Classifications in the IHSA Cross Country State Series will be determined according to IHSA Policy 17 (Classification System).

Schools participating in sports and activities operating under the two-class system shall be classified as follows:

Schools with enrollments of 499.0 and below will be Class 1A (50% of the membership).

Schools with enrollments of 499.01 and above will be Class 2A (50% of the membership).

### II. DATES AND SITES

**A. Season Summary:** The deadline is Friday, February 5, 2021 at noon.

**B. Online Seeding:** Online seeding will begin Tuesday, February 9th at 11:00 a.m. and will conclude February 10th at noon.

**C. SITES AND ASSIGNMENTS:**  
<http://www.ihsa.org/SportsActivities/ScholasticBowl/StateSeriesInformationResults.aspx>.

**D. Regionals:** Class 1A and 2A Regional tournaments will be held on Monday, March 8

**E. Sectionals:** Class 1A and 2A Sectional tournaments will be held on Saturday, March 13

**G. Changes to Dates, Sites and Times:** No local manager is authorized to change the date or order of matches as determined and announced by the IHSA. Matches must be played as listed from top to bottom on the official pairings unless otherwise changed and approved by the Illinois High School Association.

### III. ON-LINE ENTRIES, WITHDRAWAL PROCEDURES, ELIGIBILITY, AFFIRMATIVE ACTION, RULES MEETING PRESENTATION, SEASON SUMMARY

The policy for Original School Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities. Directions: go to [www.ihsa.org](http://www.ihsa.org); click on Schools & Officials Center login (an administrative password is required to access this area and perform this task), Enter your User ID and Password (5-digits, a letter followed by 4 letters), go to the activity tracker and click the button to add sports/activities for the upcoming year.

**A. On-Line School Entries:** All member schools must enter their school into the State Scholastic Bowl competition through the IHSA School Center on the IHSA Website at [www.ihsa.org](http://www.ihsa.org) to compete at the Regional level. On-Line School Entries enter your school into State Series Competition for IHSA to assign your school to a Regional Meet. The deadline for school entry is January 6. **For the 2020-21 season, there will be a \$100 participation fee assessed to all schools who enter.**

**B. Online Rules Video Presentation:**  
Please go to:  
<http://www.ihsa.org/Resources/Video.aspx>

This brief presentation will remind coaches of important dates and rule changes adopted by the IHSA Board of Directors for this school term to help coaches keep their teams eligible to compete in the 2020 Scholastic Bowl State Series. All schools entering Scholastic Bowl are encouraged to review changes pertaining to the Scholastic Bowl state series. The Rules Presentation is not a requirement. **Head coaches will not receive credit in the School's Center** for viewing the Rules Presentation through the IHSA Schools Center.

#### C. Late On-Line School Entries

Any attempt to enter a sport or activity on-line after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school.

#### D. Breach of Contract By-law 6.041 (Withdrawal Procedure)

To withdraw without penalty, the Principal must send an email, notifying IHSA of the school's withdrawal from Scholastic Bowl prior to February 5.

If a school withdraws after the Seeding Meeting and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

**E. Eligibility:** Only students who are eligible in accordance with IHSA By-laws may participate in the IHSA Scholastic Bowl Tournament Series. A school may enter one (1) team in the IHSA Scholastic Bowl State Tournament Series. A maximum of ten (10) competitors will be allowed to participate for a school in the Regional, Sectional and/or State Final tournaments. Four or Five (4 or 5) team members must start the match. However, fewer than four (4) players may continue in the day's competition, if there are extenuating circumstances. A coach must designate one of the participating players as captain.

**F. Season Summary:** All schools must submit their Season Summary via the Internet through the IHSA Schools Center Web Site to the IHSA Office. This form allows coaches to provide their win/loss record for the purpose of seeding the top 8 teams in each sectional during the Online Seeding Meeting process. The Season Summary must be received in the IHSA Office by noon on Friday, February 5. You may go back online to revise your Season Summary until noon on Monday, February 8, but you must have entered it originally by February 5 in order to meet the deadline. Please note that **all participating schools are required to submit their Season Summary** on-line through the IHSA Schools Center. If a school does not submit the Season Summary by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's Season Summary and are consequently ruled ineligible for the State Final Series must formally withdraw (see Withdrawal Procedures/Breach of Contract above in Section III-C).

#### IV. HOST FINANCIAL ARRANGEMENTS

**A. Regional Host Allowance:** The host school shall pay all local tournament expenses and issue checks to tournament workers. The host school shall receive a \$150.00 guarantee plus the cost of the moderators and scorers.

**B. Sectional Host Allowance:** The host school shall pay all local tournament expenses and issue checks to tournament workers. The host school shall receive a \$187.50 guarantee and reimbursement for the moderators and scorers.

**C. Team Tournament Expense:** Neither the State Association nor local meet management will assume responsibility for any team expenses for any tournament.

**D. Admission Prices:** There shall be no admission price for the Regional or Sectional tournaments.

##### E. Rights Fees for TV and Radio

1. Television Rights Fees to be charged by local managers and/or the IHSA are contained in the IHSA Television Policy.

2. Radio fees which shall be charged are:

a. Regional Tournament = No charge

b. Sectional Tournament = No charge

3. Policy regarding media requirements for each local manager is contained in the current News Media Directory.

#### V. TOURNAMENT ASSIGNMENTS AND SEEDING MEETINGS

**A. Assignment Structure:** All schools entered in the IHSA Class 1A and Class 2A State Scholastic Bowl Tournament Series will be assigned to thirty-two (32) regionals and eight (8) Sectional tournaments for each class on a geographical basis by the IHSA Office.

