EVENT SECURITY POLICY

To help insure the safest and most secure atmosphere for this IHSA State Final, event management will diligently maintain established security procedures and activities. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, if you are requested to cooperate with event personnel in any manner, please do so promptly. Your assistance will enable our staff to fulfill its responsibilities efficiently.

ALCOHOL AND ILLEGAL SUBSTANCES PROHIBITED

The possession, distribution, sale, and or consumption of alcoholic beverages and illegal substances is prohibited on the property of any IHSA state series contest facility. State series hosts are required to make all state series contest sites, including parking lots, fan accommodation areas, and other school or event venue property, alcohol and illegal substance free zones on the date or dates of any IHSA event being held at the site. Event personnel will enforce this policy rigorously.

PERSONS AND POSSESSIONS SUBJECT TO SEARCH

Please note that all persons and their possessions are subject to search upon entering an IHSA State event venue. Items prohibited under this policy or any item deemed by the IHSA or event staff to be dangerous or harmful to persons or property will be confiscated. Patrons of any IHSA state series contest who do not cooperate with event staff in their enforcement of this policy will be removed from the premises, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

Complete results will be posted on www.ihsa.org

OUR MISSION: The IHSA governs the equitable participation in interscholastic athletics and activities that enrich the educational experience.

On behalf of the Glenbard West Administration, Faculty and Students, I want to welcome and thank you for joining us for the 2020-2021 IHSA Boys Volleyball State Tournament.

Your presence matters a great deal to each and every one of these athletes. It affirms the importance of this endeavor to which they have given so much time and effort. High school interscholastic programs are so important to all of us, especially during these challenging times. These contests offer a source of reasonable, accessible, and healthy entertainment for all members of our communities. They also provide a large portion of the foundation upon which all of our students and staff build positive school identity, climate, and spirit.

This event will showcase the very best in high school boys volleyball. The student athletes we will watch are not only talented on the court but also continue to excel in the classroom. They have a healthy and mature respect for competition and their opponent. They understand how to accept responsibility for what they do or fail to do. They welcome challenge because they know that by facing challenge they grow. They learn that winning is not determined by a final score but by defining and fulfilling their potential. Thank you to all of the coaches who help instill these attitudes on a daily basis.

We ask for your help as well in reinforcing these important lessons. Our students look to all of us to set standards of sportsmanship and integrity. We encourage you to cheer for all outstanding performances and support this learning process. Congratulations to all of your teams as they compete this weekend!
