

2019-2020 IHSA GIRLS and BOYS SWIMMING and DIVING RULES BULLETIN

(Last Revised August 28, 2019)

INTRODUCTORY NOTE: This bulletin has been prepared to give you a quick reference guide of changes for the upcoming Girls and Boys Swimming & Diving Seasons. Coaches must refer to their IHSA Schools Center and the Manual for Schools for complete instructions and any Coaching Deadlines to remain eligible to compete this school term. Please email IHSA Assistant Executive Director Kraig Garber (kgarber@ihsa.org) with any questions about official rule interpretations or recommendations for rule changes for next year.

INFORMATIONAL TOOLS FOR COACHES AND OFFICIALS

1. Keep your **personal information** current in the IHSA Schools and Officials Center. This is how IHSA communicates with you during the season. You must check the IHSA Schools & Officials Center frequently during the season to complete IHSA coaching and official's requirements.
2. Online Rules Interpretation Presentation (Schools & Officials Center)
3. Manual for Schools: Our Girls and Boys Swimming & Diving Sport Activity pages on the IHSA Website have an abundance of information regarding Swimming & Diving.
4. **Do Not Ignore emails YOU RECEIVE from the IHSA Office.** If you are receiving email notifications from our office, do not ignore them. You may be risking your eligibility. As a coach and official we require/expect for you to meet all deadlines to remain eligible.
5. **Diving Panel:** Viewing a yearly Diving Rules Presentation is required to be eligible to serve on a Sectional Diving Panel.

Officials: You will see this when you login to your officials Center. The first thing you must do is click on the link for serving on the Diving Panel before the Rules Presentation will appear in your Officials Center.

2019-2020 IHSA GIRLS and BOYS SWIMMING and DIVING RULES BULLETIN

(Last Revised August 28, 2019)

IHSA IMPORTANT REMINDERS

1. NFHS Rule 4-1-7 requires state officials to dress in the same attire as approved by the state association. The official uniform in Illinois is white over white.
2. In Illinois, if the swimmer or diver is observed in illegal attire prior to the start of the heat/dive the competitor cannot participate until illegal attire has been removed. If this could be done without delaying the competition the competitor could then participate. If the illegal attire is observed on the swimmer/diver after the start of the heat/dive the competition continues and at the completion of the heat/dive it is necessary to warn the coach and athlete that they will not be allowed to compete again until they are in legal attire. The athlete would not be immediately disqualified from the event just completed. A subsequent violation will result in a disqualification from the meet for Unsporting Conduct.
3. In Illinois, temporary tattoos including body paint are prohibited in competition. In addition, permanent tattoos deemed objectionable by the meet official, must be covered.
4. Illinois requires officials to follow the "Use of Whistles as Preparatory Commands" protocol for starting races. These guidelines can be found in the NFHS Rule Book in Appendix A.
5. In Illinois, final decisions related to diving rests with the Diving Referee.
6. Illinois officials' exam questions come from the most current publications of the following sources: NFHS Rule Book, IHSA Swimming and Diving Terms and Conditions, IHSA Swimming and Diving Bulletin, IHSA Swimming and Diving Online Rules Video.
