The officials will lead both teams out to midfield. The teams will then walk out in two single-file lines following the officials. Once the officials stop, the teams fan out, facing the fans.

Each team will line up with the Head Coaches next to the AR on their respective side of the field. The Asst. Coaches, Goalkeepers, and Players (in numerical order) will join the head coach, lined up across the field. When an individual's name is called, they should step forward towards the stands and then step back into the line.

Resolution of Tie Games

Boys/Girls Soccer Post Season Tie-Breaker Procedure

RESOLUTION OF TIE GAMES

The overtime used in the Illinois High School Association tournament series shall be as follows:

Play the regulation game and if a tie exists:

5-minute break between regulation and 1st overtime

10 minutes-1st overtime period

2 minutes-between overtime period 1 and overtime period 2

10 minutes-2nd overtime period; and if a tie exists:

a) A coin toss occurs before: the overtime and the first 5 kicks. The visiting captain shall call the toss.

b) Each coach shall select five (5) players from the team roster to take tie-breaker kicks. The team winning the coin toss shall have the choice of shooting first or second. The goalkeeper for each team shall be any eligible team member determined by the coach. The teams will then each take five (5) tie-breaker kicks, alternating kickers. The team scoring on the greater number of these five (5) kicks shall be the winner.

c) If the score is still tied, a series of sudden victory tie-breaker kicks shall be taken. Each team shall designate five (5) different players to kick. Players shall kick alternately. If the first kicker from Team A scores and the first kicker from Team B does not score, the game is ended, and Team A is the winner. If both first kickers score, the second kickers from each team take tie-breaker kicks and, if one scores but the other does not, the game is ended, and the team of the scoring kicker is the winner. This process shall be repeated through as many as five (5) kickers for each team until there is a winner.

d) If the score is still tied, each team shall designate five (5) different players who did not kick under "c" above to take sudden victory tie-breaker kicks. Then the process of "c" is repeated. If the score is still tied, after these five (5) kickers from each team have taken their kicks, the process of "c" shall be repeated, with any eligible player from the roster permitted to kick. Note: In any sequence of either the regular or sudden victory tiebreaker kicks no player may kick more than once in each ten (10) kick series. However, a player may kick in each ten-kick series so, for example, a player may kick three times in a tie-breaker series which is not resolved until the twenty-fourth (24th) tie-breaker kick.

e) Kicking Procedure for tie-breaker kicks in the tie-breaking system: Kicks taken for tie-breaking purposes will be taken according to the following procedure:

(1) The kicker and goalkeeper will take their positions in preparation for the kick without delay.

(2) When ready, the referee will sound a whistle.

(3) The goalkeeper shall stand with at least one foot on or in-line with the goal line, and can move laterally or forward, but not permitted to come off the line with both feet until the ball is in play.

(4) The kicker will be permitted only one touch on the ball in taking the kick

VIII. TOURNAMENT RULES

A. Rules of Play:

The National Federation Soccer Rules are adopted as the official rules of play for the 2023-24 series of tournaments with the following provisions:

1) Each game in the tournament series will be played in two 40-minute halves.

2) During the State Tournament, if there is a seven (7) goal differential at the start of the second half or any time after the start of the second half, the clock shall be reduced by half of the remaining time.

3) During the State Tournament, if there is a nine (9) goal differential at the start of the second half or any time after the start of the second half, the game shall be terminated.

4) During Regional Quarterfinals, Semifinals, and Finals, and during Sectional Semifinals and Finals, if the first half has ended, and if play cannot be continued due to conditions such as darkness, weather, etc., the game shall be terminated unless tied. If the game is tied and cannot be continued, the game shall be considered suspended and must be continued from the point of interruption at the next available playing time (except Sunday). Once the game has begun, the game officials are solely responsible for the decision.

5) If a Super-Sectional game is suspended due to conditions that make it impossible to play, the game will be rescheduled for the next day from point of suspension or if mutually agreed upon by both head coaches that the game may be considered final. If the game cannot be played or

completed by the Thursday night prior to the State Semifinals, the team with the lead will be declared the winner. If the teams are tied and the game cannot be completed, then a coin toss shall determine which team will qualify for the State Finals.

