the head-to-head result in pool play will break the tie, and determine advancement.

2. If three teams are tied with identical records in a pool, the total points scored in pool play (against the tied teams) will be used to break the tie, and determine advancement (regardless of head to head records in that pool).

3. In the event that three teams are tied with identical records, and two of those three teams have identical total points scored in pool play (against the tied teams), the head-to-head result in pool play will break the tie between those two teams, and determine advancement.

4. If three teams are tied with identical records in a pool, and all three teams have identical total points scored in pool play (against the tied teams), the team with the larger number of toss-up questions answered correctly will break the tie, with the head-to-head result in pool play used to break any remaining ties.

5. If the above methods cannot break a tie between three teams, teams will be drawn by lot to determine advancement among tied teams.

C. Regional Rounds: Each Regional Tournament will consist of three (3) rounds of single-elimination matches. At some Regionals, additional preliminary rounds may be necessary depending on the number of teams assigned to the regional.

D. Number of Rounds: Each Sectional Tournament will consist of three (3) rounds of pool play.

The winner from each Class 1A and Class 2A Regional tournament will advance to compete in their respective Sectional.

play three (3) matches. The winner of each pool will advance to the Championship match in their class. The runner-up in each pool will compete in the Consolation match in each class.

VIII. TOURNAMENT RULES

A. Official Rules: The official rules governing competition in the State series tournaments shall be those included in the IHSA Scholastic Bowl School Terms and Conditions, IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual. All of these resources can be found at www.ihsa.org; click on Sports & Activities; click on Scholastic Bowl. Local tournament managers are responsible for making sure the competition is conducted in accordance with these official rules.

B. Moderator's Authority: The moderator has the final authority and shall decide all matters arising during the match that are not specifically covered in the current IHSA Scholastic Bowl School Terms and Conditions, IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual.

C. Local Manager's Authority: The Local Manager shall be authorized to make all administrative decisions based on the enforcement of the current IHSA Scholastic Bowl

School Terms and Conditions, IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual. All of these resources can be found at www.ihsa.org; click on Sports & Activities; click on Scholastic Bowl; under Resources, click on the appropriate link. Situations not stipulated in any of the IHSA rules are administrative in nature and shall be made by the local manager. The Local Manager's decision is final.

D. Appeals to the IHSA: The decisions of match moderators and Local Managers shall be final and cannot be appealed. The IHSA Board of Directors will not review decisions of the contest officials, whether an alleged error is due to faulty judgment, misinterpretations of the rules, or acceptability of the competition questions.

E. Number of Players: A team shall consist of a maximum of fifteen (15) players. A minimum of Four (4) team players must start the match. A coach must designate one of the five participating players as captain. Fewer than four (4) may continue in the day's competition, if there are extenuating circumstances.

F. On-Line Team Record Report Form: All schools entered in the Scholastic Bowl State Series must go on-line to submit their team's "Team Record Report Form" before noon on Friday, February 2, 2018. If a school does not submit the On-line Team Record Report Form by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's On-Line Team Record Report Form and are consequently ruled ineligible for the State Final Series must formally withdraw (see Withdrawal Procedures/Breach of Contract III-C).

1. Regional, Sectional, State Final Rosters: At the Regional, Sectional and State Final, the coach or faculty representative must bring a copy of their School's Team Roster indicating which fifteen (15) players will compete in the respective level of competition before his/her team competes in the first round of competition in those tournaments. The fifteen (15) players for each level of competition (Regional, Sectional and State Final) can change as long as the players are in all aspects eligible to compete in IHSA activities.

G. Coaches

1. Each team shall be accompanied by at least one faculty member or other adult who has been designated as coach by the principal of the high school.

2. Each school should designate to the moderator before the match begins the name of one (1) adult who will act as head coach. This head coach will be the only person permitted to approach the moderator and be

involved in consultations with the moderator without being specifically requested to do so by the moderator.

3. A school using "co-coaches" must designate a single head coach for a match, but may change head coaches for different matches in the same tournament.

