

2018-2019 Girls/Boys Swimming and Diving Series Terms and Conditions

In accordance with Section 1.450 of the IHSA Constitution, the Board of Directors has approved the Terms and Conditions governing the 2018-2019 IHSA Girls/Boys Swimming & Diving Series.

I. SCHOOL CLASSIFICATION

Competition in the IHSA Girls & Boys Swimming and Diving Tournament Series will be held for all member schools without classification.

Students with physical/visual disabilities will compete in girls' or boys' swimming against other students with physical disabilities regardless of school classification. A disability is a physical impairment that substantially limits one or more major life activity.

Students with physical/visual disabilities wishing to participate in the girls' or boys' swimming events for students with physical/visual disabilities must have a statement of disability on file with appropriate personnel responsible for student health issues at the student's school. The IHSA reserves the right to request this documentation as part of the entry process.

Competitors with physical/visual disabilities will be categorized into one of two classifications based on U16/18 standards developed by Wheelchair and Ambulatory Sports USA (WASUSA).

Competitors who are classified as S1-S7 shall participate in Classification A.

Competitors who are classified as S8-S13 shall participate in Classification B.

Student athletes with physical/visual disabilities (or any adult acting on their behalf, *e.g.*, a coach, parent, or guardian) are required to provide their school with a written statement of their classification, for purposes of the 2018-2019 IHSA swimming and diving championship series, by any of the following means at the time of registration for the 2018-2019 swimming season:

a. Provide an official WASUSA classification card or other evidence demonstrating the athlete's classification category; or

b. If a student athlete with a physical/visual disability is not classified as detailed above by the time of the Sectional meet, the athlete will still be allowed to swim in the athletes with physical/visual disabilities division but will automatically be classified to swim under Classification B.

II. DATES AND SITES

A. Girls Sectional meets will be held on November 10, at 16 sites to be announced on the website at a later date.

B. Girls State Finals will be held on November 16-17, at Evanston Township High School, Evanston, Illinois.

C. Boys Sectional meets will be held on February 16, at 16 sites to be announced on the website at a later date.

D. Boys State Finals will be held on February 22-23, at New Trier High School, Winnetka, Illinois.

III. SCHOOLS AND OFFICIALS CENTER INFORMATION, ON-LINE SCHOOL ENTRIES, RULES MEETING PRESENTATION, WITHDRAWAL PROCEDURE, ELIGIBILITY, AFFIRMATIVE ACTION AND ON-LINE LIST OF PARTICIPANTS

A. The policy for Original School Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities.

Directions: Login to the Schools Center (Official Representative or Principal Password is required to perform this task), Enter your School User ID (5 digits, a letter followed by 4 numbers) and Administrative Password, go to the activity tracker and click the button to add sports for the upcoming year. Sports Entry Deadlines are Sept. 7 (fall), Nov. 1 (winter) and Feb. 1 (spring).

B. **On-Line School Entries (Including individuals in the Students with Physical/Visual Disabilities Division):** All Official Representatives must login to the IHSA School Center; click on "Sport & Activity Tracker"; click on "enter your teams". There you will select the sports and activities your school team or individuals will participate in during the 2018-2019 school term. After the Fall entry deadline (September 7) and November 1 (Winter Entry deadline), the IHSA will assign all schools to Sectionals in the Swimming & Diving State Series after the respective date.

C. **Late On-Line School Entries (Able bodied and individuals in the Students with Physical/Visual disabilities Division):** Any attempt for a school to enter a sport or activity on-line after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school (if allowed to enter late).

D. **Six Contest Verification (Team entries only):** When completing the Sectional Online List of Participants, only schools entering a team must check the Six Contest Verification box to be eligible to compete for team honors. By **checking the Six Contest Verification box** in the Sectional Online List of Participants, schools are verifying that the school's boys and/or girls interscholastic Swimming & Diving team has participated in six boys or girls interscholastic Swimming & Diving meets during the current Boys and/or Girls Swimming & Diving season and is thereby eligible to compete for team honors at the state meet in accordance with IHSA By-law 3.054.