6) During weekday state series contests (M-Th), if a game is delayed (inclement weather, power outage, etc.) the game must resume by 10 p.m. Games shall not start after 9 p.m. Local ordinances take precedence and will override the above.

7) No coach or other school official shall, during the progress of a game, be allowed on the field of play except by permission of the game officials.

8) The captain and the head coach shall be the official spokesmen and the sole representatives of their team in all communications with the officials.

B. Resolution of Tie Games:

Note: If the Class 1A, 2A & 3A State Final Third place game is tied at the end of regulation, the tie is broken by proceeding straight to penalty kicks following the procedure below.

The overtime used in the Illinois High School Association tournament series shall be as follows:

Play the regulation game and if a tie exists:

5-minute break between regulation and 1st overtime

10 minutes-1st overtime period

2 minutes-between overtime period 1 and overtime period 2

10 minutes-2nd overtime period; and if a tie exists:

a) A coin toss occurs before: the overtime and the first 5 kicks. The visiting captain shall call the toss.

b) Each coach shall select five (5) players from the team roster to take tie-breaker kicks. The team winning the coin toss shall have the choice of shooting first or second. The goalkeeper for each team shall be any eligible team member determined by the coach. The teams will then each take five (5) tie-breaker kicks, alternating kickers. The team scoring on the greater number of these five (5) kicks shall be the winner.

c) If the score is still tied, a series of sudden victory tie-breaker kicks shall be taken. Each team shall designate five (5) different players to kick. Players shall kick alternately. If the first kicker from Team A scores and the first kicker from Team B does not score, the game is ended, and Team A is the winner. If both first kickers score, the second kickers from each team take tie-breaker kicks and, if one scores but the other does not, the game is ended, and the team of the scoring kicker is the winner. This process shall be repeated through as many as five (5) kickers for each team until there is a winner.

d) If the score is still tied, each team shall designate five (5) different players who did not kick under "c" above to take sudden victory tie-breaker kicks. Then the process of "c" is repeated. If the score is still tied, after these five (5) kickers from each team have taken their kicks, the process of "c" shall be repeated, with any eligible player from the roster permitted to kick. **Note:** In any sequence of either the regular or sudden victory tiebreaker kicks no player may kick more than once in each ten (10) kick series. However, a player may kick in each ten-kick series so, for example, a player may kick three times in a tie-breaker series which is not resolved until the twenty-fourth (24th) tie-breaker kick.

e) Kicking Procedure for tie-breaker kicks in the tie-breaking system: Kicks taken for tie-breaking purposes will be taken according to the following procedure:

(1) The kicker and goalkeeper will take their positions in preparation for the kick without delay.

(2) When ready, the referee will sound a whistle.

(3) The goalkeeper shall stand with at least one foot on or in line with the goal line, and can move laterally or forward, but not permitted to come off the line with both feet until the ball is in play.

(4) Once the kicker starts his approach toward the ball, he may not interrupt his movement. The kicker will be permitted only one touch on the ball in taking the kick.

All yellow cards must be reported by the official to the IHSA and the member school, as currently practiced with all ejection reports.

If a coach or player enters the tournament series having accumulated five or more yellow cards during the season, their yellow card count continues.

4) All straight red cards received by a player and/or coach are to be tracked by the school and the IHSA. Recipients of the straight red card will have the following consequences:

1st straight red = 1 game suspension (current practice)

In the event that you have less than three students, an adult sponsor may be included on this list. To apply for student media credentials, please have your Athletic Director or an individual involved with the aforementioned programs email Matt Troha (mtroha@ihsa.org) at the IHSA with the following information:

- 1) The names of individuals attending
- 2) Whether they are students or adults
- 3) If the attending individuals will serve as reporters, photographers, videographers, etc.

Student media who are registering for credentials are expected to maintain a level of professionalism while covering this event. That includes no cheering while in the press box or game coverage area. Proper attire is also required. Wearing school shirts and colors is acceptable, but students wearing face paint, costumes, carrying props, etc. will be required to change before receiving credential clearance.