**B. Season Summary:** Schools participating will be required to submit a Season Summary online in the IHSA Schools Center. Season Summary must be entered on-line through the IHSA Schools Center (even if contests have not been conducted). The deadline to complete your Season Summary is Noon on Friday, February 5. Failure for completing this process makes your school ineligible to compete in Regionals and/or Sectional Tournament. Head coaches may make changes up until Monday, February 8 at noon.

**C. Electronic Seeding Meeting:** All seeding will be conducted online through the IHSA Schools Center. Each school shall have one (1) vote in the seeding process. Coaches shall not

vote for their own team, therefore their school will not appear in the list of schools to seed. The link to seed the teams is located in the IHSA Schools Center in the Head Coaches Activity Tracker and will be activated at 11:00 a.m. on Tuesday, February 9. The deadline to seed teams is 12:00 Noon on Wednesday, February 10. Seeding will only occur at the Regional tournament level. Coaches will rank the top eight (8) teams in their Sectional through the online ballot. The best team will be given 8 points, next best 7, etc. The total of each team's points will be calculated by dividing the team's total points by the number of teams who completed an online ballot. No school participating in the online seeding process may vote for itself. Therefore, we will use one (1) less than the total number of schools participating in the online seeding process when calculating the average. Schools that do not participate in the online seeding process will not have their seeding points averaged by using one (1) less than the total number of schools participating in the online seeding process. The average for these schools will simply be calculated by dividing the team's total points by the total number of teams participating in the online seeding process. All ballots will be made public in Schools Center. The team with the highest average will be the number one (1) seed. Continue with this process until eight (8) teams are ranked. The Sectional shall not be seeded.

**D.** Any school who would like to be a Regional host must indicate their willingness to host by indicating so when they complete their Season Summary. Coaches must seek approval with their School Administration before they indicate they will host a Regional.

#### VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

**A. Regional Pairings:** The bracketing and pairings of teams for each Regional will be completed in the IHSA Office. They will be determined by available host schools, geography and seed. The pairing announcements will be posted on the IHSA Scholastic Bowl; State Series Information and Results; assignments web page.

**B. Sectional Pairings:** At the Sectional Tournament the Regional Winners will compete in a pool play format. The teams will play three (3) matches. The team with the most wins will be considered the Sectional Champion.

Within the Sectional, Regionals will be identified as A, B, C and D. Regionals A and B will contain the number 1 & 2 seeds respectively from their sectional. Regionals C & D will contain the number 3 & 4 seeds respectively from their sectional.

The sectional round robin component of the State Series will be assigned as follows:

Round 1: A vs. C  
B vs. D

Round 2: A vs. D  
B vs. C

Round 3: A vs. B  
C vs. D

1. If two teams are tied with identical records in a pool, the head-to-head result in pool play will break the tie, and determine the Sectional Champion.

2. If three teams are tied with identical records in a pool, the total points scored in pool play (against the tied teams) will be used to break the tie, and determine the Sectional Champion (regardless of head to head records in that pool).

3. In the event that three teams are tied with identical records, and two of those three teams have identical total points scored in pool play (against the tied teams), the head-to-head result in pool play will break the tie between those two teams, and determine the Sectional Champion.

4. If three teams are tied with identical records in a pool, and all three teams have identical total points scored in pool play (against the tied teams), the team with the larger number of toss-up questions answered correctly will break the tie, with the head-to-head result in pool play used to break any remaining ties.

5. If the above methods cannot break a tie between three teams, teams will be drawn by lot to determine the Sectional Champion among tied teams.

**C. Regional Rounds:** Each Regional Tournament will consist of three (3) rounds of single-elimination matches. At some Regionals, additional preliminary rounds may be necessary depending on the number of teams assigned to the regional.

**D. Number of Rounds:** Each Sectional Tournament will consist of three (3) rounds of pool play.

**E. Recommended Time Schedule:** The following are the recommended Time Schedules for the Regional and Sectional tournaments. These schedules may be adjusted to meet the needs of the host school:

## VII. ADVANCEMENT OF WINNERS

**Regional to Sectional Advancement:** The winner from each Class 1A and Class 2A Regional tournament will advance to compete in their respective Sectional.

## VIII. TOURNAMENT RULES

**A. Official Rules:** The official rules governing competition in the State series tournaments shall be those included in the IHSA Scholastic Bowl School Terms and Conditions, IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual. These resources can be found at [www.ihsa.org](http://www.ihsa.org); click on Sports & Activities; click on Scholastic Bowl. Local tournament managers are responsible for making sure the competition is conducted in accordance with these official rules.

**B. Moderator's Authority:** The moderator has the final authority and shall decide all matters arising during the match that are not specifically covered in the current IHSA Scholastic Bowl School Terms and Conditions,

IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual.

**C. Local Manager's Authority:** The Local Manager shall be authorized to make all administrative decisions based on the enforcement of the current IHSA Scholastic Bowl School Terms and Conditions, IHSA Scholastic Bowl Rules Book, and the IHSA Scholastic Bowl Case Manual. These resources can be found at [www.ihsa.org](http://www.ihsa.org); click on Sports & Activities; click on Scholastic Bowl; under Resources, click on the appropriate link. Situations not stipulated in any of the IHSA rules are administrative in nature and shall be made by the local manager. The Local Manager's decision is final.

