

**Qualifying Standards:** The Qualifying Standards for each individual and relay event will be calculated for classes 1A and 3A by determining the FIVE-year average of the 21<sup>st</sup> place time/distance/height from all sectionals. For class 2A, a FIVE-year average of the 16<sup>th</sup> place time/distance/height in individual events and relays was used. Using this process, the proposed qualifying standards for the 18-19 season are:

Event	1A Girls		2A Girls		3A Girls
