EVENT SECURITY POLICY

To help insure the safest and most secure atmosphere for this IHSA State Final, event management will diligently maintain established security procedures and activities. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, if you are requested to cooperate with event personnel in any manner, please do so promptly. Your assistance will enable our staff to fulfill its responsibilities efficiently.

ALCOHOL AND ILLEGAL SUBSTANCES PROHIBITED

The possession, distribution, sale, possession and or consumption of alcoholic beverages and illegal substances is prohibited on the property of any IHSA state series contest facility. State series hosts are required to make all state series contest sites, including parking lots, fan accommodation areas, and other school or event venue property, alcohol and illegal substance free zones on the date or dates of any IHSA event being held at the site. Event personnel will enforce this policy rigorously.

PERSONS AND POSSESSIONS SUBJECT TO SEARCH

Please note that all persons and their possessions are subject to search upon entering an IHSA State event venue. Items prohibited under this policy or any item deemed by the IHSA or event staff to be dangerous or harmful to persons or property will be confiscated. Patrons of any IHSA state series contest who do not cooperate with event staff in their enforcement of this policy will be removed from the premises, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

Special Thanks

Nearly 200 dedicated men and women volunteer their time, energy and effort to serve as the personnel responsible for conducting the annual State Track Meet. It would be impossible to conduct this gigantic and nationally acclaimed track and field competition without their expertise. The state final would not have the tremendous national reputation it does without their cheerful cooperation. To the busy men and women who slice this precious portion out of their regular schedules to serve the young athletes here this weekend in a special way, we offer a very, very special thanks.

Thanks to EIU and Pepsi-Cola for providing beverages in the Officials Hospitality Tent.

Thanks to A-A-E for providing much of the equipment used on the track and in the field events.

Administering this year's State Final Meet would not be possible without their tremendous contributions. The IHSA greatly appreciates the sincere interest in the young people of Illinois demonstrated by these firms and schools.

SEVERE WEATHER GUIDELINES

Delays and schedule changes and updates related to weather will be posted on IHSA Weather Twitter account: @IHSAweather and at www.ihsa.org
