THERE WILL BE NO SPECTATOR TICKET PICK-UP ON MONDAY FEBRUARY, 18 DUE TO PRESIDENTS DAY

- **Parking – Team Buses:** Teams arriving in **BUSES** should be dropped off on Essex Street north of Tennis Courts. Buses will be directed to park in the Green Bay Road Metra Station West Lot (intersection of Green Bay Road and Winnetka Avenue) or at the Northfield Campus 7 Haap Road, Northfield, IL.

Notice:

As coaches you are well aware of the limited space available on the deck. At times it is difficult to get all of the approved personnel on deck. The passes issued to participants and the wristbands issued to coaches in the State Final packet are non-transferable. They are to be used only by the intended person.

Coaching & IHSA Member School Staff Compliance: This IHSA Schools Center staff page is very important because if any information is missing from the coaching profile, the coach (head and/or assistant) will not be able to add his/her name to their list of coaches on their List of Participants and will not be issued credentials at the State Final. This page indicates:

- a. Who has been listed as coaches for your school (School Administrator only)
- b. How each coach on your staff is certified to coach (School Administrator only)
- c. If the coach has completed the PES Exam (one-time requirement) (Coach)
- d. **NEW STATE OF ILLINOIS REQUIREMENT): The coach/athletic director must have passed the Concussion Exam This year, then every two years. (Coach/Athletic Director)**

(To make changes to this information, the School Administration should click on the "Staff Logins & Roster" link and click the name of the staff member needed to be edited and make necessary changes.)

People caught using a pass intended for legitimate coaches and/or rostered athletes will have their pass revoked and will be removed from the facility. In addition, coaches may have sanctions placed against them from coaching the remainder of the state final series and/or be placed on probation.

It is our desire to provide the greatest experience possible for the athletes, coaches, officials and fans. To do so, we must have the help of everyone involved. On behalf of the IHSA and our host, New Trier High School, we thank you in advance for your cooperation with this matter.

Wristband Policy/Distribution: Qualified coaches, who are listed on the school's On-Line List of Participants, shall be issued a coaches wristband using the following formula:

****1-5 Qualifiers = 2 bands**6-10 Qualifiers = 3 bands**11 Qualifiers & above = 4 bands**

Managers or Trainers with rub-down tables **will not** receive a participant pass or coaches wristband.

1. Every Diving Coach automatically gets one wristband upon check-in. If your school only qualifies a diver, they will be entitled to two wristbands (as long as two coaches were entered on the List of Participants). Each coach must sign for his/her wristband.

2. If a coach or an official is listed as part of a school's coaching staff, they are crossed off the sign-in sheet. Those people only get the Officials wristband that will be supplied in their official's packet.
3. If you are a coach for multiple qualifying schools, you are entitled to one wristband.
4. Participant and coach passes shall not be transferable and shall entitle those persons who receive participant passes only to the seating assignment in the pool deck area. IHSA has the authority to revoke a participant and/or coaches wristband at any time. Certified coaches who are listed in the IHSA Schools Center and on the List of Participants will be issued a coaches wristband (in accordance with the above formula). However, those coaches must meet all IHSA Coaching By-law Requirements and its subsections (By-law 2.070). Coaches who do not meet By-law 2.070 are not eligible and cannot be entered on the On-line List of Participants and are not eligible to receive a wristband. Only legitimate coaches and authorized meet personnel who have been issued wristbands and stamped contestants shall be allowed on the pool deck at the Sectional and State Final meet.
5. In an effort to ensure that only approved personnel are on the pool deck, meet management and/or IHSA officials will secure the required wristband on coaches as they enter the facility. Any band that appears to be tampered with at any time during the championship will be confiscated and the individual in possession will not be allowed entrance without the purchase of a ticket. If no tickets are available for purchase the individual will not be allowed admittance. Schools involved in the transfer of coaches' bands will have themselves and their program placed on probation for the following year.

State Final Qualifier Packet Contents:

Please check with IHSA personnel, if any items are missing from your packet before you leave the check-in area. Items will not be replaced once you leave the check-in area. Participant passes for both days will be included with the team packet on Thursday/Friday.

If your school qualified a diver, the Participant pass will be included in the Diving Packet. Swimming Spectator Ticket Allocation: A spreadsheet with the following categories will be posted on the IHSA Swimming & Diving Webpage on the Monday after Sectionals. It will show how swimming tickets and coaches passes are allocated for each school during the state meet. The following key is an explanation of how IHSA determines tickets and coaches wristbands.

Spreadsheet Heading explanation:

Tickets Including Extra= Indicates the total number of tickets a school may purchase.

Sectional Swimmers, plus one alternate = The total number of qualifiers (athletes that actually swam at the sectional meet)) plus 1 alternate for any school that qualified at least one relay. Teams are allowed to purchase two tickets for their alternate, if they qualify a relay.

Has Relay = Identifies the schools who qualified a relay.

Total Swimmers, Including Alternates = Indicates the number of Swimmers on official roster. This is the number we use to allocate swimming coaches wristbands. Swimming coaches' wristbands will be determined by using only the number of swimmers qualifying from each team (a diver(s) is not included in this total).

Tickets (No additional) = The number of swimming state final qualifiers from each school x 2 (before the extra ticket is determined)

Extra Ticket = After determining the number of state final qualifiers, the IHSA will determine how many extra tickets are available for each qualifying school to purchase.

Participant Passes = Indicates the number of swimming participant passes that will be in the team packet at state.

LOP Head Coaches = Indicates the number of Head Coaches submitted on the List of Participants.

LOP Asst. Coaches = Indicates the number of Assistant Coaches submitted on the List of Participants.

Issued Coaches passes = Indicates the number of swimming coaches wristbands that will be allotted for your school determined by the following formula (diving coaches are provided coaches passes in a separate packet):

1-5 Qualifiers = 2 bands

6-10 Qualifiers = 3 bands

11 Qualifiers & above = 4 bands

Managers or Trainers with rub-down tables **will not** receive a participant pass or coaches wristband.

Time Schedule and Practice Time: State Final Program. Practice times are limited. Coaches are asked to be considerate.

Uniform/Suits Coach Verification of Legal Uniforms and Attire: When the coach signs for the swim or diving packet, the coach is verifying to the **Meet Referee** that the team's suits and attire are legal as required by Rule 3-3-5.

Will Call: Any tickets you want to leave for spectators **MUST** be left at WILL CALL (Gates Gymnasium lobby), which is located at our spectator entrance on the **east side** of the building off of Essex Avenue, across from our outdoor running track.

All of us at New Trier sincerely hope you enjoy the IHSA Swimming and Diving State Final Championships. If we can be of any help, please do not hesitate to ask our staff. **Good Luck** to all of you.
