Team Packet Pick-Up: 4:00-7:00p

We ask only for the coaches to come to the check-in area to pick-up the Team Swimming or Diving Packet to limit congestion at the packet pick-up area. Team packet pick-up will be located in the main lobby.

Teams that have qualified divers will have a separate diving packet to pick up.

Swimming & Diving Packet Contents:

- Friday & Saturday Participant Passes (1 per qualifier) – You will receive a pass for each qualifier. If your school qualified a diver, the Participant pass is included in the Diving Packet.
- State Final Qualifier Pins: 1 per qualifier (Coaches are not entitled to State Final Qualifier pins).

Note: Please check with Event Staff, if any items are missing from your packet before you leave the check-in area. Items will not be replaced once you leave the check-in area. Participant passes for both days will be stapled together within the team packet.

Team Parking Pass: One team parking pass is given at the Thursday night packet pick-up to schools with four (4) or more total participants. Team parking (buses/mini-buses/school vans) is reserved in the Ty Warner Parking Lot directly across Plaza Dr. from the FMC Natatorium. The Ty Warner Parking Lot will open for team & authorized meet personnel parking beginning on Friday at 6:00a.m. Do not leave valuables on the bus.

Coach's Wristband Distribution Policy and Procedures:

The passes issued to participants and the wristbands issued to coaches with the State Final packet are non-transferable, they are to be used only by IHSA certified coaches and participating athletes.

Qualified coaches, who are listed on the school's On-Line List of Participants, shall be issued a coach's wristband using the following formula:

- 1-5 Qualifiers = 2 wristbands
- 6-10 Qualifiers = 3 wristbands
- 11 or more Qualifiers = 4 wristbands

The number indicated next to each school's name on the Swimming Sign-In Sheet indicates the total number of wristbands allowed for that particular school. Once coaches have reached the number of allowable wristbands based on the number of qualifiers listed above, they are not allowed any extra. Each coach must sign for his/her own wristband and it is placed on the wrist by check-in staff.

1. Every Qualifying Diving Coach automatically gets one wristband upon check-in. If your school only qualifies a diver, they will be entitled to two wristbands. Diving coaches' wristbands are not part of the Swimming coaches' wristband allotment.

2. The IHSA will eliminate the diving coach's wristband from the number of allowable coach's wristbands as calculated by the number of qualifying swimmers and divers. The qualifying divers will be removed from the list of qualifiers used to determine the number of coach's wristbands. In other words, the swimming coaches' wristbands will be determined by using only the number of swimmers qualifying from each team.
3. On the Swimming Sign-In Sheet, the Diving Coaches are crossed out. This means they need to sign in on the Diving Sign-In Sheet.
4. If a coach who is also an official is listed as part of a school's coaching staff, they are crossed off the sign-in sheet. Those individuals only get an official's wristband that will be supplied in their official's packet.
5. If you are a coach for multiple qualifying schools, you are entitled to one wristband.
6. IHSA has the authority to revoke a participant and/or coach's wristband at any time. Certified coaches who are listed in the IHSA Schools Center and on the List of Participants will be issued a coach's wristband (in accordance with the above formula). Those coaches must meet all IHSA Coaching By-law Requirements and its subsections (By-law 2.070). Coaches who do not meet By-law 2.070 cannot be entered on the On-line List of Participants and are not eligible to receive a wristband. Only IHSA certified coaches, authorized meet personnel who have been issued wristbands, and stamped contestants shall be allowed on the pool deck at the State Final meet.
7. In an effort to ensure that only approved personnel are on the pool deck, meet management and/or IHSA officials will secure the required wristband on coaches as they enter the facility. Any band that appears to be tampered with at any time during the championship will be confiscated and the individual in possession will not be allowed entrance without the purchase of a ticket. If no tickets are available for purchase the individual will not be allowed admittance.
8. Managers or physical trainers will not receive a coach's wristband or participant pass.

Team Entry Order: Teams will be assigned an Entrance Order Number that will be made available on the IHSA Girls/Boys Swimming & Diving webpages by Monday of the week of the state final meet. The intent of the Entry Order is to provide the following:

1. A continued emphasis on safety in regards to deck entry for participants and coaches
2. A uniform method to enhance the efficiency team seating by seating larger groups first.
3. A reduction in the wait times required for teams to get on deck, allowing later team arrivals and better use of time by coaches and athletes.

The Entrance Order Number will be assigned based on the following criteria and posted on the IHSA website by Monday of the week following the sectional meet.

1. Host schools will be first or have their area reserved in advance.
2. Teams will then be ordered by the number of contestants they have qualified;
 - a. Relays equal four.

 - i. Multiple event qualifiers will count as one for each event (i.e., swimmers in two individual events count as two).
3. Ties will be broken by awarding the next number in order of the team's place at the previous year's state meet. Remaining ties will be broken by random draw from the teams that are tied.

Note: The Entrance Order number will be the same for Friday and Saturday.