Individuals: Schools with only individuals competing **do not check the Six Contest Verification box** as they are not required to meet this requirement. Individual entries are not eligible to compete for team honors in the state series meets.

E. SWIMMING RULES MEETING PRESENTATION:

The Swimming On-line Rules Video presentation will become available August 7 through September 11 (for Girls Swimming & Diving Schools and all Officials). The schools participating in Boys Swimming and Diving have until November 27 to view the Rules Meeting presentation. Each participating school must have the Girls and Boys HEAD Coach view to receive credit for the 2018-2019 Swimming/Diving rules interpretation. Each participating official must view and receive credit for the 2018-2019 Swimming/Diving rules interpretation. To receive credit, the coach/official must view the presentation in their respective IHSA School/Officials Center. See the On-Line Swimming/Diving Bulletin located on the IHSA Swimming/Diving page for specific instructions.

Once the deadline passes your school will be placed on probationary or suspended status if the online rules meeting presentation isn't reviewed by your coach. For probationary/suspension status to be lifted from your school you must:

Submit a \$50.00 penalty fee to the IHSA Office (you must contact Tammy Craig or Brandi Waters to process Visa, MasterCard or Discover credit card payments or school checks payable to the IHSA will be acceptable forms of payment). Upon receipt of payment, the schools center will be re-opened for your coach to view the online presentation.

- 1) Go to www.ihsa.org
- 2) Click on "Schools and Officials Center login"
- 3) Enter your "IHSA User ID" and your Head Coaches password
- 4) Click on Sport & Activity Tracker

5) Click on "Rules Video" next to the respective sport under the Sport & Activity Tracker

6) View and interact with the online Rules Video Presentation to receive credit

This is a yearly requirement to compete in the IHSA State Series.

NOTICE: If you are a coach at two different schools or you are a coach and an official, you must contact Cheryl Lowery at the IHSA Office to be issued credit. You must be listed as the coach at both schools in the respective Schools Center for the schools you are coaching for. If you have viewed the presentation and were not given credit (after 24 hours), please contact Cheryl Lowery (clowery@ihsa.org) to review your request.

Below are a few options to assist you in viewing the Rules Video presentation once you have tried and have failed.

Try again on a different computer, preferably in a different location (home instead of school, etc.) Sometimes these files download badly. Going to a different computer/location is the easiest way to get a fresh start.

Go back to where you clicked on the link to start the presentation, and INSTEAD click on the link below to view the LITE version, which has no video content. Flash video can be an issue for some computers, and the lite version takes this out of the equation.

Any diving coach, who wishes to be considered to serve on the sectional dive panel, is required to view a yearly diving rules presentation which will be specific to diving rules and protocols.

Steps to be eligible for the Diving panel:

1. School administration must list the name of their diving coach in the IHSA Schools Center and issue their diving coach a User ID and password.

2. Diving Coach is required to log in using the User ID & Password to complete Diving Rules Presentation, PES, Concussion Risk Management Protocol, and be a certified coach to be in compliance. Coaches and Officials who wish to serve on the diving panel in the State Series must view the Diving Rules Presentation by logging in to their Schools or Officials Center prior to the List of Participants deadline.

The Assistant Executive Director in charge of Swimming and Diving will have the ability to appoint a coach to a site when circumstances would require doing so.

3. Head coaches must nominate their diving coaches (if interested and eligible) to serve on the sectional diving panel through the "Coaches" tab in the "List of Participants" page located in the School Center. This can be done when entering their List of Participants prior to the Electronic Sectional Seeding Meetings.

F. Breach of Contract By-Law 6.041 (Withdrawal Procedure)

You must withdraw by notifying the IHSA Office, not the Sectional Manager.