**D. Appeals to the IHSA:** The decisions of match moderators and Local Managers shall be final and cannot be appealed. The IHSA Board of Directors will not review decisions of the contest officials, whether an alleged error is due to faulty judgment, misinterpretations of the rules, or acceptability of the competition questions.

**E. Number of Players:** A team shall consist of a maximum of **ten (10)** players. A minimum of Four (4) team players must start the match. A coach must designate one of the five participating players as captain. Fewer than four (4) may continue in the day's competition, if there are extenuating circumstances.

**F. Regional and Sectional Rosters:** At each level of competition, the coach or faculty representative must bring a copy of their School's Team Roster indicating which **ten (10)** players will compete in the respective level of competition before his/her team competes in the first round of competition in those tournaments. The **ten (10)** players for each level of competition (Regional and Sectional) can change if the players are in all aspects eligibility to compete in IHSA activities.

### G. Coaches

1. Each team must be accompanied by at least one faculty member or other adult who has been designated as coach by the principal of the high school.

2. Each school should designate to the moderator before the match begins the name of one (1) adult who will act as head coach. This head coach will be the only person permitted to approach the moderator and be involved in consultations with the moderator without being specifically requested to do so by the moderator.

3. A school using "co-coaches" must designate a single head coach for each match, but may change head coaches for different matches in the same tournament.

**H. Team Seating:** The competitors with in each team will be seated side-by-side and facing in the same direction. The moderator will be positioned to see the faces, name plates, and responder lights of all competitors, and as close as possible to halfway between the two teams. Coaches and reserve players should be physically separated from the competitors and may be behind or in front of the teams depending on room constraints. Only coaches, school officials, and substitute players may sit at the coaches table.

**I. Dress:** All Scholastic Bowl teams must wear appropriate matching tops for competing in the state series. Matching tops shall be defined as being similar in style, color, and markings. Members of the same gender must have similar tops, though males may wear slightly different tops than females.

1. Team competitors and coaches will appear in appropriate attire. Acceptable apparel will include, but not be limited to: slacks, turtlenecks, sport shirts with collars, sport coats, T-shirts, sweatshirts, sweaters, nice jeans, skirts and dresses.

2. Unacceptable apparel will include, but not be limited to: tank tops, cut-offs, short-shorts, clothing that advertise alcohol, drugs, or explicit material, jeans with holes or patches, hats or non-religious head gear, boxer-type shorts, spandex tights, hooded sweatshirts or pants worn below the hips.

3. A student or coach may wear apparel that bears the trademark or logo of a manufacturer or distributor during competition provided that the student or coach's apparel bears only a single manufacturer's or distributors normal label or trademark, not to exceed a one and one-half inch by one and one-half inch square.

### J. Illegal uniform

1. When a team cannot begin a match with at least 4 players wearing legal, matching uniform tops, 30 points shall be awarded the opponents. The penalty will be assessed at the beginning of each match of the state series that the team is in violation. The moderator will notify the IHSA of non-compliance.

2. If it is discovered that a player with an illegal uniform started or entered the match, and at least one toss-up has been read while that player was in the match, the moderator will call a time out. The player must leave the match, and a substitute player with a legal uniform, if available, may enter in his/her place. The player with the illegal uniform may not re-enter the match until he/she has a legal uniform and the coach has called a time out. If a substitute player with a legal uniform is not available; 30 points shall be awarded the opponents and the player with the illegal uniform may re-enter the match immediately.

#### K. Nameplates:

1. Each player in the match must display their name on a legible placard (must be displayed in front of the player at all times) so that the moderator can read the name on the placard.

2. The name printed on the placard must match the first name of the player on the team roster given to the tournament manager before the tournament began. Diminutive forms of names (i.e. Mary for Maria; John or Jack for Jonathan) are acceptable. Nicknames are unacceptable.

3. Players attempting to enter the game will not be permitted to enter the game until they are in compliance.

#### L. Forfeit(s):

1. Time: Each team present at the host site should be at their match location at least five (5) minutes before the match is scheduled to begin. A team that is not present when the round is scheduled to begin shall forfeit its match. A team arriving at a host site and their match location after the scheduled start time for the match, without calling ahead, shall forfeit all its matches that day. If a team calls ahead to notify the host of the delay, the start time can be moved to accommodate the delay, but never by more than 45 minutes. Note: When entering a forfeit in the IHSA ScoreZone managers must select the "forfeit" option. In addition, they must enter a score of 1 to 0 to indicate to the computer software which team received the forfeit and the win.

2. School representative: Each team shall be accompanied by at least one faculty member or other adult who has been designated as coach by the principal of the high school. Failure to have such a representative will call for the team to forfeit.

3. Number of players: A minimum of four (4) team players must start the match. Failure to start the match with at least four (4) team players will cause the team to forfeit. However, fewer than four (4) team players may continue in the day's competition, if there are extenuating circumstances.

Note: Any team which forfeits a match in pool play, will be excluded for the remainder of that competition and all matches played to that point in that pool play will become void. This will eliminate all points scored for and against for the forfeiting team and the teams they have competed against.

4. To Record a Forfeit: When reporting scores in the IHSA ScoreZone, forfeits must be recorded as a forfeit. In the appropriate box, click on "Forfeit." In the score box, you must enter a score of 1 to 0 so the computer knows who received the forfeit, and consequently won the match.