H. Team Seating: The competitors within each team will be seated side-by-side and facing in the same direction. The moderator will be positioned so as to see the faces, name plates, and responder lights of all competitors, and as close as possible to halfway between the two teams. Coaches and reserve players should be physically separated from the competitors and may be behind or in front of the teams depending on room constraints. Only coaches, school officials, and substitute players may sit at the coaches table. When there are a large number of spectators watching a match the preferred setup is to have the teams positioned in a chevron (V-shape), with moderator at the point of the V, all facing the coaches, reserve players, and spectators.

I. Dress: All Scholastic Bowl teams must wear appropriate matching tops for competing in the state series. Matching tops shall be defined as being similar in style, color, and markings. Members of the same gender must have similar tops, though males may wear slightly different tops than females.

1. Team competitors and coaches will appear in appropriate attire. Acceptable apparel will include, but not be limited to: slacks, turtle-necks, sport shirts with collars, sport coats, T-shirts, sweatshirts, sweaters, nice jeans, skirts and dresses.

2. Unacceptable apparel will include, but not be limited to: tank tops, cut-offs, short-shorts, clothing that advertise alcohol, drugs, or explicit material, jeans with holes or patches, hats or non-religious head gear, boxer-type shorts, spandex tights, hooded sweatshirts or pants worn below the hips.

3. A student or coach may wear apparel that bears the trademark or logo of a manufacturer or distributor during competition provided that the student or coach's apparel bears only a single manufacturer's or distributors normal label or trademark, not to exceed a one and one-half inch by one and one-half inch square.

J. Illegal uniform

1. When a team cannot begin a match with at least 4 players wearing legal, matching uniform tops, 30 points shall be awarded the opponents. The penalty will be assessed at the beginning of each match of the state series that the team is in violation. The moderator will notify the IHSA of non-compliance.

2. If it is discovered that a player with an illegal uniform started or entered the match, and at least one toss-up has been read while

that player was in the match, the moderator will call a time out. The player must leave the match, and a substitute player with a legal uniform, if available, may enter in his/her place. The player with the illegal uniform may not re-enter the match until he/she has a legal uniform and the coach has called a time out. If a substitute player with a legal uniform is not available; 30 points shall be awarded the opponents and the player with the illegal uniform may re-enter the match immediately.

K. Nameplates:

1. Each individual playing in the game must display their name on a legible placard that will be displayed in front of the player at all times so that the moderator can read the name on the placard. At the state final nameplates will be supplied.

2. The name printed on the placard must match the first name of the player on the team roster given to the tournament manager before the tournament began. Diminutive forms of names (i.e. Mary for Maria; John or Jack for Jonathan) are acceptable. Nicknames are unacceptable.

3. Players attempting to enter the game will not be permitted to enter the game until they are in compliance with this rule.

4. State Final Tournament nameplates will be supplied by IHSA. They will be issued to every person listed on the team in the data submitted by each participating school in their State Final Program Information.

L. Forfeit(s):

1. Time: Each team present at the host site should be at their match location at least five (5) minutes before the match is scheduled to begin. A team that is not present when the round is scheduled to begin shall forfeit its match. A team arriving at a host site and their match location after the scheduled start time for the match, without calling ahead, shall forfeit all its matches that day. If a team calls ahead to notify the host of the delay, the start time can be moved to accommodate the delay, but never by more than 45 minutes. Note: When entering a forfeit in the IHSA ScoreZone managers must select the "forfeit" option. In addition, they must enter a score of 1 to 0 to indicate to the computer software which team received the forfeit and the win.

2. School representative: Each team shall be accompanied by at least one faculty member or other adult who has been designated as coach by the principal of the high school. Failure to have such a representative will call for the team to forfeit.

3. Number of players: A minimum of four (4) team players must start the match. Failure to start the match with at least four (4) team players will cause the team to forfeit. However, fewer than four (4) team players may continue in the day's competition, if there are extenuating circumstances.

Note: Any team which forfeits a match in pool play, will be excluded for the remainder of that competition and all matches played to that point in that pool play will become void. This will eliminate all points scored for and against for the forfeiting team and all of the teams they have competed against.