To withdraw without penalty, the Official Representative or Principal must email Tammy Craig (tcraig@ihsa.org) notifying IHSA of the school's withdrawal from Swimming & Diving no later than the List of Participants Deadline.

If a school withdraws after the deadline and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

G. Eligibility

All member schools in good standing may enter an individual(s) or a team under the provisions of IHSA By-law 3.054 for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities.

In accordance with By-law 3.050, schools are subject to entering eligible student-athletes

H. Affirmative Action Policy: Only boys may participate in the boys' competition in the meet series and only girls may participate in the girls' competition in the meet series, except as provided in the Illinois High School Association Affirmative Action Policy.

I. On-Line List of Participants (Including individuals participating in the Students with Physical/Visual disabilities Division):

Each school entering the state series (whether entering a team or individuals) must submit its Online List of Participants via the Internet through the IHSA Schools Center Web Site to the IHSA Office. This List of Participants must be received in the IHSA Office by **11:59 p.m. on Monday, November 5, 2018** (Girls Swimming/Diving) and by **11:59 p.m. on Monday, February 11, 2019** (Boys Swimming/Diving). If a school does not submit the On-line List of Participants by the deadline, coaches and participants from that school are subject to sanctions, which could include but not be limited to being ruled ineligible to compete in the State Series. Schools which do not submit their school's On-Line List of Participants and are consequently ruled ineligible for the State Final Series must formally withdraw (see Withdrawal Procedures/Breach of Contract above in section III-C). The On-Line List of Participants will provide space for each participating school to list the accurate names of up to two (2) Girls/Boys entered in each individual event at their respective Sectional Meet. A school may enter into the IHSA Swimming and Diving State Series one relay team in each relay event. All eligible schools are allowed to enter four (4) swimmers and four (4) alternates (8 names maximum). Any school qualifying at least one of these relays for the state finals will be issued one (1) additional deck pass for the alternate of the schools choice. This single deck pass is to be issued to the individual selected by the coach to represent the team as the teams designated relay alternate. The other alternates listed in the schools List of Participants at the time of entering the State Series will not be provided deck passes. As always, any athlete listed as an

alternate in a specific relay(s) can be used to swim in that relay.

SPACES LEFT BLANK DURING THE ON-LINE LIST OF PARTICIPANT PROCESS MAY NOT BE FILLED IN AFTER THE ON-LINE LIST OF PARTICIPANT ENTRY DEADLINE. Only person for person changes can be made through the Electronic Seeding Meeting procedures.

COACHES NAMES: If a coach on your coaching staff doesn't appear in the drop down menu in the List of participants, check the following under the Staff Responsibility page:

a. Does the coaches name appear in the Staff Responsibilities page? (School Administrator only)

b. Has the coach been certified to coach (ASEP/NFHS/ISBE)? Has it been designated in their IHSA Schools Center? (School Administrator only)

c. Has the coach been given credit and completed the PES Exam (one-time requirement) (Coach)

d. Has the coach been given credit and completed the State of Illinois mandated Concussion Risk Management Program (within 2 years).

e. Has the coach been given credit and completed the Online Girls & Boys Swimming Rules Exam and Rules Presentation.

f. Coaches who wish to be considered for the Sectional Diving panel must also view the required Diving Rules Presentation and be listed as the **Head Diving Coach** in their IHSA Schools Center (School Administrator only).

Concussion Risk Management Program: State law requires all staff and officials to pass a Concussion Management Program examination prior to working with students.

If you work as an official, athletic director, athletic coach (head or assistant), sideline cheer or dance coach, or marching band director, you must pass the Concussion Management Program examination with a score of 80% (24 out of 30) in order to be in compliance with state law. You may take the examination as many times as necessary to reach the 80% grade. You must retake the exam every two years to remain certified.

Reasons for the "Red Box" to appear in the Sport/Activity Tracker: Schools should login to their School Center site on the IHSA website and go to the Activity Tracker.