#### M. Question formats:

1. Match questions will be a combination of toss-up and bonus. Toss-ups are

worth ten (10) points each. Bonus questions are three (3) parts worth ten (10) points each and are rebounding. Rebounding refers to the fact that the team to which the bonus is NOT awarded must have the opportunity to answer any part(s) not answered correctly by the team to which the bonus was originally awarded.

2. No true-false or other types of two-option questions will be permitted.

3. Multiple choice toss-up questions will not be permitted. Multiple choice bonus questions will not be permitted except in the case where the setup enumerates a list of potential word-choice answers (in order to limit the range of possible answers) and there is not a one-for-one matching correspondence between the choices and bonus parts.

4. Audio and visual material in questions may be used.

5. If a handout is to be used for a question, a copy of the handout must be provided to each playing member of both teams.

6. Bonus parts will be read, and rebounded if necessary, one part at a time. As such, succeeding parts of bonus questions (parts 2 and 3) may reveal, or refer to, the answer to previous parts of the same bonus question.

7. The topic of the toss-up should be different from its bonus. Question category in a round should be ordered in a non-predictable, apparently random way but with some balance between halves. The last three (3) toss-up questions and the last three (3) bonus questions in each match may not be from the miscellaneous category.

8. Bonus parts should be related in some way and tied together with a setup that helps focus players' thoughts.

9. For toss-ups, the preferred style is multi-clue, starting with a more challenging clue and ending with a clue that most teams should reasonably be expected to answer correctly. Question writers and editors should exercise restraint and use their best judgment to limit the number of, and length of, clues so that toss-ups are of a reasonable length.

10. For all bonus questions, the preferred style for each part is straightforward or single clue, with brevity a consideration. This guideline is not intended to stifle creativity, limit necessary information, or require that all bonus parts be easy. Each bonus should be constructed with one easy part, one moderately difficult part, and one difficult part.

11. For computational bonus questions, each part should be answerable by a competent player within 10 seconds. While the bonus parts should be in some way related, having all parts use the same exact formula, pattern, or algorithm is discouraged.

12. Question writers and/or editors are encouraged to consider and research alternative correct answers and/or common, similar, or related incorrect answers and to list them with instructions to the moderator to

"accept also", "do not accept", "prompt on" or "anti-prompt".

13. Questions should be pristine to all competing teams – writers may not re-use questions from previously written competition sets or practice sets heard by Illinois teams. Questions reused from tournaments not heard by Illinois teams must not have been released publicly in practice sets and must not have been used in competition prior to the start of that academic year. Word-for-word plagiarism from copyrighted sources or previously used question sets is not permitted. Writers may consult printed or online sources for facts or definitions to use in creating fresh questions. If a source is paraphrased or quoted verbatim, the source must be cited in a note or as part of the question; no citation is needed for information that is generally known or that can be found in many different sources. Short excerpts from primary sources such as literature, poetry, music, film, and other media are permitted, especially when the intent of the question is to identify the source, author, era, or other information for which the excerpt is a clue.

14. The vast majority of questions should be academic in nature and relevant to topics typically taught in Illinois High Schools, including Advanced Placement courses, as per the sub-categories listed in VIII-O. Each round should contain questions from a variety of places and eras. No one place or era should dominate any category or the series as a whole. While there should be some basic questions and some challenging questions in every round, the general trend and flow of the series should be increasing in difficulty from Regionals to Sectionals.

15. Within the first few words or within the first clue, toss-up questions should uniquely identify what is being asked (by using a pronoun, or a phrase such as "identify the person" or "name the book"). Avoid starting toss-up questions with statements containing superfluous information that will cue a knowledgeable player to buzz in early with an applicable, germane, but incorrect answer. In no case should a toss-up begin by heading in one direction, then change direction and ask a completely different question.

**N. Lockout System:** A ten-position electronic lockout response system will be used for all matches in the State Scholastic Bowl Series.

- 3. Three (3) different sets of questions will be used at each Class 1A and Class 2A Sectional Tournament.

- 4. Questions used at Regional and Sectional competition are the property of the IHSA and must be destroyed by the host school immediately following the tournament. Questions should not be returned to the IHSA office, nor kept by the host school for use in the future.

#### **R. Moderators' Meeting**

- 1. Regional and Sectional Managers may allow the moderators to view the questions starting one (1) week prior to the round of competition and to bring their findings to the Moderators' Meeting. Regional and Sectional moderators may communicate with each other for purposes of reviewing the questions as soon as they are able to.

- 2. Before each round of the State Scholastic Bowl Series, the local manager will arrange for a moderators' meeting to be held at least one hour before the beginning of the first round of play for that tournament (or as soon as possible before the start of the first round if the school day intrudes).

- 3. No coach should be present at the moderators' meeting. No coach should at any time prior to the conclusion of the competition view the questions in any round(s) in which their team will compete.

- 4. Moderators should have access to all question sets in use at the tournament, and copies of the IHSA Scholastic Bowl School and Manager Manual.

- 5. The moderators should open the sets of questions and examine them for completeness, accuracy, and pronunciation.

- 6. Moderators may consult printed material to confirm answers and pronunciation.

- 7. Moderators should review the rules among themselves. Review procedures in conducting the match, consult the Local Manager to confirm room assignments and the procedure for reporting results, obtaining new question sets and to prepare themselves to begin the match.

#### **S. Tournament Personnel**

- 1. At each Regional and Sectional tournament, moderator's and scorer's will be appointed by the Local Manager of that tournament.