4. To Record a Forfeit: When reporting scores in the IHSA ScoreZone, forfeits must be recorded as a forfeit. In the appropriate box, click on "Forfeit." In the score box area you must enter a score of 1 to 0 so the computer knows who received the forfeit, and consequently won the match.

M. Question formats:

1. Match questions will be a combination of toss-up and bonus. Toss-ups are worth ten (10) points each. Bonus questions are three (3) parts worth ten (10) points each and are rebounding. Rebounding refers to the fact that the team to which the bonus is NOT awarded has the opportunity to answer any part(s) not answered correctly by the team to which the bonus was originally awarded.

2. No true-false or other types of two-option questions will be permitted.

3. Multiple choice toss-up questions will not be permitted. Multiple choice bonus questions will not be permitted except in the case where the setup enumerates a list of potential word-choice answers (in order to limit the range of possible answers) and there is not a one-for-one matching correspondence between the choices and bonus parts.

4. Audio and visual material in questions may be used.

5. If a handout is to be used for a question, a copy of the handout must be provided to each playing member of both teams.

6. Bonus parts will be read, and rebounded if necessary, one part at a time. As such, succeeding parts of bonus questions (parts 2 and 3) may reveal, or refer back to, the answer to previous parts of the same bonus question.

7. The topic of the toss-up should be different from its bonus. Question category in a round should be ordered in a non-predictable, apparently random way but with some balance between halves. The last three (3) toss-up questions and the last three (3) bonus questions in each match may not be from the miscellaneous category.

8. Bonus parts should be related in some way and tied together with a setup that helps focus players' thoughts.

9. For non-computational toss-ups, the preferred style is multi-clue, starting with a more challenging clue and ending with a clue that most teams should reasonably be expected to answer correctly. Question writers and editors should exercise restraint and use their best judgment to limit the number of, and length of, clues so that toss-ups are of a reasonable length.

10. For all bonus questions, the preferred style for each part is straightforward or single-clue, with brevity a consideration. This guideline is not intended to stifle creativity, limit necessary information, or require that all bonus parts be easy. Each bonus should be constructed with one easy part, one moderately difficult part, and one difficult part.

11. For computational bonus questions, each part should be answerable by a competent player within 10 seconds. While the bonus parts should be in some way related, having all parts use the same exact formula, pattern, or algorithm is discouraged.

12. Question writers and/or editors are encouraged to consider and research alternative correct answers and/or common, similar, or related incorrect answers and to list them with instructions to the moderator to "accept also", "do not accept", or "prompt on."

13. Questions should be pristine to all competing teams – writers may not re-use questions from previously written competition sets or practice sets heard by Illinois teams. Questions reused from tournaments not heard by Illinois teams must not have been released publicly in practice sets and must not have been used in competition prior to the start of that academic year. Word-for-word plagiarism from copyrighted sources or previously used question sets is not permitted. Writers may consult printed or online sources for facts or definitions to use in creating fresh questions. If a source is paraphrased or quoted verbatim, the source must be cited in a note or as part of the question; no citation is needed for information that is generally known or that can be found in many different sources. Short excerpts from primary sources such as literature, poetry, music, film, and other media are permitted, especially when the intent of the question is to identify the source, author, era, or other information for which the excerpt is a clue.

14. The vast majority of questions should be academic in nature and relevant to topics typically taught in Illinois High Schools, including Advanced Placement courses, as per the sub-categories listed in VIII-O. Each round should contain questions from a variety of places and eras, and no one place or era should dominate any category or the series as a whole. While there should be some basic questions and some challenging questions in every round, the general trend and flow of the series should be increasing in difficulty from Regionals to Sectionals to the State Finals.

15. Within the first few words or within the first clue, toss-up questions should uniquely identify what is being asked (by using a pronoun, or a phrase such as "identify the person" or "name the book"). Avoid starting toss-up questions with statements containing superfluous information that will cue a knowledgeable player to buzz in early with an applicable, germane, but incorrect answer. In no case should a toss-up begin by heading in one

direction, then change direction and ask a completely different question.

N. Lockout System: A ten-position electronic lockout response system will be used for all matches in the State Scholastic Bowl Series. Lockout systems will be provided by IHSA for use during the State Final matches.