- Some schools will not have a competitor in every event offered.
- Schools would not verify to have competed in at least 6 Contests (team honors only).
- School hasn't activated the "Certified & Submit Entries" last page of the LOP process.

Confirmation of Sectional Online List of Participants: Once you have clicked the link "Certify & Submit Entries". You will receive an email confirming your entries as long as you have a current email address listed in the Schools Center.

Once the process is complete and the deadline date approaches, the Schools Center Activity Tracker will show that the deadline has passed. This does not mean your school didn't complete it. It means the IHSA Office has imported all rosters and is in the process of preparing the files for the Sectional Managers.

J. A school may enter two contestants in each individual swimming event and two contestants in the diving event. A school can enter a maximum of two (2) participants per event in each gender for the physical/visual disabilities division. A school may enter 1 relay team in each of the relay events.

K. Teams: When completing the Online List of Participants, team entries must check the Six Contest Verification box to be eligible to compete for team honors. By checking the Six Contest Verification box in the Online List of Participants, schools are verifying that the school's boys or girls interscholastic Swimming & Diving team has participated in six boys or girls interscholastic Swimming & Diving meets during the current Boys and Girls Swimming & Diving season and is thereby eligible to compete for team honors at the state meet series in accordance with IHSA By-law 3.054.

Individuals: Schools with individuals competing only, including those who have entered students with physical disabilities in the girls' or boys' Swimming and Diving competition, do not check the Six Contest Verification box as they are not required to meet this requirement. Individual entries are not eligible to compete for team honors at the state meet.

IV. HOST FINANCIAL ARRANGEMENTS

A. Host school shall pay for all local expenses. Each sectional host will receive a guarantee of \$700.00. Host shall retain 20% of net income and submit remainder to the IHSA. In the case of a negative balance, the host will be reimbursed for the entire deficit. If admission is not charged, the host school shall forfeit the guarantee. A financial report must be sent by the sectional manager to the IHSA office within 10 days following each sectional meet. This form can be found in the "H Tournament Hosting & ScoreZone" section.

B. Neither the State Association nor the local meet manager will assume responsibility for any other contestant expenses of any kind for any meet except those expenses specified above.

C. Admission Prices:

1) Sectional: \$5.00 for Child, Student or Adult.

2) State Final as follows:

Diving tickets are sold the day of the prelims at the door, no pre-sales - \$10.00/day (Advancing Divers will be allowed to purchase additional tick-

E. Rights Fees for TV and Radio: See the IHSA web site (www.ihsa.org) for the fees to be charged by Local Managers and/or the IHSA for television and cable broadcasts and radio originations.

V. TOURNAMENT ASSIGNMENTS AND SEED MEETINGS

A. All schools who complete their On-Line School Entry for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities by the deadline in the IHSA Girls/Boys State Swimming and Diving Meet Series will be assigned to compete in one of the sixteen (16) Sectional meets on a geographic basis. Qualifiers from the Sectional meets will compete in the State Final meet for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities.

Do not ask schools in your sectional to provide their entries in advance, as they may not match what they originally submitted in the Schools Center during the LOP process.

2. IHSA will send a list of Diving Coaches to Sectional Managers who were nominated and are eligible to serve on the Sectional Diving Panel. To be eligible to serve on the Diving panel the Head Diving Coach must meet the following conditions: (If any of the following requirements were not met, the Diving Coach will not appear in the LOP Coaches drop down menu or be listed on the Diving panel nominees list issued to the Sectional Manager.)

D. CHANGES PERMISSIBLE DURING THE ELECTRONIC SECTIONAL SEEDING MEETING:

Event Times (Ind. events and relays). Changes (PERSON FOR PERSON BASIS) to name and times are permissible in individual events only. NOT RELAYS. All changes during the Electronic Seeding meeting must be completed on or before 6:00 p.m. on Wednesday of the Sectional week.