- 2. The officials for each match in the State Series will include a moderator and a scorer. The adult scorer also serves as an assistant judge to the moderator.

- 3. The moderator must always be an adult, and it is highly advised that an experienced moderator be used in each match of the State Series.

#### **T. Coaches' Meeting**

- 1. At least one coach from each school participating in the tournament should be present at the Coaches' meeting. All moderators and the Local Manager should also be present.

- 2. Assistant coaches and scorers are also advised to attend, if they are able. It is understood that some of these people may need to supervise competition rooms while other adults are attending the Coaches' meeting.

- 3. The Local manager should review times and locations of facilities and all events for the tournament.

- 4. The Local Manager may have the most experienced moderator discuss specific rules, or may conduct that part of the meeting himself/herself.

- 5. Allow the meeting to end so that coaches and personnel have time to arrive at the competition rooms and begin the initial round on time.

#### **U. End of Match, Overtime Procedures**

- 3-G. End of Match
- 3-G-1. The team that scores the greatest number of points during a match wins the match.

3-G-2. If there is a tie at the end of regulation, overtime will be played.

3-G-2a. Overtime will consist of one or more readings of a toss-up question and a bonus, drawn from the set of replacement questions provided for the tournament at each venue.

3-G-2b. Select the first available (not previously used as a replacement) toss-up, and pair it with the first available (not previously used as a replacement) bonus from a different category.

3-G-2c. If the toss-up question is answered correctly, the winner of the match shall be the team leading after the accompanying bonus question is attempted and completed.

3-G-2d. If there is still a tie after a toss-up question is answered correctly and a bonus is attempted and completed; or the toss-up question is not answered correctly, the moderator will once again randomly select a toss-up question and bonus question and continue.

#### **V. Technology Use During Competition**

1. Players must have communication/smart devices turned off and stored in inaccessible places (pockets, purses, held by non-players or coaches, etc.) while playing. Any use of technology that appears to be allowing illegal communication to the current players is prohibited and will result in a team's disqualification. ## Coaches:

Most IHSA coaching requirements to keep IHSA Scholastic Bowl Teams eligible to compete in Regionals and Sectional will be completed online through the IHSA School's and Official's Center. It is open 24/7 (if completed by the deadline). Coaches can complete tasks at their leisure by logging into the IHSA School's Center. The manual is a guide with specific instructions for each task. When a coach logs-in to the IHSA School's Center/Activity Tracker, the Activity Tracker will identify upcoming deadlines by highlighting them in "RED". Please refer to this manual as well as the School's Center to keep yourself well informed and familiar with the following important items, dates and times.

### Double-Check's for Coaches

- #1 Possess a User ID and Password for the IHSA School's Center (AD or Act. Director can supply this)
- #2 Review your coaching data in the IHSA School's Center. Be sure IHSA has current information on file for you (this is how IHSA Communicates with its coaches).
- #3 School is entered to participate in the Scholastic Bowl State Series (if you haven't been assigned to a Sectional, IHSA does not have your school entered to participate in Scholastic Bowl).
- #4 Review the Rules Presentation. This is not a requirement, but a strong suggestion. The Rules presentation box will stay "red" because it isn't required.
- #5 Review the Scholastic Bowl Manual. This is a guide to help coaches.

If you receive an email from the IHSA office, please do not ignore it. We have information indicating your school plans to participate in the Scholastic Bowl State Series. Please forward it immediately to the appropriate person for follow up with our office. This is a "Red Flag" that IHSA needs important information from your school. If you are not the person or your personnel has changed, please notify our office so IHSA can correct our records.

If you don't intend on participating in the current Scholastic Bowl State Series, please notify your Official Representative immediately and ask him/her to withdraw your school from the Scholastic Bowl State Series (failure to do so will result in a \$100.00 fine to your school).

To withdraw from participating in Scholastic Bowl without penalty The Principal must email Adela Espindola ([aespindola@ihsa.org](mailto:aespindola@ihsa.org)), notifying IHSA of your school's withdrawal from Scholastic Bowl prior to the Season Summary/Team Record Report Form deadline (February 1).

**If a school withdraws after the Season Summary deadline and/or does not show up for competition, the school will be charged a \$100 penalty** (Breach of Contract By-law 6.041—Withdrawal Procedure). If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

Four or Five team members must start the match. A coach must designate one of the five participating players as captain. To be included on the team roster, a player must be eligible under all the eligibility rules and conditions of the IHSA. Eligibility is certified by the Principal of the participating school. Eligibility questions should be directed to your Principal.

### **\*\*IMPORTANT\*\***

**There will be no physical Sectional Seeding Meetings. The seeding meeting will be conducted online through the IHSA Schools Center.**

The following is intended to provide an explanation of the process that coaches will follow in seeding the first level tournament assignment for their school.

Coaches are expected to take part in the seeding process with the highest standard of integrity and to ensure fairness and equity for all participants. One coach or an official representative from each school who has completed the *IHSA Season Summary* on-line will be allowed to vote. Schools who have not submitted the *Season Summary* will not vote or participate in the seeding process. The *Season Summary* can be found in the Activity Tracker section of the IHSA Schools Center under the 'Required Data Forms' column for Scholastic Bowl.

**Coaches will not be allowed to vote for their school team, therefore, their school name will not appear to them in the list, but will appear to all other schools assigned to their Sectional.**

Coaches will determine their seeds based on these factors:

- Head to head victories against teams assigned to the first level tournament
- Record against common opponents
- The total win/lost record of schools in the tournament, and
- Team evaluation based on narrative provided by coaches.