NOTE: For all teams, the IHSA will use the athlete's names that actually competed at the sectional meet in any relay(s) for the purpose of determining quantities of participant's deck pass-

es and spectator tickets that will be available to qualifying individuals at the state meet.

E. Relay teams and individual swimmers who do not have an interscholastic time for the current season must submit a non-interscholastic time for seeding purposes at the Sectional meet provided that the principal certifies to the Sectional manager, in writing, that the principal has verification of the accuracy of the non-interscholastic time and that it has been performed in actual competition during the period of July 1, 2018 through the current Girls/Boys swimming season. These non-interscholastic time verifications from the principals must be available for review by competing team coaches upon request. If an interscholastic time that has actually been performed during the current season is available, it must be used for seeding purposes at the Sectional meet. "No Time" entries shall not be accepted. Schools do not need to submit a time for the competitor(s) it is entering in the Students with Physical/Visual Disabilities Division.

Note 1: All seed times submitted for Sectional meet seeding must be recorded to hundredths. Times submitted in tenths shall have the factor nine (9) added to them for seeding purposes (i.e., 55.1 for a Backstroke seedtime will be changed to 55.19 at the Seeding Meeting.)

Note 2: Verified non-interscholastic times for relay team entries shall not be "add-up" times.

Note 3: A verified leadoff relay time is not an acceptable individual seedtime in the appropriate event.

Note 4: Entries will be assigned to heats and lanes in the swimming events on the basis of (1) best times; and, (2) the composite opinion of the head Girls/Boys swimming coaches. In case of a discrepancy, (2) is to take precedence over (1). Coaches must be prepared to present evidence (which might include official meet results) to support the times submitted for seeding purposes at the Sectional meet.

F. Scratch Meeting: A scratch meeting with the Sectional Referee and all coaches shall be held immediately prior to the start of the Sectional Swimming and Diving Meet. After the scratch meeting, there shall be no substitutions or changes in a school's entries. Only changes related to illness or injury will be permitted at the Sectional Scratch Meeting (see VH. below), and in individual events only.

G. Entry Substitutions: AT THE SECTIONAL MEET - In case of illness or injury, as certified to in writing by a principal or physician, an entry substitution may be made in an individual event following the Electronic Sectional Seed Meeting on a person for person basis only. This substitution must be made at the Sectional Meet Scratch Meeting (Referee and all coaches) to be held immediately prior to the start of the Sectional meet. No contestant shall be permitted to change events in order to act as a substitute. The replaced swimmer shall not participate in any Sectional Meet events. However, a swimmer who is replaced

at the Sectional and who is listed for the Sectional Meet as one of the possible swimmers in any Relay event may participate in the Relay(s) at the State Final only in the event that Relay(s) qualifies for the State Final Meet.

Note: A different swimmer may be substituted in each event in which the injured or ill swimmer was entered. All Swimmers/Divers used as substitutes must have been on this year's school team and must be eligible in all respects.

AT THE STATE FINALS – RELAY EVENTS ONLY - In case of illness or injury, as certified to in writing by a principal or physician (licensed to practice medicine in all of its branches in Illinois), following the sectional competition, an entry substitution may be made only in a relay event. Such a substitution would be rare and would only be considered by meet management in conjunction with the meet referee if two (2) of the four (4) athletes listed as competitors (not alternates) in any relay event were ill or injured at some point following the sectional competition and prior to Saturday's competition. A request for a substitution in Saturday's meet must be submitted in writing by the coach before 11:00 a.m. on Saturday morning. The coaches written request must be accompanied by the written verification of the building principal or physician (licensed to practice medicine in all of its branches in Illinois), verifying the illness or injury. No contestant shall be permitted to change events in order to act as a substitute. The two (2) replaced swimmers shall not participate in any State Final Meet events. The one individual now being considered as the substitute must have been on this year's school team and must be eligible in all respects.

NOTE: Substitution at the state meet is not possible in individual events. If a state qualifier in an individual event is injured following the sectional meet, his/her lane will be left open.

VIII. TOURNAMENT RULES

A. B. In accordance with IHSA By-laws 2.020 and 2.070, all schools are required to have a qualified coach or faculty representative present at all times during a meet and be available for assignment as might be required by the meet manager. If a school does not have a qualified coach or faculty representative present at the Sectional site or the State Final site during warm-ups or competition, that school’s competitors shall not be permitted to participate.

Note: Schools are reminded that only coaches and faculty representatives who meet the provisions of IHSA By-law 2.020 and 2.070 and who are listed on the School’s On-Line List of Participants shall be permitted to serve in those capacities at the Sectional and State Final meet.

All eligible schools are allowed to enter four (4) swimmers and four (4) alternates (8 names maximum). Any school qualifying at least one relay for the state finals will be issued one (1) additional deck pass for the alternate of the schools choice. This single deck pass is to be issued to the individual selected by the coach to represent the team as the teams designated relay alternate. The other alternates listed in the schools List of Participants at the time of entering the State Series will not be provided deck passes. No

alternate listed in the List of Participants will be provided spectator tickets for any day of the state final events. As always, any athlete listed as an alternate in a specific relay(s) can be used to swim in that relay. NOTE: For all teams, the IHSA will use the athlete’s names that actually competed at the sectional meet in any relay(s) for the purpose of determining quantities of participant’s deck passes and spectator tickets that will be available to qualifying individuals at the state meet.

D. In accordance with Rule 3-2-1, an individual contestant shall be permitted to enter a maximum of four events, no more than two of which may be individual events. Being designated as a member of a relay team does not count as an entry unless the competitor actually competes in the event.

Note: In regard to contestant limitations, the Sectional and State Final meets shall be considered to be separate meets.

Student-athletes in the physical/visual disabilities division shall be allowed to swim in up to four individual events in the Sectional meet. In the State Championship Meet, an athlete with a physical/visual disability, who qualified in the applicable events through the sectional, shall be guaranteed to swim in at least two events and shall be able to swim in up to four (4) events as long as there are two (2) athletes with disabilities of any classification swimming in the third and fourth events. Starts at both the sectional and state finals can be from the platform, the pool deck, or in-water.

E. The Referee, Starter, Diving Referee and a Turn/Stroke Judge for the Sectional meets shall be appointed by the IHSA Office. In addition, the Sectional managers shall appoint all other non-paid meet officials and shall appoint a full complement of officials as needed for a championship meet.

Note 1: Wednesday prior to Sectionals. Deadline to vote for 3 coaches to serve on sectional dive panel from the list of eligible coaches must be returned to the Sectional Host by 6:00 p.m. Only coaches that have divers actually competing in the sectional competition may vote. Only names of coaches who received credit for the Diving Rules Presentation and were nominated during the school's List of Participants process will be listed for the vote.

Note 2: Diving Score Sheets will be distributed at Diving practice on Wednesday prior to Sectionals and will be available on Saturday morning of the Sectional Meet (2 forms per school). At the State Final, Diving Score Sheets will also be distributed. At the Sectional and State Final Meets, coaches are reminded that the coach's signature (as well as the diver's signature) is required on the Diving Score Sheet.

H. In accordance with IHSA By-law 6.033 and the Swimming and Diving Rules, the decision of the Meet Referee and Diving Referee shall be final.

To be deemed a legal suit, any suit must meet the style and construction restrictions described in rule 3-3, (i.e.: must be completely permeable to water and air). A suit listed on the FINA list of approved suits will be legal for competition. Not being included on that list does not necessarily mean the suit is not legal. It is legal to wear two caps.

3) No team points shall be recorded for the places won by contestants from schools that do not meet the six contest requirements of IHSA By-law 3.054. No points shall be scored for places won by such contestants and this provision shall not alter the order of finish or the points scored of other contestants.