**If these factors have not been prioritized. The IHSA reserves the right to review all submitted seeds and throw out ballots and adjust the seeds accordingly.**

If schools tie for a seed, the IHSA will use the following criteria to break the tie:

- Head to head competition between the tied schools (games played prior to the final release of seeds)
- Random draw (if more than 2 schools are tied for a seed)
- Coin flip (if 2 schools are tied for a seed and head to head competition can't break the tie)

Schools will be able to access all the seeds made by other schools assigned to their seeding meeting prior to the seeds being posted on-line through the IHSA website. Tournament assignments will then be posted by the end of the week during which seeding occurs.

**To:** Regional and Sectional Managers

**From:** Kraig Garber, Assistant Executive Director

This section of the manual has been created for Regional and Sectional Managers to assist in the preparation to conduct of the Scholastic Bowl tournament. We'd like to call your attention to the following items on the IHSA Scholastic Bowl Activity Webpage and the IHSA School's Center. Please review carefully:

1. **Terms and Conditions:** The Terms and Conditions govern the IHSA State Scholastic Bowl Tournament Series (included in this manual).
2. **Coaches Informational Rules Presentation:** This brief Rules Presentation is provided to coaches for the purpose of supplying information regarding participation in the Scholastic Bowl State Series. The Rules presentation may be viewed on the Scholastic Bowl Activity page. ***Coaches will not receive credit for viewing the Rules Presentation because it is not a requirement.***
3. **Rule Book:** The IHSA has published an online Scholastic Bowl Rule Book. This is intended to assist coaches and moderators with regular season contest(s) and offer greater detail than available in the Terms and Conditions.
4. **Case Book:** The Case Book is an online supplement to the Terms and Conditions and Rule Book. The Cases contain illustrations on how the IHSA requires the Terms and Conditions and Rule Book to be interpreted and applied.
5. **IHSA School's Center:** All Tournament manager responsibilities must be accessed through the IHSA State Series Hosting & ScoreZone Section of the IHSA Schools Center. User ID and Password Required (**Principal, Activity Director, Athletic Director or Official Representative or Tournament Manager passwords only**). Click on:

6. **Regional and Sectional Tournament Assignments/Pairings:** Participating schools will be assigned to 32 Class 1A and 32 Class 2A Regional sites and 16 Sectional sites. **The pairings will be posted on February 12, 2021 (or after all regional hosts have been secured) on the IHSA Scholastic Bowl website at:**  
<http://www.ihsa.org/SportsActivities/ScholasticBowl/StateSeriesInformationResults.aspx>
7. **Facilities and Equipment:** Hosts/Managers are responsible for designating a "Tournament Central" room or area and four rooms for competition. Contest rooms need appropriate tables and chairs; a moderator's podium; chalkboard, chalk, eraser (or equivalent); scratch paper and sharpened pencils; copies of the tournament schedule; and bonus grid cards. Contest rooms should be free of any displayed instructional material which may aid competitors. Encourage participating schools to bring fully functioning lockout systems. Additional stopwatches should be available if timers are not built into the lockout system.
8. **Tournament Personnel:** Hosts/Managers are responsible for recruiting (and possibly training) all personnel needed to run the tournament. Each match needs a paid adult moderator and Scorekeeper. **For Regional Tournaments only**, the Scorekeeper may be an experienced student, if adults aren't available. A Check-in Manager is also helpful. Door security and an announcer are optional personnel. You may recruit these personnel from participating schools. Timekeeper/Lockout System Operator position has been eliminated).

9. **Programs:** While optional, you are encouraged to prepare programs for participants and spectators. Programs should contain pertinent information about participating schools. You may request this information from your competing schools. They have been instructed to cooperate with your requests.
10. **Contacting Schools in your Regional/Sectional:** **Once the Assignments/pairings have been released by IHSA to the website, please contact schools assigned to your site with any pertinent details.** This announcement should consist of reminders (ie.: where teams need to check in, when they need to arrive, and what they need to bring). You may also request information about the school and team for a program at this time.
11. **Team Roster:** A team roster must be presented to both the Regional and Sectional Tournament Manager no later than end of the Coaches' Meeting before competition. The Team Roster can be a printed list, a handwritten list, etc. You must designate 10 students you plan to use in each tournament. You may use different combinations at each level of competition. However, all participants to be used at any level must be eligible to compete. The head coach must designate one of the four or five players to be "captain".
12. **Competition Questions:** Questions will be posted in the IHSA Schools Center 10 days prior to each tournament by clicking on this link:

The principal or official building representative must keep questions secure until the moderator's meeting before competition. **NO ONE but the Moderator is to view the questions at any time.** The moderators will review the questions for the purpose of identifying possible errors. **No coach will be allowed to view the questions for any reason. Coaches may not print/download questions for the Moderator. Do not return the questions to the IHSA Office after your tournament. Instead you are directed to destroy the questions. The questions remain the property of the IHSA and must not be kept by the host school, nor given to anyone else.**

**Regional Managers:** All rounds of Questions will be posted in the IHSA Schools Center. Depending upon how many teams are assigned to your tournament, you may not have to use all rounds. See chart below: **(1 set per room)**

\* **Reporting Scores:** "IHSA State Series Hosting & ScoreZone" Managers must report the results of their tournament (when entering a forfeit, please select the Forfeit feature provided and enter a score of 1 to 0, this is so the software knows which team receives credit for the forfeit). **No later than midnight the day of the tournament or the link will deactivate.**

15. **Financial Arrangements:**

**Regional Hosts** will receive a \$150.00 guarantee upon submission of the Regional Financial Report. The IHSA will NOT reimburse the host school for Scorekeepers. The IHSA WILL reimburse host schools for Moderators at the rate of \$15 per match worked. Only the champion from each regional will advance to the Sectional Tournament.