IX. TOURNAMENT POLICIES

A. State Final Ticket Distribution Policy:

1) Ticket Sales for State Final Qualifiers: Each qualifier in the State Final meet will be permitted to purchase two (2) Swim Events

tickets per swim qualifier, plus one alternate (if they qualify a relay team). Students who are competing in the Students with physical/visual disabilities will be able to purchase 2 Swim event tickets. In addition, after meet management has determined the number of spectator tickets to be distributed to qualifiers, meet management will determine if extra spectator tickets are available. If so, then all schools that have qualified at least one individual for the state finals will be allowed to purchase two (2) additional Swim Event tickets. This number may be reduced to one (1) or to zero (0) if the number of qualifiers spectator's tickets approaches the maximum capacity of the swimming and diving venues.

Information pertaining to spectator ticket-distribution will be posted on the IHSA Swimming & Diving webpage following the sectional meet.

2) If there are any Swim Events tickets remaining after Thursday night they will go on sale to the general public at the door prior to the prelims.

3) The cost of Swim Events tickets for the State Final Meet is \$20.00 (two days).

4) Diving Event tickets will be sold at the door for the single Friday session at a cost of \$10.00. The twelve divers who qualify for the finals on Saturday will be eligible to purchase two tickets, at \$10.00 each, for the entire Saturday finals, immediately following Diving prelims.

B. Participant Passes for the State Final:

At the State Final meet, a participant pass will be issued to each girl/boy who qualifies for the State Final meet for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities. Schools that qualify at least one relay will be provided one additional deck pass to be given to the single relay alternate determined by the school. In addition, for those schools that have qualifiers for the State Final meet, for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities, qualified coaches, who are listed on the school's On-Line List of Participants, shall be issued a coaches wristband with the following formula:

1-5 Qualifiers = Two (2) Coaches' wristbands
6-10 Qualifiers = Three (3) Coaches' wristbands

11 or more Qualifiers = Four (4) Coaches' wristbands

Note 1: Managers or Rub Down personnel will not receive a participant pass.

Note 2: Participant and coach passes shall not be transferable and shall entitle those persons who receive participant passes only to the seating assignment in the pool deck area. IHSA has the authority to revoke a participant and/or coach's wristband at any time. Certified coaches who are listed on the On-line List of Participants will be issued a coach's wristband (in accordance with the above formula). However, those coaches must meet all IHSA Coaching By-law Requirements and its subsections (By-law 2.070). Coaches who do

not meet By-law 2.070 are not eligible and cannot be entered on the On-line List of Participants and are not eligible to receive a wristband. Only legitimate coaches and authorized meet personnel who have been issued wristbands and stamped contestants shall be allowed on the pool deck at the Sectional and State Final meet.

Coaches Wristbands: In an effort to ensure that only approved personnel are on the pool deck, meet management and/or IHSA officials will secure the required wristband on coaches as they enter the facility. **Only Coaches listed on the List of Participants for the participating school through the IHSA Schools Center (who has been identified how they are certified to coach, has completed/passed their PES and the Concussion Risk Management program) will be issued a coach's wristband.** Any wristband that appears to be tampered with at any time during the championship will be confiscated and the individual in possession will not be allowed entrance without the purchase of a ticket. If no tickets are available for purchase the individual will not be allowed admittance. There have been numerous instances in past years involving coaches providing an extra coach's band to individuals other than the certified coach for which the band was approved and intended. Schools involved in the transfer of coaches' bands will have themselves and their program placed on probation for the following year.

The IHSA will eliminate the diving coach's wristband from the number of allowable coach's wristbands as calculated by the number of qualifying swimmers and divers. The qualifying divers will be removed from the list of qualifiers used to determine the number of coaches' wristbands. In other words, the swimming coaches' wristbands will be determined by using only the number of swimmers qualifying from each team.