**Sectional Hosts** will receive a \$187.50 guarantee upon submission of the Sectional Financial Report. The IHSA will NOT reimburse the host school for Scorekeepers. The IHSA WILL reimburse host schools for Moderators at the rate of \$15 per match worked.

16. **Commercialism:** No commercial advertising or sales will be approved unless authorized by the IHSA. In addition, exhibition by performers or other groups are not permitted. Managers should be familiar with the Royalty Policy and the Royalty Reports that must be filed in the event merchandise is sold. Any questions regarding merchandise or royalty should be directed to Tammy Craig at the IHSA.

17. Local managers are not authorized to change the dates or order of matches as determined and announced by the IHSA. Matches must be played as listed from top to bottom on the official pairings, unless otherwise changed and approved by the IHSA.

The IHSA wishes to extend its appreciation to all the members of your faculty, staff and student body who help in the conduct of the tournament. Your hard work and commitment to Scholastic Bowl is not only appreciated by this office, but by the competitors, their parents, coaches, schools and communities who have the opportunity to be a part of the IHSA Scholastic Bowl Tournament.

Thank you in advance for hosting.

**To:** Scholastic Bowl Managers  
**From:** Kraig Garber, Assistant Executive Director  
**Re:** IHSA Scholastic Bowl Competition Questions

The date of the Scholastic Bowl Regional is Monday, March 8, 2021. Regionals must be conducted on that day to protect the integrity of the Scholastic Bowl Questions.

Regional Scholastic Bowl Questions will be posted 10 days prior to your tournament in the IHSA Schools Center. Download access will only be available by using the following User ID and password: Tournament Manager, Principal, Official Representative, Activity/Athletic Director. If your coach or other staff member will act as the Tournament Manager, school administration must designate them as Tournament Manager under their job responsibilities—in the job profile section in the IHSA School's Center as Tournament Manager. The success of the tournament depends on the security of the questions you will be printing. It is imperative that these questions are protected from viewing by anyone other than the Tournament manager and school appointed moderators.

Follow this checklist in the handling of the questions.

1. Go to [www.ihsa.org](http://www.ihsa.org)
  - Click on Schools Center
  - Type in your User ID and Password. **YOU MUST USE the Official Representative, Principal, Activities/Athletic Director or Tournament Manager User ID and Password.**
  - Click on "H IHSA State Series Hosting & ScoreZone Information"
  - Click on the Link that states "Moderator Information". At this point you can download the .pdfs; or print them for the Moderator to review. The **SECURITY OF QUESTIONS** is critical to the success of your IHSA Scholastic Bowl Tournament. The Illinois High School Association needs your cooperation in making sure the questions are protected prior to the tournament. **Important:** Coaches User ID and password will not give access to the questions. This is to protect the coach from being accused of seeing the questions prior to the tournament. The above people at your school should download the questions and forward them to the moderators who you have hired for your tournament.
  - **If you hosted last year, your Schools Center may still have the questions from a previous year. These are not the files we will use for this year's regionals. Be certain you download and copy the current Question set files for the 2019-2020 tournament.**
2. Send an E-Mail to Cheryl Lowery ([clowery@ihsa.org](mailto:clowery@ihsa.org)) verifying you have successfully downloaded/printed the Sets of Questions through the IHSA Schools Center.
3. Secure the questions in a safe location.
4. The moderators should meet prior to the tournament to discuss the questions.
5. **Print Score Sheets from IHSA web site (also included in the Manual for Schools and Managers) and make enough copies for your tournament.**

**Regional Managers:** All rounds of Questions will be posted in the IHSA Schools Center. Depending upon how many teams are assigned to your tournament, you may not have to use all rounds. See chart below: **(1 set per room)**

**Local Manager** – The Local Manager is the organizer at the tournament site. The Local Manager performs all the duties expressed or implied in the Terms and Conditions including, but not limited to, recruiting and training the personnel needed to run the tournament; communicating with the participating schools; preparing a program; maintaining the security of the tournament questions; coordinating all necessary meetings; posting results on the IHSA's ScoreZone website; and destroying printed question sets after the event. The Local Manager makes final decisions in accordance with the Terms and Conditions in all matters regarding the conduct of the meet. If the Local Manager is also a Coach of a participating team, he or she should appoint a capable assistant who can be free to roam the building and help solve any minor problems that come up during the tournament.

**Judges: Moderators and Scorekeepers** – Each match in the state series needs an adult Moderator and a Scorekeeper. They are the recognized judges, with the Moderator making final decisions. If possible, Judges should be assigned on the basis of different academic backgrounds. Judges can be recruited from among the participating schools if the Local Manager so desires. For Regionals only, a Scorekeeper may be a student, but only if it is impossible to staff the room with enough adults. Student workers are not used as judges. Also at Regionals, one of the Coaches may serve as the Scorekeeper for the match, but in that case is not used as a Judge.

**Moderators (must be adults)** – During the week prior to the event, Moderators are permitted to review the question sets, typically in PDF format; to consult with one another and/or with outside experts; and to share significant findings with other sites – all in a secure manner. Moderators conduct the introductions, read the questions, recognize the players who respond, and indicate whether the answers given are correct or incorrect. For Sectionals, moderators attend a scheduled meeting to review the questions and answers before the tournament. For Regionals, there may or may not be time for this review session. The Moderator sets the tone, atmosphere, and pace of the match, and is responsible for ejecting any unruly persons. Moderators pick up two copies of the question set from Tournament Central; give one to the scorekeeper; and return both copies to Tournament Central after the match is over. Local Managers are permitted to offer Moderators the option to read from laptops or tablets. Moderators have the final authority for the match they are running. They consider appeals and consult with the other judges on interpretation of answers if necessary. The Moderator typically keeps time and operates the lockout system; if the Moderator needs help with either, she/he may ask the Scorekeeper to assist, or a volunteer can be appointed.

**Scorekeepers** – Scorekeepers use IHSA Score Sheets to score the match. They enter the team rosters, note every attempted answer, note every correct answer, keep track of time-outs, record the running score, declare a winner, sign the Score Sheet, and ask each Head Coach to initial the Score Sheet. Scorekeepers act as assistant judges for consultation on appeals and interpretation of answers. Scorekeepers pick up Score Sheets and rosters from Tournament Central and return them there after the match is over. The Moderator may ask the Scorekeeper to assist with keeping time or operating the lockout system.

**Check-in Manager (may be a student)** – The Check-in Manager collects the entry forms from each coach and gives them any materials prepared for the day, such as building maps, schedules, name tags, or information regarding telephones, vending machines, rest rooms, or first aid. The Check-in Manager turns the team rosters over to Tournament Central for distribution to Scorekeepers during the match.

**Announcer (may be a student)** – The Announcer gives PA announcements prior to the start of each match. A sample script is included in this manual.

**Door Security (may be students)** – Door Security personnel make sure that there is no traffic during competition – only at half-time or between matches.

**Student Scorekeeper/Room Organizers** – The Student Scorekeeper posts the running score on a blackboard or equivalent during the match, checking periodically with the official Scorekeeper. As the Room Organizer, this person straightens the furniture and equipment between matches, discards used scratch paper, supplies clean scratch paper, sharpens pencils used by the teams, and erases the board. Student Scorekeepers may be drawn from the pool of non-competing players; if this is the case, and if she/he is a potential competitor in the match, she/he should stand where she/he can't see the question sets that the Moderator and/or Scorekeeper are using.

### Suggested Script for Announcer

1. Welcome spectators to your school and the level (Regional/Sectional).
2. Explain that your tournament is being conducted under the sponsorship of the IHSA, and that it is being conducted according to the official Terms and Conditions for Scholastic Bowl as published by the IHSA.
3. Explain how Regionals and/or Sectionals work – single elimination, with a Regional Champion. Only the champion will advance to the Sectional (give location, date, and starting time).
4. Briefly explain the schedule for the day.
5. List the expectations for spectators: Please do not enter or leave the room during a match, except at half-time. Remain silent during the match; comments from spectators may result in unfair consequences to both teams. Applause will be appreciated at the end of the match.
6. Each match consists of two halves, each with 15 toss-up questions and a possible 15 bonus questions. Questions are supplied by the IHSA and are the same for all tournaments in both classes throughout the state today. Each match contains questions in the areas of science, math, social studies, literature, arts, and miscellaneous.
7. National Anthem played, followed by the start of the first match.
8. At the beginning of the final match, thank the host school and personnel for conducting the tournament. Invite spectators to remain for the awards ceremony. Announce the date, time, and place for the upcoming state series tournaments.

## **Awards Delivery Information**

To Managers of All IHSA Tournaments:

In an effort to better serve our tournament sites and the suppliers of our awards, we would like to have you read this bulletin carefully and then do what you can to expedite the instructions:

1. Be advised that at **Regional and Sectional Tournaments**, medals and plaques may be shipped separately and may not arrive at your tournament site on the same day. Please open boxes immediately to check contents, as medals **CAN** be in plaque boxes. **NOTE:** There are no medals given at Regional and/or Sectional levels in the team sports of baseball, basketball, competitive cheerleading, football, soccer, softball and volleyball, and in the activities of Drama/Group Interpretation and Scholastic Bowl.

Our awards supplier, A and M Products of Princeton, IL, often ships Regional and/or Sectional medals in the box with the plaque. **PLEASE CHECK THE PLAQUE BOXES CAREFULLY AND DO NOT DISCARD THEM UNTIL YOU HAVE DETERMINED THE MEDALS ARE NOT THERE!!**

**At State Final Tournaments**, medallions and trophies may be shipped separately and may not arrive at your tournament site on the same day. Please open boxes immediately to check contents, as medallions can be in trophy boxes.

2. Awards will be shipped to the school sites directly from A & M Products via United Parcel Service.
3. Please inform whoever receives your United Parcel deliveries to expect awards to arrive up to two weeks prior to the tournament, and ask them to deliver the packages directly to you when they arrive.
4. It is very likely that some awards (particularly trophies) will arrive in two or more boxes. **They may not arrive on the same day, but should be opened as they arrive.**
5. Please check all trophies, plaques, etc., to see that they are in good condition and not damaged in any way. You should note that they are engraved with the proper sport/activity, tournament level, year, etc.

If, after doing all of this, a problem develops, please contact Cheryl Lowery at the IHSA office at (309) 663-6377.

Thank you very much for your cooperation.
